PRESENTATION OF FINANCIAL, INDUSTRY AND MARKET DATA

Financial Data

Unless indicated otherwise, the financial information in this Red Herring Prospectus is derived from our Company's restated financial statements as of and for the years ended March 31, 2011, 2012, 2013, 2014 and 2015 and for the three months ended June 30, 2015 (the "*restated financial statements*"), prepared in accordance with Indian GAAP and the Companies Act and restated in accordance with ICDR Regulations, as stated in the report of the Auditors, B S R & Co. LLP, Chartered Accountants, and included in this Red Herring Prospectus.

In this Red Herring Prospectus, any discrepancies in any table between the totals and the sum of the amounts listed are due to rounding off. All decimals have been rounded off to two decimal points.

Our Company's Financial Year commences on April 1 and ends on March 31 of the next year. Accordingly, all references to a particular Financial Year are to the 12 month period ended March 31 of that year, unless otherwise specified.

All financial and statistical information in this Red Herring Prospectus have been presented in million or in whole numbers where the numbers have been too small to present in million, unless stated otherwise.

There are significant differences between Indian GAAP, IFRS and US GAAP. Accordingly, the degree to which the Indian GAAP financial statements included in this Red Herring Prospectus will provide meaningful information is entirely dependent on the reader's level of familiarity with the Companies Act, the Indian GAAP and the ICDR Regulations. Any reliance by persons not familiar with Indian accounting practices on the financial disclosures presented in this Red Herring Prospectus should accordingly be limited. Our Company has not attempted to quantify the impact of IFRS or US GAAP on the financial data included in this Red Herring Prospectus, nor does our Company provide reconciliation of our financial statements to those under US GAAP or IFRS, and therefore urges you to consult your own advisors regarding such differences and their impact on our financial data. Also, please see the section "*Risk Factors*" beginning on page 20.

Any percentage amounts, as set forth in the section "*Risk Factors*", and chapters "*Our Business*" and "*Management's Discussion and Analysis of Financial Condition and Results of Operations*" beginning on pages 20, 168 and 341, respectively, of this Red Herring Prospectus and elsewhere in this Red Herring Prospectus, unless otherwise indicated, have been calculated on the basis of our restated financial statements.

Certain Conventions

Unless otherwise specified, all references to "India" in this Red Herring Prospectus are to the Republic of India, together with its territories and possessions and all references to the "US", the "USA", the "United States" or the "U.S." are to the United States of America, together with its territories and possessions.

Unless stated otherwise, all references to page numbers in this Red Herring Prospectus are to the page numbers of this Red Herring Prospectus.

Currency of Presentation

All references to "Rupees" or "Rs." or "INR" or "₹" are to Indian Rupees, the official currency of the Republic of India. All references to "USD", "\$", "U.S. \$" and "U.S. Dollars" are to United States Dollars, the official currency of the United States of America. All references to "€" and the "Euro" are to Euro, the official currency of European Monetary Union's member states.

Except otherwise specified, our Company has presented certain numerical information in this Red Herring Prospectus in "million" units. One million represents 1,000,000 and one billion represents 1,000,000,000.

Exchange Rates

This Red Herring Prospectus contains conversions of certain other currency amounts into Indian Rupees that have been presented solely to comply with the ICDR Regulations. These conversions should not be construed as a representation that these currency amounts could have been, or can be converted into Indian Rupees, at any particular rate or at all.

Some amounts in this report are rounded. Financial and operating data for some carriers may include cargo and other activities.

Both CAPA and SAP have, by each of their letters dated October 7, 2015, confirmed that they are independent agencies and have no affiliation, direct or indirect, with the Company. While certain operational and financial data in the CAPA Report and the SAP Report concerning our Company was provided to them by the Company, all information in the CAPA Report and SAP Report concerning airlines other than IndiGo was prepared independently without any direct or indirect inputs from the Company. They further confirm that each of them is an industry specialist in the aviation sector.

Further, the extent to which the industry and market data presented in this Red Herring Prospectus is meaningful depends on the reader's familiarity with and understanding of the methodologies used in compiling such data. There are no standard data gathering methodologies in the industry in which we conduct our business, and methodologies and assumptions may vary widely among different industry sources.

Such data involves risks, uncertainties and numerous assumptions and is subject to change based on various factors, including those disclosed in the section "*Risk Factors*" beginning on page 20. Accordingly, investment decisions should not be based on such information.

NOTICE TO PROSPECTIVE INVESTORS IN THE UNITED STATES

The Equity Shares have not been recommended by any U.S. federal or state securities commission or regulatory authority. Furthermore, the foregoing authorities have not confirmed the accuracy or determined the adequacy of this Red Herring Prospectus or approved or disapproved the Equity Shares. Any representation to the contrary is a criminal offence in the United States. In making an investment decision investors must rely on their own examination of our Company and the terms of the offer, including the merits and risks involved. The Equity Shares have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the “Securities Act”) or any other applicable law of the United States and, unless so registered, may not be offered or sold within the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. Accordingly, the Equity Shares are being offered and sold (a) in the United States only to persons reasonably believed to be “qualified institutional buyers” (as defined in Rule 144A under the Securities Act and referred to in this Red Herring Prospectus as “U.S. QIBs”). For the avoidance of doubt, the term U.S. QIBs does not refer to a category of institutional investor defined under applicable Indian regulations and referred to in this Red Herring Prospectus as “QIBs”) in transactions exempt from the registration requirements of the Securities Act and (b) outside the United States in compliance with Regulation S and the applicable laws of the jurisdiction where those offers and sales occur.

NOTICE TO NEW HAMPSHIRE RESIDENTS

NEITHER THE FACT THAT A REGISTRATION STATEMENT OR AN APPLICATION FOR A LICENSE HAS BEEN FILED UNDER CHAPTER 421-B OF THE NEW HAMPSHIRE REVISED STATUTES (“RSA”) WITH THE STATE OF NEW HAMPSHIRE NOR THE FACT THAT A SECURITY IS EFFECTIVELY REGISTERED OR A PERSON IS LICENSED IN THE STATE OF NEW HAMPSHIRE CONSTITUTES A FINDING BY THE SECRETARY OF STATE OF NEW HAMPSHIRE THAT ANY DOCUMENT FILED UNDER RSA 421-B IS TRUE, COMPLETE AND NOT MISLEADING. NEITHER ANY SUCH FACT NOR THE FACT THAT AN EXEMPTION OR EXCEPTION IS AVAILABLE FOR A SECURITY OR A TRANSACTION MEANS THAT THE SECRETARY OF STATE HAS PASSED IN ANY WAY UPON THE MERITS OR QUALIFICATIONS OF, OR RECOMMENDED OR GIVEN APPROVAL TO, ANY PERSON, SECURITY OR TRANSACTION. IT IS UNLAWFUL TO MAKE, OR CAUSE TO BE MADE, TO ANY PROSPECTIVE PURCHASER, CUSTOMER, OR CLIENT ANY REPRESENTATION INCONSISTENT WITH THE PROVISIONS OF THIS PARAGRAPH.

NOTICE TO PROSPECTIVE INVESTORS IN THE EUROPEAN ECONOMIC AREA

This Red Herring Prospectus has been prepared on the basis that all offers of Equity Shares will be made pursuant to an exemption under the Prospectus Directive, as implemented in Member States of the European Economic Area (“EEA”), from the requirement to produce a prospectus for offers of Equity Shares. The expression “Prospectus Directive” means Directive 2003/71/EC of the European Parliament and Council EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State (as defined below)) and includes any relevant implementing measure in each Relevant Member State. Accordingly, any person making or intending to make an offer within the EEA of Equity Shares which are the subject of the placement contemplated in this Red Herring Prospectus should only do so in circumstances in which no obligation arises for our Company or any of the Underwriters to produce a prospectus for such offer. None of our Company and the Underwriters have authorized, nor do they authorize, the making of any offer of Equity Shares through any financial intermediary, other than the offers made by the Underwriters which constitute the final placement of Equity Shares contemplated in this Red Herring Prospectus.

NOTICE TO PROSPECTIVE INVESTORS IN CANADA

The Equity Shares may be sold only to purchasers purchasing, or deemed to be purchasing, as principal that are accredited investors, as defined in National Instrument 45-106 *Prospectus Exemptions* or subsection 73.3(1) of the *Securities Act* (Ontario), and are permitted clients, as defined in National Instrument 31-103 *Registration Requirements, Exemptions and Ongoing Registrant Obligations*. Any resale of the Equity Shares must be made in accordance with an exemption from, or in a transaction not subject to, the prospectus requirements of applicable securities laws.

Securities legislation in certain provinces or territories of Canada may provide a purchaser with remedies for rescission or damages if this Red Herring Prospectus (including any amendment thereto) contains a misrepresentation, provided that the remedies for rescission or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser's province or territory. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province or territory for particulars of these rights or consult with a legal advisor.

Pursuant to section 3A.3 of National Instrument 33-105 *Underwriting Conflicts* ("**NI 33-105**"), the GCBRLMs and BRLMs are not required to comply with the disclosure requirements of NI 33-105 regarding underwriter conflicts of interest in connection with this offering.

FORWARD LOOKING STATEMENTS

This Red Herring Prospectus contains certain “forward-looking statements”. These forward-looking statements can generally be identified by words or phrases such as “will”, “aim”, “will likely result”, “believe”, “expect”, “will continue”, “anticipate”, “estimate”, “intend”, “plan”, “contemplate”, “seek to”, “future”, “objective”, “goal”, “project”, “should”, “will pursue” and similar expressions or variations of such expressions.

All statements contained in this Red Herring Prospectus that are not statements of historical fact constitute “forward-looking statements”. All statements regarding our expected financial condition and results of operations, business, plans, objectives, strategies, goals and prospects are forward-looking statements.

Forward-looking statements reflect our current views with respect to future events and are not a guarantee of future performance. These statements are based on our management’s beliefs and assumptions, which in turn are based on currently available information. Although our Company believes the assumptions upon which these forward-looking statements are based are reasonable, any of these assumptions could prove to be inaccurate, and the forward-looking statements based on these assumptions could be incorrect.

Further, the actual results may differ materially from those suggested by the forward-looking statements due to risks or uncertainties associated with our expectations with respect to, but not limited to, regulatory changes pertaining to the aviation industry in India in which our Company operates and our ability to respond to them.

Important factors that could cause actual results to differ materially from our expectations include, but are not limited to, the following:

- how effectively we apply the low-cost air carrier model to the markets in which we operate or plan to operate and how successful we are in implementing our growth strategy;
- inability to profitably expand to new routes;
- any production delays for the Airbus A320neo aircraft and its engines;
- any real or perceived problem with the Airbus A320 aircraft or IAE engines;
- ability to fulfil our commitments under our aircraft purchase agreements with Airbus;
- inability to continue to negotiate reduced prices in future aircraft purchases;
- our ability to successfully replicate our financing strategy and profitably market the A320neo to lessors;
- significant amount of debt that we have taken and which we may take in the future to finance the acquisition of aircraft and our expansion plans;
- failure to comply with covenants contained in our aircraft and engine lease agreements or our financing agreements;
- availability of fuel and internationally prevailing fuel price including taxes;
- depreciation of the Rupee against the U.S. Dollar;
- event of an emergency, accident or incident involving our aircraft or personnel; and
- inability to obtain regulatory approvals in the future or maintain or renew our existing regulatory approvals.

Only statements and undertakings which are specifically “confirmed” or “undertaken” by the Selling Shareholders in this Red Herring Prospectus shall be deemed to be “statements and undertakings made by the Selling Shareholders”.

All other statements and/or undertakings in this Red Herring Prospectus shall be statements and undertakings made by our Company.

By their nature, certain risk disclosures are only estimates and could be materially different from what actually occurs in the future. As a result, actual future gains or losses could materially differ from those that have been estimated. Neither our Company, the Directors, the Selling Shareholders, the Syndicate, nor any of their respective affiliates or associates, have any obligation to, and do not intend to, update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not realize. In accordance with the ICDR Regulations, our Company and the GCBRLMs

and the BRLMs will ensure that investors in India are informed of material developments until the time of the grant of final listing and trading permissions by the Stock Exchanges for the Equity Shares allotted pursuant to the Issue.

All forward looking statements are subject to risks, uncertainties and assumptions about us that could cause our actual results to differ materially from those contemplated by the relevant forward looking statement. For further discussion of factors that could cause our actual results to differ from our expectations, please see the section “*Risk Factors*” and the chapters “*Our Business*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operation*” beginning on pages 20, 168 and 341, respectively.

SECTION II: RISK FACTORS

An investment in our Equity Shares involves a high degree of risk. You should carefully consider the risks described below as well as other information in this Red Herring Prospectus before making an investment in our Equity Shares. You should read this section in conjunction with the chapters “Our Business” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” beginning on pages 168 and 341, respectively, as well as the other financial and statistical information contained in this Red Herring Prospectus. The risks described in this section are those that we consider to be the most significant to our business, results of operations and financial condition. Additional risks and uncertainties not presently known to us or that we currently believe to be immaterial may also have an adverse effect on our business, results of operations and financial condition. If any or a combination of the following events occur, our business, financial condition, results of operations and prospects could materially suffer, the trading price of our Equity Shares could decline and you may lose all or part of your investment. Unless specified or quantified in the relevant risk factors below, we are not in a position to quantify the financial or other implication of any of the risks mentioned herein.

Prospective investors should pay particular attention to the fact that our Company is incorporated under the laws of India and is subject to a legal and regulatory environment which may differ in certain respects from that of other countries.

Unless otherwise stated, the financial information of our Company used in this section is derived from our restated financial statements.

This Red Herring Prospectus contains forward-looking statements that involve risks and uncertainties. Our actual results may differ materially from those anticipated in these forward-looking statements as a result of certain factors, including the considerations described below and elsewhere in this Red Herring Prospectus. Please see the chapter “Forward Looking Statements” beginning on page 18.

Risks Relating to Our Company

1. We and certain of our Directors, Promoters and Group Entities are involved in certain legal proceedings which, if determined adversely, may adversely affect our business and financial condition.

Our Company, Directors, Promoters and Group Entities are involved in certain legal proceedings at different levels of adjudication before various courts, tribunals and appellate authorities. In the event of adverse rulings in these proceedings or consequent levy of penalties by other statutory authorities, our Company, Promoters or Group Entities may need to make payments or provisions for future payments, which may increase expenses and current or contingent liabilities and also adversely affect our reputation.

For more information regarding the above, please see the chapter “*Outstanding Litigation and Material Developments*” beginning on page 376.

2. Our business and growth plans will depend on how effectively we apply the low-cost carrier, or LCC, model to the markets in which we operate or plan to operate and how successful we are in implementing our growth strategy.

The airline industry is characterized by low profit margins and high fixed costs, including lease and other aircraft acquisition charges, engineering and maintenance charges, financing commitments, staff costs and IT costs. Significant operating expenses, such as airport charges, do not vary according to passenger load factors. In order for us to profitably operate our business, we must continue to achieve, on a regular basis, high utilization of our aircraft, low levels of operating and other costs, careful management of passenger load factors and revenue yields, acceptable service levels and a high degree of safety, such that we continue to generate high revenues and grow profitably. As some of the factors affecting these tasks are not totally under our control, there can be no assurance that we will be able to achieve any one or more of these aims to a sufficient degree for our business and growth plans to succeed at all or for us to be able to cover the fixed costs of our operations or achieve acceptable operating or net profit margins. For example, high utilization may be difficult to achieve as a result of internal factors such as operational problems or procedures or external factors such as increased competition or delays caused by inadequate airport facilities or air traffic control services (please see “—*Lack of airport infrastructure and facilities in India could adversely affect our business*”). As we rely on maintaining high utilization of our aircraft, if an aircraft becomes unavailable, we may suffer greater damage to our service, reputation and profitability.

In addition, it may be difficult for us to continue to operate at present costs levels because of the addition of new aircraft to our fleet, expansion of our operations in domestic and international markets, oil price increases and other internal or external factors. Furthermore, it may be difficult for us to deliver higher revenues and capture greater market share, if we face prolonged or intense price competition. The expansion of flight routes in foreign markets are also dependent on bilateral and/or reciprocal arrangements between the relevant governments, which may or may not materialize. In these and other ways, should we be unable to successfully continue to apply the LCC model to the Indian market or replicate it in competitive international markets, our business, operations and financial condition may be adversely affected.

Further, our growth strategy involves increasing the frequency of our flights in markets that we currently serve and expanding into new underpenetrated tier II and tier III cities in India and potentially to select new destinations in Southeast Asia, South Asia and the Middle East. Our success in implementing our growth strategy may be adversely affected by:

- our inability to grow domestic networks and frequencies in a profitable manner;
- our inability to acquire additional licenses and traffic rights to our targeted geographical markets;
- delay in procuring, or our inability to procure, flight slots on terms that are financially viable;
- changes to our cost structure;
- inability to replicate the LCC model in our proposed international operations;
- factors affecting demand in international travel to and from India, including the general condition of the global economy;
- operational, financial, marketing and legal challenges (including compliance with foreign laws) that are different from those that we currently encounter;
- our inability to operate and manage a larger operation in a cost effective manner;
- our inability to maintain or grow our ancillary revenues;
- greater exposure to exchange rate volatility;
- our inability to hire, train and retain sufficient numbers of pilots, flight crew and engineers with relevant experience;
- our inability to secure the necessary parking bays and departure slots at our targeted airports; and
- delays in fulfilment of our aircraft orders by the aircraft manufacturer or our inability to finance such aircraft on acceptable terms.

Many of these factors are beyond our control. While we intend to replicate our LCC business model to expand our operations to new markets, we may have limited operating experience in such markets, where the operating, financial, marketing and legal challenges presented could be significantly different from those that we currently face in our existing markets. There can be no assurance that we will succeed in implementing our strategy of expanding into these new markets.

3. We may be unable to fulfil our commitments under our 2011 or 2015 aircraft purchase agreements with Airbus.

Our June 2011 and August 2015 firm orders with Airbus have secured a series of scheduled deliveries from November 2015 to 2026, subject to any delivery advancements or deferrals to be negotiated with Airbus. We expect these deliveries to increase our operating fleet to approximately 111, 134 and 154 aircraft, net of retirements, by the end of fiscal 2016, 2017 and 2018, respectively. In the event that we are unable to successfully implement our growth strategy or if we are unable to arrange financing for such deliveries, we may have to delay or cancel the scheduled deliveries of aircraft under our 2011 or 2015 firm orders with Airbus and could incur significant damages as a result of any potential delay. The damages imposed under the 2011 and 2015 aircraft purchase agreements with Airbus may have an adverse effect on our business, results of operations and financial condition (please see the chapter “*Our Business—Our Fleet*” beginning on page 182).

4. We have in the past entered into related party transactions and may continue to do so in the future.

We have entered into transactions with our Promoters and with certain Group Entities. Services performed by related parties, most notably include the operation of our call centre by InterGlobe Technologies Private Limited, the operation of our sales function supported by InterGlobe Air Transport Limited, the lease of certain office space from InterGlobe Enterprises, our Promoter, and the lease of our corporate office from Acquire Services and InterGlobe Enterprises, our Promoters. The total expenses incurred towards the aforementioned related parties amounted to ₹ 1458.64 million or 1.17% of our total expenses and ₹ 365.83 million or 1.08% of our total expenses, in fiscal 2015 and the three months ended June 30, 2015, respectively. Please see the chapter “*Financial Statements—Statement of Related Parties and Related Party Transactions*” beginning on page 329. While all such transactions have been conducted on an arm’s length basis, there can be no assurance that we could not have achieved more favorable terms had such transactions not been entered into with related parties. Furthermore, it is likely that we will enter into related party transactions in the future. There can be no assurance that such transactions, individually or in the aggregate, will not have an adverse effect on our financial condition and results of operations.

5. Objects of our Issue include retirement of outstanding lease liabilities and repaying certain affiliates of our GCBRLM, J.P. Morgan India Private Limited. A foreign affiliate of J.P. Morgan India Private Limited, J.P. Morgan Trust Company of Delaware, is a joint trustee of The Chinkerpoo Family Trust, which as of the date of this Red Herring Prospectus owns [●] Equity Shares.

Our Company had entered into arrangements with Unicorn Leasing Limited (borrower and lessor), Unicorn Funding Limited (ECA borrower and intermediate lender), JPMorgan Chase Bank N.A., London Branch (Original ECA lender) and J.P. Morgan Europe Limited (Facility Agent and Security Trustee) for the financing of 11 aircraft. Our Company proposes to retire three of such financing arrangements through the Net Proceeds and consequently acquire the aircraft. For further details on the arrangement and utilization of Net Proceeds please see the chapter “*Objects of the Issue*” beginning on page 116.

JPMorgan Chase Bank N.A., London Branch (Original ECA lender), J.P. Morgan Europe Limited (Facility Agent and Security Trustee) and J.P. Morgan Trust Company of Delaware are foreign affiliates of our GCBRLM, J.P. Morgan India Private Limited. J.P. Morgan Trust Company of Delaware, together with Ms. Shobha Gangwal, are joint trustees of The Chinkerpoo Family Trust, which as of the date of this Red Herring Prospectus owns 58,800,000 Equity Shares. For further details on J.P. Morgan Trust Company of Delaware, please see the chapter “*General Information*” beginning on page 91.

6. Our levels of indebtedness could adversely affect our business. Further, we may incur a significant amount of debt in the future to finance the acquisition of aircraft and our expansion plans.

We have agreed to purchase a total of 430 Airbus A320neo aircraft as per fixed aircraft delivery schedules under our 2011 and 2015 purchase agreements with Airbus. We generally assign our right to purchase each aircraft under our purchase agreements with Airbus to a third-party lessor and lease the aircraft from the lessor following delivery of

the aircraft under a sale-and-leaseback agreement. Under the terms of our assignment, third-party lessors are typically required to pay the agreed purchase price between the lessor and us for each delivered aircraft directly to Airbus. If we are unable to assign our right to purchase under our purchase agreements with Airbus to a third-party lessor or if such third-party lessor defaults in purchasing the aircraft from Airbus, we may have to incur a significant amount of debt to finance the acquisition of the aircraft. As expanding our fleet size is crucial for implementing our growth strategy, any failure to obtain acquisition financing may adversely impact our business. There is no assurance that we will be able to raise such financing in time, on acceptable terms or at all. If we are unable to obtain financing for new aircraft on acceptable terms, this may increase the cost of financing, affect our profitability and cash flow, delay our fleet expansion plans and result in a breach of our purchase agreements and penalties for any delay or cancellation of aircraft under our purchase agreements. For further details, please see the chapter “*Our Business—Our Fleet*” beginning on page 182.

We are subject to interest rate fluctuations on our floating-rate lease arrangements and our floating-rate indebtedness. Of the 97 aircraft we have under lease as of August 31, 2015, 70 are under fixed-rate leases while the lease payments for the remaining 27 are on a floating-rate basis, based on LIBOR. For further details, please see the chapter “*Our Business—Our Fleet—Financing of Fleet*” beginning on page 183. As a result, while our current exposure to interest rate fluctuations is relatively contained with respect to the fixed-rate leases, significant increases in interest rates will increase our obligations under our floating-rate leases and may adversely impact our results of operations. Furthermore, we may increase our exposure to interest rate fluctuations through new leases or financing arrangements.

The degree to which we are indebted could adversely affect our business operations, including (i) increasing our vulnerability to adverse general economic and industry conditions, (ii) affecting our ability to obtain additional financing to fund future acquisitions of aircraft or for other general corporate purposes, (iii) requiring the dedication of a substantial portion of our cash flow from operations to the payment of principal and interest on indebtedness, thereby reducing funds available for operations and future business opportunities and (iv) causing us to be vulnerable to increases in interest rates as certain of our borrowings may be at variable rates of interest. In addition, certain agreements governing our future indebtedness may contain covenants that require the creation of security interests over our assets and limit our operating and financial flexibility. Our ability to meet our payment obligations will depend on the success of our business strategy and our ability to generate sufficient revenue to satisfy our obligations which are subject to many uncertainties and contingencies beyond our control.

7. Following the listing of the Equity Shares in the Issue, we will continue to be controlled by our Promoters and Promoter Group who will at completion of the IPO collectively control, directly or indirectly, approximately [●]% of our outstanding Equity Shares (assuming full subscription to the Issue).

Pursuant to our Articles of Association and the shareholders’ agreement dated April 23, 2015, as amended (“SHA”), that we entered into with IGE and Mr. Kapil Bhatia, Mr. Rahul Bhatia and Ms. Rohini Bhatia, (together the “IGE Group”) and Caelum Investment LLC, Mr. Rakesh Gangwal, Ms. Shobha Gangwal and The Chinkerpoo Family Trust (Trustee: Ms. Shobha Gangwal & J. P. Morgan Trust Company of Delaware) (together the “RG Group”), without regard to minimum shareholding: (i) the IGE Group has the right to nominate three non-independent Directors and the RG Group has the right to nominate one non-independent Director; one of the Directors nominated by the IGE Group and the one Director nominated by the RG Group are non-retiring Directors, which means that these directors once appointed would not need to stand for election at future shareholder meetings, (ii) the Chairman of the Board is required to be nominated by the IGE Group, and (iii) the IGE Group has the right to nominate and appoint the Managing Director, the Chief Executive Officer, and the President of our Company, subject to compliance with Indian law that requires that any such appointment be approved by the shareholders at a shareholders’ meeting in the case of the Managing Director, and by the Board in the case of the Chief Executive Officer and the President.

Our Articles of Association and the SHA also grant the IGE Group and the RG Group rights of first refusal to any of our Equity Shares proposed to be transferred by the other group to any third party, including through transfers of our Equity Shares other than through a Stock Exchange. Such rights are exercisable by IGE Group and RG Group only for a period of four years from the successful completion of the Issue. Upon successful completion of the Issue, our Promoters and Promoter Group will collectively control, directly or indirectly, approximately [●]% of our outstanding Equity Shares (assuming full subscription to the Issue). As a result, our Promoters and Promoter Group will continue to have the ability to exercise significant control over our Company and all matters requiring

shareholder approval, including election of directors, our business strategy and policies, and approval of significant corporate transactions such as mergers and business combinations. Their ability to exercise control of our Company may also have the effect of delaying, preventing or deterring a change in control of our Company, even if such a transaction may be beneficial to the other shareholders.

In addition, our governance structure and contractual arrangement with our Promoters and members of our Promoter Group will limit your ability to influence corporate matters, in particular any matters to be determined by our Board of Directors or our senior management, as a result of the rights of the IGE Group and RG Group to nominate, collectively, four of the six members of our Board of Directors and the Chairman of our Board of Directors and to nominate and appoint our Managing Director, Chief Executive Officer and President. Because the IGE Group and RG Group will retain those rights even if they sell all or a portion of our Equity Shares that they will own and control upon completion of this Issue, our corporate matters may in the future be influenced by parties with no economic interest in our Equity Shares or our Company and whose interests significantly diverge from those of our shareholders. Our Promoters and Promoter Group will continue to control our Company through their shareholding after the Issue. Their interests as controlling shareholders of our Company could be in conflict with the interests of our other shareholders. We cannot assure you that our Promoters and Promoter Group will act to resolve any conflicts of interest in favor of our Company or the other shareholders. To the extent that the interests of our Promoters and Promoter Group differ from your interests, you may be disadvantaged by any action that our Promoters and Promoter Group may seek to pursue. For more information, please see the section “*Main Provisions of the Articles of Association*” and the chapter “*History and Other Corporate Matters—Other Details regarding our Company—Summary of Key Agreements—Shareholders’ Agreement between our Company, IGE and Caelum*” beginning on pages 552 and 212, respectively.

8. A failure to comply with covenants contained in our aircraft and engine lease agreements or our financing agreements could have a negative impact on us.

We have entered into aircraft and engine lease agreements with various lessors. These agreements contain customary termination events and also require us to comply with certain covenants during the term of each agreement, including regulatory compliance. Failure to comply with such covenants could result in a default under the relevant agreement, and ultimately in a re-possession of the relevant aircraft or engine. Certain of these agreements also contain cross-default clauses, as a result of which default under any one of the lease agreements may be treated as a default under other lease agreements. As such, a failure to comply with the covenants in our aircraft and engine lease agreements could have an adverse effect on our business, financial condition and result of operations.

Our financing arrangements contain restrictive covenants regarding, among other things, restrictions on dividends, reorganization, amalgamation or merger, incurrence of additional indebtedness, the disposition of assets and the expansion of our business.

In the event we are unable to obtain the consents of our lessors or lenders under these agreements in a timely manner, or at all, the same could have an adverse impact on our business. Alternatively, should we breach any financial or other covenants contained in any of our financing arrangements, we may be required to immediately repay our borrowings either in whole or in part, together with any related costs. We may be forced to sell our assets if we do not have sufficient cash or credit facilities to make repayments. Additionally, if our borrowings are secured against all or a portion of our assets, lenders may be able to sell those assets to enforce their claims for repayment.

9. Based on certain qualifications noted by our auditors, there are deficiencies in certain aspects of our internal controls over financial reporting.

In connection with the audits of our financial statements, our Auditor has noted that there were delays in the deduction/accrual and deposit of certain statutory dues as a qualification with respect to matters specified in the Companies (Auditors Report) Order, 2003, as amended, in the annexures to their audit reports for each of fiscal 2013 and 2014. Although these qualifications did not require any corrective adjustments in our financial statements, the reports were nonetheless qualified in accordance with the requirements of the Companies (Auditors Report) Order, 2003, as amended. Such qualifications may be repeated in future years.

The existence of any deficiencies in our internal controls over financial reporting in the future could require significant costs and resources to remedy such deficiencies. The existence of such deficiencies could cause the

investors to lose confidence in our reported financial information and the market price of our Equity Shares could decline significantly. If we are unable to obtain additional financing to operate and expand our business as a result, our business and financial condition could be adversely affected.

10. Contingent liabilities could adversely affect our financial condition.

As of June 30, 2015, our contingent liabilities were as below:

- a. Income Tax: ₹ 972.71 million, the income tax authority has assessed and revised the taxable income on account of disallowance of certain expenses, provisions, depreciation and/or adjustments, and in respect of the tax treatment of certain incentives received from the manufacturer with the acquisition of aircraft and engines. Management has filed an appeal against the disallowance and/or adjustments made by tax authorities and believe, based on advice from counsels/experts, that the views taken by the tax authority are not sustainable at higher levels and accordingly no provision is required to be recorded in the books of account on account of the same. Liability as at June 30, 2015 is net of ₹ 1,602.03 million, which represents minimum alternate tax recoverable written of.
- b. During the current and previous years, the Company has received certain show cause notices and demand orders from the Commissioner of Customs and Commissioner of Central Excise (Adjudication), on account of non-payment of service tax on expenditure in foreign currency amounting to ₹ 0.97 million and excess availment of cenvat credit on cargo services amounting to ₹ 55.07 million. The claims are disputed by the Company. The Company is of the opinion that the above mentioned claims are not tenable and accordingly no provision is required in the books of account.
- c. Claims against the Company by supplier not acknowledged as debt amounting to ₹ 186.40 million on account of certain disputed matters.
- d. In addition to above, the Company is party to various legal proceedings in the normal course of business and does not expect the outcome of these proceedings to have any adverse effect on the financial statements and hence no provision has been set-up against the same.

For further details regarding contingent liabilities, please see the chapter “*Financial Statements*” beginning on page 265.

Our contingent liabilities may become actual liabilities. In the event that any of our contingent liabilities materialize, our business, financial condition and results of operations may be adversely affected. Furthermore, there can be no assurance that we will not incur similar or increased levels of contingent liabilities in the current fiscal year or in the future.

11. We may not be able to successfully implement our growth strategy of expanding our route network due to factors beyond our control.

We intend to develop a portfolio of routes which have the potential to deliver high passenger load factors at yields that are attractive to us. The number of markets we serve and our flight frequencies depend on our ability to identify appropriate geographic markets upon which to focus and to gain suitable airport access and route approval in these markets. When selecting a potential route, we typically choose a destination that has a population in excess of one million people and has the potential to service other key cities, where the route is a good fit with our existing network, the attractiveness of alternative modes of transport for the route (such as rail) and whether the route has proven to be successful for our competitors. We also consider economic indicators to identify the growth opportunities in a particular market. Please see the chapter “*Our Business—Our Route Network—Domestic Route Selection and Development Strategy*” beginning on page 177.

Factors that may affect our ability to identify appropriate new routes to which we can expand include but are not limited to the following:

- economic, political and business conditions;
- general population trends in India;

- conditions in the Indian domestic ground transportation industry;
- national, regional and local governmental laws, regulations, policies or actions, including those related to taxation and tax restrictions;
- regulatory limitations such as on flight capacity or the ability of carriers to process more passengers;
- slot availability at potential new destinations; and
- the business and operations of our competitors.

Our inability to successfully identify new routes on which to expand our route network may result in excess unused seat capacity in our fleet. Although we may not operate additional new routes immediately or at all, we may still incur costs in attempting to identify such new routes and operating expenses to maintain and service our aircraft. The size of our route network also affects our aircraft fleet requirements, and our failure to expand our route network may cause us to delay or cancel our new aircraft orders or delivery of new or previously used aircraft that we have purchased or leased, which in turn could result in a breach of our obligations under our aircraft purchase agreements with Airbus or our various aircraft lease agreements.

The expansion of our business will also require additional skilled personnel, equipment and facilities. The inability to hire and retain skilled pilots and other personnel or secure the required equipment and facilities efficiently and cost-effectively may adversely affect our ability to execute our growth strategy. Expansion of our markets and flight frequencies may also strain our existing management resources and operational, financial and management information systems to the point where they may no longer be adequate to support our operations, requiring us to make significant expenditures in these areas. In light of these factors, we cannot assure you that we will be able to successfully establish new markets or expand our existing markets, and our failure to do so could have an adverse impact on our business, financial condition and results of operations.

12. There is no assurance that the new routes which we expand into will be profitable or become profitable over time.

There can be no assurance that the new markets we enter into will provide passenger traffic that is sufficient to make our operations in those new markets profitable. The expansion of our route portfolio and commencement of our flight service to new routes that we successfully identify for expansion will also involve start-up costs as well as additional administrative and staff costs associated with complying with local regulations and operating requirements. Furthermore, on our newly commenced routes, our load factors and fares initially tend to be lower than those on our established routes, which may result in initial losses. We may also periodically run special promotional fare campaigns and conduct road shows and sales meets for travel agents, in particular, in connection with the opening of new routes. Promotional fares and incentives may have the effect of increasing load factors but tend to reduce our yield and passenger revenues on such routes during the periods that they are in effect. We also generally increase our marketing efforts in connection with the opening of new routes, such as putting up billboards in strategic locations and advertising in regional languages to reach out to more people, which increases our costs associated with expansion. These costs are likely to lead to initial losses that could have an adverse impact on our results. The failure of new routes to be profitable or become profitable over time may adversely affect our business, financial condition, results of operations and cash flows.

13. Our implied valuation based on our implied price / earnings multiple at the Issue Price may be higher than that of other international LCCs.

Among the international carriers that follow the LCC business model, we consider AirAsia, Cebu Pacific, Ryanair, Southwest Airlines, Spirit Airlines and Wizz Air to be our closest comparable peers. Our implied valuation based on the implied price/earnings multiples of the Issue Price could be higher than that of comparable international LCCs and other airlines. Other LCCs may operate in different markets or follow a different business model than ours which may impact their profitability. In addition, many international LCCs follow different accounting practices and prepare their financials in accordance with accounting principles that may be significantly different from Indian GAAP in accordance with which we prepare our financial statements. You may therefore not be able to accurately assess and measure the value of our business by comparing our implied price/earnings multiples with those of other international LCCs. Please see the chapter “*Basis for Issue*” beginning on page 123.

14. Our entire current and projected fleet comprises Airbus A320 family aircraft, and any real or perceived problem with the Airbus A320 aircraft or our IAE engines could adversely affect our operations.

We operate a fleet of 97 aircraft as of August 31, 2015, all of which are Airbus A320 aircraft which utilize engines from International Aero Engines AG (“IAE”). Our dependence on Airbus, its A320 family of aircraft and IAE engines makes us particularly vulnerable to any problems that might be associated with such aircraft or engines. The Airbus A320 family of aircraft has been in service for over 25 years. Because our entire fleet comprises Airbus A320 family aircraft, including the new aircraft which we expect to receive delivery in the future, any defect or problem discovered in an Airbus A320 family aircraft may result in Airbus recalling or issuing maintenance advisories applicable to all such aircraft, and our fleet may have to be grounded while such a defect or problem is corrected, assuming it can be corrected at all. Any such defect or problem may also result in aviation authorities in India or elsewhere implementing certain airworthiness directives which may require substantial cost to comply with. Further, our operations could be adversely affected if passengers avoid flying with us as a result of a negative perception of the Airbus A320 aircraft due to real or perceived safety concerns or other problems.

Currently, all of our aircraft carry V-2527-A5 engines manufactured by IAE, and, upon delivery, all of our A320neo aircraft under our 2011 order will utilize a new type of Pratt & Whitney engine. We are yet to select engines for the A320neo aircraft in our 2015 order. A change in engine suppliers or contractual terms with existing engine suppliers, including a change in fuel saving terms, may lead to less favorable terms in our future engine orders, which may increase our fixed and variable costs.

15. Any production delays for or issues with the Airbus A320neo aircraft and its engines would affect our expansion plans.

We ordered 180 Airbus A320neo aircraft in June 2011 which will utilize Pratt & Whitney engines and an additional 250 Airbus A320neo aircraft in August 2015. The A320neo aircraft and its engines are currently under commercial production and none have been delivered to date. Any delays in entering these aircraft into service would adversely affect the implementation of our expansion plans and our financial condition. Once delivered, the adverse effect of any real or perceived problem for the Airbus A320neo as a newly operational aircraft or with the new Pratt & Whitney engines in such aircraft could be greater than if faced by an aircraft with a longer operational history.

In addition, our anticipated aircraft fuel expenses may be adversely affected if the new A320neo aircraft and Pratt & Whitney engines ordered in 2011 do not achieve the projected levels of fuel efficiency.

16. Our business and activities are regulated by the Competition Act, 2002 and our Company is one of the airlines which are the subject of an ongoing investigation and a complaint.

At the direction of the Competition Commission of India (“CCI”), the Directorate General of CCI has recently commenced an investigation into alleged cartelization in the airline industry in contravention of the provisions of the Competition Act, 2002 (the “**Competition Act**”). By a letter dated September 16, 2015, the Director-General of CCI has sought certain information from our Company in connection with this investigation. For further details on this investigation, please see the chapter “*Outstanding Litigation and Material Developments*” beginning on page 376.

The Express Industry Council of India (“**EICI**”) has filed a complaint before the CCI against our Company, Jet Airways, SpiceJet, Air India and GoAir, alleging that these airlines had formed an anti-competitive cartel to impose fuel surcharges for the transportation of cargo. EICI also alleged that, although fuel surcharges were introduced as extra charges linked to fuel prices, there has been no corresponding decrease in fuel surcharges as fuel prices have declined. For further details on this proceeding, please see the chapter “*Outstanding Litigation and Material Developments*” beginning on page 376.

The Competition Act was enacted for the purpose of preventing business practices that have an appreciable adverse effect on competition in India. Under the Competition Act, any agreement which directly or indirectly determines purchase or sale prices, limits or controls production or allocates control of a market by geography or number of customers is presumed to have an appreciable adverse effect on competition. The Competition Act also prohibits abuse of a dominant position by an enterprise and may be applied to prevent mergers, amalgamations or acquisitions proposed by us. If any business activity we conduct is held to be part of an arrangement, understanding or action in concert between enterprises, whether formal or informal, which causes or is likely to cause an appreciable adverse

effect on competition in India, we may be prohibited from engaging in the activity and subject to substantial monetary penalties. If any enforcement proceedings are initiated by the CCI, or if any adverse publicity generated due to scrutiny or prosecution by the CCI or if any prohibition or substantial penalties are levied under the Competition Act, it may have a material adverse effect on our business, financial condition and results of operations.

17. Grants of stock options under our employee stock option schemes will result in a change to our profit and loss and will, to that extent, reduce our profits.

We intend to grant eligible employees 3,107,674 options under our employee stock option scheme, the InterGlobe Aviation Limited Employees Stock Option Scheme – 2015 (“**ESOS 2015 – II**”). The Compensation Committee by its resolution dated October 6, 2015 has proposed the approval of the grant of up to 2,528,928 options at the Issue Price and up to 578,746 options at the face value of the equity shares of the Company (i.e., ₹ 10). Each of these grants shall be made on the Pricing Date. For more details on the grants under ESOS 2015 – II, please refer to the chapter “*Capital Structure*” on page 92.

In accordance with the Guidance Note on Accounting for Employee Share-based Payments as issued by the Institute of Chartered Accountants of India, our Company has recognised the cost of equity settled stock options using the fair value method. Fair value of stock options granted under employee stock option schemes is determined at the grant date using valuation techniques consistent with the generally accepted valuation methodologies for pricing financial instruments. Under Indian GAAP, the grant of stock options under employee stock option schemes will result in a charge to our profit and loss over the vesting period, based on fair value of options determined on the date of grant.

18. We have negative net worth as at June 30, 2015.

Our Company has negative net worth of ₹ 1,393.87 million as at June 30, 2015. If this financial position continues, it may make it more difficult or expensive for us to obtain future financing or meet our liquidity needs. Further, there can be no assurance that we will be able to achieve a positive net worth in periods going forward.

19. Depreciation of the Rupee against the U.S. Dollar may have an adverse effect on our results of operations.

While substantially all of our revenues are denominated in Rupees, we are exposed to foreign exchange rate risk as a substantial portion of our expenses are denominated in U.S. Dollars, including our aircraft orders with Airbus, all of our aircraft and engine leases and financing payments, our aircraft fuel and a significant portion of our aircraft maintenance expenses. In addition, the cost of aircraft fuel sourced domestically could be adversely impacted by the depreciation of the Rupee against the U.S. Dollar as domestic aircraft fuel prices are derived from international fuel prices which are denominated in U.S. Dollars. Accordingly, any depreciation of the Rupee against the U.S. Dollar will significantly increase the Rupee cost of our operations. We may or may not be able to pass increased costs to our customers by increasing our passenger ticket prices without a decrease in our load factors. Please see the chapter “*Presentation of Financial, Industry and Market Data—Exchange Rates*” beginning on page 14.

In April 2014, we started importing aircraft fuel. Imported aircraft fuel must be paid for in advance at a U.S. Dollar price determined approximately two months prior to delivery, which further exposes us to fluctuations in the exchange rate between the U.S. Dollar and the Rupee.

20. We may not be able to negotiate favourable terms in future aircraft purchases, which may adversely affect our financial results.

We receive non-refundable incentives from manufacturers. The application of these credits to our operating leases results in a net reduction in our aircraft rental payments which is amortized over the initial terms of the operating leases. As of June 30, 2015 we had unamortized deferred incentives of ₹ 16,466.71 million as a result of these credits. We would not receive such credits in the event that the market price of the A320neos were to decrease below the price under our 2011 or 2015 orders. There is also no guarantee that we will be able to negotiate favourable terms in our future aircraft purchases, which may adversely affect our financial results.

21. Our reputation and business could be adversely affected in the event of an emergency, accident or incident involving our aircraft or personnel.

We are exposed to potential significant losses in the event that any of our aircraft is subject to an emergency, accident, terrorist incident or other disaster and, consequently, significant costs and harm to our reputation arising from passenger claims, repairs or replacement of a damaged aircraft and its temporary or permanent loss from service. There have been instances where pilots who were certified by the MoCA and the DGCA have been subsequently found to have fraudulently obtained credentials, including two instances involving our airline. There can be no assurance that we will not be affected by such events or that the amount of our insurance coverage will be adequate in the event such circumstances arise (see “*We are exposed to certain risks against which we do not insure and may have difficulty obtaining insurance on commercially acceptable terms or at all on risks that we insure against today*”) and any such event could cause a substantial increase in our insurance premiums. In addition, any future aircraft accidents or incidents, even if fully insured, may create a public perception that we are less reliable or safe than other airlines, which could have an adverse impact on our reputation and business.

22. We depend on our key personnel, especially our executive officers and key management, and some of our Promoters for the continued success of our business and operate in a highly competitive labor market.

Our success depends to a significant extent upon the continued services of our executive officers and other Key Management Personnel, along with support of our Promoters, Mr. Rahul Bhatia and Mr. Rakesh Gangwal. The loss of any of our Promoters, executive officers and other Key Management Personnel, or failure to recruit suitable or comparable replacements, could have an adverse effect on us. Please see the chapter “*Our Management—Key Management Personnel*” beginning on page 227.

Our business also requires us to have highly-skilled, dedicated and efficient pilots, cabin crew and other personnel. Our growth plans will require us to hire, train and retain a significant number of new employees in the future. From time to time, the airline industry has experienced a shortage of skilled personnel, especially pilots. We compete against all other airlines, including major full-service airlines, for highly skilled personnel. Our average attrition rate for pilots is 6.9% per year from Fiscal 2011 to Fiscal 2015. Large scale attrition could add to our costs since we may have to invest in the hiring and training of new pilots, cabin crew, engineers and other personnel. We have in the past been investigated by the DGCA concerning the hiring of unqualified pilots. We may have to increase wages and benefits to attract and retain qualified personnel or risk considerable employee turnover. As we are based in India, the market rates for wages are lower as compared to other Asian countries due to the lower cost of living and qualified candidates may choose to work in regions where wages are higher. If we are unable to hire, train and retain qualified employees at a reasonable cost, we may be unable to execute our growth strategy.

23. Our international routes expose us to risks associated with international activities.

Having commenced international operations in September 2011, we have limited experience operating in international sectors, which involve risks that are not generally encountered when doing business only in India. These risks include, but are not limited to:

- changes in foreign currency exchange rates and financial risk arising from transactions in multiple currencies;
- obtaining or maintaining landing rights and the allocation of parking bays and slot timings, and agreements with third-party service providers for maintenance and ground handling services, in foreign airports where locally-based airlines may receive more favorable terms;
- difficulty in developing, managing and staffing international operations because of distance, language and cultural differences;
- consumer attitudes, including the preference of customers for locally-based airlines;
- increasing labour costs due to high wage inflation across different international locations, differences in general employment conditions and the degree of employee unionization and activism;
- business, political and economic instability in foreign locations, including actual or threatened terrorist activities, and military action;
- adverse laws and regulatory requirements, including more comprehensive regulation than in India;
- export or trade restrictions or currency controls;
- more restrictive data privacy requirements;
- governmental policies or actions, such as consumer, labor and trade protection measures;
- taxes, restrictions on foreign investment, and limits on the repatriation of funds;
- diminished ability to legally enforce our contractual rights; and

- decreased protection for intellectual property.

Any of the foregoing risks may adversely affect our ability to conduct and grow our business internationally.

24. We may be subject to industrial unrest, slowdowns and increased wage costs, which could adversely impact our operations and financial condition.

India has stringent labor legislation that protects the interest of workers, including legislation that sets forth detailed procedures for dispute resolution and employee removal and legislation that imposes certain financial obligations on employers during employment and upon retrenchment. Under Indian law, employees have a right to establish trade unions. Although our employees (including pilots) are not currently unionized, we cannot assure that they will not unionize in the future. If some or all of our employees unionize or if we experience strikes, unrest or slowdowns, it may adversely impact our operations and make it difficult for us to maintain flexible labor policies and we may experience increased wage costs adversely impacting our profitability. In order to retain flexibility and keep our fixed overhead to a minimum, in line with industry practice, our Company appoints contractors who in turn engage on-site contract labor for performance of our low-skill operations in India such as cargo handling and loading. We are subject to the risk that on an application made by the contract laborers, the appropriate government may direct that such contract laborers be treated as our employees or that we pay certain contributions for such contract-laborers. Any industrial unrest or slowdowns which our third-party contractors may experience could disrupt the provision of services to us and may adversely impact our operations and financial condition. Any inability to support our growth with the required skilled laborers may affect operations and profitability.

25. We rely on third-party service providers to perform functions integral to our operations.

We have entered into agreements with third-party service providers to furnish certain facilities and services required for our operations, including aircraft maintenance services and some aspects of ground handling services (excluding airports in Srinagar, Jammu), which include (i) loading and unloading of baggage, (ii) movement of passengers, crew and towable ground support equipment at the airport, (iii) cleaning of aircraft and (iv) fumigation of aircraft (done only at New Delhi, Mumbai, Kolkata, Bangalore, Hyderabad, Chennai, Jaipur and Ahmedabad airports). We outsource our call centre and our sales operations as well as IT support services. Please see the chapter “*Our Business— Our Operations*” beginning on page 179. For example, our call centre operations are outsourced to InterGlobe Technologies Private Limited, our sales operations are supported by InterGlobe Air Transport Limited, certain aspects of our aircraft maintenance is outsourced to a maintenance, repair and operations facility approved by European Aviation Safety Agency, and aspects of our ground handling operations are outsourced to several parties. There can be no assurance that we will be able to renew our contracts with third-party service providers or negotiate replacement contracts with other service providers on the expiration or termination of such contracts. Our inability to renew contracts with third-party service providers or negotiate replacement contracts with other service providers at comparable or acceptable rates, or at all, upon the termination or expiration of such contracts may adversely affect our business and results of operations. We are likely to enter into similar service agreements in new markets we decide to enter and there can be no assurance that we will be able to obtain the necessary services at acceptable rates or at all.

Although we seek to monitor the performance of third parties that provide us with ramp and baggage handling and aircraft maintenance services, the efficiency, timeliness and quality of contract performance by third-party service providers are often beyond our control, and any failure by our service providers to perform their contracts may have an adverse impact on our business and operations. We expect to be dependent on such third-party arrangements for the foreseeable future. If the third party that is currently providing aircraft maintenance services to us is unable to provide its services to us for any reason during the course of our contract with it, our business and results of operations may be adversely affected.

26. We cannot ensure that our intellectual property is protected from copy or use by others, including our competitors, and intellectual property infringement actions may be brought against us.

We have made applications for the registration of various trademarks associated with our business and operations. For further details of our pending approvals, please see the chapter “*Government and Other Approvals—VII. Intellectual Property*” beginning on page 457.

Our name and trademarks are significant to our business and operations. We cannot assure that we will be able to register all of the trademarks applied for in our name, and such failure may materially and adversely affect our business prospects, reputation and goodwill. Pending completion of registration proceedings, any third-party claim on any of our brands may lead to erosion of our business value and our operations could be adversely affected. We may need to litigate in order to determine the validity of such claims and the scope of the proprietary rights of others. Any such litigation could be time consuming and costly, and a favorable outcome cannot be assured. Even if our trademarks are registered, we may not be able to detect any unauthorised use or infringement or take appropriate and timely steps to enforce or protect our intellectual property, nor can we provide any assurance that any unauthorised use or infringement will not cause material damage to our business prospects, reputation and goodwill.

Tata Motors Limited had issued notices in 2005 claiming that our use of the name 'IndiGo' is an infringement of their trademark 'indigo'. However, the mark has subsequently been registered by our Company under a separate application.

GoAir issued notices in December 2013 claiming that our use of 'goindigo' as our internet website domain name constitutes infringement and passing off of their trademark 'goair.' We have disputed this claim and proceedings are ongoing.

We may be subject to claims that we have breached our licensed use of software or otherwise infringed on the intellectual property of third parties, including infringement by service providers who use such licences to provide services to us.

27. Certain of our Group Entities have incurred losses in the preceding Financial Year and may incur losses in the future.

Certain of our Group Entities incurred losses in Fiscal 2013, 2014 and 2015, details of which are set forth below:

For foreign entities, conversion of foreign currency to INR has been done using the following exchange rates for all fiscal years:

- i. RBI Reference Rate for USD as of March 31, 2015
- ii. Oanda closing rate for other currencies is as on March 31, 2015

Additionally, there can be no assurance that our Group Entities will not incur losses in the future.

For details regarding our Group Entities, please see the chapter “*Our Promoters and Group Entities*” beginning on page 231.

28. If our Promoter Group entities and/or Group Entities breach their obligations under agreements entered into with us, it may adversely affect our business.

Our Promoter Group entities and Group Entities have entered into agreements with us, including agreements relating to the following:

- our call centre operations and certain IT services are outsourced to InterGlobe Technologies Private Limited, sales operations are supported by InterGlobe Air Transport Limited and certain IT shared services have been procured from InterGlobe Enterprises;
- our registered office is leased from InterGlobe Enterprises; and
- our corporate office is leased from Acquire Services and InterGlobe Enterprises.

There can be no assurance that our Promoter Group entities and Group Entities will not breach of any of their obligations thereunder. Also, if these entities are for whatever reason unable to provide any of these services to us, we will need to find alternate service providers, which we may not be able to either in a timely manner or on similar economic terms. For further details, please see the chapters “*Our Management*” and “*Financial Statements—Statement of Related Parties and Related Party Transactions*” on pages 215 and 329, respectively.

29. Our Promoters and Directors have interests in us other than reimbursement of expenses incurred or normal remuneration or benefits.

Our Promoters are interested in our Company to the extent of any transactions entered into between them and their shareholding and dividend entitlement in our Company. Some of our Directors are also directors of our Promoter, InterGlobe Enterprises and Acquire Services. For further details, see the chapters “*Our Management*” and “*Financial Statements— Statement of Related Parties and Related Party Transactions*” beginning on pages 215 and 329, respectively.

Additionally, our Directors are also interested in our Company to the extent of remuneration paid to them for services rendered as Directors of our Company and reimbursement of expenses payable to them. Our Directors may also be interested to the extent of any transaction entered into by our Company with any other company or firm in which they are directors or partners. Additionally, our Directors may be interested in the Equity Shares held by them or entities with which they are associated as promoters, directors, partners, proprietors or trustees or held by their relatives or that may be subscribed by or allotted to the companies, firms, ventures, trusts in which they are interested as promoters, directors, partners, proprietors, members or trustees, pursuant to this Issue. Two of our Promoters, namely, Mr. Rahul Bhatia and Mr. Rakesh Gangwal, are also interested in our Company to the extent of the travel benefits made available to them by us. For further details, see the chapters “*Our Management*” and “*Financial Statements— Statement of Related Parties and Related Party Transactions*” beginning on pages 215 and 329, respectively.

30. The premises used in our operations, including our registered and corporate office, are leased.

We operate entirely out of leased properties. Our registered office is leased from InterGlobe Enterprises, our Promoter, and our corporate office is leased from Acquire Services and InterGlobe Enterprises, our Promoters. The lessors under the various leases are entitled to terminate their respective leases without cause. There can be no assurance that should such a cause arise, the lessor will not terminate the relevant lease. In case of such termination, we may not be able to find suitable alternative premises in time or at all. Due to the nature of our business, continuity of operations and access to facilities and systems is of critical importance. As a result, the termination or the threat of termination of any of our leases could have a substantial disruptive effect on our ongoing business, distract our management and employees and increase our expenses.

31. The requirements of being a listed company may strain our resources and distract management.

We have no experience as a listed company and have not been subjected to the increased scrutiny of our affairs by shareholders, regulators and the public that is associated with being a listed company. As a listed company, we will incur additional legal, accounting, corporate governance and other expenses that we did not incur as an unlisted company. We will be subject to the listing agreements with the Stock Exchanges which would require us to file audited annual and unaudited semi-annual and limited review quarterly reports with respect to our business and financial condition. If we delay making such filings, we may fail to satisfy our reporting obligations and/or we may not be able to readily determine and accordingly report any changes in our results of operations as timely as other listed companies.

As a listed company, we will need to maintain and improve the effectiveness of our disclosure controls and procedures and internal control over financial reporting, including keeping adequate records of daily transactions to support the existence of effective disclosure controls and procedures, internal control over financial reporting and additional compliance requirements under the Companies Act, 2013. In order to maintain and improve the effectiveness of our disclosure controls and procedures and internal control over financial reporting, significant resources and management oversight will be required. As a result, management’s attention may be diverted from other business concerns, which could adversely affect our business, prospects, financial condition and results of operations. In addition, we may need to hire additional legal and accounting staff with appropriate listed company experience and technical accounting knowledge and we cannot assure you that we will be able to do so in a timely manner.

32. Our operating results may fluctuate due to seasonality.

Seasonal variations in traffic affect our results of operations. We generally experience higher load factors during the first quarter of each fiscal year (that is, April to June), as this quarter coincides with the summer holiday season in India, and during the third quarter of each fiscal year (that is, October to December), as this quarter coincides with the festival season in India as well as the Indian winter holiday season. In addition, some of our areas of operations

in north and east India experience adverse weather conditions in winter, resulting in additional expenses caused by delayed and cancelled flights. Given our high proportion of fixed cost obligations, these seasonal factors are likely to cause our results of operations to vary from quarter to quarter during a particular fiscal year.

33. We are subject to incidences of credit card fraud.

A significant portion of our airline passenger ticket and ancillary service sales are made through our website, in which our customers can pay for such tickets or services using their credit or debit cards. We have in the past experienced, and expect to continue to experience in the future, fraudulent bookings of our airline tickets and services using credit cards. Such fraudulent bookings of tickets through credit cards in each of fiscal 2011, 2012, 2013, 2014 and 2015 aggregated to an amount of ₹ 2.16 million, ₹ 5.81 million, ₹ 67.43 million, ₹ 14.04 million and ₹ 4.65 million, respectively, representing 0.01%, 0.01%, 0.08%, 0.01% and 0.00% of total annual passenger revenues, respectively, which amounts were written-off in our books of account as unrecoverable. While we have established systems and procedures to reduce incidences of credit card fraud, there can be no assurance that we will not experience increased fraud levels in the future. Any such increase in fraud levels could adversely affect our future financial condition and results of operations.

34. We rely on automated systems and the internet in the operation of our business and retain customer data, which exposes us to risks from systems failures and security breaches.

We use automated systems in the operation of our business, including our website and our online booking and revenue management systems, some of which are provided by third parties and online travel agencies. Any inability of such third parties to deliver such services could significantly disrupt our operations and harm our business. Our website and online reservation system must be able to accommodate a high volume of traffic, deliver important flight information and have adequate protection from security breaches. Hence, we may incur significant costs on our website and online reservation systems. Although, we have not experienced any significant system failures or security breaches, there can be no assurance that system failures or security breaches will not occur in the future. Any disruption in our automated systems may result in the loss of important data, increase our expenses and materially and adversely affect our reputation and ticket sales and, consequently, our business. Please see the chapter “*Our Business—Information Technology*” beginning on page 194.

We retain personal information received from customers and have put in place security measures to protect against unauthorized access to such information. Personal information held both offline and online is highly sensitive and, if third parties were to access such information without the customers’ prior consent or misappropriate that information, it could deter people from transacting on our website, our reputation could be adversely affected and customers could possibly bring legal claims against us, any of which could adversely affect our business, financial condition and results of operations. In addition, we may be liable to credit card companies should any credit card information be accessed and misused as a result of lack of sufficient security systems implemented by us.

35. This Red Herring Prospectus contains information from the CAPA Report and the SAP Report which we have commissioned.

The information in the section entitled “*Industry Overview*” beginning on page 140 includes information that is derived from the CAPA Report and the SAP Report. We commissioned these reports for the purpose of confirming our understanding of the industry in connection with the Issue. Neither we, nor any of the GCBRLMs or BRLMs, nor any other person connected with the Issue has verified the information in the CAPA Report or the SAP Report. CAPA and SAP have advised that while they have taken due care and caution in preparing their reports based on the information they obtained from sources which they consider reliable, neither guarantees the accuracy, adequacy or completeness of the CAPA Report or the SAP Report or the data therein and neither is responsible for any errors or omissions or for the results obtained from the use of CAPA Report or SAP Report or the data therein. The CAPA Report and the SAP Report highlight certain industry and market data relating to the Company and its competitors. Such data is subject to many assumptions. There are no standard data gathering methodologies in the industry in which we conduct our business, and methodologies and assumptions may vary widely among different industry sources. Further, such assumptions may change based on various factors. We cannot assure you that CAPA’s and SAP’s assumptions are correct or will not change and accordingly our position in the market may differ from that presented in this Red Herring Prospectus. Further, the CAPA Report and the SAP Report are not recommendations to invest / disinvest in any company covered in the CAPA Report or the SAP Report. CAPA and SAP state that they are not responsible for any loss or damage arising from the use of the CAPA Report and SAP Report, respectively. Prospective investors are advised not to unduly rely on the CAPA Report and the SAP Report when making their

investment decisions.

Risks Relating to the Issue and Investments in Our Equity Shares

36. We have in the last 12 months issued Equity Shares at a price that could be lower than the Issue Price.

We have in the last twelve months prior to filing this Red Herring Prospectus, issued Equity Shares at a price that could be lower than the Issue Price. For further details regarding such issuances of Equity Shares, please see the chapter “*Capital Structure*” beginning on page 92.

37. After the Issue, our Equity Shares may experience price and volume fluctuations or an active trading market for our Equity Shares may not develop.

There has been no public market for the Equity Shares prior to the Issue and an active trading market for the Equity Shares may not develop or be sustained after the Issue. Further, the price at which the Equity Shares are initially traded may not correspond to the prices at which the Equity Shares will trade in the market subsequent to the Issue.

The price of the Equity Shares may fluctuate after the Issue as a result of several factors, including volatility in the Indian and global securities markets, the results of our operations, the performance of our competitors, developments in the Indian civil aviation sector, changing perceptions in the market about investments in the Indian civil aviation sector, adverse media reports on us or the Indian civil aviation sector, changes in the estimates of our performance or recommendations by financial analysts, significant developments in India’s economic liberalization and deregulation policies, and significant developments in India’s fiscal regulations.

The trading price of our Equity Shares might also decline in reaction to events that affect the entire market and/or other companies in our industry even if these events do not directly affect us and/or are unrelated to our business, financial condition or operating results.

38. Any future issuance of our Equity Shares may dilute prospective investors’ shareholding, and sales of our Equity Shares by our Promoters or other major shareholders may adversely affect the trading price of our Equity Shares. The Securities Contract (Regulation) Rules, 1957 requires us to have a 25% public shareholding, which may result in further sales or issuances of our Equity Shares.

Purchasers of our Equity Shares will experience an immediate dilution in net tangible book value per share from the initial public offering price per Equity Share. After giving effect to the issuance of [●] Equity Shares in the Issue and following the deduction of estimated offering expenses payable by us and the application of the net proceeds of the Issue, our pro forma as adjusted net tangible book value as of June 30, 2015, would have been ₹ [●] million, or ₹ [●] per Equity Share. This represents an immediate dilution in pro forma net tangible book value of ₹ [●] per Equity Share to new investors purchasing Equity Shares in the Issue. Substantial sales of our Equity Shares in the public market may cause our share price to fall in the future.

Upon consummation of the Issue, we will have [●] Equity Shares outstanding. Upon completion of the Issue, our Promoters and Promoter Group will beneficially own [●] Equity Shares, which will represent approximately [●]% of our outstanding Equity Share capital. The holders of approximately [●] Equity Shares, representing approximately [●]% of our post-Issue outstanding Equity Share capital, will be entitled to dispose of their Equity Shares following the expiration of a one-year statutory “lock-in” period.

Any future equity issuances by us, including in a primary offering or pursuant to a preferential allotment or issuances of stock options under employee stock option plans, or any perception by investors that such issuances or sales might occur, may lead to the dilution of investor shareholding in our Company or affect the trading price of the Equity Shares and could affect our ability to raise capital through an offering of our securities.

Under the Securities Contract (Regulation) Rules, 1957, Indian companies that are seeking to list on the Stock Exchanges are required to have at least 25% public shareholding in the manner as specified therein, with the term “public”, excluding, among other things, the Promoters and Promoter Group. Upon listing, we will have [●]% public shareholding. Under the regulations, we are required to ensure that we reach the 25% threshold within three years of the date of listing of the Equity Shares in the Issue. This may require us to issue additional Equity Shares or require our Promoters or Promoter Group to sell their Equity Shares, which may adversely affect the trading price of our Equity Shares.

39. Holders of Equity Shares may be restricted in their ability to exercise pre-emptive rights under Indian law and thereby suffer future dilution of their ownership position.

Under the Companies Act, a company incorporated in India must offer its equity shareholders pre-emptive rights to subscribe and pay for a proportionate number of equity shares to maintain their existing ownership percentages prior to issuance of any new equity shares, unless the pre-emptive rights have been waived by the adoption of a special resolution by holders of three-fourths of the equity shares voting on such resolution.

However, if the law of the jurisdiction that you are in does not permit the exercise of such pre-emptive rights without our filing an offering document or registration statement with the applicable authority in such jurisdiction, you will be unable to exercise such pre-emptive rights unless we make such a filing. If we elect not to file a registration statement, the new securities may be issued to a custodian, who may sell the securities for your benefit. The value such custodian receives on the sale of any such securities and the related transaction costs cannot be predicted. To the extent that you are unable to exercise pre-emptive rights granted in respect of our Equity Shares, your proportional interests in our Company may be reduced.

40. Rights of shareholders under Indian law may be more limited than under the laws of other jurisdictions.

Indian legal principles related to corporate procedures, directors' fiduciary duties and liabilities, and shareholders' rights may differ from those that would apply to a company in another jurisdiction. Shareholders' rights under Indian law may not be as extensive as shareholders' rights under the laws of other countries or jurisdictions. Investors may have more difficulty in asserting their rights as shareholder in an Indian company than as shareholder of a corporation in another jurisdiction.

41. The Company will not receive any proceeds from the Offer for Sale. Members of our Promoter Group are the Selling Shareholders and will receive proceeds as part of the Offer for Sale.

This Issue includes an Offer for Sale of 26,112,000 Equity Shares by the Selling Shareholder which includes certain of our Promoters and Promoter Group individual and entities. The entire proceeds from the Offer for Sale will be paid to the Selling Shareholder and the Company will not receive any such proceeds. For further details, see the chapter "*Capital Structure*" beginning on page 92. The Promoters and the members of the Promoter Group comprising the Selling Shareholders will receive such proceeds from the Offer for Sale. For further details, see the chapter "*Objects of the Issue*" beginning on page 116.

42. We have not entered into any definitive agreements to utilize a substantial portion of the net proceeds of the Issue.

We intend to use the net proceeds of the Issue ("**Net Proceeds**") for retirement of certain outstanding lease liability and consequent acquisition of aircraft, purchase ground support equipment and general corporate purposes. For further details please see the chapter "*Objects of the Issue*" beginning on page 116. We have not entered into any definitive agreements to utilize the net proceeds for capital expenditures relating to general corporate purposes. There can be no assurance that we will be able to conclude definitive agreements for such capital expenditures on terms anticipated by us. Deployment of the proceeds of the Issue is at the discretion of our management and HDFC Bank Limited has been appointed as the monitoring agency. Since the Fresh Issue exceeds ₹ 500 crore, a monitoring agency will be required to be appointed under applicable Indian Regulations. Pending any use of the Net Proceeds, we intend to invest the Net Proceeds in high quality, interest bearing liquid instruments including deposits with banks. These investments will be authorized by our Board of Directors or a duly authorized committee thereof. These proposed expenditures have not been appraised by any bank or financial institution.

43. The Company's management will have broad discretion over the use of the Net Proceeds, and the Net Proceeds might not be applied in ways that increase the value of your investment.

The Company intends to use the Net Proceeds for the purposes described in the chapter "*Objects of the Issue*" beginning on page 116. The Objects of the Issue include retirement of certain outstanding lease liabilities and consequent acquisition of aircraft, purchase of ground support equipment for our airline operations; and general corporate purposes. The deployment of the Net Proceeds is based on management estimates and has not been appraised by any bank, financial institution or other independent institution. Subject to such section, the Company's management will have broad discretion to use the Net Proceeds, and you will be relying on the judgment of the Company's management regarding the application of the Net Proceeds. However, changes, if any, in the "*Objects of the Issue*", other than those specified herein, following the listing of the Equity Shares will be subject to compliance

with the Companies Act and such regulatory and other approvals and disclosures as may be applicable, including the Listing Agreement. The application of the Net Proceeds in our business may not lead to an increase in the value of your investment. Various risks and uncertainties, including those set forth in this chapter “*Risk Factors*”, may limit or delay our efforts to use the Net Proceeds to achieve profitable growth in our business.

44. You will not be able to sell immediately on an Indian stock exchange any of the Equity Shares you purchase in the Issue until the Issue receives the appropriate trading approvals.

Our Equity Shares will be listed on the NSE and the BSE. Under the ICDR Regulations, we are required to list our Equity Shares within 12 working days of the Bid/Issue Closing Date. Pursuant to Indian regulations, certain actions must be completed before the Equity Shares can be listed and trading may commence. Investors’ book entry, or “demat,” accounts with depository participants in India are expected to be credited within two working days of the date on which the basis of allotment is approved by the Indian Stock Exchanges. Thereafter, upon receipt of final approval from the Indian Stock Exchanges, trading in the Equity Shares is expected to commence within four working days of the date on which the basis of allotment is approved by the Designated Stock Exchange. We cannot assure you that the Equity Shares will be credited to investors’ demat accounts, or that trading in the Equity Shares will commence, within the time periods specified above. Any delay in obtaining the approvals would restrict your ability to dispose of your Equity Shares.

45. The trading price of our Equity Shares may fluctuate due to volatility of the Indian and global securities markets.

Stock exchanges in India have in recent years, in line with global developments, experienced substantial fluctuations in the prices of listed securities. The SENSEX, reduced by around 25%, representing approximately 5,000 points, in 2011, subsequently increased by around 26%, representing approximately 4,000 points in 2012, subsequently increased by around 9%, representing approximately 1,600 points in 2013 and thereafter increased by around 30%, representing approximately 6,400 points in 2014, for the period between January 1, 2015 to September 30, 2015, the SENSEX has decreased by around 5%, representing approximately 1300 points. In addition, Indian stock exchanges have, from time to time, imposed restrictions on trading in certain securities, limitations on price movements and margin requirements.

46. You may be subject to Indian taxes arising out of capital gains on the sale of our Equity Shares.

Under current Indian tax laws, capital gains arising from the sale of equity shares within 12 months in an Indian company are generally taxable in India. Any gain realized on the sale of listed equity shares on a stock exchange held for more than 12 months will not be subject to capital gains tax in India if Securities Transaction Tax (“STT”), is paid on the transaction. STT is levied on and collected by a domestic stock exchange on which equity shares are sold. Any gain realized on the sale of equity shares held for more than 12 months to an Indian resident, which are sold other than on a recognized stock exchange and on which no STT has been paid, is subject to long term capital gains tax in India. Further, any gain realized on the sale of listed equity shares held for a period of 12 months or less will be subject to short term capital gains tax in India. Capital gains arising from the sale of equity shares are exempt from taxation in India where an exemption from taxation in India is provided under a treaty between India and the country of which the seller is resident. Generally, Indian tax treaties do not limit India’s ability to impose tax on capital gains. As a result, residents of other countries may be liable to pay tax in India as well as in their own jurisdiction on a gain on the sale of equity shares.

47. Our ability to pay dividends in the future will depend upon our future earnings, financial condition, cash flows, working capital requirements, capital expenditures and the terms of our financing arrangements.

Our ability to pay dividends will depend on our earnings, financial condition and capital requirements, and applicable Indian legal restrictions. Our business is capital intensive and we may incur additional expenses to acquire aircraft or other assets. Our ability to pay dividends may also be restricted by the terms of financing arrangements that we may enter into. Our historical payment of dividends is not indicative of any payments of dividends in the future. We may be unable to pay dividends in the near or medium term and our future dividend policy will depend on our capital requirements, financial condition and results of operations. For further details, please see the chapter “*Dividend Policy*” beginning on page 264.

48. Conditions in the Indian securities market may affect the price or liquidity of the Equity Shares.

The Indian securities markets are smaller than securities markets in certain other economies. Indian Stock Exchanges have in the past experienced substantial fluctuations in the prices of listed securities. The Indian Stock Exchanges have also experienced problems that have affected the market price and liquidity of the securities of Indian companies, such as temporary exchange closures, broker defaults, settlement delays and strikes by brokers. In addition, the governing bodies of the Indian Stock Exchanges have from time to time restricted securities from trading, limited price movements and restricted margin requirements. Further, disputes have occurred on occasion between listed companies, the Indian Stock Exchanges, and other regulatory bodies that, in some cases, have had a negative effect on market sentiment. If similar problems occur in the future, the market price and liquidity of the Equity Shares could be adversely affected.

49. Fluctuations in currency exchange rates may have an adverse impact on the investment in our Equity Shares and on the Net Proceeds available to us from this Issue to retire certain liabilities.

The exchange rate between the Indian Rupee and the U.S. Dollar has changed substantially in recent years and may fluctuate substantially in the future. Fluctuations in the exchange rate between the U.S. Dollar and the Indian Rupee may affect the value of the investment in our Equity Shares of a person resident outside India. Specifically for persons resident outside India, if there is a change in relative value of the Indian Rupee to the U.S. Dollar, each of the following values will also be affected:

- the U.S. Dollar equivalent of the Indian Rupee trading price of our Equity Shares in India;
- the U.S. Dollar equivalent of the proceeds that you would receive upon the sale in India of any of our Equity Shares; and
- the U.S. Dollar equivalent of cash dividends, if any, on our Equity Shares, which will be paid only in Indian Rupee.

You may be unable to convert Indian Rupee proceeds into U.S. Dollars or any other currency or the rate at which any such conversion could occur could fluctuate. In addition, our market valuation could be seriously harmed by the devaluation of the Indian Rupee if U.S. investors analyse our value based on the U.S. Dollar equivalent of our financial condition and results of operations.

While a substantial portion of our revenues is, and will be, denominated in Indian Rupees, we expect to incur indebtedness denominated in foreign currencies to implement our growth strategy and finance the expansion of our fleet. We may in the future bear the exchange rate risk for any imported equipment or raw material. Accordingly, any depreciation of the Indian Rupee against these currencies will significantly increase the Indian Rupee cost to us of servicing and repaying our foreign currency payables. Further, with respect to one of the objects of the Issue, namely, retirement of certain outstanding lease liabilities and consequent acquisition of aircraft, we have assumed the exchange rates prevailing as on June 30, 2015 for determining the amount outstanding as on pre-payment / lease retiral dates and proposed to be paid from the Net Proceeds. However, the actual payments to be made in this respect would depend on the exchange rates prevailing at the time of such pre-payment / lease retiral. If fluctuations in the prevailing exchange rates results in an increase in the amount required for such pre-payment / lease retiral and therefore a corresponding increase in the actual utilization of funds earmarked for the Objects or a shortfall in raising requisite capital from the Net Proceeds, we may need to raise additional funds, for example by way of incremental debt or internal accruals, for the full payment of such pre-payment / lease retiral. For further details please see the chapters “*Objects of the Issue*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations—Market Risks*” beginning on pages 116 and 367, respectively.

Risks Related to Our Industry

50. The airline industry is characterised by low profit margins and high fixed costs.

The airline industry is characterised by low profit margins and high fixed costs. A significant proportion of our expenses, including depreciation, maintenance, overhaul, aircraft fuel expenses, aircraft handling and navigation fees, finance costs, operating lease payments, and labor costs for flight deck and cabin crew and ground personnel, are either comprised of fixed costs or do not vary based on our load factors. Revenue generated from a flight is directly related to the number of passengers, the volume and weight of cargo carried, and the fare structure. A relatively small change in the number of passengers in relevant markets or in pricing, load factors or traffic mix could have a disproportionate impact on our results of operations. In addition, a minor shortfall in expected revenue levels could have a material adverse effect on our financial performance.

51. The airline industry is significantly affected by the price and availability of aircraft fuel.

Aircraft fuel expenses represent the single largest item of our total expenses, accounting for 47.1%, 51.0%, 51.0%, 50.3%, 46.1%, and 39.7% of our total expenses in Fiscal 2011, 2012, 2013, 2014 and 2015 and the three months ended June 30, 2015, respectively. As such, our operating results are significantly impacted by changes in the availability and the cost of aircraft fuel.

Both the cost and the availability of aircraft fuel are subject to many economic and political factors and events occurring throughout the world that we can neither control nor accurately predict. Aircraft fuel prices have been subject to high volatility, fluctuating substantially over the past several years. Due to the large proportion of aircraft fuel expenses in our total expenses, even a relatively small increase in the price of aircraft fuel can have a significant negative impact on our total expenses. Our ability to pass on increased fuel expenses to our customers by raising ticket prices is limited.

In addition, there can be no assurance that the Indian government will continue with the prevailing policies and aircraft fuel subsidies enjoyed by us and other airlines in India. The price of aircraft fuel in India is also dependent on other factors including the following:

- limited competition in India because aircraft fuel is currently available at airports primarily from three government-controlled oil marketing companies (Indian Oil Corporation Limited (“IOCL”), Bharat Petroleum Corporation Limited (“BPCL”), and Hindustan Petroleum Corporation Limited (“HPCL”), and two private companies (Shell MRPL Aviation Fuels and Services Private Limited and Reliance Industries Limited);
- periodic variations in the ex-refinery price charged for aircraft fuel by oil marketing companies: the price is fixed every month based on the Arab Persian Gulf Platt aircraft fuel prices and the cost of crude oil;
- fluctuations in the exchange rate between the U.S. Dollar and the Rupee, since a substantial percentage of crude oil is imported;
- excise duty on aircraft fuel, which is currently 8% (in addition, applicable education cess is also required to be paid);
- sales tax on aircraft fuel, which is currently up to 30%;
- aircraft fuel tax and VAT subsidies which are provided by certain states, such as Andhra Pradesh, Rajasthan, Chhattisgarh, Jharkhand, Odisha, Madhya Pradesh, Maharashtra, Gujarat, Uttar Pradesh and West Bengal where we operate, which may be revoked or modified at any time by government action; and
- government subsidies, including those provided to private air carriers that maintain routes to remote areas such as Assam.

We largely rely on the three government-controlled companies and two private fuel companies for our aircraft fuel requirements and hence our aircraft fuel supply options are limited. As delivery of imported aircraft fuel is made free on board, we are also subject to risks of contamination and pilferage. Inadequate supplies of aircraft fuel or disruption in supply may result in increases in the cost of aircraft fuel or could cause significant disruptions to our business.

52. The airline industry tends to experience disproportionately high adverse financial performance during economic downturns.

Since a substantial portion of airline travel, for both business and leisure, is discretionary, the airline industry tends to experience disproportionately high adverse financial performance during economic downturns compared to the other sectors of the economy.

As the airline industry is generally characterized by high fixed costs, principally for lease and other aircraft acquisition charges, airport charges, engineering and maintenance charges, financing commitments, staff costs and IT costs, a shortfall in revenue levels as a result of slower economic cycles could have an adverse impact on our results of operations and financial conditions. If the global economy, and in particular the Indian economy, suffers due to a slowdown and demand for business and leisure travel decreases in India and in foreign markets, our results of operations may be adversely affected. Moreover, an economic slowdown and investor reaction in one country may adversely affect the securities of companies in other countries, including India. A loss in investor confidence in

the financial systems of other emerging markets may cause increased volatility in Indian financial markets and, indirectly, in the Indian economy in general.

We currently conduct a majority of our operations and generate predominantly all of our revenue in India, but also offer flights to certain select international destinations, such as Dubai, Muscat, Kathmandu, Bangkok and Singapore. Although we expect to continue focusing our business in the Indian market for the foreseeable future, we may expand our flight routes internationally to additional destinations in Southeast Asia, South Asia and the Middle East. As a result, the performance and growth of our business may be dependent on the economic conditions in these regions, and in particular, in India. The rate of growth of India's economy and of the demand for civil aviation services in India may not be as high or may not be sustained for as long as we have anticipated. During periods of slow or stagnant growth, such demand may exhibit slow or even negative growth.

In addition, if there is a tightening of credit in the financial markets in the future, financing for our route and fleet expansion and working capital may not be available on commercially acceptable terms or at all, and as a result, we may experience serious cash flow problems, and the implementation and planning of our growth strategy may be delayed. Uncertainty and adverse changes in the economy could also increase costs (including increased costs of fuel) associated with our growth strategy in a number of ways and increase our exposure to material losses from our investment in our fleet.

53. The airline industry is exposed to risks from extraneous catastrophic events such as terrorist attacks or the outbreak of contagious diseases, as well as catastrophic events involving passenger aircraft.

The airline industry is exposed to extraneous events such as terrorist attacks or the outbreak of contagious diseases as well as catastrophic events involving passenger aircraft. Terrorist attacks, such as those on September 11, 2001, and catastrophic events involving passenger aircraft, such as the missing Malaysia Airlines Flight MH370, Malaysia Airlines Flight MH17 being shot down over Ukraine, the crash of Indonesia Air Asia Flight 8501 and the crash of Germanwings Flight 9525, had a negative impact on the airline industry. The effect of such incidents on the airline industry may include increased security and insurance costs, increased concerns about future terrorist attacks, airport shutdowns, flight cancellations and delays due to security breaches and perceived safety threats, and significantly reduced passenger traffic and yields due to the subsequent dramatic drop in demand for air travel globally. Terrorist attacks, or the fear of such attacks, or other world events could result in decreased cabin factors and passenger yields and could also result in increased costs, such as increased aircraft fuel expenses or insurance costs, for the airline industry, including us. We cannot assure you that we would be able to pass any portion of any such increased costs to passengers. Other events, such as rare but high-impact meteorological phenomena, may also cause major disruptions in aviation operations. For example, the volcanic eruptions in Iceland in April 2010 caused thousands of flight cancellations in Europe and around the world. If any similar events or circumstances occur in the future, our business could be adversely affected.

An outbreak of Ebola, Severe Acute Respiratory Syndrome ("SARS"), Middle Eastern Respiratory Syndrome ("MERS"), H1N1, avian flu, or another contagious disease with the potential to become a pandemic, or the measures taken by the governments of affected countries against such potential outbreaks could also seriously disrupt our operations, which could have an adverse effect on our business. The perception that an outbreak of another pandemic may occur could also have an adverse effect on the economic condition of India and other countries in which we operate, which may also negatively impact our business.

54. Competition in the airline industry may adversely affect our business.

The airline industry is highly competitive. We face intense competition from other LCCs as well as full-service passenger airlines that operate on our routes. Our principal competitors include (in alphabetical order) Air India (including Air India Express and Alliance Air), AirAsia India, GoAir, Jet Airways (including the former Jet Lite/Konnect brands), SpiceJet and Vistara, as well as potential new entrants into the routes/markets that we serve or plan to serve. We may also face competition from airlines that could be established in the future in the markets that we serve.

The intensity of the competition we face varies from route to route and depends on a number of factors, including the strength of competing airlines. Our competitors may have better brand recognition and greater financial and other resources than us. In addition, some competitors may have a longer operating history and greater experience than us in operating certain routes. Presently, we are not integrated with any global distribution service. This could lead to the loss of travellers who make reservations through travel agents outside India, since these travel agents typically make flight reservations through a global distribution service network. Further, in the event our

competitors reduce their fares to levels which we are unable to match while sustaining profitable operations, we may reduce or withdraw services on the relevant routes, which may cause us to incur losses or impact our growth.

In addition to fare competition, an increase in the number of airlines operating at any of the airports at which we operate may result in an increase in congestion and delays at such airports which could harm our business.

For our international routes, we may also face competition from other Indian carriers that operate in the international sectors such as Jet Airways, SpiceJet, Air India and Air India Express, along with other international airlines such as AirAsia India, Vistara and potential new providers of international flight service such GoAir subject to fulfillment of eligibility criteria imposed by the DGCA.

We also face competition from ground transportation, especially from Indian Railways, which offers cheaper alternative modes of transportation than airlines. The efforts of the Indian Government to introduce high speed rail through the High Speed Rail Corporation of India Limited and upgrade highways through the National Highways Development Project are likely to increase the attractiveness of these modes of transportation for the Indian middle class who comprise the bulk of our current and targeted passengers.

The market for aviation labor is also very competitive. Strong demand within the aviation industry for skilled and technical labor, such as maintenance and overhaul personnel, may cause labor costs to rise. It may become more costly to meet our labor needs should our business expand in the future. Meanwhile, we presently employ skilled personnel in our own workforce who may be highly sought by our competitors. We may incur greater costs to retain or replace our own skilled workers.

55. Our business could be adversely affected if we are unable to obtain regulatory approvals in the future or maintain or renew our existing regulatory approvals.

Our Company is required to obtain, maintain, and renew various permits, registrations, certifications, licenses and approvals (hereinafter collectively referred to as “Permits”), necessary to conduct our business, including, to operate its portfolio of routes and aircraft. Please see “—*Changes in government regulation could reduce our operating flexibility, increase our operating expenses, and result in service delays and disruptions.*” The Government could also revoke subsidies such as aircraft fuel subsidies, granted to the airline industry and/or to privately-owned airlines such as ours, which could adversely impact our profitability.

Each of these Permits is subject to conditions imposed by the applicable regulatory authority and may also require periodical renewals. (Please see the chapter “*Key Regulations and Policies in India*” beginning on page 197). Failure to comply with the requirements of any of the Permits could result in the revocation of such Permit, and this will have an adverse effect on our business and financial condition.

Some of our Permits have expired or will expire shortly, including those for which we have either made or are in the process of making an application for the Permit or its renewal. For instance, certain of the FATAs for our expatriate pilots are expected to expire. As a pre-condition to such approval, pilots are required to be medically fit for service. However, the said pilots are currently medically unfit for service and the FATAs may not be renewed in a timely manner or at all. We may not meet the conditions for such Permits or receive such Permits or renewals in the time frame anticipated by us or at all, which could adversely affect our business. Our failure to obtain any of these or any other applicable Permits or renewals thereof may adversely affect the continuity of our business and may hinder our operations in the future. For further details on approvals and licences please see the chapter “*Government and Other Approvals*” on beginning page 441.

56. Changes in government regulation could reduce our operating flexibility, increase our operating expenses, and result in service delays and disruptions.

The civil aviation industry in India is regulated by the MoCA, the DGCA and the Airports Authority of India, or the AAI. The regulations are extensive and complex and cover all major aspects of operations, including basic licenses, aircraft acquisitions, and routing. The issuance and regulation of operating permits, certification, import and registration of aircraft, security clearances for designated personnel, route frequencies, and administration of all related aviation regulations is handled by the DGCA. For example, the Route Dispersal Guidelines of the DGCA stipulate that we operate on certain routes to economically less developed parts of India. Also, private scheduled air transport operators require the approval of the MoCA for the acquisition of additional aircraft.

Foreign airlines are also allowed to invest in the capital of Indian companies operating scheduled and non-scheduled air transport passenger services, other than Air India, up to the limit of 49% of their paid-up capital, subject to the following conditions:

- the investment must have prior Government approval;
- any FDI and FII/FPI investment in the company would be included in calculating the 49% limit;
- the investment must comply with the relevant and applicable regulations of SEBI, including the ICDR Regulations and the Takeover Regulations;
- all foreign nationals likely to be associated with Indian scheduled and non-scheduled air transport services, as a result of such investment must be cleared from security view point before deployment;
- all technical equipment that might be imported into India as a result of such investment must have the clearance from the relevant authority in the MoCA; and
- all other requirements for operating a scheduled air transport service should be complied with.

In addition the guidelines issued by the DGCA (including AIC No. 12/2013) stipulates the following restrictions and conditions that affect our business and operations in connection with investment by foreign entities / airlines:

- only such scheduled passenger operators and non-scheduled passenger operators which are companies registered under the Companies Act, 1956 / Companies Act, 2013 can avail FDI by foreign airlines;
- positions of the chief executive officer, chief financial officer and chief operating officer, if held by foreign nationals, require security clearance by the Ministry of Home Affairs, Government of India;
- a scheduled air transport service / domestic scheduled passenger airline will not enter into an agreement with a foreign investing institution or a foreign airline which gives such institution or airline the right to control the management of the domestic operator; and
- a foreign investing institution or other entity that proposes to hold equity in the domestic air transport sector may have representation on the board of directors of a domestic airline company, but such representation shall not exceed one-third of the total strength of such board.

Further, the total holding of all FII/FPIs together with their sub-accounts in an Indian company is subject to a cap of 24% of the paid-up capital of the company, which may be increased up to the percentage of sectoral cap on FDI in respect of such company pursuant to a resolution of the board of directors of the company and the approval of the shareholders of the company by a special resolution in a general meeting. The total holding by each FII/FPI and its sub-account should not exceed 10% of the total paid-up capital of that company. Further, as per the Civil Aviation Regulations Section 3 Series 'M' Part IV, issued by the DGCA on August 6, 2010, the DGCA has made it mandatory for airlines to pay passengers compensation for delay and cancellation of flights or in case passengers are denied boarding despite having a confirmed ticket. Though airlines are exempted from paying compensation in certain cases like political instability, natural disaster, civil war, insurrection or riot, flood, explosion, government regulation or order affecting the aircraft, delays attributable to the Air Traffic Control, meteorological conditions and security risks, they are liable to pay passengers a compensation of ₹ 2,000 to ₹ 4,000 or the value of the ticket, whichever is lower, for flight delays between two to four hours. Additionally, passengers must be offered a refund of the air ticket, a flight to the first point of departure or alternative transportation. In case of flight cancellation, the Civil Aviation Regulations make it mandatory for the airlines to inform the passengers about it three hours in advance from the scheduled departure of the flight to reduce inconvenience to them. Such restrictions and penalties imposed upon us can affect our revenues.

Private airport operators and the Airports Economic Regulatory Authority determine landing charges, route navigation facility charges, terminal navigation landing charges, allocation of parking bays and allocation of slot timings at all of the airports which we fly to in India. Such charges and the allocation of parking bays and slot timings are determined by private airports for the remainder of our destinations. Our performance may be affected by any adverse increase in such charges or the unavailability of parking bays and departure slots required by us.

Any inability to comply with new requirements or to maintain or obtain permissions and approvals from relevant regulatory authorities could have a material adverse effect on our international operations and expansion strategy.

Indian regulatory authorities may re-evaluate foreign investment restrictions and other regulations currently applicable to the Indian airline industry. We cannot yet assess how the evolving regulatory framework will affect our business and results of operations. Changes in regulations or the introduction of new laws or regulations may have a material adverse effect on us.

We must also comply with various international laws and conventions related to international air carriage and our business, including the Cape Town Convention and the Cape Town Protocol intended to facilitate asset-based financing and leasing and sale of aviation equipment. In some instances, the Government of India has extended these acts to non-international air carriage. Please see the chapter “*Key Regulations and Policies in India*” beginning on page 197 for further details related to the international standards that govern our business.

Any enhancement of these regulations, or the imposition of additional restrictions and conditions that affect our business and operations could impact our revenues, profitability and ability to grow our business.

57. Lack of airport infrastructure and facilities and increased airport costs in India could adversely affect our business.

We are dependent on the quality of airport infrastructure in India and any other market we operate for our future expansion. The availability and cost of terminal space, slots and aircraft parking are critical to our operations. One of the key airports from which we operate, Mumbai, is highly congested and passenger processing is currently at or near maximum capacity. All parking bays for aircraft and prime time departure slots in Mumbai are already reaching full capacity. In addition, in some of the major airports, such as New Delhi and Kolkata, there is limited availability of parking bays. We are expanding our fleet and require additional ground and maintenance facilities, including gates, hangars and support equipment. These and other required facilities and equipment may not be available in a timely manner or on economic terms in certain airports. Our inability to lease, acquire or access airport facilities on reasonable terms or at preferred times to support our growth could have a material adverse effect on our operations.

There are new airport and airport-expansion projects that have been completed or are currently being undertaken in India. For example, green-field airport projects at Bengaluru and Hyderabad are operational and we are using their modernized facilities. In addition, new airports are planned for construction in Chennai, Noida, Mumbai, Jaipur, Lucknow, Guwahati and Ahmedabad. Furthermore, the government is investing in modernizing airports in India such as the New Delhi, Mumbai and Goa airports, which recently opened new terminals with state-of-the-art facilities. These developments have led to an increase in the cost of using airport infrastructure and facilities such as landing and parking charges at airports such as New Delhi, Mumbai and Hyderabad. Such increases may adversely affect our operating results. Our ability to pass on such increased costs to our passengers is limited by several factors, including economic and competitive conditions.

58. We are exposed to certain risks against which we do not insure and may have difficulty obtaining insurance on commercially acceptable terms or at all on risks that we insure against today.

Insurance is fundamental to airline operations. In the past year, aviation insurers have increased premiums, applied insurance surcharges for each passenger and significantly reduced coverage for war and allied perils liability to third parties. We maintain customary insurance for the airline industry in India, which includes insurance for our international operations. Please see the chapter “*Our Business—Insurance*” beginning on page 196. Some of our business risks are uninsured, including business interruptions, loss of profit or revenue and consequential business losses arising from mechanical breakdown. To the extent that uninsured risks materialize, we could be materially and adversely affected. There can be no assurance that our coverage will cover actual losses incurred. To the extent that actual losses incurred by us exceed the amount insured, we may have to bear substantial losses which will have an adverse impact on our business.

As a result of terrorist attacks or other world events, certain aviation insurance could become more expensive, unavailable or available only for reduced amounts of coverage that are insufficient to comply with the levels of coverage required by our aircraft lessors or applicable government regulations. Any inability to obtain insurance for our general operations or specific assets on commercially acceptable terms or at all could harm our business. Please see the chapter “*Our Business—Insurance*” beginning on page 196.

Risks Relating to India

59. Political, economic and social developments in India could adversely affect our business.

The Central and State Governments serve multiple roles in the Indian economy, including as producers, consumers and regulators, which have significant influence on the civil aviation industry and us. Economic liberalization policies have encouraged private investment in the civil aviation sector, and changes in these governmental policies could have a significant impact on the business and economic conditions in India in general and the civil aviation sector in particular, which in turn could adversely affect our business, future financial condition and results of operations.

Any political instability in India may adversely affect the Indian securities markets in general, which could also adversely affect the trading price of our Equity Shares.

60. We are subject to the risks associated with doing business in India, Southeast Asia, South Asia and the Middle East and are vulnerable to extraneous events in these regions.

Our current operations are conducted in India, Southeast Asia, South Asia and the Middle East. We are subject to special considerations and significant risks typical for these regions. These include risks associated with, among others, the political, economic and legal environments and foreign currency exchange rate fluctuations.

Our results may be adversely affected by changes in the political and social conditions in India, Southeast Asia, South Asia and the Middle East, and by changes in governmental policies with respect to laws and regulations, anti-inflationary measures, currency conversion and remittance abroad, and rates and methods of taxation, among other things. Volatility in social and political conditions in certain countries in these regions may interrupt, limit or otherwise affect our flight operations and may result in the closure of airports. In recent years, certain countries and territories have implemented various measures aimed to result in economic or political reforms and changes. Some of these measures have led to increased incidents or higher risks of political instability and social unrest. Government-imposed wage and price controls, higher unemployment rates, mandated industry restructuring and trade barriers, such as high tariffs and customs duties that negatively affect any domestic industry are some examples of events causing increased volatility in social and political conditions in these regions. We have no control over these matters and we do not carry political risk or other insurance with respect to losses caused by these matters.

Further, terrorist attacks and other acts of violence or war involving countries in these regions, and in particular India, may adversely affect the Indian markets and the worldwide financial markets. In recent years, there have been instances of military confrontations, civil unrests and terrorist attacks in these regions, such as the bombings in Hyderabad on February 21, 2013. Such military activity, terrorist attacks or other adverse social, economic and political events may also result in a reduction in confidence in the Indian travel industry and could adversely impact our business prospects. In addition, such events may result in investor concern regarding regional stability which could adversely affect the price of our Equity Shares. The occurrence of any of these events may result in a loss of investor confidence, which could potentially lead to economic recession and generally have an adverse effect on our business, results of operations and financial condition. Furthermore, if India were to become engaged in military confrontations, we might not be able to continue our operations. Our insurance policies do not cover loss of business from terrorist attacks, war or civil unrest.

India has experienced natural calamities such as earthquakes, tsunami, floods and droughts in the past few years, such as the floods in Srinagar and a cyclone in Vishakhapatnam in the second half of 2014. The extent and severity of these natural disasters determines their effect on the Indian economy and the travel industry in particular. Any such natural disaster could have a negative effect on the Indian economy, adversely affecting our business and the price of our Equity Shares. In addition, pandemic diseases, caused by virus such as Ebola, H5N1 or H1N1, could adversely affect tourism and travel and our business.

61. The Indian economy continues to sustain high levels of inflation.

India has experienced the highest levels of inflation of any of the 34 member states of the Organisation for Economic Cooperation and Development (the “OECD”), other than Argentina, during the period from 2012 through 2014, according to the OECD. The inflation rate in India was 4.87% in April 2015 and averaged 9.44% from 2012

until 2014, reaching a high of 11.16% in November 2013, according to the Indian Ministry of Statistics and Programme Implementation. Although the Government has initiated several economic measures to curb the rise in inflation rates, it is unclear at this stage whether these measures will have the desired effect. A rise in inflation rates may adversely affect growth in the Indian economy and our results of operations.

62. Changing laws, rules and regulations and legal uncertainties, including adverse application of corporate and tax laws, may adversely affect our business, financial condition, results of operations and prospects.

The regulatory and policy environment in which we operate is evolving and subject to change. Such changes, including the instances briefly mentioned below, may adversely affect our business, financial condition, results of operations and prospects, to the extent that we are unable to suitably respond to and comply with such changes in applicable law and policy.

The Companies Act, 2013, together with the rules thereunder, contains significant changes to Indian company law, including in relation to the issue of capital by companies, related party transactions, corporate governance, audit matters, shareholder class actions and restrictions on the number of layers of subsidiaries. Moreover, effective April 1, 2014, companies exceeding certain net worth, revenue or profit thresholds are required to spend at least 2% of average net profits in the immediately preceding three financial years on corporate social responsibility projects, failing which an explanation is required to be provided in such companies' annual reports. We may incur increased costs and other burden relating to compliance with these new requirements, which may also require significant management time and other resources, and any failure to comply may adversely affect our business and results of operations.

On March 31, 2015, the Ministry of Finance, Government of India has issued 10 Income Computation and Disclosure Standards ("ICDS"), a new framework for computation of taxable income by all assessees. All assessees would be required to adopt these standards for the purposes of computation of taxable income under the heads "Profit and Gains of Business or Profession" and "Income from Other Sources". These standards are applicable for the previous fiscal commencing April 1, 2015, i.e., assessment year 2016 – 17 onwards.

The Government of India has recently released safe harbor rules with respect to acceptance by the Indian tax authorities of declared transfer prices for certain types of international transactions (including intra-group loans and corporate guarantees and for the manufacture and export of core and non-core automotive components) between an eligible assessee and its associated enterprises, either or both of which are not Indian residents. The benefit, if any, that we may derive from the application of such rules in the future is unclear.

Until recently, transfer pricing regulations in India covered only cross border transactions. The Finance Act, 2012 extended its scope to cover certain domestic transactions with related parties within India, defined as 'specified domestic transactions'. These domestic transfer pricing provisions became applicable from assessment year 2013-14. Transactions will be regarded as 'specified domestic transactions' only in the event that the aggregate value of all such transactions exceeds ₹ 200 million. The limit of ₹ 50 million was increased to ₹ 200 million by Finance Act, 2015.

The Government of India has proposed a comprehensive national goods and services tax, or GST, regime that will combine taxes and levies by the central and state governments into a unified rate structure. While the Government of India and other state governments have announced that all committed incentives will be protected following the implementation of the GST, given the limited availability of information in the public domain concerning the GST, we are unable to provide any assurance as to this or any other aspect of the tax regime following implementation of the GST. The implementation of this rationalized tax structure may be affected by any disagreement between certain state governments, which could create uncertainty. Any such future increases or amendments may affect the overall tax efficiency of companies operating in India and may result in significant additional taxes becoming payable.

Securities Laws Amendment Act, 2014 has been recently passed by the Lok Sabha. This legislation provides greater powers to SEBI by amending the Securities and Exchange Board of India Act, 1992, to curb irregularities and frauds in the Indian capital markets (including carrying out search and seizure operations in relation to any investigation and enquiry). This legislation also strengthens penalties pursuant to the Securities Contracts (Regulation) Act, 1956 and the Depositories Act, 1996, in order to enhance corporate governance in India.

We have not determined the impact of these recent and proposed legislations on our business. Uncertainty in the applicability, interpretation or implementation of any amendment to, or change in, governing law, regulation or

policy in the jurisdictions in which we operate, including by reason of an absence, or a limited body, of administrative or judicial precedent may be time consuming as well as costly for us to resolve and may impact the viability of our current business or restrict our ability to grow our business in the future.

63. Indian laws limit our ability to raise capital outside India and to enter into acquisition transactions with non-Indian companies.

Indian laws constrain our ability to raise capital outside India through the issuance of equity or convertible debt securities and restrict the ability of non-Indian companies to acquire us.

Under the current foreign investment policy, foreign direct investment, or FDI, in the domestic scheduled airline sector is permitted up to 49% and investments by non-resident Indians are permitted up to 100%, in both cases through the automatic route that does not require prior Foreign Investment Promotion Board approval. This FDI policy allows foreign airlines to invest in the capital of Indian companies operating scheduled and non-scheduled air transport passenger services, other than Air India, up to the limit of 49% of their paid-up capital subject to certain conditions. In addition, our permission to operate scheduled services granted by the DGCA and guidelines issued by the DGCA, including AIC No. 12 of 2013, specify certain additional restrictions. For details on these conditions and restrictions, please see “—*Changes in government regulation could reduce our operating flexibility, increase our operating expenses, and result in service delays and disruptions*” beginning on page 45.

We have FDI of 18.49% of our pre-Issue capital. However, if the Government does not approve any additional investment or acquisition, equity ownership in the Company beyond the ceiling mentioned above, our ability to obtain investments, and/or enter into acquisitions with, foreign investors will be limited. In addition, making investments in and/or the strategic acquisition of a foreign company by us requires various approvals from the government and the relevant foreign jurisdiction, and we may not be able to obtain such approvals. For more details on the restrictions applicable to the aviation sector please see the chapter “*Key Industry Regulations and Policies in India*” beginning on page 197.

Indian laws also restrict the taking of foreign debt by Indian companies. Under India’s policy on external commercial borrowing (“**ECB**”), as notified by the Reserve Bank of India (the “**RBI**”), and currently in force, or the ECB Policy, ECB by an eligible borrower is permitted under the automatic route up to US\$ 750 million in a year, with a minimum average maturity of three years for ECB up to US \$20 million and five years for ECB of US\$ 20 million to US\$ 750 million, for permissible end-uses. Permissible end uses for ECB include import of capital goods, new projects, modernization or expansion of existing production units in the industrial and certain other specified sectors, as well as import of services and technical know-how and payment of license fees by manufacturing companies. End uses not permitted include working capital, general corporate purposes, repayment of existing Rupee denominated borrowings, investment in real estate and on-lending or investment for acquisition of a company or part thereof (other than an overseas subsidiary or joint venture, subject to existing laws and regulations governing overseas direct investment by Indian companies). Further, the ECB Policy limits the all-in-cost to 500 basis points above LIBOR or the applicable benchmark for ECB with minimum average maturity of over five years. ECB not complying with these requirements is permitted with prior approval of the RBI, in accordance with the ECB Policy. In addition, there are certain routine procedural and disclosure requirements in relation to any such ECB.

Further, in raising funding in the international capital markets, our Company will be required to comply with the unfamiliar capital markets laws of such countries.

These limitations on ECB may constrain our ability to raise cost effective funding for implementing asset purchases, refinancing existing indebtedness or financing acquisitions and other strategic transactions in the future, which may adversely affect our business, financial condition, results of operations and prospects.

64. Government regulation of foreign ownership of Indian securities may have an adverse effect on the price of the Equity Shares.

Foreign ownership of Indian securities is subject to government regulation. Under foreign exchange regulations currently in effect in India, the RBI must approve the sale of the Equity Shares from a non-resident of India to a resident of India if the sale does not meet the requirements of the RBI Circular dated October 4, 2004, as amended by circulars dated April 22, 2009 and May 4, 2010. Additionally, any person who seeks to convert Indian Rupee proceeds from such sale into foreign currency and repatriate that foreign currency from India is required to obtain a no-objection or tax clearance certificate from the Indian income tax authorities. The RBI is required to approve the price at which the Equity Shares are transferred based on a specified formula and a higher price per share may not be

permitted. The approval from the RBI or any other government agency may not be obtained on terms favorable to a non-resident investor in a timely manner or at all. Because of possible delays in obtaining requisite approvals, investors in the Equity Shares may be prevented from realizing gains during periods of price increases or limiting losses during periods of price declines.

65. Any downgrading of India's debt rating by an independent agency may harm our ability to raise debt financing.

Any adverse revisions to India's credit ratings for domestic and international debt by international rating agencies may adversely affect our ability to raise additional financing and the interest rates and other commercial terms at which such additional financing is available. This could have a material adverse effect on our capital expenditure plans, business and financial performance.

66. It may not be possible for you to enforce any judgment obtained outside India, including in the United States, against our Company or any of our Directors and executive officers that are resident in India, except by way of a suit in India on such judgment.

We are incorporated under the laws of India and most of our Directors and executive officers reside in India. Furthermore, all of our Company's assets are located in India. As a result, you may be unable to:

- effect service of process in jurisdictions outside India, including in the United States, upon our Company; or
- enforce in Indian courts judgments obtained in courts of jurisdictions outside India against our Company, including judgments predicated upon the civil liability provisions of the securities laws of jurisdictions outside India.

India has reciprocal recognition and enforcement of judgments in civil and commercial matters with a limited number of jurisdictions. A judgment from certain specified courts located in a jurisdiction with reciprocity must meet certain requirements of the Code of Civil Procedure, 1908, as amended, or the Civil Code. The United States and India do not currently have a treaty providing for reciprocal recognition and enforcement of judgments in civil and commercial matters. Therefore, a final judgment for the payment of money rendered by any federal or state court in a non-reciprocating territory, such as the United States, for civil liability, whether or not predicated solely upon the general securities laws of the United States, would not be enforceable in India under the Civil Code as a decree of an Indian court.

The United Kingdom, Singapore and Hong Kong have been declared by the Government of India to be reciprocating territories for purposes of Section 44A of the Civil Code. A judgment of a court of a country which is not a reciprocating territory may be enforced in India only by a suit on the judgment under Section 13 of the Civil Code, and not by proceedings in execution. Section 13 of the Civil Code provides that foreign judgments shall be conclusive regarding any matter directly adjudicated on except (i) where the judgment has not been pronounced by a court of competent jurisdiction, (ii) where the judgment has not been given on the merits of the case, (iii) where it appears on the face of the proceedings that the judgment is founded on an incorrect view of international law or refusal to recognize the law of India in cases to which such law is applicable, (iv) where the proceedings in which the judgment was obtained were opposed to natural justice, (v) where the judgment has been obtained by fraud or (vi) where the judgment sustains a claim founded on a breach of any law then in force in India. Under the Civil Code, a court in India shall, on the production of any document purporting to be a certified copy of a foreign judgment, presume that the judgment was pronounced by a court of competent jurisdiction, unless the contrary appears on record.

However, the party in whose favor such final judgment is rendered may bring a new suit in a competent court in India based on a final judgment that has been obtained in the United States or other such jurisdiction within three years of obtaining such final judgment. It is unlikely that an Indian court would award damages on the same basis as a foreign court if an action is brought in India. Moreover, it is unlikely that an Indian court would award damages to the extent awarded in a final judgment rendered outside India if it believes that the amount of damages awarded were excessive or inconsistent with Indian practice. In addition, any person seeking to enforce a foreign judgment in India is required to obtain the prior approval of the RBI to repatriate any amount recovered.

67. Significant differences exist between Indian GAAP and other accounting principles, such as U.S. GAAP and IFRS, which may be material to investors' assessments of our financial condition. Our failure to successfully adopt IFRS could have a material adverse effect on our stock price.

Our financial statements, including the financial statements provided in this Red Herring Prospectus are prepared in accordance with Indian GAAP. We have not attempted to quantify the impact of US GAAP or IFRS on the financial data included in this Red Herring Prospectus, nor do we provide a reconciliation of our financial statements to those of US GAAP or IFRS. For details, please see the chapter "*Presentation of Financial, Industry and Market Data*" beginning on page 13. Each of US GAAP and IFRS differs in significant respects from Indian GAAP. Accordingly, the degree to which the Indian GAAP financial statements included in this Red Herring Prospectus will provide meaningful information is entirely dependent on the reader's level of familiarity with Indian accounting practices. Any reliance by persons not familiar with Indian accounting practices on the financial disclosures presented in this Red Herring Prospectus should accordingly be limited.

68. We may be required to prepare financial statements under new Indian Accounting Standards that are different from Indian GAAP beginning in fiscal 2016. A failure by us to successfully transition to the new Indian Accounting Standards could have a material adverse effect on our stock price.

Our financial statements, including the financial statements provided in this Red Herring Prospectus, are currently prepared in accordance with Indian GAAP. The Companies (Indian Accounting Standards) Rules, 2015, which specify the new Indian Accounting Standards ("**Ind AS**"), came into force on April 1, 2015, and may require us to prepare annual and interim financial statements in accordance with Ind AS with effect from April 1, 2016 with comparable financial statements of the previous year.

As there is not yet a significant body of established practice, such as interpretations of the new accounting standards, on which to draw in forming judgments regarding the implementation and application of Ind AS, we have not determined with any degree of certainty the impact that the adoption of Ind AS will have on our financial reporting. There can be no assurance, however, that our financial condition, results of operations, cash flows or changes in shareholders' equity will not appear materially different, or worse, under Ind AS than under current Indian GAAP. As we transition to reporting under Ind AS, we may encounter difficulties or challenges in the ongoing process of implementing and enhancing our management information systems. Our management may also have to divert its time and other resources for successful and timely implementation of Ind AS. Moreover, our transition to Ind AS may be hampered by increasing competition and increased costs due to the small number of Ind AS experienced accounting personnel as more Indian companies begin to prepare Ind AS financial statements. There can be no assurance that our adoption of Ind AS will not adversely affect our reported results of operations or financial condition. Any failure to successfully adopt Ind AS when required under Indian law could have a material adverse effect on the trading price of the Equity Shares.

SECTION III: INTRODUCTION

SUMMARY OF INDUSTRY

The information in this section is derived from a report dated August 31, 2015 that we commissioned the Centre for Asia Pacific Aviation India Private Limited (“CAPA”), to prepare and a report dated December 24, 2014 that we commissioned The S-A-P Group (“SAP”), to prepare, as well as from various governmental agencies, market research reports and other publicly available sources, including various operating statistics for the Indian civil aviation industry published by the Directorate General of Civil Aviation, Government of India (the “DGCA”), and the Airports Authority of India (“AAI”); the International Monetary Fund’s “World Economic Outlook”, April and July 2015; data published in this Red Herring Prospectus which is reused by permission of the Economic Intelligence Unit (the “EIU”), in respect of projected Real Gross Domestic Product (“Real GDP”), Real GDP growth for select regions and countries, household income data and foreign tourist arrivals forecasts; historic and projected Indian population data from the National Commission on Population, Ministry of Health and Family Welfare of India; the Oxford Economics Global Cities 2030; certain rail and air travel data obtained from the travel website www.cleartrip.com (“Cleartrip”); and Airbus’ Global Market Forecast 2014-2033 (the “Airbus Report”). Neither we nor any other person connected with the Issue has verified this information. Prospective investors are advised not to unduly rely on the information in this section when making their investment decisions.

We commissioned the report from CAPA (the “CAPA Report”), and the report from SAP (the “SAP Report”), for the purpose of confirming our understanding of the industry in connection with the Issue. Neither we nor any other person connected with the Issue has verified the information in the CAPA or SAP Reports. CAPA has confirmed that: CAPA is an independent agency and has no affiliation, direct or indirect, with the Company; while certain operational and financial data in the CAPA Report concerning the Company was provided to CAPA by the Company, all information in the CAPA Report concerning airlines other than IndiGo was prepared independently without any direct or indirect inputs from the Company; and, CAPA is an industry specialist in the aviation sector. CAPA has advised that: The report is prepared for general information only, and although high standards have been used in its preparation, CAPA is not responsible for any loss or damage arising from use of the CAPA Report. SAP has confirmed that: SAP is an independent agency and has no affiliation, direct or indirect, with the Company; while certain operational and financial data in the SAP Report concerning the Company was provided to SAP by the Company, all information in the SAP Report concerning airlines other than IndiGo was prepared independently without any direct or indirect inputs from the Company; and, S.A.P. Group is an industry specialist in the aviation sector. SAP has advised that: The report is prepared for general information only, and although high standards have been used in its preparation, SAP is not responsible for any loss or damage arising from use of the SAP Report. Prospective investors are advised not to unduly rely on these reports when making their investment decision. The CAPA and SAP Reports contain publicly reported information from various carriers which may not be determined on the same basis and may not be comparable. The information in the CAPA and SAP Reports should not be viewed as a basis for investment and references to CAPA, SAP, the CAPA Report, and the SAP Report should not be considered CAPA’s or SAP’s opinion as to the value of any security or the advisability of investing in us.

In this section, a reference to “CY” means Calendar Year and a reference to “FY” means Fiscal Year. The Calendar Year ends on December 31 of each year, and the Fiscal Year for the Company and the other Indian carriers referred to in this section ends on March 31 of each year.

Overview of the Indian Air Travel Market

India is one of the world’s largest and fastest-growing air travel markets, according to the CAPA Report. Historically, the Indian air travel market was comprised of individuals in relatively high income brackets as well as corporate travellers. Additionally, many members of the Indian middle class did not have a viable option to meet their long distance travel requirements as surface transportation infrastructure was relatively poor and air travel was relatively expensive, according to the CAPA Report. Starting in 2003, the Indian government introduced several measures to further liberalize the air travel market, including a reduction in fuel excise taxes, elimination of the 15% Inland Travel Tax and the awarding of new airline licenses to private operators. Since 2003, a number of LCCs have entered the Indian air travel market and stimulated prices through their low-cost business models. By using price stimulation as a core business strategy, LCCs were able to cater to India’s middle class segment, according to the CAPA Report. In the decade that followed, Indian air travel entered a period of considerable growth. By CY2014,

India's air travel market had become the sixth largest in the world as measured by total domestic seats (97.3 million) and ninth largest in the world by total domestic and international seats (155.9 million), according to the CAPA Report. Going forward, the domestic Indian aviation market is forecast to be the world's fastest growing aviation market with revenue passenger kilometers ("RPKs") growing at a CAGR of 9.5% between 2013 and 2033, according to the Airbus Report.

Indian Air Travel Market Growth and Growth Drivers

The Indian air travel market experienced rapid growth beginning in 2003 following liberalizing actions by the Indian Government, which is reflected in the growth of domestic passenger volume at a CAGR of 19.4% between FY2004 and FY2010, according to DGCA data. Following the global financial crisis, between FY2010 and FY2015, domestic passenger volume grew at a CAGR of 9.1%, according to DGCA data. Over the same period, domestic carrier capacity, as measured in available seat kilometers, or ASKs, grew at a CAGR of 6.8%, while domestic passenger traffic, as measured by RPKs, grew at a higher CAGR of 8.7%. This growth was attributable to increased tourism and business-related travel, as well as the stimulation of new traffic demand through low fares offered by LCCs, according to the CAPA Report.

Going forward, the Indian air travel market is expected to enter a period of accelerated growth. Between FY2015 and FY2020, domestic ASKs are forecast to grow at a CAGR of 12.7%, while domestic passenger volume is forecast to grow at a CAGR of 12.8%, according to the CAPA Report.

Strong Economic Growth

India is expected to be one of the fastest growing major economies in the world over the next four years, with Real GDP expected to grow at a CAGR of 7.1% between CY2014 and CY2019, according to the EIU. This rate of Real GDP growth exceeds that of China, APAC, and the world over the same period, which are forecast to grow at a CAGR of 6.4%, 4.5%, and 3.0%, respectively. The IMF expects India to surpass China's Real GDP growth rate in CY2015 and CY2016, with respective growth rates of 7.5% compared to 6.8% and 7.5% compared to 6.3%.

Continued Population Growth

India is the second most populous country in the world with 1.26 billion people through CY2014, according to the IMF. The IMF projects that India's population will grow at a CAGR of 1.3% to reach 1.34 billion by the end of CY2019. The expected growth in India's population between CY2014 and CY2019 is higher than the average growth in population of the top 20 domestic air travel markets in the world. The increase in the Indian population is expected to be a continuing driver of growth in the Indian air travel market, according to the CAPA Report.

Expansion of the Middle Class

Consistent with the trend of overall economic expansion in approximately the last decade, India's annual per capita income has grown at a CAGR of 12.6%, from ₹ 46,249 in FY2010 to ₹ 74,380 in FY2014, according to data from the Ministry of Statistics and Programme Implementation.

India's growth in per capita income and overall population has caused the rapid expansion in the size of India's middle class, defined as households with a disposable income of more than USD 5,000 per year (more than approximately ₹ 0.3 mm per year), according to the CAPA Report. The number of Indian middle class households is expected to increase from 53.6 million in CY2014 and reach 107.9 million households by CY2019, according to the EIU, implying a CAGR of 15.0%. In addition, Mumbai and New Delhi are expected to have the 25th and 30th highest increase in household disposable income globally between CY2013 and CY2030, according to the Oxford Economics Global Cities 2030.

Strong Growth in Tourism

The tourism industry in India is fast-growing and an increasingly significant contributor to India's economy, according to the CAPA Report. The total contribution of travel and tourism to India's GDP was ₹7,642.5 billion in CY2014 (6.7% of GDP) and is forecast to rise by 7.3% per annum to ₹16,587.2 billion (7.6% of GDP) by CY2025,

according to the World Travel and Tourism Council.

According to the Ministry of Tourism of India, the number of domestic tourist visits to India in CY2014 by all modes of transportation was 1,282.0 million and had grown at a CAGR of 13.9% from CY2009 to CY2014. During the same period, the number of Indian national departures increased at a CAGR of 10.6% to reach 18.3 million in CY2014.

Rail Travel Substitution

Rising income levels are expected to cause the Indian middle class to increasingly prefer air travel to rail and road travel because of its convenience, shorter duration and competitive pricing, according to the CAPA Report.

Low Aircraft Penetration Rates

Despite its overall economic growth and the growth of its air travel market since the beginning of the market's liberalization in 2003, India still has one of the lowest air travel penetration rates in the world, as defined by annual domestic carrier seats per capita, according to the CAPA Report. India's penetration of 0.08 annual domestic seats per capita is low relative to other developing markets such as Brazil, Turkey, Indonesia and China, where penetration rates are between 0.35 and 0.65 annual seats per capita, according to the CAPA Report. Countries with higher GDP per capita have a higher number of domestic carrier seats per capita compared to countries with lower GDP per capita, according to the CAPA Report. Economic wealth of a nation and air travel are closely correlated: penetration of air travel demand is greater in developed countries than in developing countries, and air travel is expected to improve with the rise of a country's wealth as measured by GDP per capita, according to the CAPA Report. According to the CAPA Report, the substantial gap between aircraft penetration rates in India and larger aviation markets suggests significant opportunity for growth.

Expansion in Aviation Infrastructure

India continues to invest in aviation infrastructure to enable growth in air transport and India's aviation infrastructure is improving, according to the CAPA Report. Public-private partnerships, have yielded state-of-the-art greenfield airports in Hyderabad and Bengaluru, as well as new airport infrastructure investments in New Delhi and Mumbai, both of which have ranked among the top five airports (25 to 40 million passengers category) globally for airport service quality in 2014, according to Airports Council International. There are also two ongoing greenfield airport public-private partnership tenders for the construction of new airports in Mumbai and Goa, according to the City and Industrial Development Corporation of Maharashtra Limited and the Government of Goa, respectively.

As of January 2015, India had a combined total of over 130 airports, according to AAI, including at least 56 airports capable of landing one or more equipment types from the Airbus A320 family (including A319, A320 and A321 aircraft and all "ceo" and "neo" variants thereof) and Boeing B737 family, according to the CAPA Report.

Indian Air Travel Market Competitive Landscape

The Indian air travel market is serviced by domestic and international LCCs and full-service carriers ("FSCs"). Domestic carriers in India include LCCs such as IndiGo, SpiceJet, GoAir, Air India Express, and AirAsia India, as well as FSCs such as Jet Airways, Air India, Air Costa, Alliance Air and Vistara, according to the CAPA Report. These domestic carriers also compete with international and regional carriers, new entrants in the airline industry, Indian Railways, the state-owned railway company of India, and with different forms of road transportation, according to the CAPA Report.

Indian Air Travel Market

The increase in the number of LCCs combined with macroeconomic factors such as India's relatively low per capita income and price-sensitive consumers have led LCCs to dominate India's air travel market. LCCs' share of the Indian air travel market has increased from 40.5% in FY2010 to 62.2% in FY2015, according to DGCA data. This represents an approximate 55% increase in LCCs' market share over FSCs' market share between FY2010 and FY2015.

Market share based on passenger volume

Among the Indian carriers, IndiGo's market share expanded from 12.5% to 33.9% during this period, while Jet Airways, the carrier with the second largest market share, fell from 28.1% to 22.1% over the same period. The CAPA Report attributes the trend in IndiGo's market share to market stimulation by low fares, launching of new routes in India where there were previously no flights (e.g. Mumbai-Srinagar) and winning of market share from FSCs and other LCCs.

Market share based on capacity

Among the Indian carriers, IndiGo's domestic ASKs have increased from 5.3 billion in FY2008 to 31.4 billion in FY2015, growing at a CAGR of 28.9% over the same period, while all other Indian carriers collectively declined at a CAGR of 0.5% over the same period, according to DGCA data. During FY2015, IndiGo's market share based on ASKs was 37.0%, based on DGCA and CAPA data.

Market share based on traffic on metro and non-metro routes

The top 10 metro-to-metro routes in India accounted for over 16.2 million passengers, by far the largest of the three categories, while the top 10 metro-to-non-metro routes accounted for over 8.3 million passengers. IndiGo had the largest market share in all three categories with 39.8% share of the top 10 metro-to-metro routes, 38.7% of the top 10 metro-to-non-metro routes, and 52.5% of the top 10 non-metro to non-metro routes for FY2015.

Market share based on top five domestic routes by traffic

IndiGo had the leading market share in all of the top five routes, measured by passenger volume, for FY2015, according to the CAPA Report.

Market share based on seat capacity at major airports

In terms of market share at each of the six metro airports in India, in March 2015, IndiGo had the largest market share by domestic seat capacity at five of the six metro airports, while Jet Airways had the largest market share at one of the six metro airports, according to the CAPA Report.

Key operating metrics

Operating metrics, including on-time departures and arrivals, flight cancellations, and number of complaints, are often used in the air travel industry to evaluate operating performance of carriers, according to the CAPA Report. In terms of both on-time performance and smallest percentage of cancelled flights, IndiGo ranked first, as compared to domestic peers, according to the CAPA Report. In terms of lowest number of complaints, IndiGo ranked second as compared to domestic peers, according to the CAPA Report.

Key cost metrics

Maintenance costs

Maintenance costs are one of the main cost components for any carrier. The maintenance costs of a carrier are impacted by its business model, fleet composition and overall fleet management, according to the SAP Report. The maintenance cost per ASK of the various Indian carriers for FY2014 was US\$0.18 for IndiGo, US\$0.34 for Air India, US\$0.35 for GoAir, US\$0.90 for SpiceJet and US\$0.95 for Jet Airways, according to the SAP Report. IndiGo's maintenance costs are the lowest among Indian carriers.

Fuel costs and ownership costs

The fuel cost per ASK for FY2014 was US\$2.94 for SpiceJet, US\$3.07 for IndiGo, US\$3.23 for Jet Airways, US\$3.37 for GoAir and US\$3.47 for Air India, according to the SAP Report. The ownership cost per ASK of the Indian carriers for FY2014 was US\$0.97 for IndiGo, US\$1.20 for SpiceJet, US\$1.23 for GoAir, US\$2.01 for Jet

Airways and US\$2.62 for Air India, according to the SAP Report. IndiGo's ownership costs are lowest and fuel costs are second lowest, on a per ASK basis, among Indian carriers.

Key profitability comparison

IndiGo has been the only consistently profitable airline in India for the last seven years, according to the CAPA Report.

Costs per ASK

CASK measures the unit costs of a carrier and is calculated as total costs divided by ASK. The CASK of the Indian carriers for FY2014 was US\$5.95 for IndiGo, US\$6.37 for GoAir, US\$6.68 for SpiceJet, US\$9.05 for Jet Airways and US\$9.82 for Air India, according to the SAP Report. IndiGo's CASK is lowest among Indian carriers.

Comparison versus key International LCCs and domestic Indian carriers

Size

IndiGo was the seventh largest LCC in the world by total seats for FY2015, according to the CAPA Report.

Fleet size and orderbook

According to the CAPA Report, the largest fleet of aircraft of an Indian carrier is operated by Air India, followed by Jet Airways and IndiGo. IndiGo maintains the largest orderbook of any Indian carrier with 430 aircraft on order.

Growth

According to the CAPA Report, IndiGo was the fastest growing carrier in India in terms of ASK growth between FY2011 and FY2015, followed by GoAir and SpiceJet.

Cost competitiveness

Unit costs

CASK measures the unit costs of a carrier and is calculated as costs divided by ASK. CASK excluding fuel cost is an alternative measure for comparing cost management of carriers operating in different geographies, as fuel costs can vary between geographies due to taxation, government fuel pricing regulations and other reasons, according to the SAP Report. In India, jet fuel prices tend to be higher than many other countries due to higher taxation imposed by local governments, according to the SAP Report.

According to the SAP Report, IndiGo has the lowest CASK excluding fuel cost of US\$2.87 among the Indian carriers for FY2014. IndiGo's CASK excluding fuel cost reduces further to US\$2.51 for FY2014 on the exclusion of supplementary rentals, according to the SAP Report. In comparison, GoAir, SpiceJet, Jet Airways and Air India have CASK excluding fuel costs of US\$3.00, US\$3.74, US\$5.82 and US\$6.35, respectively, for FY2014, according to the SAP Report. Additionally, according to the SAP Report, the average CASK excluding fuel cost of LCCs operating in Asia, EMEA and the Americas was US\$2.81, US\$3.60 and US\$4.78, respectively, for FY2014. IndiGo's CASK excluding supplementary rentals is US\$5.59 for FY2014, according to SAP.

Average fleet age

The average age of a carrier's fleet is impacted by its business model, fleet composition and overall fleet management. Fleet age can impact the operating costs of a carrier, including fuel costs and maintenance costs, according to the CAPA Report. Among Indian carriers with at least six months of operating history as of March 31, 2015, AirAsia India had the youngest fleet age of 2.7 years and IndiGo had the second youngest average fleet age of 3.2 years, followed by GoAir at 3.9 years, Air Costa at 3.9 years, SpiceJet at 4.1 years, Jet Airways at 5.9 years, and Air India at 8.9 years, as of March 31, 2015, respectively, according to the CAPA report.

Unit profitability

RASK, a measurement of unit revenue, minus CASK, is a measure of a carrier's unit profitability. Excluding fuel cost from the analysis provides an indicator of a carrier's unit profitability before taking in to account fuel costs, which can vary significantly from region to region, according to the SAP Report. IndiGo had the highest RASK minus CASK of any carrier in India and a level in line with LCCs operating in Asia during FY2014, according to the SAP Report. IndiGo's RASK minus CASK excluding fuel was the highest in India and higher than all of the LCCs operating in Asia in its peer group, according to the SAP Report.

Profit margins

IndiGo was the most profitable carrier in India for FY2014, as measured by EBITDAR margins, with a margin of 19.8%, while GoAir, Jet Airways, SpiceJet and Air India had EBITDAR margins of 16.9%, 5.9%, 2.3% and (9.0%), respectively, during the same period, according to the SAP Report.

SUMMARY OF OUR BUSINESS, STRENGTHS AND STRATEGIES

Overview

We operate IndiGo, India's largest passenger airline with a 33.9% and 37.4% market share of domestic passenger volume for fiscal 2015 and the five months ended August 31, 2015, respectively, according to the DGCA. We operate on a low-cost carrier, or LCC, business model and focus primarily on the domestic Indian air travel market. We were the seventh largest low-cost carrier globally in terms of seat capacity in fiscal 2015, according to CAPA. We continuously focus on maintaining our cost advantage and a high frequency of flights while striving to fulfil our simple brand message of providing "low fares, on-time flights and a hassle-free experience" to our passengers.

We commenced operations in August 2006 with a single aircraft, and have grown our fleet to 97 aircraft as of August 31, 2015, all of which are Airbus A320 aircraft. We currently have an order book of 430 A320neo aircraft and expect to take delivery of 14 additional aircraft, including nine A320neos, by March 31, 2016. As of August 31, 2015, the average age of our aircraft was 3.7 years. As of March 31, 2015, the average age of our aircraft was 3.2 years, which, according to CAPA, was the second youngest average fleet age among Indian carriers and one of the youngest fleets of any LCC globally.

As of the week ended August 31, 2015 we operated scheduled services to 33 airports in India, with a maximum of 603 domestic flights per day. We operated an average of 570 domestic flights per day, for the month ending March 31, 2015. According to CAPA, we operated more passenger flights in India than any other airline for the 2014/15 winter schedule. We also had the highest market share in each of the top five domestic routes in India by traffic during fiscal 2015, according to CAPA.

We primarily operate in India's domestic air travel market, which is forecast to be the world's fastest growing market by origin-and-destination traffic flow between 2013 and 2033, estimated to grow at a CAGR of 9.5%, according to Airbus. India was the ninth largest aviation market in the world by total domestic and international seat capacity in 2014, according to CAPA. Additionally, India has achieved strong and sustained growth in air traffic over the last ten years. Passenger volumes for domestic air traffic have increased at a CAGR of 19.4% between fiscal 2004 and fiscal 2010 and a CAGR of 9.1% between fiscal 2010 and fiscal 2015, according to the DGCA.

From fiscal 2011 to fiscal 2015, our domestic passenger volume increased at a CAGR of 25.8% from 9.5 million domestic passengers in fiscal 2011 to 23.7 million domestic passengers in fiscal 2015 and 12.6 million domestic passengers as of August 31, 2015, according to the DGCA. Our market share of domestic passenger volume increased from 17.6% in fiscal 2011 to 33.9% in fiscal 2015, according to the DGCA.

We are committed to achieving industry-leading on-time performance and operational reliability. Our average on-time performance was 83.8% for the five months ended August 31, 2015, 86.7% in fiscal 2015 and 88.2% in fiscal 2014. We had operational reliability ratings of 99.95% for the five months ended August 31, 2015, 99.95% in fiscal 2015 and 99.94% in fiscal 2014, according to Airbus. In 2014, Airbus awarded us its "Best Operational Excellence" award in the large fleet category based on the number of aircraft in the fleet, daily utilization rate, technical reliability and the number of delays caused due to operational reasons over a two-year period of operations. We had the second highest load factor on domestic scheduled services in fiscal 2015, according to the DGCA and the second lowest level of complaints per 10,000 passengers in fiscal 2015, according to CAPA. We have received industry accolades in recognition of the quality of our airline service, including the award for "Best Low-Cost Airline in Central Asia & India" at the SkyTrax World Airline Awards for six consecutive years from 2010 to 2015.

InterGlobe Enterprises (including our Company), was ranked among the "Best Companies to Work For" in India in 2015 for the eighth consecutive year by a study done by the Great Places to Work[®] Institute in partnership with The Economic Times. No other airline was included in these rankings during this period. We have the highest employee productivity among the Indian carriers in fiscal 2015 as measured by ASKs per employee, according to CAPA.

Our firm orders for 100 A320 aircraft in June 2005, 180 A320neo aircraft in June 2011 and 250 A320neo aircraft in August 2015 were each the largest single order of aircraft by number from Airbus at the time of the order, according to Airbus. We have taken delivery of all 100 aircraft under our 2005 order as of November 3, 2014, about two years ahead of the initially scheduled final delivery date.

We were one of the first airlines globally to order the A320neo aircraft, according to Airbus. According to Airbus, A320neo aircraft are expected to deliver up to 15% fuel savings initially and up to 20% fuel savings by 2020 compared to current generation A320 aircraft without sharklet wing-tip devices, which will further reduce our fuel consumption per flight as these aircraft enter our fleet from fiscal 2016 onwards.

The magnitude of our 2005, 2011 and 2015 aircraft orders helped us to negotiate favorable terms with Airbus and our other aircraft-related suppliers and service providers, which provides us with a structural cost advantage by reducing the overall costs associated with the acquisition, maintenance and operation of our aircraft.

We have considerable flexibility to prudently manage the expansion of our fleet. Our firm orders with Airbus, subject to negotiation with Airbus, may allow us to advance or defer deliveries; a number of the 100 aircraft delivered under our 2005 order were advanced deliveries from their initially scheduled delivery dates and we did not defer any aircraft deliveries under our 2005 order. As of August 31, 2015, we had extended the operating leases of 27 of our current aircraft, seven of which had been scheduled to be redelivered to our lessors in fiscal 2015. None of our aircraft were scheduled to be redelivered to our lessors in the three months ended June 30, 2015.

Our total revenue has increased to ₹ 143,091.41 million in fiscal 2015, growing at a CAGR of 38.0% since fiscal 2011. Our EBITDAR increased to ₹ 38,317.64 million in fiscal 2015, growing at a CAGR of 34.8% since fiscal 2011. Please see the chapter “*Management’s Discussion and Analysis of Financial Condition and Results of Operations—Our Results of Operations*” beginning on page 352. We achieved positive net profit in fiscal 2009 and have remained profitable in each subsequent fiscal year through fiscal 2015. No other Indian airline has consistently remained profitable over the same period, according to CAPA. We have also remained profitable in the three months ended June 30, 2015.

We had the lowest CASK of all Indian carriers in fiscal 2014, and amongst one of the lowest CASK excluding fuel expenses compared with publicly-listed LCCs globally, according to SAP. Our airline had the highest profitability as measured by RASK minus CASK for any airline in India and is at a level in line with LCCs operating in Asia during the most recently completed fiscal year, according to SAP. Please see the chapter “*Industry Overview—Cost Competitiveness—Unit Profitability*” beginning on page 166. We have used our consistent profitability to reinvest in our business to build scale and efficiencies and to provide returns to our shareholders. We have a strong balance sheet measured in terms of our indebtedness. As of June 30, 2015 and March 31, 2015, we had total indebtedness of ₹ 39,123.75 million and ₹ 39,261.63 million, respectively, and net debt (net of free cash) of ₹ 34,120.20 million and ₹ 27,634.90 million, respectively. As of June 30, 2015 and March 31, 2015, all of our indebtedness is aircraft related, and we did not have any working-capital-related indebtedness.

Our fleet expansion strategy, along with our profitability and strong balance sheet, is intended to enable us to strengthen and sustain our market leading position in India’s large and fast-growing air travel market. We intend to maintain our focus on providing customers with affordable air travel, on-time performance and hassle-free customer service.

Our Strengths and Strategies

Our strengths have resulted in competitive advantages for our airline, which are reflected in our profitability, market share, record-breaking aircraft orders that have not been replicated by our competitors and which we intend to sustain by executing our strategies. Our key strengths and strategies are as follows:

We are the largest domestic passenger airline in India and we will continue to focus on enhancing our market position.

- *Largest market share in one of the largest and fastest growing aviation markets in the world*

We are the domestic market leader in India, one of the largest and fastest growing aviation markets in the world, with a 33.9% and 37.4% market share of domestic passenger volume for fiscal 2015 and the five months ended August 31, 2015, which has grown from 17.6% in fiscal 2011, according to the DGCA. India

was the ninth largest air travel market by number of domestic and international seats in 2014, according to CAPA. India's domestic passenger traffic is expected to grow at a CAGR of 12.8% between fiscal 2015 and fiscal 2020, according to CAPA.

- *Depth and breadth of network in key markets*

As of the week ended August 31, 2015 we operated scheduled services to 33 airports in India, with a maximum of 603 domestic flights per day. We operated an average of 570 domestic flights per day, for the month ending March 31, 2015. According to CAPA, we operated more passenger flights in India than any other airline for the 2014/15 winter schedule. We also had the highest market share in each of the top five domestic routes in India by traffic during fiscal 2015, according to CAPA. We intend to continue to strengthen the density of our network by adding flights in our existing key markets and selectively adding routes and destinations that are intended to enhance the breadth of our service in a sustainable and profitable manner.

Maintain disciplined execution of the low-cost carrier business model.

Our disciplined execution of low-cost carrier principles is intended to help us maintain low operating costs. Our strategy of following pure low-cost principles is intended to provide us with an advantage over some of our LCC competitors in India who operate hybrid business models between low-cost and full-service airlines, such as the inclusion of meals and beverages in the ticket prices for non-corporate passengers, offering business class seats and operating multiple aircraft types.

- *Single aircraft type*

We employ a single type of airframe and engine within our current fleet, which helps us to reduce our expenses related to maintenance, spare parts, operation, crew training and labor, as well as helping us to more efficiently manage crew rosters.

- *High aircraft utilization*

Our aircraft utilization in block hours was 11.4 hours per day per aircraft in fiscal 2015, which, according to CAPA, was among the highest of any airline in India. We maintain high aircraft utilization rates by keeping a low turnaround time between our flights. Additionally, we operate a point-to-point route network with no code-sharing with other airlines for passenger traffic, which further helps to reduce turnaround time.

- *High operational reliability*

Our operational reliability was 99.95% in fiscal 2015 and 99.95% in five months ended August 31, 2015, according to Airbus. In 2014, Airbus awarded us its "Best Operational Excellence" award in the large fleet category based on the number of aircraft in the fleet, daily utilization rate, technical reliability and the number of delays caused due to operational reasons over a two-year period of operations. We had an average domestic on-time performance of 87.5% during fiscal 2015 at four of India's leading airports (New Delhi, Mumbai, Bengaluru and Hyderabad). According to CAPA, this average domestic on-time performance rate is higher than any other Indian carrier at these airports.

- *No-frills product*

We have strived to achieve significant cost reductions by scrutinizing every aspect of our business to remove non-essential costs without compromising passenger safety, security or on-time performance. We offer a single class of economy service, which allow our A320 aircraft to have the maximum seating capacity of 180 seats. Unlike most full-service carriers, we do not offer a frequent flyer program, free lounges or include food and beverages in our ticket price for non-corporate passengers. These items have helped to further reduce our cost base.

- *Low distribution costs*

We seek to reduce our distribution costs by increasing direct sales via our website, airport, call center and mobile app and scaling down commissions paid to online and traditional travel agents. Approximately 20.6% and 22.0% of our ticket sales were made through these direct channels for the five months ended August 31, 2015 and in fiscal 2015. We adjusted the commissions paid to online travel agents in January 2015.

- *Ancillary revenues*

Ancillary revenues are typically a highly profitable income stream and have been a key growth driver for us, growing at a CAGR of 37.8% from fiscal 2011 to fiscal 2015. There is substantial potential to further grow these revenues because, according to SAP, our ancillary revenue as a percentage of operating revenue remains substantially lower than most international low-cost carriers. Our ancillary revenue was ₹ 4,806.97 million and ₹ 15,724.94 million for the three months ended June 30, 2015 and in fiscal 2015, representing 11.3% of our revenue from operations in fiscal 2015. We intend to continue to enhance our existing ancillary revenue streams as well as develop new streams of ancillary revenue upon obtaining regulatory approvals.

We have a structural cost advantage which we expect to maintain.

- *Largest Airbus aircraft orders in history enabling favorable terms on aircraft, engines and components.*

Our firm orders of 100 A320 aircraft in June 2005, 180 A320neo aircraft in June 2011 and 250 A320 aircraft in August 2015 were each the largest single order of aircraft by number from Airbus at the time of the order, according to Airbus. We were one of the first airlines globally to order the A320neo aircraft, according to Airbus. Based on current announced production rates, Airbus has a current backlog of over 5,400 aircraft for the A320 family of aircraft, according to Airbus.

The magnitude of our 2005, 2011 and 2015 aircraft orders helped us to negotiate favorable terms with Airbus and our other aircraft-related suppliers and service providers, which provides us with a structural cost advantage by reducing the overall costs associated with the acquisition, maintenance and operation of our aircraft.

We receive non-refundable incentives from manufacturers upon the delivery of aircraft and engines and upon the achievement of certain milestones. The application of these purchase incentives to our operating leases results in a net reduction in our aircraft rental payments which is amortized over the initial terms of the operating leases.

- *Young, modern and fuel-efficient fleet*

As of March 31, 2015, the average age of our aircraft was 3.2 years, which, according to CAPA, was the second youngest average fleet age among Indian carriers with at least six months of operating history and one of the youngest fleets of any LCC globally. We maintain our young fleet by predominantly entering into short-term sale-and-leaseback operating leases for the aircraft we have ordered from Airbus, typically ranging from three to six years. We actively seek to maintain a young fleet because it helps us to mitigate against technological obsolescence and achieve better reliability in terms of aircraft performance, lower maintenance costs, improved fuel-efficiency, higher flight dispatch reliability and higher passenger appeal.

The A320 aircraft delivered to us by Airbus since January 2013 have been equipped with wing-tip “sharklets” and consume less fuel than aircraft without sharklets, according to Airbus. In 2008, we upgraded to IAE SelectOne engines, which consume less fuel than our previous engines. In March 2011, we began to use the Pratt & Whitney EcoPower Engine Wash process for our engines, which results in incremental fuel savings. As a result of these and other measures, we have been able to reduce our fuel consumption per block hour by 4.0% from fiscal 2011 to fiscal 2015.

According to Airbus, the new A320neo aircraft are expected to deliver up to 15% fuel savings initially and up to 20% fuel savings by 2020 compared to current generation A320 aircraft without sharklets, which will further reduce our fuel consumption per block hour as these aircraft enter our fleet from 2015 onwards.

Maintain our award-winning service and strong brand recognition

- *Award-winning service*

We aim to provide courteous, hassle-free and affordable service to our passengers. We have continuously received industry accolades since our inception in recognition of the quality of our airline service, including being awarded the “Best Low-cost Airline in Central Asia & India” at the SkyTrax World Airline Awards for six consecutive years from 2010 to 2015. We were recognized as India’s favorite airline for 2012, 2013 and 2014 by TripAdvisor’s Annual India Air Travel Survey, which in 2014 also recognized us as the best among Indian carriers in terms of value for money, on-time performance, landing/take-off quality, in-flight maintenance, baggage delivery time and check-in process. Among all Indian carriers, we have the second highest load factor on domestic scheduled services for fiscal 2015, according to the DGCA, and the second lowest number of complaints per 10,000 passengers in fiscal 2015, according to CAPA.

- *Strong brand recognition*

We strive to be the most trusted airline brand in India. We have achieved recognition of the IndiGo brand through our simple brand message of providing “low fares, on-time flights and a hassle-free experience” to our passengers. We seek to achieve recognition of our brand through our consistent operational performance resulting in recommendations from satisfied passengers. Our sales promotion and advertising expenses accounted for less than 1% of our total expenses for the three months ended June 30, 2015 and in fiscal 2015.

Maintain consistent profitability and strong cash flow generation, balance sheet and liquidity position.

- *Consistent profitability, profitable growth and shareholder value creation*

We are the only Indian carrier to consistently remain profitable for the last seven fiscal years ending in fiscal 2015, according to CAPA. We have also remained profitable in the three months ended June 30, 2015. Our airline had the highest profitability as measured by RASK minus CASK for any airline in India and is at a level in line with LCCs operating in Asia, according to SAP. Please see the chapter “*Industry Overview—Cost Competitiveness—Unit Profitability*” beginning on page 166. We have used our consistent profitability to reinvest in our business to build scale and efficiencies. These investments include an upgraded reservation system, upgraded crew rostering system, implementing a new revenue management system, upgrading our operations control center, cargo-related operational and financial software, revenue accounting software and employee training facilities.

- *Strong balance sheet*

The strength of our balance sheet in terms of liquidity and indebtedness provides us with a number of competitive advantages, such as lower finance costs and better financial terms from aircraft lessors and suppliers of aircraft components. As of June 30, 2015 and March 31, 2015, we have total indebtedness of ₹ 39,123.75 million and ₹ 39,261.63 million, respectively, and net debt (net of free cash) of ₹ 34,120.20 million and ₹ 27,634.90 million, respectively. As of June 30, 2015 and March 31, 2015, all of our indebtedness was aircraft related and we did not have any indebtedness for working-capital. The strength of our balance sheet in terms of liquidity and indebtedness also provides us with a competitive advantage by allowing us the flexibility to fund future growth and not be constrained by reliance on non-aircraft financing sources.

- *Strong cash flow generation and liquidity position*

We have generated strong cash flows from operations for the seven fiscal years from 2009 to 2015. This has enabled us to further invest in our business and pay dividends to our shareholders in four of the past five fiscal years ending in fiscal 2015.

Our strong liquidity position in terms of our total cash of ₹ 36,752.51 million as of June 30, 2015, protects us from unforeseen shocks such as a sudden decline in air travel demand or sudden spikes in aircraft fuel prices, which can put negative pressure on operating cash flows. We had ₹ 36,752.51 million and ₹ 40,280.33 million of total cash as of June 30, 2015 and March 31, 2015, and a total-cash-to-LTM (or, last twelve months) revenue of 24.1% and 28.2% as of June 30, 2015 and March 31, 2015. Our liquidity position enables us to consistently pay our suppliers on time, allowing us to benefit from supplier discounts. In addition, our liquidity position enables us to purchase imported fuel, which require advance payments and is less expensive than fuel purchased domestically in India.

Attract and retain talented employees and management and leverage the strength of our Promoters.

- InterGlobe Enterprises (including our Company), was ranked among “Top Companies to Work For” in India in 2015 for the eighth consecutive year by a study done by the Great Places to Work[®] Institute in partnership with The Economic Times. No other airline was included in these rankings during this period.
- We have the highest employee productivity among the Indian carriers in fiscal 2015 as measured by ASKs per employee, according to CAPA. Please see the chapter “*Industry Overview*” beginning on page 116 for more information. We do not have any unionized employees.
- We have continuously been able to hire sufficient pilots to keep pace with the expansion of our operations and growth of our fleet. Our average attrition rate for pilots is 6.9% per year from fiscal 2011 to fiscal 2015. As a result of our rotation and training schedules, we average 16 pilots per aircraft as of August 31, 2015.
- Our management team has a strong background at leading global airlines, hospitality and travel-related businesses, and many of whom have been promoted within our Company. Our management team has the depth and capability to expand our operations in accordance with our business model.
- Our management team provides us with extensive knowledge and understanding of the Indian business environment. Our management team delivered profitable results in our second full fiscal year after commencing our operations, and we have remained profitable in each fiscal year since. Our management team has successfully guided the airline through industry down cycles as well as periods of fuel price and exchange rate volatility.
- We benefit from the support and experience of our Promoters, Mr. Rahul Bhatia and Mr. Rakesh Gangwal. Mr. Bhatia holds leadership positions in several companies in the travel and hospitality industries, such as InterGlobe Enterprises and Acquire Services Private Limited. Mr. Gangwal has over 30 years of experience in the airline industry, including over 15 years of senior management experience at several leading airlines, such as US Airways, United Airlines and Air France. Most notably, Mr. Gangwal was the Chief Executive Officer of US Airways and the Chairman and Chief Executive Officer of Worldspan. Please see the chapter “*Our Promoters and Group Companies—Our Individual Promoters*” beginning on page 231.

SUMMARY FINANCIAL INFORMATION

The following tables set forth the summary restated financial statements derived from our restated financial statements as of and for the years ended March 31, 2015, March 31, 2014, March 31, 2013, March 31, 2012, March 31, 2011 and as of and for the three months period ended June 30, 2015. These restated financial statements have been prepared in accordance with Indian GAAP, the Companies Act, 1956 and Companies Act, 2013 and restated in accordance with the ICDR Regulations and are presented in the chapter “*Financial Statements*” beginning on page 265. As required under the Listing Agreements and Section 177 of the Companies Act, 2013, the Audit Committee constituted by the Board of our Company will also monitor the utilisation of the proceeds of the Issue. We will disclose the utilisation of the proceeds of the Issue, including interim use, under a separate head in the Company's quarterly financial disclosures and annual audited financial statements until the proceeds of the Issue remain unutilised, to the extent required under applicable laws and regulations.

Appraising Agency

None of the objects of this Issue for which Net Proceeds will be utilised have been appraised by an independent agency.

Book Building Process

Book Building Process, with reference to the Issue, refers to the process of collection of Bids on the basis of this Red Herring Prospectus and the Bid-cum-Application Forms. The Price Band and the minimum Bid Lot size and the Rupee amount of the discount, if any, offered to Eligible Employees will be decided by our Company and the Selling Shareholders in consultation with the GCBRLMs and the BRLMs, published at least five Working Days prior to the Bid/Issue Opening Date in one English national daily newspaper with wide circulation and one Hindi national daily newspaper with wide circulation, which shall also serve as the regional language newspaper with wide circulation, with Hindi being the regional language of Delhi where the Registered Office is located, and shall be made available to the Stock Exchanges for the purpose of uploading on their website.

The Issue Price shall be determined by our Company and the Selling Shareholders in consultation with the GCBRLMs and the BRLMs after the Bid/Issue Closing Date. The principal parties involved in the Book Building Process are:

- Our Company;
- The Selling Shareholders;
- The GCBRLMs;
- The BRLMs;
- The Syndicate Member(s) who are intermediaries registered with SEBI or BSE/NSE and eligible to act as Underwriters;
- SCSBs through whom ASBA Bidders would subscribe in the Issue;
- Registered Brokers;
- The Registrar to the Issue; and
- Escrow Collection Bank(s).

This Issue is being made through the Book Building Process where 50% of the Net Issue shall be available for allocation on a proportionate basis to QIBs provided that our Company and the Selling Shareholders in consultation with the GCBRLMs and the BRLMs may allocate up to 60% of the QIB Category to Anchor Investors at the Anchor Investor Issue Price, on a discretionary basis, of which at least one-third will be available for allocation to domestic

Mutual Funds. Further, 5% of the QIB Category (excluding the Anchor Investor Portion) shall be available for allocation on a proportionate basis to Mutual Funds only. The remainder shall be available for allocation on a proportionate basis to QIBs (including Mutual Funds) subject to valid Bids being received from them at or above the Issue Price. In the event that the demand from Mutual Funds is greater than 5% of the QIB Category (excluding the Anchor Investor Portion), allocation shall be made to Mutual Funds proportionately, to the extent of the Mutual Fund Portion. The remaining demand by Mutual Funds shall, as part of the aggregate demand by QIBs, be available for allocation proportionately out of the remainder of the QIB Category (excluding the Anchor Investor Portion), after excluding the allocation in the Mutual Fund Portion. However, in the event of under-subscription in the Mutual Fund Portion, the balance Equity Shares in the Mutual Fund Portion will be added to the QIB Category (excluding the Anchor Investor Portion) and allocated to QIBs (including Mutual Funds) on a proportionate basis, subject to valid Bids at or above Issue Price.

Further, not less than 15% of the Net Issue will be available for allocation on a proportionate basis to Non-Institutional Investors and not less than 35% of the Net Issue will be available for allocation to Retail Individual Investors, subject to valid Bids being received at or above the Issue Price.

Subject to valid Bids being received at or above the Issue Price, under-subscription, if any, in the Non-Institutional Category and the Retail Category would be allowed to be met with spill-over from other categories or a combination of categories (including the Employee Reservation Portion) at the discretion of our Company, in consultation with the GCBRLMs, the BRLMs and the Designated Stock Exchange. However, under-subscription, if any, in the QIB Category will not be allowed to be met with spill-over from other categories or a combination of categories.

QIBs (other than Anchor Investors) and Non-Institutional Investors shall compulsorily submit their Bids through ASBA process, which would entail blocking of funds in the ASBA Account rather than the transfer of funds to the respective Escrow Accounts. Retail Individual Investors and Eligible Employees bidding in the Employee Reservation Portion have the option of submitting their Bids under the ASBA Process or through cheques/demand drafts. Anchor Investors are not permitted to participate through the ASBA process.

In accordance with the ICDR Regulations, QIBs Bidding in the QIB Category and Non-Institutional Investors Bidding in the Non-Institutional Category are not allowed to withdraw or lower their Bid(s) (both in terms of number of Equity Shares and Bid Amount) at any stage during the Issue or after the Bid/Issue Closing Date. Retail Individual Investors can revise their Bids during the Bid/Issue Period and withdraw their Bids until finalization of the Basis of Allotment. Anchor Investors cannot withdraw their Bids after the Anchor Investor Bidding Date. Allocation to the Anchor Investors will be on a discretionary basis.

For further details, please see the chapters “*Terms of the Issue*” and “*Issue Procedure*” beginning on pages 493 and 497, respectively.

Our Company will comply with the ICDR Regulations and any other ancillary directions issued by SEBI for this Issue. Each of the Selling Shareholders confirm that it/they will comply with the ICDR Regulations and any other ancillary directions issued by SEBI, as applicable to such Selling Shareholders in relation to the Equity Shares offered by such Selling Shareholders under the Offer for Sale.

In this regard, our Company and the Selling Shareholders have appointed Citi, J. P. Morgan and Morgan Stanley as the GCBRLMs and Barclays, Kotak and UBS as the BRLMs, to manage the Issue and procure subscriptions for the Issue.

The process of Book Building under the ICDR Regulations is subject to change from time to time and the investors are advised to make their own judgment about investment through this process prior to making a Bid in the Issue.

Illustration of Book Building and Price Discovery Process (*Investors should note that this example is solely for illustrative purposes and is not specific to the Issue. This example does not take into account Bidding under ASBA process and bidding by Anchor Investors.*)

Bidders can bid at any price within the price band. For instance, assume a price band of ₹ 20 to ₹ 24 per equity

share, issue size of 3,000 equity shares and receipt of five bids from bidders, details of which are shown in the table below. A graphical representation of the consolidated demand and price would be made available at the bidding centres during the bidding period. The illustrative book below shows the demand for the equity shares of the issuer company at various prices and is collated from bids received from various investors.

Bid Quantity	Bid Price (₹)	Cumulative Quantity	Subscription
500	24	500	16.67%
1,000	23	1,500	50.00%
1,500	22	3,000	100.00%
2,000	21	5,000	166.67%
2,500	20	7,500	250.00%

The price discovery is a function of demand at various prices. The highest price at which the issuer is able to issue the desired number of equity shares is the price at which the book cuts off, i.e., ₹ 22 in the above example. The issuer and the selling shareholders, in consultation with the book running lead managers will finalise the Issue Price at or below such cut-off price, i.e., at or below ₹ 22. All bids at or above this issue price and cut-off bids are valid bids and are considered for allocation in the respective categories.

Steps to be taken by the Bidders for Bidding

1. Check eligibility for making a Bid (please see the chapter “*Issue Procedure – Who Can Bid?*” beginning on page 499). Please note that all Bidders other than Anchor Investors are entitled to Bid through ASBA. In this regard, please see the chapter “*Issue Procedure*” beginning on page 497;
2. Ensure that you have an active demat account and the demat account details are correctly mentioned in the Bid-cum-Application Form;
3. Ensure that the Bid-cum-Application Form is duly completed as per instructions given in the Red Herring Prospectus and in the Bid-cum-Application Form;
4. Except for Bids (i) on behalf of the Central or State Government and the officials appointed by the courts, and (ii) from the residents of the state of Sikkim, each of the Bidders should mention their PAN allotted under the Income Tax Act, 1961 (“**IT Act**”) in the Bid-cum-Application Form. In accordance with the ICDR Regulations, PAN would be the sole identification number that participants transacting in the securities market are required to provide, irrespective of the amount of transaction. The exemption for the Central or State Government and officials appointed by the courts and for investors residing in the State of Sikkim is subject to (a) the Demographic Details (as defined below) received from the respective Depositories confirming the exemption granted to the beneficiary owner by a suitable description in the PAN field and the beneficiary account remaining in active status; and (b) in the case of residents of Sikkim, the address as per the Demographic Details evidencing the same. Applications in which the PAN is not mentioned will be rejected. For further details please see “*Issue Procedure – Bidders / Applicants Depository Account Details*” beginning on page 407;
5. Ensure the correctness of your Demographic Details (as defined in the “*Issue Procedure – Bidders / Applicants Depository Account Details*” on page 497) given in the Bid-cum-Application Form with the details recorded with your Depository Participant;
6. Ensure the correctness of your PAN, DP ID and Client ID given in the Bid-cum-Application Form. Based on these parameters, the Registrar will obtain details of the Bidders from the Depositories including the Bidder’s name and bank account number, among others;
7. Bids by ASBA Bidders will have to be submitted to the Designated Branches of the SCSBs or Syndicate Members at Syndicate ASBA Centres or the Broker Centre with the Registered Brokers. ASBA Bidders should ensure that ASBA Accounts have adequate credit balance at the time of submission of the Bid-cum-Application Form to the SCSB, Registered Brokers or Syndicate to ensure that the Bid-cum-Application Form is not rejected;

8. Bids by QIBs (other than Anchor Investors) and Non-Institutional Investors will only have to be submitted through the ASBA process; and
9. Bids by non-ASBA Bidders will have to be submitted to the Syndicate (or their authorized agents) at the bidding centres or the Registered Brokers at the Broker Centres.

Notwithstanding the foregoing, the Issue is also subject to obtaining (i) the final acknowledgement of the RoC after the Prospectus is filed with the RoC; and (ii) final listing and trading approvals of the stock exchanges which our Company shall apply for after allotment.

Allotment to Retail Individual Investors and Minimum Bid Lots

In the event, the Bids received from Retail Individual Investors exceeds [●] Equity Shares, then the maximum number of Retail Individual Investors who can be Allotted the minimum Bid Lot will be computed by dividing the total number of the Equity Shares available for Allotment to Retail Individual Investors by the minimum Bid Lot (“**Maximum RII Allottees**”). The Allotment to Retail Individual Investors will then be made in the following manner:

1. In the event the number of Retail Individual Investors who have submitted valid Bids in the Issue is equal to or less than Maximum Retail Individual Investors Allottees, (i) Retail Individual Investors shall be Allotted the minimum Bid Lot; and (ii) the balance Equity Shares, if any, remaining in the Retail Category shall be Allotted on a proportionate basis to the Retail Individual Investors who have received Allotment as per (i) above for less than the Equity Share Bid by them (i.e. who have Bid for more than the minimum Bid Lot).
2. In the event the number of Retail Individual Investors who have submitted valid Bids in the Issue is more than Maximum Retail Individual Investors Allottees, the Retail Individual Investors (in that category) who will then be Allotted minimum Bid Lot shall be determined on draw of lots basis.

For further details for the method and procedure for Bidding, please see the chapter “*Issue Procedure*” beginning on page 497.

Notwithstanding the foregoing, the Issue is also subject to obtaining (i) the final acknowledgement of the RoC after the Prospectus is filed with the RoC; and (ii) final listing and trading approvals of the Stock Exchanges, which our Company shall apply for, after Allotment.

Underwriting Agreement

After the determination of the Issue Price and allocation of the Equity Shares, but prior to the filing of the Prospectus with the RoC, our Company and the Selling Shareholders will enter into an Underwriting Agreement with the Underwriters for the Equity Shares proposed to be offered through the Issue. It is proposed that pursuant to the terms of the Underwriting Agreement, the GCBRLMs and the BRLMs shall be responsible for bringing in the amount devolved in the event that it or their Syndicate Members do not fulfill their underwriting obligations. Pursuant to the terms of the Underwriting Agreement, the obligations of the Underwriters will be several and are subject to certain conditions to closing, as specified there in. The Underwriting Agreement is dated [●], and has been approved by the Board of Directors/committee of our Company.

The Underwriters have indicated their intention to underwrite the following number of Equity Shares:

(This portion has been intentionally left blank and will be filled in before filing of the Prospectus with the RoC)

Name, Address, Telephone, Fax and Email of the Underwriters	Indicated Number of Equity Shares to be Underwritten	Amount Underwritten (₹ in million)

[●]	[●]	[●]

Name, Address, Telephone, Fax and Email of the Underwriters	Indicated Number of Equity Shares to be Underwritten	Amount Underwritten (₹ in million)
[●]	[●]	[●]

The above mentioned would be finalised after the pricing and actual allocation of the Equity Shares is determined.

In the opinion of the Board of Directors of our Company, the resources of the above mentioned Underwriters are sufficient to enable them to discharge their respective underwriting obligations in full. The above mentioned Underwriters are registered with SEBI under Section 12(1) of the SEBI Act or registered as brokers with the Stock Exchange(s).

Allocation among the Underwriters may not necessarily be in proportion to their underwriting commitments set forth in the table above. Notwithstanding the above table, the Underwriters shall be severally responsible for ensuring payment with respect to Equity Shares allocated to investors procured by them. In the event of any default in payment, the respective Underwriter, in addition to other obligations defined in the underwriting agreement, will also be required to procure/subscribe to Equity Shares to the extent of the defaulted amount.

The underwriting arrangements mentioned above shall not apply to the subscriptions by the ASBA Bidders in this Issue, except for ASBA Bids procured by the Syndicate Member(s). The Underwriting Agreement shall specify the role and obligations of each Syndicate Member.

**Except as disclosed under 'Capital Structure – Equity Share Capital History' none of the Equity Shares acquired by our Promoters were partly paid up at the time of allotment. All the above Equity Shares are fully paid-up as on the date of this Red Herring Prospectus. Details of Equity Shares to be locked-in will be included in the Prospectus to be filed with the RoC.*

Our Promoters have confirmed to our Company and the GCBRLMs and the BRLMs that acquisition of the Equity Shares held by our Promoters and which will be locked in as promoter's contribution have been financed from their personal funds and no loans or financial assistance from any bank or financial institution has been availed for such purpose.

The Promoter's contribution has been brought in to the extent of not less than the specified minimum amount and has been contributed by the person defined as a promoter under the ICDR Regulations.

Mr. Rahul Bhatia and Mr. Rakesh Gangwal, pursuant to their letters dated [●] and [●], respectively, and InterGlobe Enterprises and Acquire Services pursuant to their board resolutions dated [●] and [●], respectively, consented to include such number of Equity Shares held by them as may constitute collectively, 20% of the fully diluted post-Issue Equity Share capital of our Company as Promoters' contribution and have agreed not to sell, transfer, charge, pledge or otherwise encumber in any manner the Promoters' contribution from the date of the Draft Red Herring Prospectus until the commencement of the lock-in period specified above or for such other time as required under the ICDR Regulations.

(c) Details of share capital locked-in for one year:

In terms of Regulation 36(b) and Regulation 37 of ICDR Regulations, except for (a) the minimum Promoters' contribution and 26,112,000 Equity Shares offered in Offer for Sale in this Issue, the entire pre-Issue share capital and any unsubscribed portion of the Offer for Sale by the Selling Shareholders will be locked-in for a period of one year from the date of Allotment. However, this shall not apply to (i) Equity Shares Allotted to employees under InterGlobe Aviation Limited Tenured Employee Stock Option Scheme – 2015 and InterGlobe Aviation Limited Employee Stock Option Scheme – 2015 prior to this Issue as such category of shareholders are exempted from lock-in requirements pursuant to Regulation 37 of ICDR Regulations.

(d) Other requirements in respect of lock-in:

Pursuant to Regulation 39 of the ICDR Regulations, the locked-in Equity Shares held by our Promoters can be pledged with any scheduled commercial bank or public financial institution as collateral security for loans granted by such scheduled commercial bank or public financial institution, provided that (i) the pledge of shares is one of the terms of sanction of the loan and (ii) if the shares are locked-in as Promoter's contribution for three years under Regulation 36(a) of the ICDR Regulations, then in addition to the requirement in (i) above, such shares may be pledged only if the loan has been granted by the scheduled commercial bank or public financial institution for the purpose of financing one or more of the objects of the Offer.

Pursuant to Regulation 40 of the ICDR Regulations, Equity Shares held by our Promoters, which are locked-in in accordance with Regulation 36 of the ICDR Regulations, may be transferred to and among our Promoters and any member of the Promoter Group, or to a new promoter or persons in control. The Equity Shares held by persons other than our Promoters and locked-in for a period of one year from the date of Allotment in the Issue may be transferred to any other person holding the Equity Shares which are locked-in, subject to the continuation of the lock-in in the hands of transferees for the remaining period and compliance with the Takeover Regulations, as applicable.

Further, pursuant to Regulation 40 of the ICDR Regulations, Equity Shares held by shareholders other than our Promoters which are locked-in in accordance with Regulation 37 of the ICDR Regulations, may be transferred to any other person holding shares which are locked-in, subject to continuation of the lock-in in the hands of the transferee for the remaining period and compliance with the Takeover Regulations, as applicable.

(e) Lock-in of Equity Shares Allotted to Anchor Investors:

Any Equity Shares Allotted to Anchor Investors in the Anchor Investor Portion shall be locked-in for a period of 30 days from the date of Allotment.

The Employee Reservation Portion would not exceed 5% of the post-Issue capital of our Company.
21. There are no partly paid-up Equity Shares as on the date of this Red Herring Prospectus and the Equity Shares to be Allotted pursuant to this Issue shall be fully paid-up.

22. No person connected with the Issue including our Company, Directors, Promoters, members of the Promoter Group and Group Companies, shall offer any incentive, whether directly or indirectly in any manner, whether in cash or kind or services or otherwise to any Bidder for making a Bid.
23. Except for the vesting of the options granted under the ESOS 2015 – I and the options proposed to be granted under ESOS 2015 – II and their consequent conversion into Equity Shares, respectively, our Company presently does not intend or propose any further issue of Equity Shares, whether by way of issue of bonus shares, preferential allotment and rights issue or in any other manner during the period commencing from submission of this Red Herring Prospectus with the RoC until the Equity Shares have been listed on the Stock Exchanges.
24. Except for the vesting of the options granted under the ESOS 2015 – I and the options proposed to be granted under ESOS 2015 – II and their consequent conversion into Equity Shares, respectively, our Company presently does not have any intention or proposal and is not considering and has not entered into negotiations to alter its capital structure for a period of six months from the Bid/Issue Opening Date, by way of split or consolidation of the denomination of Equity Shares or further issue of equity (including issue of securities convertible into or exchangeable, directly or indirectly, for Equity Shares) whether on a preferential basis or bonus or rights issue or further public offering or qualified institutions placement or otherwise.
25. There shall be only one denomination of the Equity Shares, unless otherwise permitted by law.
26. Except for the Offer for Sale, our Promoters and members of the Promoter Group and Group Entities will not participate in the Issue.
27. The total number of shareholders holding Equity Shares as on the date of this Red Herring Prospectus are 18.
28. Except as stated below, none of the Equity Shares are subject to a pledge as on the date of this Red Herring Prospectus:
 - (i) Pursuant to an agreement dated February 20, 2014, Mr. Riyaz Haider Peer Mohamed, one of our Key Managerial Personnel, had availed a loan from one of our Promoters, Mr. Rahul Bhatia. The loan repayment obligations are secured by a pledge over 50% of the Equity Shares held by Mr. Riyaz Haider Peer Mohamed. As such, as on the date of the Red Herring Prospectus, 2,555,000 Equity Shares held by Mr. Riyaz Haider Peer Mohamed are pledged in favour of Mr. Rahul Bhatia. Mr. Rahul Bhatia has the right to invoke the pledge if Mr. Riyaz Haider Peer Mohamed: (i) fails to repay the loan amount to Mr. Rahul Bhatia on the repayment date, i.e. February 24, 2016; or (ii) ceases to be an employee of our Company prior to the repayment date.
 - (ii) Additionally, pursuant to the aforementioned agreement, Mr. Rahul Bhatia had a right of first offer on the remaining 50% of the Equity Shares held by Mr. Riyaz Haider Peer Mohamed, i.e., on 2,555,000 Equity Shares held by Mr. Riyaz Haider Peer Mohamed. The said right of first offer is triggered if, at any time prior to February 2024, Mr. Riyaz Haider Peer Mohamed: (i) terminates his employment with our Company; or (ii) proposes to transfer in any manner whatsoever his Equity Shares to a third party. Parties have agreed that, so long as Mr. Riyaz Haider Peer Mohamed remains in the employment of our Company, 10% of the Equity Shares held by Mr. Riyaz Haider Peer Mohamed that are subject to the right of first offer will be released from such restrictions at the end of every completed 12 month period commencing from February 2014. As such, as of the date of the Red Herring Prospectus, Mr. Rahul Bhatia has the right of first offer on 2,299,500 Equity Shares held by Mr. Riyaz Haider Peer Mohamed.
29. Our Company has not made any public issue of its Equity Shares or rights issue of any kind since its incorporation.
30. As on the date of this Red Herring Prospectus and except with respect to J. P. Morgan Trust Company of Delaware acting as a trustee of The Chinkerpoo Family Trust (Trustee: Ms. Shobha Gangwal & J. P. Morgan Trust Company of Delaware), neither the GCBRLMs and BRLMs nor their respective associates hold any Equity Shares.

31. Except as provided below, none of the Directors or KMPs have any shareholding in our Company as on the date of this Red Herring Prospectus:

Equity shareholding of Directors and KMPs:

S. No.	Name of the Shareholder	Director/KMP	No. of Shares	Nature of securities/ options

7.	Mr. Pankaj Madan	KMP	71,456	Employee stock options ⁽¹⁾
8.	Mr. Dhruv Rebbapragada	KMP	21,267	Employee stock options ⁽¹⁾

- ⁽¹⁾ Options granted pursuant to the ESOS 2015 – I. For details, please see chapter ‘Capital Structure’ beginning on page 92.

32. Our Company has not issued any Equity Shares out of revaluation reserves.
33. Any over-subscription to the extent of 10% of the Issue can be retained for the purpose of rounding off to the nearer multiple of the minimum Allotment lot while finalizing the Allotment, subject to minimum Allotment being equal to [●] Equity Shares, which is the minimum Bid size in this Issue. Consequently, the actual Allotment may go up by a maximum of 10% of the Issue as a result of which the post-Issue paid up capital after the Issue would also increase by the excess amount of Allotments so made. In such an event, the Equity Shares held by our Promoters and subject to lock-in shall be suitably increased so as to ensure that 20% of the post-Issue paid up capital is locked-in.
34. The Issue is being made for at least 10% of the post Issue paid-up capital pursuant to Rule 19(2)(b)(iii) of SCRR read with Regulation 41(1) of the ICDR Regulations. Our Company is eligible for the Issue in accordance with Regulation 26(1) of the ICDR Regulations. Further, the Issue is being made through the Book Building Process where in 50% of the Net Issue shall be available for allocation to QIBs on a proportionate basis. Further, not less than 15% of the Net Issue will be available for allocation on a proportionate basis to Non-Institutional Investors and not less than 35% of the Net Issue will be available for allocation to Retail Individual Investors, subject to valid Bids being received at or above the Issue Price. The Allotment of Equity Shares to each Retail Individual Investor shall not be less than minimum Bid Lot, subject to availability of Equity Shares in Retail Category, and the remaining available Equity Shares, if any, shall be Allotted on proportionate basis. Our Company may, in consultation with the GCBRLMs and BRLMs, allocate up to 60% of the QIB Category to Anchor Investors at the Anchor Investor Allocation Price, on a discretionary basis, out of which at least one-third will be reserved for allocation to domestic Mutual Funds only subject to Bids received at or above the Anchor Investor Allocation Price. In the event of under-subscription or non-allocation in the Anchor Investor Portion, the balance Equity Shares shall be added to the QIB Category. Such number of Equity Shares representing 5% of the QIB Category (excluding the Anchor Investor Portion) shall be available for allocation on a proportionate basis to Mutual Funds only, and the remainder shall be available for allocation on a proportionate basis to all QIB Bidders, including Mutual Funds, subject to valid Bids being received at or above the Issue Price.
35. Under-subscription, if any, in any category, except the QIB Category, would be met with spill-over from any other category or a combination of categories, at the discretion (including Employee Reservation Portion) of our Company, GCBRLMs and BRLMs and the Designated Stock Exchange in accordance with ICDR Regulations. Under-subscription in the Employee Reservation Portion will be added back to the Net Issue portion.
36. Neither our Promoters, nor members of the Promoter Group, nor Directors or their relatives have financed the purchase of Equity Shares by any other person, other than in the normal course of business of the

financing entity during the period of six months immediately preceding the date of the Draft Red Herring Prospectus.

37. Our Company shall ensure that transactions in the Equity Shares by our Promoters and the Promoter Group between the date of registering the Red Herring Prospectus with the RoC and the Bid/Issue Closing Date, if any, shall be reported to the Stock Exchanges within 24 hours of such transaction.

SECTION IV: PARTICULARS OF THE ISSUE

OBJECTS OF THE ISSUE

The Issue comprises the Fresh Issue and Offer for Sale.

Offer for Sale

The proceeds from Offer for Sale (net of Issue related expenses incurred by the Selling Shareholders) will go to the Selling Shareholders and our Company will not receive any proceeds except reimbursement of Issue expenses incurred by the Company on behalf of the Selling Shareholders.

Objects of the Fresh Issue

Our Company proposes to utilize the funds which are being raised through the Fresh Issue for the following objects:

- (a) Retirement of certain outstanding lease liabilities and consequent acquisition of aircraft;
- (b) Purchase of ground support equipment for our airline operations; and
- (c) General corporate purposes,

(collectively referred to herein as the “Objects”).

In addition, we expect to receive the benefits of listing of the Equity Shares on the Stock Exchanges.

The existing activities, including the lease liabilities and activities for which the Net Proceeds shall be utilized in the future and identified for the Objects, are enabled by the objects clause of the Memorandum of Association.

Issue Proceeds and Net Proceeds

The details of the proceeds of the Issue are summarized in the table below:

Particulars	Amount (in ₹ million) ⁽¹⁾
Gross Proceeds of the Fresh Issue	12,722.00
(Less) Fresh Issue related expenses ⁽¹⁾	[●]
Net Proceeds ⁽¹⁾	[●]

⁽¹⁾ To be finalised upon determination of the Issue Price.

Utilization of the Net Proceeds

The proposed utilization of the Net Proceeds is set forth in the table below:

Particulars	Amount (in ₹ million)
Retirement of certain outstanding lease liabilities and consequent acquisition of	11,656.63
Purchase of ground support equipment for our airline operations	342.58

Purchase of ground support equipment for our airline operations	108.14	116.15	118.28	342.58
General corporate purposes	[•]	[•]	[•]	[•]

In view of the competitive environment in the industry in which we operate, we may have to revise our business plan from time to time and consequently our capital requirements may also change. Our historical capital expenditure may not be reflective of our future capital expenditure plans. We may have to revise our estimated costs, fund allocation and fund requirements owing to factors such as economic and business conditions, increased competition and other external factors which may not be within our control. This may entail rescheduling or revising the planned expenditure and funding requirements, including the expenditure for a particular purpose at the discretion of our management. For further details, please see the section “*Risk Factors – The Company’s management will have broad discretion over the use of the Net Proceeds, and the Net Proceeds might not be applied in ways that increase the value of your investment*” beginning on page 40.

In case of any increase in the actual utilization of funds earmarked for the Objects or a shortfall in raising requisite capital from the Net Proceeds, such additional funds for a particular activity will be met by way of means available to us, including by way of incremental debt or internal accruals. If the actual utilization towards any of the Objects is lower than the proposed deployment, such balance will be used towards general corporate purposes in accordance with applicable laws.

Details of the Objects of the Issue

1. Retirement of certain outstanding lease liabilities and consequent acquisition of aircraft

We commenced operations in August 2006. Our Company had placed a firm order of 100 aircraft in 2005, all of which have been delivered. For details, please see chapter “*Our Business*” beginning on page 168. Our Company has entered into different structures for leasing arrangements for the aircraft. Our Company proposes to retire certain of our lease obligations and utilize ₹ 11,656.63 million towards this Object. Reduction in the lease obligations should improve our leverage capacity and thereby improve our ability to raise further resources in the future to fund our potential business development opportunities and plans to grow and expand our business in the coming years.

Our Company has entered into arrangements with Unicorn Funding Limited (ECA borrower and intermediate lender) for the financing of three aircraft, as identified under this Object. Further, our Company has taken five aircraft on lease from Indiaer Leasing 1 Limited, as identified under this Object. Details of the arrangement and utilization of Net Proceeds under this Object are provided below:

* The amounts were sanctioned in USD and were converted at the exchange rate prevailing at the time of capitalization.

**The respective amounts have been calculated at an exchange rate of 1 USD = ₹63.65, as at June 30, 2015 (source: Based on exchange rates communicated by HDFC Bank Limited to our Company). Consequently, the aforementioned amounts outstanding may be higher than the sanctioned amounts.

***Amount outstanding under arrangements with Unicorn Funding Limited (ECA borrower and intermediate lender) is as of March 31, 2016, and for arrangements with Indiaer Leasing 1 Limited, is as of February 18, 2016. Furthermore, the respective amounts have been calculated at an exchange rate of 1 USD = ₹63.61, as at June 1, 2015 (source: www.rbi.org.in).

JP Morgan Chase Bank N.A. (Original ECA lender) and JP Morgan Europe Limited (Facility Agent and Security Trustee) are foreign affiliates of our BRLM, J.P. Morgan India Private Limited.

There are no pre-payment liabilities applicable to our Company under the various arrangements mentioned above.

Upon retirement of lease liabilities with Unicorn Funding Limited, the ownership of the aircraft shall stand transferred automatically from Unicorn Funding Limited to our Company. However, with respect to the arrangements entered into with Indiaer Leasing 1 Limited, our Company shall exercise the option to acquire the ownership of such aircraft, simultaneous with the retirement of the lease liabilities through separate legal agreements. Any costs or consideration to be paid by our Company, if any, pursuant to entering such separate legal agreements with Indiaer Leasing 1 Limited, will be funded through existing identifiable internal accruals of our Company.

Computation of costs

The estimated cost for this Object is ₹11,656.63 million. The actual amount spent for each aircraft may vary depending on the timing of the retirement and other commercial factors governing the arrangements with the particular lessor.

Means of finance

We intend to meet the entire funding requirement for this Object from the Net Proceeds. In the event any additional payments are required to be made for this Object, it shall be made from our existing, identifiable internal accruals.

Accordingly, we confirm that there is no requirement to make firm arrangements of finance under Regulation 4(2)(g) of the ICDR Regulations through verifiable means towards at least 75% of the stated means of finance, excluding the amounts to be raised through the Net Proceeds and our internal accruals.

2. Purchase of ground support equipment for our airline operations

Our Company proposes to deploy an aggregate amount of ₹342.58 million towards purchase of certain ground support equipment for our airline operations, such as ramp coaches, tractors, ground power units and push-backs. The purchase of such equipment will depend on factors including, but not limited to, number of aircraft inducted in our fleet, any new airports we operate on, specific requirements of airport operators or as may be required under law and depending on the need for replacement of existing equipment. The break-up of the equipment and the related costs which are to be funded from the Net Proceeds are provided below:

***Based on quotations dated September 15, 2015 from TLD MEAI FZE. Further, the respective amounts have been calculated at an exchange rate of 1 USD = ₹66.26 and 1 Euro = ₹74.79, as at September 1, 2015 (source: www.rbi.org.in). These quotations are not inclusive of VAT. Any expenses to be incurred towards payment of statutory duties, such as VAT, customs duty, among others, will be funded from the existing identifiable internal accruals of our Company.*

As on the date of this Draft Red Herring Prospectus, our Company has not deployed any amount towards this Object.

Means of finance

We intend to meet the entire funding requirement for this Object from the Net Proceeds. In the event any additional payments are required to be made for this Object, it shall be made from our existing identifiable internal accruals.

Accordingly, we confirm that there is no requirement to make firm arrangements of finance under Regulation 4(2)(g) of the ICDR Regulations through verifiable means towards at least 75% of the stated means of finance, excluding the amounts to be raised through the Net Proceeds and our internal accruals.

3. General corporate purposes

Our Company proposes to deploy the balance of the Net Proceeds aggregating ₹[●] million towards general corporate purposes, subject to such utilization not exceeding 25% of the Gross Proceeds, in compliance with the ICDR Regulations, including but not limited to, meeting funding requirements for expansion of our business operations, meeting exigencies which our Company may face in the ordinary course of business, meeting expenses incurred in the ordinary course of business and any other purpose as may be approved by the Board or a duly appointed committee from time to time, subject to compliance with the necessary provisions of the Companies Act, 2013. Our Company's management, in accordance with the policies of the Board, will have flexibility in utilizing any surplus amounts.

Bridge Financing Facilities

We have not raised any bridge loans from any bank or financial institution as of the date of this Draft Red Herring Prospectus, which are proposed to be repaid from the Net Proceeds.

Issue Expenses

The total expenses of the Issue are estimated to be approximately ₹ [•] million. Expenses in relation to the Issue will be borne by our Company and each of the Selling Shareholders in proportion to the Equity Shares contributed to the Issue respectively, provided that listing fees, auditor's fees, expenses relating to the legal counsels to the Company and the BRLMs will be borne solely by the Company and expenses relating to the legal counsel to the Selling Shareholders will be borne by the respective Selling Shareholder.

The break-up for the Issue expenses is as follows:

* To be completed at the time of filing of the Prospectus and on determination of Issue Price and other details.

Interim use of Net Proceeds

Our Company, in accordance with the policies formulated by our Board from time to time, will have flexibility to deploy the Net Proceeds of the Issue. Pending utilization the Net Proceeds of the Issue will be temporarily deposited with scheduled commercial banks included in the second schedule of the Reserve Bank of India Act, 1934. In accordance with Section 27 of the Companies Act, 2013, our Company confirms that it shall not use the Net Proceeds for any investment in the equity markets. Our Company undertakes to make available at all times the Net Proceeds for the Objects.

Monitoring of Utilization of Funds

Our Company has appointed HDFC Bank Limited as the Monitoring Agency in relation to the Issue. Our Audit Committee and our Board of Directors will monitor the utilization of the Net Proceeds. Our Company will disclose the utilization of the Net Proceeds under a separate head in our balance sheet along with the relevant details for such Net Proceeds that have not been utilized. Our Company will indicate investments, if any, of unutilized Net Proceeds in the balance sheet of our Company for the relevant financial years subsequent to receipt of listing and trading approvals from the Stock Exchanges.

Pursuant to Clause 49 of the Listing Agreement, our Company shall on a quarterly basis disclose to the Audit Committee the uses and applications of the Net Proceeds. On an annual basis, our Company shall prepare a statement of funds utilized for purposes other than those stated in this Draft Red Herring Prospectus and place it before the Audit Committee. Such disclosure shall be made only until such time that all the Net Proceeds have been utilized in full. The statement will be certified by the statutory auditors of our Company.

In accordance with Clause 43A of the Listing Agreement, our Company shall furnish to the Stock Exchanges on a quarterly basis, a statement including material deviations, if any, in the utilization of Issue Proceeds to the Stock Exchanges. This information will also be published in newspapers simultaneously with the interim or annual financial results, after placing the same before the Audit Committee.

Variation in Objects

In accordance with Section 27 of the Companies Act, 2013 and applicable rules, our Company shall not vary the Objects of the Issue without our Company being authorized to do so by the Shareholders by way of a special resolution through postal ballot. In addition, the notice issued to the Shareholders in relation to the passing of such special resolution shall specify the prescribed details as required under the Companies Act, 2013 and applicable rules. The postal ballot notice shall simultaneously be published in one English national daily and one Hindi national daily, with Hindi being the regional language of Delhi where the Registered Office is located. In accordance with the Companies Act, 2013 and applicable rules, our Promoters or controlling shareholders will be required to provide an exit opportunity to such shareholders who do not agree to the proposal to vary the Objects, at such price, and in such manner, as may be prescribed by SEBI, in this regard. For further details, please see the section *“Risk Factors – The Company’s management will have broad discretion over the use of the Net Proceeds, and the Net Proceeds might not be applied in ways that increase the value of your investment”* beginning on page 40.

Appraising Entity

The Objects of this Issue have not been appraised by any bank, financial institution or other external agency.

Other Confirmations

No ‘second-hand’ equipment is proposed to be purchased out of the Net Proceeds. The prices for the equipment proposed to be purchased as set out above are as per the quotations received from the respective suppliers which are valid until a certain period of time. The prices of equipment from such suppliers may change after the expiry of the validity of such quotations. We will obtain fresh quotations at the time of actual placement of the order for the respective equipment. The actual cost would thus depend on the prices finally settled with the suppliers and to that extent may vary from the above estimate. The cost of acquisition of equipment could also change in the event suppliers of such equipment are changed for any reasons. The Promoters, Directors, Key Management Personnel, senior management personnel and the Group Entities do not have any existing or anticipated interest in the proposed acquisition of the equipment and items or in the entity from whom we have obtained quotations for the same.

No part of the proceeds of the Fresh Issue will be paid by our Company as consideration to the Promoters, the Directors, the Key Management Personnel, members of our Promoter Group or Group Entities.

BASIS FOR ISSUE PRICE

The Issue Price of ₹ [●] will be decided by our Company and the Selling Shareholders in consultation with the GCBRLMs and the BRLMs on the basis of assessment of market demand for the offered Equity Shares through the Book Building Process and on the basis of the following qualitative and quantitative factors. The face value of the Equity Shares is ₹ 10 per share and the Issue Price is [●] times of the face value at the lower end of the Price Band and [●] times of the face value at the higher end of the Price Band.

Investors should also refer to the sections “*Risk Factors*” and “*Financial Information*” and the chapter “*Our Business*” beginning on pages 20, 265 and 168, respectively, to get a more informed view before making the investment decision.

QUALITATIVE FACTORS

Some of the qualitative factors which form the basis of the Issue Price are:

1. Disciplined execution of low cost business model;
2. Creating and sustaining unique structural advantages distinguished from other low-cost carriers;
3. One of the lowest cost carriers globally with a track record of consistent profitability, strong cash flow generation and balance sheet and liquidity position;
4. Largest airline in India by domestic passenger volume with significant depth and breadth of network in key markets;
5. Ability to leverage the strength of our Promoters and management with experience through industry cycles;
6. Ability to attract and retain talented employees and management; and
7. Strong brand recognition and award winning service.

For a detailed discussion of the above qualitative factors, which form the basis for computing the Issue Price, please see the section “*Risk Factors*” and the chapter “*Our Business*” beginning on pages 20 and 168, respectively.

QUANTITATIVE FACTORS

Information presented in this section is derived from our Company’s restated financial statements for fiscal years 2015, 2014 and 2013 and the three month period ended June 30, 2015, prepared in accordance with the Indian GAAP, the Companies Act and the ICDR Regulations. For more details on the financial information, please see the section “*Financial Information*” beginning on page 265.

Some of the quantitative factors which may form the basis for computing the Issue Price are as follows:

1. Basic and Diluted Earnings Per Share (“EPS”)

As per restated financial statements:

Period	Basic Earnings Per Share (₹)	Diluted Earnings Per Share (₹)	Weights
Fiscal 2015	42.20	37.69	3
Fiscal 2014	15.45	13.80	2
Fiscal 2013	25.52	22.79	1
Weighted Average	30.50	27.24	

For the three month period ended June 30, 2015 the Basic EPS was ₹ 20.64 and the Diluted EPS was ₹ 18.63 (not annualized).

Note:

EPS can be defined as below:

Basic EPS: Net Profit available to Equity Shareholders divided by weighted average number of Equity Shares outstanding during the year.

Diluted EPS: Net Profit available to Equity Shareholders divided by weighted average number of Equity Shares outstanding during the year plus Potentially Dilutive Shares.

Net Profit available to Equity Shareholders: Net Profit available to Equity Shareholders has been defined as Restated Profit after tax.

The EPS has been calculated in accordance with Accounting Standard 20 – “Earnings Per Share” issued by the Institute of Chartered Accountants of India.

2. Price Earning Ratio (“P/E”) in relation to the Price Band of ₹ [●] to ₹ [●] per Equity Share

1. P/E based on Basic EPS for the year ended March 31, 2015:

As per restated financial statements:

Several of these benefits are dependent on the Company or its shareholders fulfilling the conditions prescribed under the relevant provisions of the Act. Hence, the ability of the Company or its shareholders to derive the possible tax benefits is dependent upon fulfilling such conditions, which is based on business imperatives the Company may face in the future and accordingly, the Company may or may not choose to fulfill.

The benefits discussed in the enclosed Annexure cover the possible tax benefits available to the Company and shareholders. Further, the preparation of the Statement and its contents is the responsibility of the Management. We were informed that, this statement is only intended to provide general information to the investors and is neither designed nor intended to be a substitute for professional tax advice. In view of the individual nature of the tax consequences and the changing tax laws, each investor is advised to consult his or her own tax consultant with respect to the specific tax implications arising out of their participation in the offer of sale.

We do not express any opinion or provide any assurance as to whether:

- The Company or its shareholders will continue to obtain these benefits in future; or
- The conditions prescribed for availing the benefits have been/ would be met with.

The contents of the enclosed statement are based on information, explanations and representations obtained from the Company and on the basis of our understanding of the business activities and operations of the Company.

Our views expressed herein are based on the facts and assumptions indicated to us. No assurance is given that the revenue authorities/ courts will concur with the views expressed herein. Our views are based on the existing provisions of law and its interpretation, which are subject to change from time to time. We do not assume responsibility to update the views consequent to such changes. We shall not be liable to the Company for any claims, liabilities or expenses relating to this assignment except to the extent of fees relating to this assignment, as finally judicially determined to have resulted primarily from bad faith or intentional misconduct. We will not be liable to any other person in respect of this statement.

The enclosed annexure is intended for your information and for inclusion in the Red Herring Prospectus ('RHP') and the Prospectus ('Prospectus') in connection with the proposed issue of equity shares and is not to be used, referred to or distributed for any other purpose without our prior written consent.

Yours faithfully,

ANNEXURE TO THE STATEMENT OF POSSIBLE TAX BENEFITS AVAILABLE TO THE COMPANY AND ITS SHAREHOLDERS UNDER THE APPLICABLE TAX LAWS IN INDIA

Outlined below are the possible tax benefits available to the Company and its shareholders under the direct tax laws in force in India (*i.e.* applicable for the Financial Year 2015-16 relevant to the assessment year 2016-17). These benefits are dependent on the Company or its shareholders fulfilling the conditions prescribed under the relevant tax laws. Hence, the ability of the Company or its shareholders to derive the possible tax benefits is dependent upon fulfilling such conditions, which based on business imperatives it faces in the future, it may or may not choose to fulfill.

UNDER THE INCOME TAX ACT, 1961 (“THE ACT”)

A. BENEFITS TO THE COMPANY UNDER THE ACT:

The Company will be entitled to deduction under the sections mentioned hereunder from its total income chargeable to Income Tax.

1. Special tax benefits available to the Company

There are no special tax benefits available to the Company.

2. General Tax Benefits available to the Company

a) Business income

- The Company is entitled to claim depreciation on specified tangible and intangible assets owned by it and used for the purpose of its business as per the provisions of Section 32 of the Act. Unabsorbed business losses, if any, for an assessment year can be carried forward and set off against business profits for eight subsequent years. Unabsorbed depreciation if any, for an assessment year can be carried forward and set off against any sources of income in the same assessment year or any subsequent assessment years as per the provisions of Section 32(2) read with section 72 of the Act.
- As per the provisions of Section 35D of the Act, any specified preliminary expenditure incurred, after 31 March 1998 by an Indian company before the commencement of its business or after commencement of its business, in connection with the extension of an undertaking or setting up a new unit, shall be allowed a deduction of an amount equivalent to one-fifth of such expenditure for each of the five successive financial years beginning with the financial year in which the extension of the undertaking is completed or the new unit commences production or operation. However, any expenditure in excess of 5% of the cost of the project or the capital employed in the business of the Company, shall be ignored for the purpose of computing the deduction allowable under section 35D of the Act.
- As per the provisions of Section 35DD of the Act, any expenditure incurred by an Indian Company, on or after 1 April 1999, wholly and exclusively for the purpose of amalgamation or demerger of an undertaking, shall be allowed a deduction of an amount equal to one-fifth of such expenditure for each of five successive financial years beginning with the financial year in which the amalgamation or demerger takes place.
- As per the provisions of Section 35DDA of the Act, if a Company incurs any expenditure in any financial year by way of payment of any sum to an employee in connection with his voluntary retirement, in accordance with any scheme or schemes of voluntary retirement, the Company would be eligible to claim a deduction for one-fifth of the amount so paid in computing the profits and gains of the business for that financial year, and the balance shall be deducted in equal installments for each of the four immediately succeeding financial years.

- As per the provisions of Section 35CCD of the Act, if a Company incurs any expenditure (not being in the nature of cost of any land or building) on any skill development project notified by the Central Board of Direct Taxes in this behalf in accordance with the guidelines as may be prescribed, then, the Company shall be allowed a deduction of sum equal to one and one-half times of such expenditure.
- As per the newly inserted explanation to Section 37 of the Act, any expenditure incurred by the Company on the activities relating to corporate social responsibility ('CSR') referred to in section 135 of the Companies Act, 2013 shall not be deemed to be an expenditure incurred by the Company for the purpose of the business or profession. However, CSR expenditure which is of the nature described in provisions of section 30 to section 36 of the Act shall be allowed as deduction under respective sections, subject to fulfillment of conditions, if any, specified therein.
- As per the provisions of Section 72(1) of the Act, if the net result of the computation of income from business is a loss to the Company, not being a loss sustained in a speculation business, such loss can be set off against any other income and the balance loss, if any, can be carried forward for eight consecutive assessment years immediately succeeding the assessment year for which the loss was first computed and shall be set off against business income.
- As per the provisions of Section 72A of the Act, pursuant to business re-organizations, such as amalgamation, demerger, etc., the successor company shall be allowed to carry forward any accumulated tax losses/ unabsorbed depreciation of the predecessor company subject to fulfillment of prescribed conditions.

b) MAT credit

- As per provisions of Section 115JAA of the Act, the Company is eligible to claim credit for Minimum Alternate Tax ("MAT") paid for any assessment year commencing on or after 1 April 2006. The amount of credit available shall be the difference between MAT paid under section 115JB of the Act and taxes payable on total income computed under other provisions of the Act. MAT credit shall be allowed for set-off for subsequent assessment years to the extent of difference between the tax payable as per the normal provisions of the Act and the taxes payable under Section 115JB of the Act for that assessment year.
- MAT credit is eligible for carry forward and set-off for up to 10 years succeeding the assessment year in which the MAT credit arises.

c) Capital gains

(i) Computation of capital gains

- Capital assets are to be categorized into short-term capital assets and long-term capital assets based on the period of holding. All capital assets, being security (other than a unit) listed in a recognized stock exchange in India or a unit of the Unit Trust of India or a unit of an equity oriented fund or a zero coupon bond, held by an assessee for more than twelve months, immediately preceding the date of transfer, are considered to be long-term capital assets, capital gains arising from the transfer of which are termed as long-term capital gains ('LTCG'). In respect of any other capital assets, the holding period should exceed thirty-six months, immediately preceding the date of transfer, to be considered as long-term capital assets.
- Short Term Capital Gains ('STCG') means capital gains arising from the transfer of a capital asset, being security (other than a unit) listed in a recognized stock exchange in India or unit of the Unit Trust of India or a unit of an equity oriented funds or a zero coupon bond, held for twelve months or less, immediately preceding the date of transfer.

- In respect of any other capital assets, STCG means capital gains arising from the transfer of an asset, held by an assessee for 36 months or less, immediately preceding the date of transfer.
- LTCG arising on transfer of a long term capital asset, being an equity share in a company [i.e. for the period of more than twelve months] or units of an equity oriented fund or a unit of a business trust shall be exempt from tax under section 10(38) of the Act provided that the transaction of sale of such equity share or unit is entered into on or after 1 October 2004 and such transaction is chargeable to Securities Transaction Tax ("STT"), subject to conditions specified under that Chapter.
- Income by way of LTCG exempt under Section 10(38) of the Act is to be taken into account while determining the book profits in accordance with the provisions of Section 115JB of the Act.
- As per the second proviso to section 10(38) of the Act, the provisions of the said clause shall not apply in respect of any income arising from transfer of units of a business trust which were acquired in consideration of a transfer referred to in Section 47(xvii) of the Act. However, the said proviso has been omitted in the Finance Act, 2015 with effect from 1 April 2016.
- As per provisions of Section 48 of the Act, LTCG arising from the transfer of capital assets, other than bonds or debentures (excluding capital indexed bonds issued by the Government), is computed by deducting the indexed cost of acquisition and indexed cost of improvement from the full value of consideration. Further, expenditure incurred wholly and exclusively for the transfer is also deductible.
- As per the provisions of Section 112 of the Act, capital gains [not covered under section 10(38) of the Act] are subject to tax at the rate of 20% with indexation benefits. However, if such tax payable on transfer of listed securities (other than a unit) or zero coupon bonds exceeds 10% of the LTCG (without indexation benefits), the excess tax shall be ignored for the purpose of computing the tax payable by the Company.
- However, section 112 has been amended by Finance (No.2) Act of 2014 to allow concessional tax rate of 10% on capital gain only to listed securities (other than units) and zero coupon bond. Further, such long term capital gain would be reduced from the gross total income before computing deductions under chapter VIA and such deductions shall be allowed as if the gross total income so reduced were the gross total income of the assessee.
- As per the provisions of Section 111A of the Act, STCG arising from the transfer of a short term capital asset, being an equity share in a Company or unit of an equity oriented fund as specified under Section 10(38) of the Act or a unit of a business trust, is subject to tax at the rate of 15% provided that the transaction of sale of such equity share or unit is entered into on or after 1 October 2004 and such transaction is chargeable to STT, subject to conditions specified under that Chapter.
- STCG arising from the transfer of short term capital asset, being an equity share in a Company or a unit of an equity oriented fund as specified under Section 10(38) of the Act or a unit of a business trust, is subject to tax at the rate of 30% provided that the transaction is not chargeable to STT.
- As per the second proviso to Section 111A(1) of the Act, the provisions of this section shall not apply in respect of any income arising from the transfer of units of a business trust which were acquired by the Company in consideration of a transfer referred to in Section 47(xvii) of the Act.

However, the said proviso has been omitted in the Finance Act, 2015 with effect from 1 April 2016.

- As per the Finance Act, 2015, the tax rates mentioned above stands increased by surcharge, payable at the rate of 7% where the taxable income of a domestic company exceeds Rs. 10,000,000 but does not exceed Rs. 100,000,000. Such surcharge rate would stand increased to 12% where the taxable income of the domestic company exceeds Rs. 100,000,000. Further, education cess and secondary and higher education cess on the tax on total income and surcharge at the rate of 2% and 1% respectively is payable by all categories of taxpayers.
- As per the provisions of Section 50 of the Act, where a capital asset is forming part of a block of assets in respect of which depreciation has been allowed under the Act, capital gains shall be computed in the following manner:
 - where full value of consideration on account of transfer of any asset forming part of block of assets, as reduced by expenditure incurred wholly or exclusively in connection with transfer, exceeds the written down value of block of assets and actual cost of assets acquired during the year, such excess shall be deemed to be short term capital gains and taxed accordingly.
 - where any block of assets ceases to exist, for the reason that all the assets in that block are transferred, the difference between the consideration arising on result of transfer and the written down value of block of assets and the actual cost of assets acquired during the year, shall be deemed to be short term capital gains/ (losses) and taxed accordingly.
- As per provisions of Section 71 read with Section 74 of the Act, short term capital loss arising during a year is allowed to be set-off against short term as well as long term capital gains. Balance loss, if any, shall be carried forward and set-off against any capital gains arising during subsequent eight assessment years.
- As per provisions of Section 71 read with Section 74 of the Act, long term capital loss arising during a year is allowed to be set-off only against long term capital gains. Balance loss, if any, shall be carried forward and set-off against long term capital gains arising during subsequent eight assessment years.

(ii) Exemption of capital gain from income-tax

- Under Section 54EC of the Act, capital gains arising from transfer of long term capital assets [other than those exempt under section 10(38) of the Act] shall be exempt from tax, subject to the conditions and to the extent specified therein, if the capital gains are invested within a period of six months after the date of transfer, in bonds redeemable after three years and issued on or after 1 April 2007, by:
 - National Highway Authority of India ('NHAI') constituted under Section 3 of National Highway Authority of India Act, 1988; and
 - Rural Electrification Corporation Limited ('REC'), a company formed and registered under the Companies Act, 1956.
- Where a part of the capital gain is reinvested, the exemption shall be available on a proportionate basis. The maximum investment in the specified long term asset cannot exceed Rs. 5,000,000 per assessee during any financial year.
- Where the new bonds are transferred or converted into money within three years from the date of their acquisition, the amount so exempt is taxable as capital gains in the year of transfer/ conversion.

- The characterization of the gain/ losses, arising from sale/ transfer of shares/ units as business income or capital gains would depend on the nature of holding and various other factors.

d) Securities transaction tax ('STT')

- As per the provisions of Section 36(1)(xv) of the Act, STT paid in respect of the taxable securities transactions entered into in the course of the business is allowed as a deduction if the income arising from such taxable securities transactions is included in the income computed under the head 'Profit and gains of business or profession'. Where such deduction is claimed, no further deduction in respect of the said amount is allowed while determining the income chargeable to tax as capital gains.

e) Dividends

- As per the provisions of Section 10(34) read with Section 115-O of the Act, dividend (both interim and final), if any, received by the Company on its investments in shares of another Domestic Company is exempt from tax. However, as per Section 94(7) of the Act, losses arising from purchase and sale of securities or units, where such securities or units are bought or acquired within a period of three months prior to the record date and such securities or unit are sold or transferred within three or nine months respectively from the record date, will be disallowed to the extent of the amount of dividend claimed as exempt.
- Further, any amount declared, distributed or paid by the Company by way of dividends on or after 1 April 2003, whether out of current or accumulated profits, shall be charged to additional income tax at the rate of 15% (plus applicable surcharge and education cess). Credit in respect of dividend distribution tax paid by a subsidiary of the Company could be available while determining the dividend distribution tax payable by the Company as per provisions of Section 115-O(1A) of the Act, subject to fulfillment of prescribed conditions.
A company shall be a subsidiary of another company, if such other company, holds more than half in nominal value of the equity share capital of the company.
- In view of the amendment brought in by Finance (No.2) Act, 2014, for the purpose of determining the tax on distributed profits payable in accordance with Section 115-O of the Act, the amount of dividends needs to be grossed up by the rate of tax prescribed in section 115-O(1) of the Act. Resultantly, the effective rate of tax will be 20.358% of the amount of dividends declared, distributed or paid by the Company.
- Any income received from distribution made by any mutual fund specified under section 10(23D) of the Act or from the administrator of the specified undertaking or from the units of specified company referred to in Section 10(35) of the Act, is exempt from tax in the hands of the Company under section 10(35) of the Act. However, as per section 94(7) of the Act, losses arising from the sale/ redemption of units purchased within three months prior to the record date (for entitlement to receive income) and sold within nine months from the record date, will be disallowed to the extent of the amount of income claimed exempt.
- As per the provisions of Section 115BBD of the Act, dividend received by an Indian company from a specified foreign company (in which it has shareholding of 26% or more) would be taxable at the concessional rate of 15% on gross basis (excluding surcharge and education cess). It is amended by the Finance (No.2) Act, 2014 that the benefits of this provision will not have any sunset clause i.e. will not be restricted to any particular assessment year as against the earlier provisions which extend the benefits only till 31 March 2014.

f) Other Provisions

- As per the provisions of Section 80G of the Act, the Company is entitled to claim deduction either for whole of the sum paid as donation to specified funds or institutions or fifty percent of the sum paid, subject to limits and conditions as provided in Section 80G(5) of the Act.

Additionally, as per the Finance Act, 2015, a Company is entitled to claim 100% deduction on contribution made towards:

- Swachh Baharat Kosh or Clean Ganga Fund (wherein the company making donation to Clean Ganga Fund is a resident) which are set up by the Central Government and such sum is other than the sum spent in pursuance of CSR under Section 135(5) of the Companies Act, 2013; and
- National Fund for Control of Drug Abuse constituted under Section 7A of the Narcotic Drugs and Psychotropic Substances Act, 1985.

B. Benefits to the shareholders of the Company under the Act

a) Dividends exempt under section 10(34) of the Act

- As per the provisions of Section 10(34) of the Act, dividend (both interim and final), if any, received by the members/ shareholders from the Company is exempt from tax. The Company will be liable to pay dividend distribution tax at the rate of 15% (plus applicable surcharge and education cess) on the amount distributed as dividend. However, as per Section 94(7) of the Act, losses arising from purchase and sale of securities or units, where such securities or units are bought or acquired within a period of three months prior to the record date and such securities or units are sold or transferred within three or nine months respectively from the record date, will be disallowed to the extent of the amount of dividend claimed as exempt.
- In view of the amendment brought in by Finance (No.2) Act, 2014, for the purpose of determining the tax on distributed profits payable in accordance with Section 115-O of the Act, the amount of dividend needs to be grossed up by the rate of tax prescribed in section 115-O(1) of the Act. Resultantly, the effective rate of tax will be 20.358% of the amount of dividends declared, distributed or paid by the Company.

b) Capital gains

(i) Computation of capital gains

- Capital assets are to be categorized into short-term capital assets and long-term capital assets based on the period of holding. All capital assets, being a security (other than a unit) listed in a recognized stock exchange in India or a unit of the Unit Trust of India or a unit of equity oriented fund or a zero coupon bond, held by an assessee for more than twelve months, immediately preceding the date of transfer, are considered to be long-term capital assets, capital gains arising from the transfer of which are termed as LTCG. In respect of any other capital assets, the holding period should exceed thirty-six months, immediately preceding the date of transfer, to be considered as long-term capital assets.
- STCG means capital gains arising from the transfer of capital assets being a security (other than a unit) listed in a recognized stock exchange in India or a unit of the Unit Trust of India or a unit of equity oriented fund or a zero coupon bond, held for twelve months or less, immediately preceding the date of transfer.

- In respect of any other capital assets, STCG means capital gains arising from the transfer of an asset, held by an assessee for 36 months or less, immediately preceding the date of transfer.
- LTCG arising on transfer of a long term capital asset, being an equity share in a company [i.e. for the period of more than twelve months] or units of an equity oriented fund or a unit of a business trust shall be exempt from tax under section 10(38) of the Act provided that the transaction of sale of such equity share or unit is entered into on or after 1 October 2004 and such transaction is chargeable to STT, subject to conditions specified under that Chapter.
- As per provisions of Section 48 of the Act, LTCG arising from the transfer of capital assets, other than bonds or debentures (excluding capital indexed bonds issued by the Government), is computed by deducting the indexed cost of acquisition and indexed cost of improvement from the full value of consideration. Further, expenditure incurred wholly and exclusively for the transfer is also deductible.
- In respect of a non-resident shareholder, as per the first proviso to section 48 of the Act, the capital gains arising from the transfer of a capital asset being shares or debentures in an Indian company, shall be computed by converting the cost of acquisition, expenditure incurred wholly and exclusively in connection with such transfer and the full value of consideration into the same foreign currency as was initially utilized in the purchase of the shares and the capital gains so computed shall be reconverted into Indian currency.
- Further, the benefit of indexation as provided in second proviso to Section 48 is not available to non-resident shareholders.
- As per the provisions of Section 112 of the Act, LTCG not exempt under section 10(38) of the Act are subject to tax at the rate of 20% with indexation benefits. However, if such tax payable on transfer of listed securities or units or zero coupon bonds exceeds 10% of the LTCG (without indexation benefits), the excess tax shall be ignored for the purpose of computing the tax payable by the assessee.

Further, in respect of a non-resident shareholder, the amount of capital gains arising from transfer of unlisted securities shall be taxable at the rate of 10% without giving effect to first and second proviso to section 48 of the Act.

- As per the provisions of Section 111A of the Act, STCG arising from the transfer of a short term capital asset, being an equity share in a Company or unit of an equity oriented fund as specified under Section 10(38) of the Act or a unit of a business trust, is subject to tax at the rate of 15% provided that the transaction of sale of such equity share or unit is entered into on or after 1 October 2004 and such transaction is chargeable to STT, subject to conditions specified under that Chapter. No deduction under Chapter VIA is allowed from such income.
- STCG arising from the transfer of short term capital asset, being an equity share in a Company or a unit of an equity oriented fund as specified under Section 10(38) of the Act or a unit of a business trust, is subject to tax at the rate as applicable (plus applicable surcharge and cess) provided that the transaction is not chargeable to STT.
- As per provisions of Section 71 read with Section 74 of the Act, short term capital loss arising during a year is allowed to be set-off against short term as well as long term capital gains. Balance loss, if any, shall be carried forward and set-off against any capital gains arising during subsequent eight assessment years.
- As per provisions of Section 71 read with Section 74 of the Act, long term capital loss arising during a year is allowed to be set-off only against long term capital gains. Balance loss, if any,

shall be carried forward and set-off against long term capital gains arising during subsequent eight assessment years.

(ii) Exemption of capital gain from income-tax

- When the company is liable to pay tax on book profits under section 115JB of the Act, the income exempt in terms of section 10(38) of the Act will form part of book profits while computing the book profit under section 115JB of the Act.
- Section 54EC of the Act, capital gains arising from transfer of long term capital assets are exempt from capital gains tax if such capital gain are invested within a period of six months after the date of transfer, in specified bonds issued by NHAI and REC, subject to conditions specified therein.
- Where a part of the capital gain is reinvested, the exemption shall be available on a proportionate basis. The maximum investment in the specified long term asset cannot exceed Rs. 5,000,000 per assessee during any financial year.
- Where the new bonds are transferred or converted into money within three years from the date of their acquisition, the amount so exempt shall be taxable as capital gains in the year of transfer/conversion.
- The characterization of the gain/ losses, arising from sale/ transfer of shares as business income or capital gains would depend on the nature of holding and various other factors.
- In addition to the same, some benefits are also available to a resident shareholder being an individual or Hindu Undivided Family ('HUF').
- As per the provisions of Section 54F of the Act, LTCG arising from transfer of shares is exempt from tax if the net consideration from such transfer is utilized within a period of one year before or two years after the date of transfer, for purchase of a new residential house, or for construction of a residential house property, in India, within three years from the date of transfer, subject to conditions and to the extent specified therein.
- As per provisions of Section 56(2)(vii)/ 56(2)(viia) of the Act and subject to exception provided therein, where an individual or HUF, a firm or company (not being company in which public are substantially interested) receives shares and securities without consideration or for a consideration which is less than the aggregate fair market value of the shares and securities by an amount exceeding fifty thousand rupees, the excess of fair market value of such shares and securities over the said consideration is chargeable to tax under the head 'income from other sources'. However, the said section is not applicable for exceptions provided in respective proviso therein.
- As per the provisions of Section 115QA of the Act, the Company will be liable to tax on the distributed income at the rate of 20% (plus applicable surcharge and education cess). The term distributed income has been defined to mean, the difference between the consideration paid by the Company on buy back of shares as reduced by the amount which was received by the Company for issue of such shares.

c) Tax treaty benefits

- As per provisions of Section 90(2) of the Act, non-resident shareholders can opt to be taxed in India as per the provisions of the Act or the double taxation avoidance agreement entered into by the Government of India with the country of residence of the non-resident shareholder, whichever is more beneficial.

d) Non-resident Indian taxation

- Special provisions in case of Non-Resident Indian ('NRI') in respect of income/ LTCG from specified foreign exchange assets under Chapter XII-A of the Act are as follows:
 - NRI means an individual being a citizen of India or a person of Indian origin who is not a resident. A person is deemed to be of Indian origin if he, or either of his parents or any of his grandparents, were born in undivided India.
 - Under the provisions of section 115E of the Act, any capital gains arising to a NRI on transfer of shares held in an Indian Company for a period exceeding 12 months shall [in cases not covered under section 10(38) of the Act] be taxed at a concessional flat rate of 10% (plus applicable surcharge, educational cess and secondary & higher education cess on Income-tax) without indexation benefit but with protection against foreign exchange fluctuation under the first proviso to section 48 of the Act, subject to satisfaction of certain conditions. Further, income from investment [other than dividend exempt under section 10(34) of the Act] and income from long term capital gains [other than gain exempt under section 10(38) of the Act] from assets (other than specified foreign assets) is taxable at the rate of 20% (plus applicable surcharge, educational cess and secondary & higher education cess on Income-tax). No deduction is allowed from such income in respect of any expenditure or allowance or deduction under Chapter VIA of the Act.
 - As per the provisions of Section 115F of the Act, LTCG [not covered under Section 10(38) of the Act] arising to a NRI on transfer of a foreign exchange asset is exempt from tax if the net consideration from such transfer is reinvested in specified assets or in savings certificate referred to in Section 10(4B) of the Act within six months of the date of transfer, subject to the extent and conditions specified in that section.
 - If only part of the net consideration is so reinvested, the exemption shall be proportionately reduced. The amount so exempted shall be chargeable to tax subsequently; if the specified assets or saving certificates referred in Section 10(48) of the Act are transferred or converted into money within three years from the date of their acquisition.
 - Under the provisions of section 115G of the Act, it shall not be necessary for a NRI to furnish his return of income if his only source of income is investment income or long term capital gains or both and tax deductible at source under provisions of Chapter XVII-B has been deducted from such income.
 - Under the provisions of section 115H of the Act, where a person who is a NRI in any previous year, becomes assessable as a resident in India in respect of the total income of any subsequent year, he / she may furnish a declaration in writing to the assessing officer, along with his / her return of income under Section 139 of the Act for the assessment year in which he / she is first assessable as a resident, to the effect that the provisions of the Chapter XII-A shall continue to apply to him / her in relation to investment income derived from the specified assets for that year and subsequent years until such assets are transferred or converted into money.
 - Under the provisions of section 115-I of the Act, a NRI may elect not to be governed by the provisions of Chapter XII-A for any assessment year by furnishing his return of income under Section 139 of the Act declaring therein that the provisions of the Chapter shall not apply to him for that assessment year. In such a situation, the other provisions of the Act shall be applicable while determining the taxable income and the tax liability arising thereon.

C. Benefits available to Foreign Institutional Investors ("FIIs") under the Act

a) Dividends exempt under section 10(34) of the Act

- As per the provisions of Section 10(34) of the Act, dividend (both interim and final), if any, received by the shareholder from a domestic Company is exempt from tax. The Company will be liable to pay dividend distribution tax at the rate of 15% (plus applicable surcharge and education cess) on the amount distributed as dividend. However, as per Section 94(7) of the Act, losses arising from purchase and sale of securities or units, where such securities or units are bought or acquired within a period of three months prior to the record date and such securities or units are sold or transferred within three or nine months respectively from the record date, will be disallowed to the extent of the amount of dividend claimed as exempt.
- In view of the amendment brought in by Finance (No.2) Act, 2014, for the purpose of determining the tax on distributed profits payable in accordance with Section 115-O of the Act, the amount of dividends needs to be grossed up by the rate of tax prescribed in section 115-O(1) of the Act. Resultantly, the effective rate of tax will be 20.358% of the amount of dividends declared, distributed or paid by the Company.

b) LTCG exempt under section 10(38) of the Act

- LTCG arising to shareholder on transfer of long term capital asset being equity shares of the company [i.e. capital asset held for the period of more than twelve (12) months] or units of an equity oriented fund or a unit of a business trust will be exempt from tax under section 10(38) of the Act provided that the transaction is entered in on or after 1 October 2004 and STT has been paid on such transfer.
- It is pertinent to note that as per provisions of Section 14A of the Act, expenditure incurred to earn exempt income is not allowed as deduction while determining taxable income.

c) Capital gains

- As per the provisions of Section 111A of the Act, STCG arising on sale of short term capital asset, being equity shares in a company or units of equity oriented mutual fund or a unit of a business trust, shall be chargeable to tax at the rate of 15% provided the transaction is chargeable to STT. Further, short term capital gain would be reduced from the gross total income before computing deductions under chapter VIA and such deductions shall be allowed as if the gross total income so reduced were the gross total income of the taxpayer.
- As per provisions of Section 115AD of the Act, income (other than income by way of dividends referred to Section 115O of the Act) received in respect of securities (other than units referred to in Section 115AB of the Act) is taxable at the rate of 20% (plus applicable surcharge and education cess and secondary & higher education cess). However, any income by way of interest referred to in section 194LD of the Act shall be taxed at the rate of 5%.
- In case there is any income by way of short-term capital gain (except that referred to in section 111A of the Act), the whole of such amount should be included in the total income and taxed at the rate of 30%. Capital gain arising on transfer of long term capital assets, being shares in a company [not covered under Section 10(38) of the Act], are taxed at the rate of 10% (plus applicable surcharge, if any and education cess). Such capital gains would be computed without giving effect to the first and second proviso to Section 48 of the Act. No deduction under chapter VIA should be allowed in respect of the incomes referred above, while calculating Total Income from the Gross total income.
- The benefits of exemption under section 54EC of the Act mentioned above in case of the Company is also available to FIIs.

- As per provisions of Section 36(1)(xv) of the Act, STT paid in respect of the taxable securities transactions entered into in the course of the business is allowed as a deduction if the income arising from such taxable securities transactions is included in the income computed under the head 'Profit and gains of business or profession'. Where such deduction is claimed, no further deduction in respect of the said amount is allowed while determining the income chargeable to tax as capital gains.

d) Tax Treaty benefits

- As per provisions of Section 90(2) of the Act, the provisions of the Act would prevail over the provisions of DTAA between India and the country in which shareholder has fiscal domicile to the extent they are more beneficial to the non-resident.

e) Computation of book profit under Section 115JB

- The Finance Act, 2015 excludes capital gains and corresponding expenditure relatable to income from capital gains arising on transaction in securities (other than short term capital gains arising on transactions on which STT is not chargeable), accruing or arising to a foreign company which has invested in such securities provided that income tax is payable on such capital gains at a rate less than the rate stated in Section 115JB (1) of the Act.

D. Benefits available to Venture Capital Companies/ Funds under the Act:

In terms of section 10(23FB) of the Act, all venture capital companies/ fund registered with Securities and Exchange Board of India, subject to the conditions specified, are eligible for exemption from income tax on any income from investment in a venture capital undertaking. Further, the Finance Act, 2015 has inserted a proviso providing that nothing contained in this clause shall apply in respect of any income of a venture capital fund or venture capital company, being an “investment fund” of the previous year relevant to the assessment year beginning on or after 1st April 2016.

“Investment fund” has been defined under in clause (a) of Explanation 1 to Section 115UB of the Act to mean any fund established or incorporated in India in the form of a trust or a company or a limited liability partnership or a body corporate which has been granted a certificate of registration as a Category I or Category II Alternative Investment Fund and is regulated under the Securities and Exchange Board of India (Alternative Investment Fund) Regulations, 2012, made under the Securities and Exchange Board of India Act, 1992.

E. Benefits available to Investment Fund under the Act:

The Finance Act, 2015 has inserted Chapter XII-FB in the Act which provides for special taxation regime for Category I and Category II Alternative Investment Funds referred to as “investment fund” as per clause (a) of Explanation 1 to Section 115UB of the Act. Further, the said Act has also inserted Section 10(23FBA) in terms of which income of any investment fund other than income chargeable under the head “Profits and gains of business or profession” shall be exempt from income tax.

F. Benefits available to Mutual Funds under the Act:

In terms of Section 10(23D) of the Act, all Mutual funds set up by public sector banks or public sector financial institutions or Mutual Funds registered under the Securities and Exchange Board of India Act/ Regulations there under or Mutual Funds authorized by the Reserve Bank of India, subject to the conditions specified, are eligible for exemption from income taxes on all their income, including income from investment in the shares of the company.

The Finance Act, 2015 has inserted clause (xviii) to Section 47 of the Act according to which any transfer by a unit holder of a capital asset, being a unit or units, held by him in the consolidating scheme of a mutual fund, made in consideration of the allotment to him of a capital asset, being unit or units, in the consolidated scheme of the mutual fund shall not be considered as transfer for the purpose of Section 2(47) of the Act.

UNDER THE WEALTH TAX ACT, 1957

Wealth tax is applicable if the net wealth (as defined) of a company or an individual or HUF exceeds Rs. 30 Lakhs as on the valuation date (*i.e.* 31 March of the relevant financial year). Wealth tax shall be charged in respect of the net wealth of every company or an individual or HUF at the rate of 1% of the amount by which net wealth exceeds Rs. 30 lakhs.

Shares of the company held by the shareholders will not be treated as an asset within the meaning of Section 2(ea) of the Wealth Tax Act, 1957 and hence, Wealth Tax will not be applicable thereon.

However, the Finance Act, 2015 has abolished the levy of wealth tax under the Wealth Tax Act, 1957 with effect from 1 April 2016 and this will no longer be applicable.

UNDER THE GIFT TAX ACT, 1958

Gift made after 1 October 1998 is not liable for any gift tax, and hence, gift of shares of the company would not be liable for any gift tax.

Notes:

- i. All the above benefits are as per the Current Tax Laws and any change or amendment in the laws/regulation, which when implemented would impact the same.
- ii. The possible tax benefits are subject to conditions and eligibility criteria which need to be examined for tax implications.

In this section, a reference to “CY” means Calendar Year and a reference to “FY” means Fiscal Year. The Calendar Year ends on December 31 of each year, and the Fiscal Year for the Company and the other Indian carriers referred to in this section ends on March 31 of each year.

Overview of the Indian Air Travel Market

India is one of the world’s largest and fastest-growing air travel markets, according to the CAPA Report. Historically, the Indian air travel market was comprised of individuals in relatively high income brackets as well as corporate travellers. Additionally, many members of the Indian middle class did not have a viable option to meet their long distance travel requirements as surface transportation infrastructure was relatively poor and air travel was relatively expensive, according to the CAPA Report. Starting in 2003, the Indian government introduced several measures to further liberalize the air travel market, including a reduction in fuel excise taxes, elimination of the 15% Inland Travel Tax and the awarding of new airline licenses to private operators. Since 2003, a number of LCCs have entered the Indian air travel market and stimulated prices through their low-cost business models. By using price stimulation as a core business strategy, LCCs were able to cater to India’s middle class segment, according to the CAPA Report. In the decade that followed, Indian air travel entered a period of considerable growth. By CY2014, India’s air travel market had become the sixth largest in the world as measured by total domestic seats (97.3 million) and ninth largest in the world by total domestic and

international seats (155.9 million), according to the CAPA Report. Going forward, the domestic Indian aviation market is forecast to be the world's fastest growing aviation market with revenue passenger kilometers ("RPKs") growing at a CAGR of 9.5% between 2013 and 2033, according to the Airbus Report.

Indian Air Travel Market Growth and Growth Drivers

The Indian air travel market experienced rapid growth beginning in 2003 following liberalizing actions by the Indian Government, which is reflected in the growth of domestic passenger volume at a CAGR of 19.4% between FY2004 and FY2010, according to DGCA data. Following the global financial crisis, between FY2010 and FY2015, domestic passenger volume grew at a CAGR of 9.1%, according to DGCA data. Over the same period, domestic carrier capacity, as measured in available seat kilometers, or ASKs, grew at a CAGR of 6.8%, while domestic passenger traffic, as measured by RPKs, grew at a higher CAGR of 8.7%. This growth was attributable to increased tourism and business-related travel, as well as the stimulation of new traffic demand through low fares offered by LCCs, according to the CAPA Report.

Note: The above FY2015 ASK data includes CAPA's estimates of ASKs for Air Costa and AirAsia India since such data was not reported for the complete year by the DGCA. The above FY2015 RPK data does not include Air Costa data since such data was not reported for the complete year by the DGCA and does not include AirAsia India data for the seven-month period from June 2014 through December 2014 since such data was not reported by the DGCA.

Going forward, the Indian air travel market is expected to enter a period of accelerated growth. Between FY2015 and FY2020, domestic ASKs are forecast to grow at a CAGR of 12.7%, while domestic passenger volume is forecast to grow at a CAGR of 12.8%, according to the CAPA Report.

Source: CAPA

Source: CAPA

This period of accelerated growth is expected to be driven by numerous factors, according to the CAPA Report, including:

- strong economic growth;
- continued population growth;
- expansion of the middle class;
- strong growth in tourism;
- rail travel substitution;
- increasing aircraft penetration from currently low penetration levels;
- expansion in aviation infrastructure; and
- an increasingly favorable regulatory environment.

Strong Economic Growth

India is expected to be one of the fastest growing major economies in the world over the next four years, with Real GDP expected to grow at a CAGR of 7.1% between CY2014 and CY2019, according to the EIU. This rate of Real GDP growth exceeds that of China, APAC, and the world over the same period, which are forecast to grow at a CAGR of 6.4%, 4.5%, and 3.0%, respectively. The IMF expects India to surpass China's Real GDP growth rate in CY2015 and CY2016, with respective growth rates of 7.5% compared to 6.8% and 7.5% compared to 6.3%.

Note: APAC includes China. Forecasts are presented on a calendar year basis, except for India, which is presented on a fiscal year basis.

The following chart compares the relationship between Real GDP growth and domestic RPK growth in India from FY2004 to FY2015. RPK growth was, on average, 2.3x Real GDP growth during this period. In FY2009, RPK growth was negative, among other reasons, due to an increase in oil prices, which resulted in higher fares, according to the CAPA Report. In FY2013, domestic RPK growth was negative, among other reasons, due to the ceasing of Kingfisher's operations, which resulted in a temporary decline in passenger traffic, according to the CAPA Report.

Note: Table at the bottom of the chart indicates the RPK multiplier: Domestic RPK y-o-y growth % divided by Real GDP y-o-y growth %. Domestic RPK is the kilometers traveled by Indian carriers on scheduled domestic services.

Continued Population Growth

India is the second most populous country in the world with 1.26 billion people through CY2014, according to the IMF. The IMF projects that India's population will grow at a CAGR of 1.3% to reach 1.34 billion by the end of CY2019. The expected growth in India's population between CY2014 and CY2019 is higher than the average growth in population of the top 20 domestic air travel markets in the world. The increase in the Indian population is expected to be a continuing driver of growth in the Indian air travel market, according to the CAPA Report.

The table below compares, for the top 20 domestic air travel markets in the world as measured by annual domestic seats capacity as of CY2014, the total population as of CY2014 and forecast annual growth in population between CY2014 and CY2019.

Country	Population CY2014 (million)	Population CAGR (CY2014-CY2019)	Domestic Seats Ranking (CY2014)
China	1,367.8	0.5%	#2

CY2015 to CY2019 population data for all countries are estimates by the IMF. Domestic seats ranking is from CAPA.

Expansion of the Middle Class

Consistent with the trend of overall economic expansion in approximately the last decade, India's annual per capita income has grown at a CAGR of 12.6%, from ₹ 46,249 in FY2010 to ₹ 74,380 in FY2014, according to data from the Ministry of Statistics and Programme Implementation.

Source: Ministry of Statistics and Programme Implementation, India (as pulled from the Ministry of Statistics and Programme Implementation website as of April 2015)

India's growth in per capita income and overall population has caused the rapid expansion in the size of India's middle class, defined as households with a disposable income of more than USD 5,000 per year (more than approximately ₹ 0.3 mm per year), according to the CAPA Report. The number of Indian middle class households is expected to increase from 53.6 million in CY2014 and reach 107.9 million households by CY2019, according to the EIU, implying a CAGR of 15.0%. In addition, Mumbai and New Delhi are expected to have the 25th and 30th highest increase in household disposable income globally between CY2013 and CY2030, according to the Oxford Economics Global Cities 2030. The following table sets forth historical and forecast information with respect to the number of middle class households in selected Asian developing economies for the years CY2014 and CY2019, as reported by the EIU.

Strong Growth in Tourism

The tourism industry in India is fast-growing and an increasingly significant contributor to India's economy, according to the CAPA Report. The total contribution of travel and tourism to India's GDP was ₹7,642.5 billion in CY2014 (6.7% of GDP) and is forecast to rise by 7.3% per annum to ₹16,587.2 billion (7.6% of GDP) by CY2025, according to the World Travel and Tourism Council.

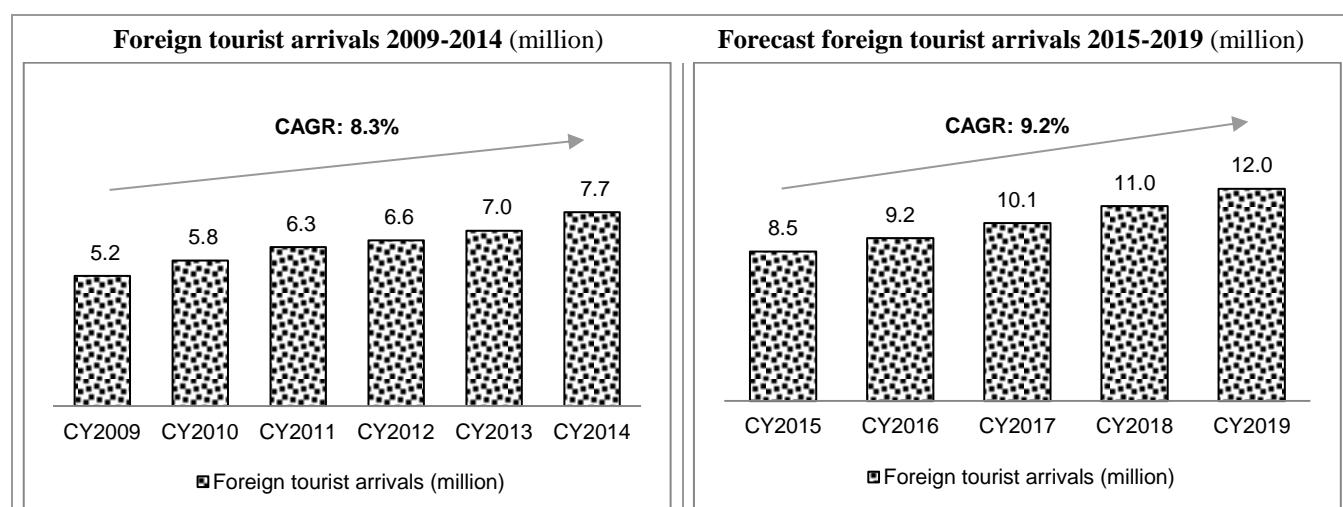

According to the Ministry of Tourism of India, the number of domestic tourist visits to India in CY2014 by all modes of transportation was 1,282.0 million and had grown at a CAGR of 13.9% from CY2009 to CY2014. During the same period, the number of Indian national departures increased at a CAGR of 10.6% to reach 18.3 million in CY2014.

Inbound international tourism has also shown robust growth and has the potential to grow significantly, according to the CAPA Report. According to the Ministry of Tourism of India, India witnessed 7.7 million foreign tourist arrivals in CY2014, which had grown at a CAGR of 8.3% during the period from CY2009 to CY2014. According to the EIU, the number of foreign tourist arrivals is expected to increase at a CAGR of 9.2% during the period from CY2015 to CY2019 to reach 12.0 million in CY2019. This is due to, among other factors, government initiatives to promote India as a tourist destination, such as successful implementation of the e-Tourist Visa program for passport holders of 113 countries, as well as the government's plan to make electronic visas available eventually to visitors from over 150 countries.

Rail Travel Substitution

India has a very large rail travel market in terms of passengers carried, and India's domestic air travel market of 70 million passengers carried in FY2015 represents a very small percentage of the total rail passengers carried, according to the CAPA Report. While the size of the rail travel market is not indicative of the potential addressable market for air travel, and while only a portion of rail travel can reasonably be expected to be substituted by air travel in the near future, the substitution of rail travel by air travel presents a significant growth opportunity, according to the CAPA Report.

Rising income levels are expected to cause the Indian middle class to increasingly prefer air travel to rail and road travel because of its convenience, shorter duration and competitive pricing, according to the CAPA Report. The chart below compares the duration of traveling one-way between New Delhi and Mumbai by rail with that of air travel by LCCs, on June 24, 2015.

Comparison of duration of rail service versus LCC air service (one-way trip from New Delhi to Mumbai) on June 24, 2015

Average LCC	02h 07m

Low Aircraft Penetration Rates

Despite its overall economic growth and the growth of its air travel market since the beginning of the market's liberalization in 2003, India still has one of the lowest air travel penetration rates in the world, as defined by annual domestic carrier seats per capita, according to the CAPA Report. India's penetration of 0.08 annual domestic seats per capita is low relative to other developing markets such as Brazil, Turkey, Indonesia and China, where penetration rates are between 0.35 and 0.65 annual seats per capita, according to the CAPA Report. Countries with higher GDP per capita have a higher number of domestic carrier seats per capita compared to countries with lower GDP per capita, according to the CAPA Report. Economic wealth of a nation and air travel are closely correlated: penetration of air travel demand is greater in developed countries than in developing countries, and air travel is expected to improve with the rise of a country's wealth as measured by GDP per capita, according to the CAPA Report. The chart below shows the number of annual domestic seats per capita in India relative to the other top 20 domestic air travel markets in the world, which includes both developed and developing countries. According to the CAPA Report, the substantial gap between aircraft penetration rates in India and larger aviation markets suggests significant opportunity for growth.

Expansion in Aviation Infrastructure

India continues to invest in aviation infrastructure to enable growth in air transport and India's aviation infrastructure is improving, according to the CAPA Report. Public-private partnerships, have yielded state-of-the-art greenfield airports in Hyderabad and Bengaluru, as well as new airport infrastructure investments in New Delhi and Mumbai, both of which have ranked among the top five airports (25 to 40 million passengers category) globally for airport service quality in 2014, according to Airports Council International. There are also two ongoing greenfield airport public-private partnership tenders for the construction of new airports in Mumbai and Goa, according to the City and Industrial Development Corporation of Maharashtra Limited and the Government of Goa, respectively.

As of January 2015, India had a combined total of over 130 airports, according to AAI, including at least 56 airports capable of landing one or more equipment types from the Airbus A320 family (including A319, A320 and A321 aircraft and all "ceo" and "neo" variants thereof) and Boeing B737 family, according to the CAPA Report.

Increasingly Favorable Regulatory Environment

Upon implementation, the Government of India's Draft Civil Aviation Policy is expected to result in a more favorable regulatory environment for the Indian aviation industry. Please see the chapter "Key Industry Regulations and Policies in India" beginning on page 197.

Benchmarking of IndiGo Against Major Indian Carriers and Global LCCs

The narratives and charts below present financial and operating performance statistics for major carriers in India and selected publicly-listed LCCs operating outside of India, according to the CAPA and SAP Reports.

Our financial information contained in this Red Herring Prospectus has been prepared in accordance with Indian GAAP. The financial information of each carrier presented below has been compiled by SAP, and the operational information of each carrier presented below has been compiled by CAPA. Many of the carriers listed in the chart below are located outside India and prepare their financial statements under accounting principles other than Indian GAAP, such as US GAAP, IFRS or other accounting policies applicable in their respective jurisdictions. Therefore, our financial information may not be directly comparable to that of other carriers that prepare their financial statements under different accounting principles. We have not attempted to provide a reconciliation of our Company's financial information to any other accounting principles or a reconciliation of the financial information of the other carriers presented in the chart below to Indian GAAP or any other accounting principles. We have also not attempted to quantify the impact of other accounting principles on our Company's financial information or the financial information of the other carriers presented in the chart below or to quantify the impact of any differences in financial years among the various carriers presented. Any comparisons of the financial information prepared under different accounting principles by persons not familiar with such accounting principles may not be meaningful or reliable. In addition, the operating and financial information below has been taken from the most recent financial year of the respective carriers, which for the Indian carriers was either the year ended March 31, 2014 or 2015, but for other international carriers may be the year ended December 31, 2013. The difference in time period may also distort the comparability of our operating and financial information with that of other carriers outside of India. Prospective investors are advised not to unduly rely on the operating and financial information presented below when making their investment decisions.

All the charts in this section represent fiscal year-end ("FYE"), data, unless otherwise indicated. FYE dates are December 31, 2013 for Air Arabia, AirAsia Malaysia, Cebu Pacific, Gol, JetBlue, Pegasus, Southwest, Spirit Airlines, Thai AirAsia and WestJet, September 30, 2013 for EasyJet, and March 31, 2014 for Ryanair, IndiGo, Jet Airways, SpiceJet and GoAir. Financial data for Air India is as of FYE March 31, 2013 and operational data for Air India is as of FYE March 31, 2014. Exchange rates used as of the FYE dates as mentioned above for the respective carriers, as published by Reuters, are: 1USD = 59.91INR, 1USD = 44.44PHP, 1USD = 32.68THB, 1USD = 3.28MYR, 1USD = 0.62GBP, 1USD = 3.67AED, 1USD = 2.15TRY, 1USD = 0.72EUR, 1USD = 1.06CAD and 1USD = 2.36BRL. The exchange rate used for Air India is as of FYE March 31, 2014 which is 1USD = 59.91INR.

Indian Air Travel Market Competitive Landscape

The Indian air travel market is serviced by domestic and international LCCs and full-service carriers ("FSCs"). Domestic carriers in India include LCCs such as IndiGo, SpiceJet, GoAir, Air India Express, and AirAsia India, as well as FSCs such as Jet Airways, Air India, Air Costa, Alliance Air and Vistara, according to the CAPA Report. These domestic carriers also compete with international and regional carriers, new entrants in the airline industry, Indian Railways, the state-owned railway company of India, and with different forms of road transportation, according to the CAPA Report.

The competitive landscape of the Indian air travel market has undergone meaningful change as carriers have entered and exited the market and current carriers have undergone considerable changes, such as in their composition, market share, load factors, and cities served, according to the CAPA Report. As of December 2011, Indian FSC Kingfisher had the second largest market share of the domestic air travel market by number of passengers, according to DGCA data. On October 20, 2012, Kingfisher ceased operations when the DGCA suspended its flight certificates; in February 2013, the DGCA revoked Kingfisher's license for both domestic and international operations. In December 2014, Jet Airways formally discontinued its LCC arm, JetLite, by rolling out full-service products on all flights across its domestic network. Recent entrants to the Indian market include Air Costa, AirAsia India, Air Pegasus, Vistara and TruJet. Air Costa and AirAsia India entered the

market in 2013 and 2014, respectively, and each operated only four aircraft as of March 31, 2015, according to the CAPA Report. Vistara, a joint venture between the Tata Group and Singapore Airlines, obtained its Air Operator Permit from the DGCA in December 2014, commenced operations with three aircraft in January 2015 and operated six aircraft as of March 31, 2015, according to the CAPA Report.

As of March 31, 2015, there were seven key carriers in the Indian airline industry. The table below provides their certain key operation parameters.

- (7) Aircraft to be delivered between 2015 and 2026.

Indian Air Travel Market

The following description of the Indian air travel market is from the CAPA Report.

The increase in the number of LCCs combined with macroeconomic factors such as India's relatively low per capita income and price-sensitive consumers have led LCCs to dominate India's air travel market. LCCs' share of the Indian air travel market has increased from 40.5% in FY2010 to 62.2% in FY2015, according to DGCA data. This represents an approximate 55% increase in LCCs' market share over FSCs' market share between FY2010 and FY2015.

Source: DGCA

Note:

- (1) FSCs include Jet Airways, Air India, Air Costa, Alliance Air, Vistara, Kingfisher, Indian Airlines, Paramount and MDLR.
- (2) LCCs include IndiGo, SpiceJet, GoAir, JetLite, Air India Express, AirAsia India and Kingfisher (as Kingfisher Red and Air Deccan).
- (3) Based on % of total passengers flown by domestic LCCs as compared to % of total passengers flown by domestic FSCs. Air India Express data is not available for FY2013. JetLite's market share for the four-month period from December 2014 through March 2015 has been classified under FSC instead of LCC because in December 2014, Jet Airways formally discontinued its LCC arm, JetLite, by rolling out full-service products on all flights across its domestic network.

In addition to macroeconomic and India consumer factors, the following factors have also contributed to the success of LCCs in India, according to the CAPA Report:

- the LCC business model, characterized by such features as single aircraft type fleets, aircraft with greater fuel efficiency and lower maintenance costs, faster turnaround times to increase aircraft utilization, and low debt positions;
- access to capital, when required, through promoter funding and, in some cases, sale-and-leaseback transactions;
- superior execution through sound management and strong delivery systems;
- competitive aircraft pricing and favorable maintenance and support contracts;
- structured systems, processes, and training; and
- liberalization of the Indian market.

According to the CAPA Report, LCCs are expected to maintain a domestic market share of 65% to 70% of passenger volume, and LCC ticket price is expected to remain a key driver of demand as India is an extremely price sensitive market.

In addition to leisure travelers, LCCs have also gained acceptance among corporate travelers in India by meeting corporate market expectations for network density, frequency (particularly at peak hours), schedules offering same-day returns, on-time performance, reliability, new aircraft and quality service, according to the CAPA Report. LCCs have also been able to gain traction in the corporate market through the strategic decision to focus on increasing flight frequencies on metro routes, rather than seeking to stimulate untested, virgin markets, according to the CAPA Report.

Market share based on passenger volume

The table below presents the evolution in market share of Indian carriers between FY2009 and FY2015, based on passenger volume, according to DGCA data. IndiGo's market share expanded from 12.5% to 33.9% during this period, while Jet Airways, the carrier with the second largest market share, fell from 28.1% to 22.1% over the same period. The CAPA Report attributes the trend in IndiGo's market share to market stimulation by low fares, launching of new routes in India where there were previously no flights (e.g. Mumbai-Srinagar) and winning of market share from FSCs and other LCCs.

Market share based on capacity

The table below presents the evolution in domestic ASKs of Indian carriers between FY2008 and FY2015, according to DGCA data. IndiGo's domestic ASKs have increased from 5.3 billion in FY2008 to 31.4 billion in FY2015, growing at a CAGR of 28.9% over the same period, while all other Indian carriers collectively declined at a CAGR of 0.5% over the same period, according to DGCA data. During FY2015, IndiGo's market share based on ASKs was 37.0%, based on DGCA and CAPA data.

Market share based on traffic on metro and non-metro routes

The following table sets out the domestic market share by traffic of Indian carriers during FY2015, for the top ten metro-to-metro, metro-to-non-metro and non-metro to non-metro routes in India, according to the CAPA Report. The top 10 metro-to-metro routes accounted for over 16.2 million passengers, by far the largest of the three categories, while the top 10 metro-to-non-metro routes accounted for over 8.3 million passengers. IndiGo had the largest market share in all three categories with 39.8% share of the top 10 metro-to-metro routes, 38.7% of the top 10 metro-to-non-metro routes, and 52.5% of the top 10 non-metro to non-metro routes for FY2015.

Key operating metrics

Operating metrics, including on-time departures and arrivals, flight cancellations, and number of complaints, are often used in the air travel industry to evaluate operating performance of carriers, according to the CAPA Report.

The below four key operating metrics charts have been prepared using all available data. Certain charts show fewer peers because data is not available or not available on a consistent basis.

- (2) On-time performance is for domestic departures calculated at four leading airports: New Delhi, Mumbai, Bengaluru and Hyderabad, which accounted for 47.6% of all-India domestic aircraft movements during FY2015. GoAir did not operate at Hyderabad airport during this period. Air Costa did not operate at New Delhi and Mumbai airports during this period. AirAsia India did not operate at New Delhi, Mumbai and Hyderabad airports during this period and started service in June 2014. Jet Airways includes JetLite.
- (3) Flight cancellation rate is not available on the DGCA website for a two-month period from April 2014 to May 2014.
- (4) Airlines with less than six months of operating history as of March 31, 2015 have not been considered.

In terms of both, on-time performance and smallest percentage of cancelled flights, IndiGo ranked first, as compared to domestic peers, according to the CAPA Report.

In terms of lowest number of complaints, IndiGo ranked second as compared to domestic peers, according to the CAPA Report.

Key cost metrics

Maintenance costs

Maintenance costs are one of the main cost components for any carrier. The maintenance costs of a carrier are impacted by its business model, fleet composition and overall fleet management, according to the SAP Report. The maintenance cost per ASK of the various Indian carriers for FY2014 was US¢0.18 for IndiGo, US¢0.34 for Air India, US¢0.35 for GoAir, US¢0.90 for SpiceJet and US¢0.95 for Jet Airways, according to the SAP Report. IndiGo's maintenance costs are the lowest among Indian carriers.

Fuel costs and ownership costs

The fuel cost per ASK for FY2014 was US¢2.94 for SpiceJet, US¢3.07 for IndiGo, US¢3.23 for Jet Airways, US¢3.37 for GoAir and US¢3.47 for Air India, according to the SAP Report. The ownership cost per ASK of the Indian carriers for FY2014 was US¢0.97 for IndiGo, US¢1.20 for SpiceJet, US¢1.23 for GoAir, US¢2.01 for Jet Airways and US¢2.62 for Air India, according to the SAP Report. IndiGo's ownership costs are lowest and fuel costs are second lowest, on a per ASK basis, among Indian carriers.

Costs per ASK

CASK measures the unit costs of a carrier and is calculated as total costs divided by ASK. The CASK of the Indian carriers for FY2014 was US¢5.95 for IndiGo, US¢6.37 for GoAir, US¢6.68 for SpiceJet, US¢9.05 for Jet Airways and US¢9.82 for Air India, according to the SAP Report. IndiGo's CASK is lowest among Indian carriers.

Comparison versus key International LCCs and domestic Indian carriers

The next few pages compare IndiGo on various metrics of size, growth, cost competitiveness and profitability.

Size

IndiGo was the seventh largest LCC in the world by total seats for FY2015, according to the CAPA Report.

Cost competitiveness

Unit costs

CASK measures the unit costs of a carrier and is calculated as costs divided by ASK. CASK excluding fuel cost is an alternative measure for comparing cost management of carriers operating in different geographies, as fuel costs can vary between geographies due to taxation, government fuel pricing regulations and other reasons, according to the SAP Report. In India, jet fuel prices tend to be higher than many other countries due to higher taxation imposed by local governments, according to the SAP Report.

According to the SAP Report, IndiGo has the lowest CASK excluding fuel cost of US¢2.87 among the Indian carriers for FY2014. IndiGo's CASK excluding fuel cost reduces further to US¢2.51 for FY2014 on the exclusion of supplementary rentals, according to the SAP Report. In comparison, GoAir, SpiceJet, Jet Airways and Air India have CASK excluding fuel costs of US¢3.00, US¢3.74, US¢5.82 and US¢6.35, respectively, for FY2014, according to the SAP Report. Additionally, according to the SAP Report, the average CASK excluding fuel cost of LCCs operating in Asia, EMEA and the Americas was US¢2.81, US¢3.60 and US¢4.78, respectively, for FY2014. IndiGo's CASK excluding supplementary rentals is US¢5.59 for FY2014, according to SAP.

- (2) Data for international carriers is based on year-end financials as stated in "—Benchmarking of IndiGo Against Major Indian Carriers and Global LCCs" and/or the SAP Report.

Average fleet age

The average age of a carrier's fleet is impacted by its business model, fleet composition and overall fleet management. Fleet age can impact the operating costs of a carrier, including fuel costs and maintenance costs, according to the CAPA Report. Among Indian carriers with at least six months of operating history as of March 31, 2015, AirAsia India had the youngest fleet age of 2.7 years and IndiGo had the second youngest average fleet age of 3.2 years, followed by GoAir at 3.9 years, Air Costa at 3.9 years, SpiceJet at 4.1 years, Jet Airways at 5.9 years, and Air India at 8.9 years, as of March 31, 2015, respectively, according to the CAPA report.

Unit profitability

RASK, a measurement of unit revenue, minus CASK, is a measure of a carrier's unit profitability. Excluding fuel cost from the analysis provides an indicator of a carrier's unit profitability before taking in to account fuel costs, which can vary significantly from region to region, according to the SAP Report. IndiGo had the highest RASK minus CASK of any carrier in India and a level in line with LCCs operating in Asia during FY2014, according to the SAP Report. IndiGo's RASK minus CASK excluding fuel was the highest in India and higher than all of the LCCs operating in Asia in the peer group below, according to the SAP Report.

Profit margins

IndiGo was the most profitable carrier in India for FY2014, as measured by EBITDAR margins, with a margin of 19.8%, while GoAir, Jet Airways, SpiceJet and Air India had EBITDAR margins of 16.9%, 5.9%, 2.3% and (9.0%), respectively, during the same period, according to the SAP Report.

OUR BUSINESS

Overview

We operate IndiGo, India's largest passenger airline with a 33.9% and 37.4% market share of domestic passenger volume for fiscal 2015 and the five months ended August 31, 2015, respectively, according to the DGCA. We operate on a low-cost carrier, or LCC, business model and focus primarily on the domestic Indian air travel market. We were the seventh largest low-cost carrier globally in terms of seat capacity in fiscal 2015, according to CAPA. We continuously focus on maintaining our cost advantage and a high frequency of flights while striving to fulfil our simple brand message of providing "low fares, on-time flights and a hassle-free experience" to our passengers.

We commenced operations in August 2006 with a single aircraft, and have grown our fleet to 97 aircraft as of August 31, 2015, all of which are Airbus A320 aircraft. We currently have an order book of 430 A320neo aircraft and expect to take delivery of 14 additional aircraft, including nine A320neos, by March 31, 2016. As of August 31, 2015, the average age of our aircraft was 3.7 years. As of March 31, 2015, the average age of our aircraft was 3.2 years, which, according to CAPA, was the second youngest average fleet age among Indian carriers and one of the youngest fleets of any LCC globally.

As of the week ended August 31, 2015 we operated scheduled services to 33 airports in India, with a maximum of 603 domestic flights per day. We operated an average of 570 domestic flights per day, for the month ending March 31, 2015. According to CAPA, we operated more passenger flights in India than any other airline for the 2014/15 winter schedule. We also had the highest market share in each of the top five domestic routes in India by traffic during fiscal 2015, according to CAPA.

We primarily operate in India's domestic air travel market, which is forecast to be the world's fastest growing market by origin-and-destination traffic flow between 2013 and 2033, estimated to grow at a CAGR of 9.5%, according to Airbus. India was the ninth largest aviation market in the world by total domestic and international seat capacity in 2014, according to CAPA. Additionally, India has achieved strong and sustained growth in air traffic over the last ten years. Passenger volumes for domestic air traffic have increased at a CAGR of 19.4% between fiscal 2004 and fiscal 2010 and a CAGR of 9.1% between fiscal 2010 and fiscal 2015, according to the DGCA.

From fiscal 2011 to fiscal 2015, our domestic passenger volume increased at a CAGR of 25.8% from 9.5 million domestic passengers in fiscal 2011 to 23.7 million domestic passengers in fiscal 2015 and 12.6 million domestic passengers as of August 31, 2015, according to the DGCA. Our market share of domestic passenger volume increased from 17.6% in fiscal 2011 to 33.9% in fiscal 2015, according to the DGCA.

We are committed to achieving industry-leading on-time performance and operational reliability. Our average on-time performance was 83.8% for the five months ended August 31, 2015, 86.7% in fiscal 2015 and 88.2% in fiscal 2014. We had operational reliability ratings of 99.95% for the five months ended August 31, 2015, 99.95% in fiscal 2015 and 99.94% in fiscal 2014, according to Airbus. In 2014, Airbus awarded us its "Best Operational Excellence" award in the large fleet category based on the number of aircraft in the fleet, daily utilization rate, technical reliability and the number of delays caused due to operational reasons over a two-year period of operations. We had the second highest load factor on domestic scheduled services in fiscal 2015, according to the DGCA and the second lowest level of complaints per 10,000 passengers in fiscal 2015, according to CAPA. We have received industry accolades in recognition of the quality of our airline service, including the award for "Best Low-Cost Airline in Central Asia & India" at the SkyTrax World Airline Awards for six consecutive years from 2010 to 2015.

InterGlobe Enterprises (including our Company), was ranked among the "Best Companies to Work For" in India in 2015 for the eighth consecutive year by a study done by the Great Places to Work[®] Institute in partnership with The Economic Times. No other airline was included in these rankings during this period. We have the highest employee productivity among the Indian carriers in fiscal 2015 as measured by ASKs per employee, according to CAPA.

Our firm orders for 100 A320 aircraft in June 2005, 180 A320neo aircraft in June 2011 and 250 A320neo aircraft in August 2015 were each the largest single order of aircraft by number from Airbus at the time of the

order, according to Airbus. We have taken delivery of all 100 aircraft under our 2005 order as of November 3, 2014, about two years ahead of the initially scheduled final delivery date.

We were one of the first airlines globally to order the A320neo aircraft, according to Airbus. According to Airbus, A320neo aircraft are expected to deliver up to 15% fuel savings initially and up to 20% fuel savings by 2020 compared to current generation A320 aircraft without sharklet wing-tip devices, which will further reduce our fuel consumption per flight as these aircraft enter our fleet from fiscal 2016 onwards.

The magnitude of our 2005, 2011 and 2015 aircraft orders helped us to negotiate favorable terms with Airbus and our other aircraft-related suppliers and service providers, which provides us with a structural cost advantage by reducing the overall costs associated with the acquisition, maintenance and operation of our aircraft.

We have considerable flexibility to prudently manage the expansion of our fleet. Our firm orders with Airbus, subject to negotiation with Airbus, may allow us to advance or defer deliveries; a number of the 100 aircraft delivered under our 2005 order were advanced deliveries from their initially scheduled delivery dates and we did not defer any aircraft deliveries under our 2005 order. As of August 31, 2015, we had extended the operating leases of 27 of our current aircraft, seven of which had been scheduled to be redelivered to our lessors in fiscal 2015. None of our aircraft were scheduled to be redelivered to our lessors in the three months ended June 30, 2015.

Our total revenue has increased to ₹ 143,091.41 million in fiscal 2015, growing at a CAGR of 38.0% since fiscal 2011. Our EBITDAR increased to ₹ 38,317.64 million in fiscal 2015, growing at a CAGR of 34.8% since fiscal 2011. Please see the chapter “*Management’s Discussion and Analysis of Financial Condition and Results of Operations—Our Results of Operations*” beginning on page 352. We achieved positive net profit in fiscal 2009 and have remained profitable in each subsequent fiscal year through fiscal 2015. No other Indian airline has consistently remained profitable over the same period, according to CAPA. We have also remained profitable in the three months ended June 30, 2015.

We had the lowest CASK of all Indian carriers in fiscal 2014, and amongst one of the lowest CASK excluding fuel expenses compared with publicly-listed LCCs globally, according to SAP. Our airline had the highest profitability as measured by RASK minus CASK for any airline in India and is at a level in line with LCCs operating in Asia during the most recently completed fiscal year, according to SAP. Please see the chapter “*Industry Overview—Cost Competitiveness—Unit Profitability*” beginning on page 166. We have used our consistent profitability to reinvest in our business to build scale and efficiencies and to provide returns to our shareholders. We have a strong balance sheet measured in terms of our indebtedness. As of June 30, 2015 and March 31, 2015, we had total indebtedness of ₹ 39,123.75 million and ₹ 39,261.63 million, respectively, and net debt (net of free cash) of ₹ 34,120.20 million and ₹ 27,634.90 million, respectively. As of June 30, 2015 and March 31, 2015, all of our indebtedness is aircraft related, and we did not have any working-capital-related indebtedness.

Our fleet expansion strategy, along with our profitability and strong balance sheet, is intended to enable us to strengthen and sustain our market leading position in India’s large and fast-growing air travel market. We intend to maintain our focus on providing customers with affordable air travel, on-time performance and hassle-free customer service.

Our Strengths and Strategies

Our strengths have resulted in competitive advantages for our airline, which are reflected in our profitability, market share, record-breaking aircraft orders that have not been replicated by our competitors and which we intend to sustain by executing our strategies. Our key strengths and strategies are as follows:

We are the largest domestic passenger airline in India and we will continue to focus on enhancing our market position.

- *Largest market share in one of the largest and fastest growing aviation markets in the world*

We are the domestic market leader in India, one of the largest and fastest growing aviation markets in the world, with a 33.9% and 37.4% market share of domestic passenger volume for fiscal 2015 and the five months ended August 31, 2015, which has grown from 17.6% in fiscal 2011, according to the DGCA. India was the ninth largest air travel market by number of domestic and international seats in 2014,

according to CAPA. India's domestic passenger traffic is expected to grow at a CAGR of 12.8% between fiscal 2015 and fiscal 2020, according to CAPA.

- *Depth and breadth of network in key markets*

As of the week ended August 31, 2015 we operated scheduled services to 33 airports in India, with a maximum of 603 domestic flights per day. We operated an average of 570 domestic flights per day, for the month ending March 31, 2015. According to CAPA, we operated more passenger flights in India than any other airline for the 2014/15 winter schedule. We also had the highest market share in each of the top five domestic routes in India by traffic during fiscal 2015, according to CAPA. We intend to continue to strengthen the density of our network by adding flights in our existing key markets and selectively adding routes and destinations that are intended to enhance the breadth of our service in a sustainable and profitable manner.

Maintain disciplined execution of the low-cost carrier business model.

Our disciplined execution of low-cost carrier principles is intended to help us maintain low operating costs. Our strategy of following pure low-cost principles is intended to provide us with an advantage over some of our LCC competitors in India who operate hybrid business models between low-cost and full-service airlines, such as the inclusion of meals and beverages in the ticket prices for non-corporate passengers, offering business class seats and operating multiple aircraft types.

- *Single aircraft type*

We employ a single type of airframe and engine within our current fleet, which helps us to reduce our expenses related to maintenance, spare parts, operation, crew training and labor, as well as helping us to more efficiently manage crew rosters.

- *High aircraft utilization*

Our aircraft utilization in block hours was 11.4 hours per day per aircraft in fiscal 2015, which, according to CAPA, was among the highest of any airline in India. We maintain high aircraft utilization rates by keeping a low turnaround time between our flights. Additionally, we operate a point-to-point route network with no code-sharing with other airlines for passenger traffic, which further helps to reduce turnaround time.

- *High operational reliability*

Our operational reliability was 99.95% in fiscal 2015 and 99.95% in five months ended August 31, 2015, according to Airbus. In 2014, Airbus awarded us its "Best Operational Excellence" award in the large fleet category based on the number of aircraft in the fleet, daily utilization rate, technical reliability and the number of delays caused due to operational reasons over a two-year period of operations. We had an average domestic on-time performance of 87.5% during fiscal 2015 at four of India's leading airports (New Delhi, Mumbai, Bengaluru and Hyderabad). According to CAPA, this average domestic on-time performance rate is higher than any other Indian carrier at these airports.

- *No-frills product*

We have strived to achieve significant cost reductions by scrutinizing every aspect of our business to remove non-essential costs without compromising passenger safety, security or on-time performance. We offer a single class of economy service, which allow our A320 aircraft to have the maximum seating capacity of 180 seats. Unlike most full-service carriers, we do not offer a frequent flyer program, free lounges or include food and beverages in our ticket price for non-corporate passengers. These items have helped to further reduce our cost base.

- *Low distribution costs*

We seek to reduce our distribution costs by increasing direct sales via our website, airport, call center and mobile app and scaling down commissions paid to online and traditional travel agents. Approximately 20.6% and 22.0% of our ticket sales were made through these direct channels for the five

months ended August 31, 2015 and in fiscal 2015. We adjusted the commissions paid to online travel agents in January 2015.

- *Ancillary revenues*

Ancillary revenues are typically a highly profitable income stream and have been a key growth driver for us, growing at a CAGR of 37.8% from fiscal 2011 to fiscal 2015. There is substantial potential to further grow these revenues because, according to SAP, our ancillary revenue as a percentage of operating revenue remains substantially lower than most international low-cost carriers. Our ancillary revenue was ₹ 4,806.97 million and ₹ 15,724.94 million for the three months ended June 30, 2015 and in fiscal 2015, representing 11.3% of our revenue from operations in fiscal 2015. We intend to continue to enhance our existing ancillary revenue streams as well as develop new streams of ancillary revenue upon obtaining regulatory approvals.

We have a structural cost advantage which we expect to maintain.

- *Largest Airbus aircraft orders in history enabling favorable terms on aircraft, engines and components.*

Our firm orders of 100 A320 aircraft in June 2005, 180 A320neo aircraft in June 2011 and 250 A320 aircraft in August 2015 were each the largest single order of aircraft by number from Airbus at the time of the order, according to Airbus. We were one of the first airlines globally to order the A320neo aircraft, according to Airbus. Based on current announced production rates, Airbus has a current backlog of over 5,400 aircraft for the A320 family of aircraft, according to Airbus.

The magnitude of our 2005, 2011 and 2015 aircraft orders helped us to negotiate favorable terms with Airbus and our other aircraft-related suppliers and service providers, which provides us with a structural cost advantage by reducing the overall costs associated with the acquisition, maintenance and operation of our aircraft.

We receive non-refundable incentives from manufacturers upon the delivery of aircraft and engines and upon the achievement of certain milestones. The application of these purchase incentives to our operating leases results in a net reduction in our aircraft rental payments which is amortized over the initial terms of the operating leases.

- *Young, modern and fuel-efficient fleet*

As of March 31, 2015, the average age of our aircraft was 3.2 years, which, according to CAPA, was the second youngest average fleet age among Indian carriers with at least six months of operating history and one of the youngest fleets of any LCC globally. We maintain our young fleet by predominantly entering into short-term sale-and-leaseback operating leases for the aircraft we have ordered from Airbus, typically ranging from three to six years. We actively seek to maintain a young fleet because it helps us to mitigate against technological obsolescence and achieve better reliability in terms of aircraft performance, lower maintenance costs, improved fuel-efficiency, higher flight dispatch reliability and higher passenger appeal.

The A320 aircraft delivered to us by Airbus since January 2013 have been equipped with wing-tip “sharklets” and consume less fuel than aircraft without sharklets, according to Airbus. In 2008, we upgraded to IAE SelectOne engines, which consume less fuel than our previous engines. In March 2011, we began to use the Pratt & Whitney EcoPower Engine Wash process for our engines, which results in incremental fuel savings. As a result of these and other measures, we have been able to reduce our fuel consumption per block hour by 4.0% from fiscal 2011 to fiscal 2015.

According to Airbus, the new A320neo aircraft are expected to deliver up to 15% fuel savings initially and up to 20% fuel savings by 2020 compared to current generation A320 aircraft without sharklets, which will further reduce our fuel consumption per block hour as these aircraft enter our fleet from 2015 onwards.

Maintain our award-winning service and strong brand recognition

- ***Award-winning service***

We aim to provide courteous, hassle-free and affordable service to our passengers. We have continuously received industry accolades since our inception in recognition of the quality of our airline service, including being awarded the “Best Low-cost Airline in Central Asia & India” at the SkyTrax World Airline Awards for six consecutive years from 2010 to 2015. We were recognized as India’s favorite airline for 2012, 2013 and 2014 by TripAdvisor’s Annual India Air Travel Survey, which in 2014 also recognized us as the best among Indian carriers in terms of value for money, on-time performance, landing/take-off quality, in-flight maintenance, baggage delivery time and check-in process. Among all Indian carriers, we have the second highest load factor on domestic scheduled services for fiscal 2015, according to the DGCA, and the second lowest number of complaints per 10,000 passengers in fiscal 2015, according to CAPA.

- ***Strong brand recognition***

We strive to be the most trusted airline brand in India. We have achieved recognition of the IndiGo brand through our simple brand message of providing “low fares, on-time flights and a hassle-free experience” to our passengers. We seek to achieve recognition of our brand through our consistent operational performance resulting in recommendations from satisfied passengers. Our sales promotion and advertising expenses accounted for less than 1% of our total expenses for the three months ended June 30, 2015 and in fiscal 2015.

Maintain consistent profitability and strong cash flow generation, balance sheet and liquidity position.

- ***Consistent profitability, profitable growth and shareholder value creation***

We are the only Indian carrier to consistently remain profitable for the last seven fiscal years ending in fiscal 2015, according to CAPA. We have also remained profitable in the three months ended June 30, 2015. Our airline had the highest profitability as measured by RASK minus CASK for any airline in India and is at a level in line with LCCs operating in Asia, according to SAP. Please see the chapter “*Industry Overview—Cost Competitiveness—Unit Profitability*” beginning on page 166. We have used our consistent profitability to reinvest in our business to build scale and efficiencies. These investments include an upgraded reservation system, upgraded crew rostering system, implementing a new revenue management system, upgrading our operations control center, cargo-related operational and financial software, revenue accounting software and employee training facilities.

- ***Strong balance sheet***

The strength of our balance sheet in terms of liquidity and indebtedness provides us with a number of competitive advantages, such as lower finance costs and better financial terms from aircraft lessors and suppliers of aircraft components. As of June 30, 2015 and March 31, 2015, we have total indebtedness of ₹ 39,123.75 million and ₹ 39,261.63 million, respectively, and net debt (net of free cash) of ₹ 34,120.20 million and ₹ 27,634.90 million, respectively. As of June 30, 2015 and March 31, 2015, all of our indebtedness was aircraft related and we did not have any indebtedness for working-capital. The strength of our balance sheet in terms of liquidity and indebtedness also provides us with a competitive advantage by allowing us the flexibility to fund future growth and not be constrained by reliance on non-aircraft financing sources.

- ***Strong cash flow generation and liquidity position***

We have generated strong cash flows from operations for the seven fiscal years from 2009 to 2015. This has enabled us to further invest in our business and pay dividends to our shareholders in four of the past five fiscal years ending in fiscal 2015.

Our strong liquidity position in terms of our total cash of ₹ 36,752.51 million as of June 30, 2015, protects us from unforeseen shocks such as a sudden decline in air travel demand or sudden spikes in aircraft fuel prices, which can put negative pressure on operating cash flows. We had ₹ 36,752.51 million and ₹ 40,280.33 million of total cash as of June 30, 2015 and March 31, 2015, and a total-cash-

to-LTM (or, last twelve months) revenue of 24.1% and 28.2% as of June 30, 2015 and March 31, 2015. Our liquidity position enables us to consistently pay our suppliers on time, allowing us to benefit from supplier discounts. In addition, our liquidity position enables us to purchase imported fuel, which require advance payments and is less expensive than fuel purchased domestically in India.

Attract and retain talented employees and management and leverage the strength of our Promoters.

- InterGlobe Enterprises (including our Company), was ranked among “Top Companies to Work For” in India in 2015 for the eighth consecutive year by a study done by the Great Places to Work[®] Institute in partnership with The Economic Times. No other airline was included in these rankings during this period.
- We have the highest employee productivity among the Indian carriers in fiscal 2015 as measured by ASKs per employee, according to CAPA. Please see the chapter “*Industry Overview*” beginning on page 116 for more information. We do not have any unionized employees.
- We have continuously been able to hire sufficient pilots to keep pace with the expansion of our operations and growth of our fleet. Our average attrition rate for pilots is 6.9% per year from fiscal 2011 to fiscal 2015. As a result of our rotation and training schedules, we average 16 pilots per aircraft as of August 31, 2015.
- Our management team has a strong background at leading global airlines, hospitality and travel-related businesses, and many of whom have been promoted within our Company. Our management team has the depth and capability to expand our operations in accordance with our business model.
- Our management team provides us with extensive knowledge and understanding of the Indian business environment. Our management team delivered profitable results in our second full fiscal year after commencing our operations, and we have remained profitable in each fiscal year since. Our management team has successfully guided the airline through industry down cycles as well as periods of fuel price and exchange rate volatility.
- We benefit from the support and experience of our Promoters, Mr. Rahul Bhatia and Mr. Rakesh Gangwal. Mr. Bhatia holds leadership positions in several companies in the travel and hospitality industries, such as InterGlobe Enterprises and Acquire Services Private Limited. Mr. Gangwal has over 30 years of experience in the airline industry, including over 15 years of senior management experience at several leading airlines, such as US Airways, United Airlines and Air France. Most notably, Mr. Gangwal was the Chief Executive Officer of US Airways and the Chairman and Chief Executive Officer of Worldspan. Please see the chapter “*Our Promoters and Group Companies—Our Individual Promoters*” beginning on page 231.

Our Route Network

For the week ended August 31, 2015, we operated scheduled services to 33 airports in India, with a maximum of 603 domestic flights per day. We operated an average of 570 domestic flights per day, for the month ending March 31, 2015. According to CAPA, we operated more passenger flights in India than any other airline for the 2014/2015 winter schedule.

We consider a route as air travel service from one airport to another and flight frequency as the number of flights on any particular route during any period. For instance, air travel service from New Delhi to Mumbai is considered a route and the number of flights from New Delhi to Mumbai in any particular period is considered the flight frequency for such period. Our network strategy is based on the optimum resource utilization of our fleet, crew, manpower and other resources. Our route network is point-to-point as opposed to hub-and-spoke.

We had the highest market share in each of the top five domestic routes in India by traffic during fiscal 2015, according to CAPA.

A map showing our domestic and international routes as of August 31, 2015, is set forth below.

The following table sets out certain information regarding our total departures, routes operated and airports served by our domestic operations for the periods indicated.

	Fiscal Year Ended March 31,				
	2011	2012	2013	2014	2015
Total departures during Period	70,217	95,594	123,222	148,342	183,149
Number of routes operated at end of period	66	81	87	103	114
Number of airports served at end of period	25	27	28	31	32

Our point-to-point structure enables us to manage our portfolio of routes effectively on the basis of individual route profitability. We analyze the financial performance of each route in terms of load factor and desired revenue objectives, including cash generation, operating profit, RASK and CASK, on a monthly basis, which enables us to initiate corrective measures to improve a route's performance when necessary.

Our route network is focused on major passenger routes within India. Our top five routes by capacity for fiscal 2015 were Mumbai-New Delhi, Bengaluru-Mumbai, Bengaluru-New Delhi, Kolkata-New Delhi and Bengaluru-Hyderabad. On the New Delhi-Mumbai route, the largest domestic route by capacity, we had the highest capacity as well as traffic of any airline during fiscal 2015, according to CAPA.

Our load factor, as measured in Revenue Passenger Kilometers ("RPK"), divided by Available Seat Kilometers ("ASK"), for domestic and international operations combined was 85%, 82%, 81%, 77% and 80% in fiscal 2011, 2012, 2013, 2014 and 2015, respectively.

We have maintained high utilization of our aircraft through efficient schedule management. For fiscal 2011, 2012, 2013, 2014 and 2015, and the three months ended June 30, 2015, our average aircraft utilization for each day was 10.7 hours, 10.4 hours, 11.1 hours, 11.4 hours, 11.4 hours and 11.9 hours, respectively. In fiscal 2015, the average aircraft utilization for all other Indian carriers was 10.4 hours, according to CAPA. Thus, our average aircraft utilization was higher than the average for all other Indian carriers.

As of August 31, 2015, we used nine aircraft hubs (defined as airports where we have overnight parking slots for our aircraft) in New Delhi, Mumbai, Kolkata, Chennai, Bengaluru, Hyderabad, Jaipur, Pune and

Ahmedabad. Our access to landing overnight parking slots at these nine hubs helps us to originate flights from these cities and to enhance our aircraft utilization and the efficiency of our maintenance services. Our use of overnight parking slots in Jaipur has resulted in us receiving aircraft fuel tax incentives from the state Government of Rajasthan. In September 2015, we added an aircraft hub in Lucknow, bringing our total number of aircraft hubs in use to 10.

Domestic Route Selection and Development Strategy

We intend to develop a portfolio of routes which have the potential to deliver high passenger load factors at attractive yields. When selecting a potential route, we typically choose a destination that has a population in excess of one million people and has the potential to service other key cities, and also consider whether the route is a good fit with our existing network, the attractiveness of alternative modes of transport for the route (such as rail) and whether the route has proven to be successful for our competitors. We also consider economic indicators to identify the growth opportunities in a particular market.

We strive to achieve high frequencies on key business routes to offer preferred flight times to business travelers and to offer a maximum amount of routes and frequencies from the airports at which we operate. We generally refrain from operating from airports with limited flight options.

Our airline's low-cost model and adherence to the criteria mentioned above when selecting new domestic routes have contributed to our proven record of successfully expanding into new markets and entering into mature markets. The following table provides certain operating data for the periods indicated with respect to our New Delhi-to-Srinagar service, a relatively unestablished commercial airline route on which we commenced service in March 2010 and where our passenger volume has grown by a CAGR of 58% from fiscal 2011 to fiscal 2015.

	New Delhi – Srinagar Non-Stop Service				
	Fiscal Year Ended March 31,				
	2011	2012	2013	2014	2015
Daily Frequency	1	4	6	6	8
Average fare (₹)	2,365	2,951	3,658	3,723	3,399

Passengers	72,421	238,769	341,623	349,353	449,754

The following table provides certain operating data for the periods indicated with respect to our New Delhi to Kolkata service, a well-established commercial airline route on which we commenced service in August 2006.

	New Delhi – Kolkata Non-Stop Service				
	Fiscal Year Ended March 31,				
	2011	2012	2013	2014	2015
Daily Frequency	9	10	11	12	15
Average fare (₹)	3,915	4,269	5,457	5,789	5,555

Passengers	522,454	534,283	614,137	652,656	755,101

We intend to expand our route portfolio with a view to increase the breadth and depth of our service. While we intend to increase frequencies on current routes, we also intend to focus on new routes from existing destinations.

International Routes

The flight range of our aircraft gives us the flexibility to service international destinations in South Asia, Southeast Asia and the Middle East. We commenced our international operations on September 1, 2011, on the

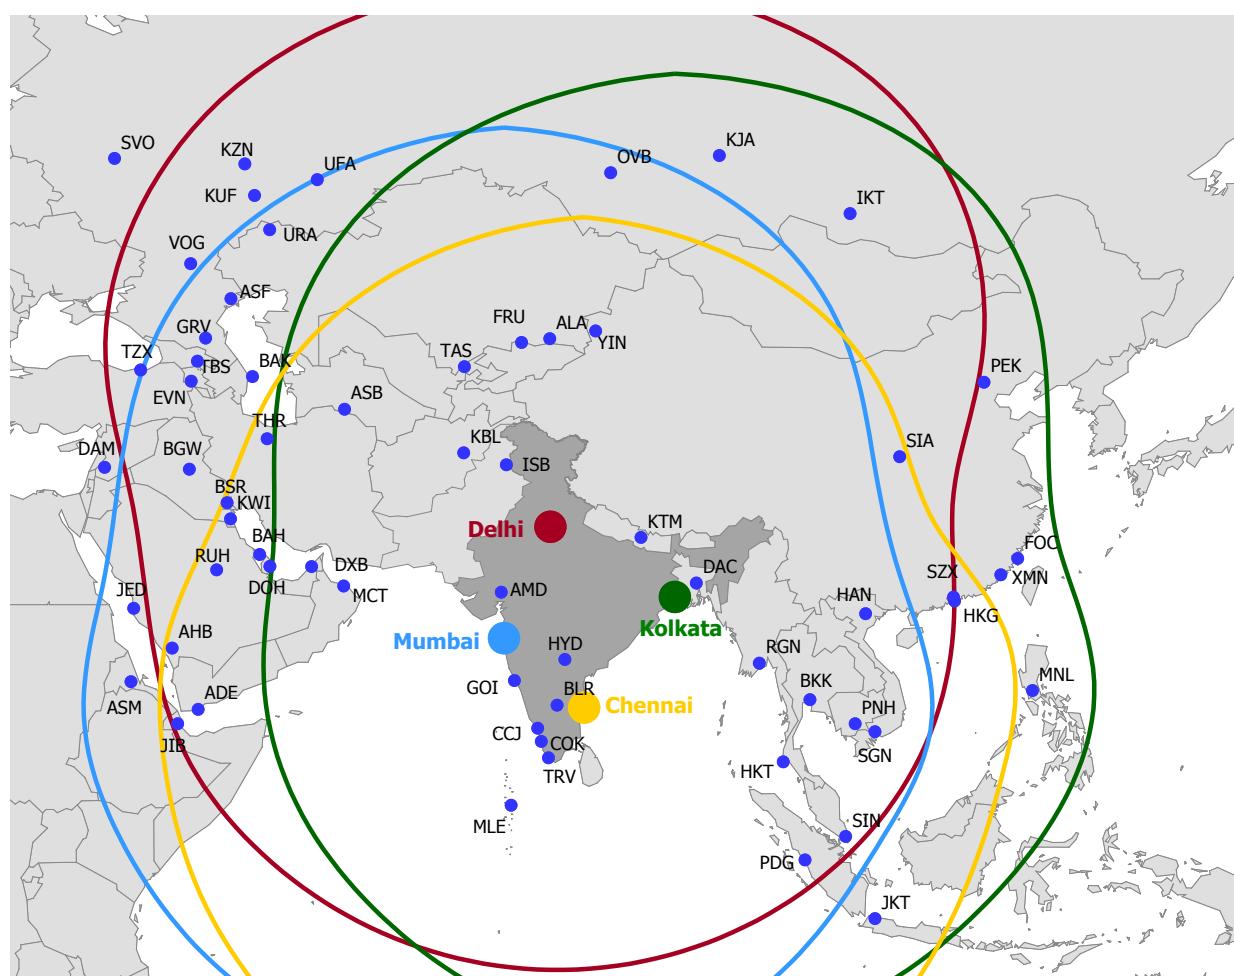

New Delhi-Dubai route. Since then, we have grown our international operations to 210 flights per week offering 5,400 seats per day, as of August 31, 2015, between India and five international destinations: Dubai, Muscat, Bangkok, Singapore and Kathmandu. We commenced daily Bengaluru-Dubai flights on December 15, 2014, and daily Kozhikode-Dubai flights on January 2, 2015.

Consistent with our domestic strategy, our international strategy revolves around the basic principles of the LCC business model, including point-to-point traffic. We strive to offer convenient connections between the domestic and international flights on our network without creating any complexities of transfers or additional check-in procedures. Additionally, our pricing and distribution strategy on international routes are consistent with those on our domestic routes.

In selecting destinations for international expansion, we target routes which offer a minimum density of 50,000 passengers per sector and attractive yields. The availability of landing rights and slots is also an important consideration for the selection of international destinations. To reduce the costs of parking our aircraft overnight, we have focused our international operations on flights under five hours which return on the same day. Routes which do not meet our operational and financial parameters have been discontinued. Examples of this include the New Delhi-Singapore route which has since been replaced by the Chennai-Singapore route as well as the New Delhi-Bangkok route which was discontinued in September 2014 and has been replaced by a second flight on the Kolkata-Bangkok route.

Our Operations

We provide scheduled air travel operations aimed typically at value conscious passengers. We only offer economy class service to our customers and have 180 seats in each aircraft. We provide our customers with the option to purchase a variety of food and beverages during their flight. While we currently do not interline or code-share with other carriers for passenger traffic, we may selectively enter into such arrangements in the future. We are currently in discussions with a foreign carrier concerning a potential interline arrangement; however, any such arrangement would be subject to definitive agreements and regulatory approval.

The following table sets out certain key parameters regarding our scheduled domestic and international air travel operations for the periods indicated.

Customers

Since commencing air travel operations in 2006, we have carried 113.4 million passengers as of August 31, 2015. Our passenger volume for fiscal 2011, 2012, 2013, 2014 and 2015 and the five months ended August 31, 2015 was 9.5 million, 12.8 million, 16.9 million, 19.6 million, 25.2 million and 13.3 million, respectively. Our customers are a mix of individual and corporate customers.

We derive our operating revenues primarily from passenger ticket revenue. The remainder of our operating revenues, which includes revenue from ancillary products and services, is comprised of revenues from special service requests, excess baggage, ticket modification and cancellation, lounge usage, convenience fees, cargo services, tours and packages, in-flight sales, advertisements and commissions from insurance sales.

The following table sets out our passenger ticket revenue, ancillary revenue and other operating revenue as a percentage of total revenues from operations from fiscal 2011 through the three month period ended June 30, 2015.

Note:

- (1) Includes special service requests, excess baggage, ticket modification and cancellation, lounge use income, convenience fee, cargo services, tours and packages, in-flight sales, advertisements and commission from insurance sales.

We launched our corporate customer program in April 2008. Under this program, we offer volume discounts for tickets sold to corporate customers, which includes meals, beverages and preferred seating.

Fares and Booking Management

We practice dynamic pricing and revenue management in line with the established practices of LCCs globally. Our average fare for fiscal 2011, 2012, 2013, 2014 and 2015 and for the three months ended June 30, 2015 was ₹ 3,582, ₹ 3,911, ₹ 4,895, ₹ 5,071, ₹ 4,882 and ₹ 4,524 respectively. In line with the typical LCC model, our fares are generally at their lowest the further in advance of the travel date that a particular booking is made and typically increases thereafter based on overall demand and vacant seats remaining on an aircraft. We follow typical revenue management principles to generate the desired load factors and revenue numbers, taking into consideration pricing, demand, competition, seasonality, traffic trends and flight timings. We do not overbook

our flights. Our fares are established to be particularly attractive to price-sensitive leisure and business travelers. We publish a band of our fares on our website as is required by the DGCA for all airlines in India.

Ancillary Products and Services

Our revenue from ancillary products and services is comprised of (i) revenue from ancillary passenger related services, consisting of special services requests (including seat selection, charges for infants and assistance for unaccompanied minors), excess baggage and ticket modifications or cancellations including expiry of credit shell, excess baggage, lounge income and convenience fee and (ii) revenue derived from products and services that are ancillary to our airline passenger services, consisting of cargo services, in-flight sales, commissions from insurance sales, advertisement, and our tours and packages business.

The following table sets out our revenues from each of our ancillary products and services as a percentage of total revenues from ancillary products and services for the periods indicated.

Ancillary Passenger Services

Our charges for most of our ancillary passenger related services differ between our domestic and international routes with the exception of our flights to Kathmandu, where domestic rates are applied. Domestic rates are applied to our flights to Kathmandu. Our revenue from ancillary passenger related services primarily consists of the following as of August 31, 2015:

- *Special Service Request*
 - *Seat selection* — Through our “SeatPlus” service, passengers can select their preferred seats on their flights by paying a fee. Pricing differs by the location of the seat selected. For a premium seat selection in the emergency row or the first row of our aircraft, we charge a fee of ₹ 600 per seat on domestic routes and ₹ 800 per seat on international routes. For window and aisle seats, we charge a fee of ₹ 200 or ₹ 300 per seat on domestic routes and ₹ 300 or ₹ 400 per seat on international routes depending on row chosen.
 - *Assistance for unaccompanied minors* — Children between ages five and 12 are accepted for travel without an accompanying adult for an additional fee of ₹ 1,500 on domestic routes and ₹ 3,000 on international routes.

- *Charges for infants* — We charge ₹ 1,000 on domestic routes and ₹ 2,000 on international routes.
- *Excess baggage* — Passengers may check-in luggage without additional payment up to a limit of 15 kilograms for domestic flights and either 20 or 30 kilograms for international flights. For check-in luggage in excess of these amounts, we charge passengers ₹ 250 per kilogram on domestic routes and ₹ 525 per kilogram on international routes. Through our “IndiBags” service, we offer passengers reduced rates for the advance payment of excess luggage charges on our website.
- *Ticket modification and cancellation* — As of August 31, 2015, our fees for ticket modification or cancellation vary according to the amount of time before the flight when the change or cancellation is made.

Other Ancillary Products and Services

We generate additional revenue through the provision of other products and services that are ancillary to our core airline passenger services, consisting of the following:

- *Cargo Services* — We commenced our domestic cargo transport operations in March 2007. All of our cargo services are belly cargo services offered on our passenger aircraft. We seek to offer cargo services without compromising our flight turnaround times. Customers for our cargo transport operations include a number of prominent corporations in India, and are offered the ability to transport their cargo on our aircraft for a fee based on a combination of (i) the weight and / or type of the items transported on our aircraft and (ii) the distance such items are transported.
- *Tours and Packages* — We launched our “GetPacking” product in May 2011, which offers customers the ability to purchase business and vacation packages, including airfare and hotel bookings, on our website.
- *In-flight Sales* — Our flight-related services include in-flight sales of a wide range of beverages and food, including soft drinks, juices, sandwiches, nuts, cookies and other packaged food items. Through our “IndiMeals” service, passengers have the option to purchase in-flight meals at fixed prices both prior to boarding as well as during their flight. We also provide our passengers with an in-flight catalogue to purchase merchandise such as perfumes, sunglasses, watches and other IndiGo-branded merchandise.
- *Advertisement* — We earn advertising revenue through various product and service promotions on our boarding passes, baggage tags and tray tabletops, and in our tarmac coaches and inflight magazines.
- *Insurance* — In June 2009, we entered into an agreement with TATA AIG General Insurance Company Limited (“**TATA AIG**”) to offer travel insurance on our website through Travinsure, a general insurance program for our passengers provided by TATA AIG. Travinsure’s travel insurance products include coverage for accidental death, emergency medical expenses, emergency evacuation, baggage loss, and compensations as a result of trip cancellation, trip interruption or flight delay.

We continually evaluate new ancillary products and services for our customers in order to generate additional revenue. To increase our ancillary revenue, we have started new services such as 6E Plus, which provides unlimited flexibility to our customers to change or modify bookings as many times as required without any extra charges upon payment of a one-time charge that we have reduced from ₹ 1,500 to ₹ 1,000 per reservation with effect from September 2015. We also have a facility for car rentals on our website. Our ancillary products and services revenue (including cargo services revenue) aggregated to 11.4%, 10.2%, 10.1%, 10.4%, 11.3% and 11.4% of our revenue from operations in fiscal 2011, 2012, 2013, 2014 and 2015, and the three months ended June 30, 2015, respectively.

Our Fleet

Current Composition of Fleet

As of August 31, 2015, our fleet consisted of 97 Airbus A320 aircraft. We placed a firm order with Airbus for 100 A320 aircraft in June 2005, all of which were delivered by November 3, 2014, about two years ahead of the initially scheduled final delivery date. We additionally placed firm orders with Airbus for 180 A320neo aircraft in June 2011 and 250 A320neo aircraft in August 2015. The magnitude of our 2005, 2011 and 2015 aircraft

orders helped us to negotiate favorable terms with Airbus and our other aircraft-related suppliers and service providers, which provides us with a structural cost advantage by reducing the overall costs associated with the acquisition, maintenance and operation of our aircraft.

We are also entitled to receive certain incentives from engine and component providers, which are granted at the time of delivery of each aircraft and upon the achievement of certain milestones. These deferred incentives are typically not assigned to third-party lessors in connection with the assignment of our right to purchase aircraft under our purchase agreements with Airbus as well as the engine manufacturers and are accordingly retained by our company. We have the option to apply these incentives towards credit for any payments due to the engine manufacturers or to receive these incentives in cash from the engine manufacturers at the time of aircraft delivery. Historically, we have received these incentives substantially in the form of cash.

By building a uniform fleet, our spare parts and training are reduced, which contributes to us maintaining low fares. Having a uniform fleet also allows us to use any aircraft for any route, thereby simplifying and increasing the flexibility of our flight scheduling arrangements. In addition, currently all of our aircraft carry the V-2527-A5 variant of the V2500 SelectOne engine manufactured by IAE, and, upon delivery, all of the A320neo aircraft in our 2011 order will utilize Pratt & Whitney engines, which further increases the uniformity of our aircraft. We are yet to select engines for the A320neo aircraft in our 2015 order. This uniformity lowers costs by allowing us to have common maintenance procedures, training and spare part inventories. The seating configuration in our Airbus A320 aircraft is optimized at the aircraft's capacity of 180 seats, all of which are economy class.

We have a young fleet, with an average age of 3.7 years as of August 31, 2015. We actively seek to maintain a young fleet because it helps us to achieve better reliability in terms of the performance of the aircraft, lower maintenance expenses, improved fuel-efficiency, higher flight dispatch reliability and higher customer appeal. In order to maintain a young fleet, we have entered into short-term operating leases with terms generally ranging from three to six years. In order to meet our expansion needs, we have extended the operating leases of 27 of our current aircraft as of August 31, 2015, 7 of which had been scheduled to be redelivered to our lessors in fiscal 2015. We have leased 12 aircraft previously leased by Tiger Airways with an average age of 2.5 years on short term leases of 3.5 to four years. We have also leased one previously used aircraft from Macquarie on short term lease of four years. In addition to these aircraft, we expect to add another five previously used aircraft before March 2016.

Financing of Fleet

Airbus has delivered 100 aircraft to us from the commencement of our operations in 2006, 84 of which remain in our fleet as of August 31, 2015. Of the 100 aircraft delivered by Airbus, as of November 3, 2014, 77 were on operating leases, 17 were on European Export Credit Agency backed finance leases, five were on IAE-backed finance leases and one was purchased with internal funds. Of our fleet of 97 aircraft as of August 31, 2015, 22 are on finance leases and 75 are on operating leases, including 12 aircraft on short-term operating leases which were previously leased by Tiger Airways and one aircraft on short-term operating lease from Macquarie.

The basic price for each of the firm-order aircraft delivered pursuant to our contracts with Airbus is increased or decreased by any change to the standard specifications of the aircraft and is increased by an "escalation factor" designed to increase the basic price of any individual aircraft to reflect increases in the published U.S. Employment Cost and Producer Price indices from the time the basic price is set to the date twelve months prior to the delivery of such aircraft. We are required to pay certain pre-delivery payments under our purchase contracts with Airbus. Pre-delivery payments are funded through a combination of debt and equity. We have made all pre-delivery payments to Airbus relating to our 2005 order. Additionally, relating to the 2011 order, we have entered into a loan agreement for funding certain portions of the pre-delivery payments. The balance amount is to be paid through our internal accruals. We have made all the required pre-delivery payments due till date to Airbus towards this order. For the 2015 order, all the required pre-delivery payments due till date to Airbus have been made through our internal accruals.

On September 17, 2014, we signed a memorandum of understanding with Industrial and Commercial Bank of China Limited ("ICBC"), under which ICBC will provide us with aircraft financing for up to US\$2.6 billion through sale-and-leaseback agreements, finance leases or commercial loans.

Historically, our preference has been to finance aircraft on operating leases using a sale-and-leaseback structure. We may, in the future, use different sources of financing, such as export credits / commercial debt-backed finance leases or other financing structures.

Operating leases

We generally assign our right to purchase each aircraft under our purchase agreements with Airbus to a third-party lessor and lease the aircraft from the lessor following delivery of the aircraft under a sale-and-leaseback agreement. Under the terms of our assignment, third-party lessors are typically required to pay the agreed purchase price between the lessor and us for each delivered aircraft directly to Airbus. The title of the aircraft then resides with the lessor. At the end of the lease, the aircraft is returned back to the lessor who takes on the residual value risk associated with the aircraft.

All of our operating leases are sale-and-leaseback agreements as of August 31, 2015, other than short-term leases of 12 aircraft which were previously leased by Tiger Airways and one aircraft from Macquarie. Please see “—*Future Fleet Growth*.” Under our current operating lease agreements, we typically pay a monthly rental, comprised of base and supplemental rental. Base rentals are either a fixed or variable monthly amount, with the variable amount based on floating interest rates pegged to the USD London Interbank Offered Rate, or USD LIBOR. Supplemental rentals vary from lease to lease and are largely based on aircraft utilization, which is calculated based on the number of hours or cycles operated in each month.

We receive non-refundable incentives from manufacturers upon the delivery of aircraft and engines and upon the achievement certain milestones. The application of purchase incentives and other deferred incentives to our operating leases results in a net reduction in our aircraft rental payments which is amortized over the initial terms of the operating leases as a result of these incentives. As of June 30, 2015 and March 31, 2015, we had unamortized deferred incentives of ₹ 16,466.71 million and ₹ 17,516.46 million.

Of the 75 aircraft we currently have on operating leases as of August 31, 2015, 70 have fixed rate leases and five have floating rate leases. The higher proportion of fixed rate leases provides us with adequate protection against any volatility in USD LIBOR floating interest rates.

Our operating lease payments primarily include base rentals, supplemental rentals and spare engine lease payments, and which are net of amortized incentives and accounted for 12.7%, 14.2%, 16.0%, 15.2% 15.7% and 17.7% of our total expenses in fiscal 2011, 2012, 2013, 2014, 2015 and for the three months ended June 30, 2015, respectively.

Finance leases

We also finance aircraft using commercial or export credit-backed lenders. Under these finance leases, we generally assign our right to purchase an aircraft under our purchase agreement with Airbus to a special purpose vehicle (“SPV”) that is formed by lenders and leases the aircraft to us under a finance lease agreement. Under the terms of the assignment, the SPV is typically required to pay the agreed loan amount between the lender and us for each delivered aircraft directly to Airbus with a certain amount of equity contribution from us. The title of the aircraft is held by the SPV, which is controlled by the lender. At the end of the lease, the aircraft may be purchased by us for a nominal value.

Under our current finance lease agreements, we typically pay a monthly lease amount comprised of (i) scheduled amortizing monthly payment and (ii) interest based on floating rates pegged to the USD LIBOR.

As is customary in the aviation industry, our operating and finance lease agreements contain termination events. These agreements also typically contain cross default clauses, whereby a default under any one of the lease agreements may be treated as a default under the other lease agreements.

Future Fleet Growth

In 2005, we placed a firm order for 100 A320 aircraft with Airbus. According to Airbus, the order represented the largest single firm order placed by an LCC at that time. Our 2011 and 2015 orders with Airbus for an additional 180 and 250 A320neo aircraft, respectively, were each the largest single firm order in commercial aviation history at that time, according to Airbus. The purchase agreement for our 2011 order has secured a series of scheduled deliveries from November 2015 to November 2023, subject to any delivery advancements or

deferrals to be negotiated with Airbus. We expect these deliveries to increase our operating fleet to approximately 111 aircraft, net of retirements, by the end of fiscal 2016. We expect to begin taking delivery of aircraft under the purchase agreement for our 2015 order in 2018, once again subject to delivery advancement or deferrals to be negotiated with Airbus. The magnitude of our 2005, 2011 and 2015 aircraft orders helped us to negotiate favorable terms with Airbus and our other aircraft-related suppliers and service providers, which provides us with a structural cost advantage by reducing the overall costs associated with the acquisition, maintenance and operation of our aircraft.

We have taken delivery of all 100 aircraft under our 2005 order as of November 3, 2014, about two years ahead of the initially scheduled final delivery date as a result of our advancement of deliveries to meet our capacity needs. In August and September 2015, we entered into lease arrangements with respect to the first nine A320neo aircraft under our 2011 order, which are scheduled to be delivered to us between November 2015 and June 2016. We have requested in the past, and may request in the future, subject to negotiation with Airbus, for Airbus to advance or defer the deliveries of aircraft under our contracts with them, as our business requires. Please see the chapter “*Management’s Discussion and Analysis of Financial Condition and Results of Operations—Planned Capital Expenditures*” beginning on page 365.

To help meet our short-term capacity needs resulting from increased travel demand in India, on October 9, 2014, we entered into lease arrangements ranging from 3.5-4 years with Standard Chartered group for 8 Airbus A320 aircraft and with MC Aviation Partners Inc. for 4 Airbus A320 aircraft. These aircraft were previously leased to subsidiaries of Tiger Airways and have an average age of 2.5 years with similar specifications and engine types as our existing fleet. During the five months ended August 31, 2015, we also took delivery of one previously used aircraft leased from Macquarie. As of August 31, 2015, we have also extended the operating leases of 27 of our current aircraft, seven of which had been scheduled to be redelivered to our lessors in fiscal 2015. None of our aircraft were scheduled to be redelivered to our lessors in the three months ended June 30, 2015. We further expect to add another five previously used aircraft from various lessors between July 2015 and March 2016. If these leases, together with the deliveries under our 2011 and 2015 order, are insufficient to meet our short, medium or long term expansion needs going forward, we may extend additional leases and / or lease additional used aircraft.

On August 14, 2015, we entered into a purchase agreement with Airbus to acquire 250 A320neo aircraft. This agreement has secured a series of scheduled deliveries from 2018 to 2026. As a result, we expect to increase our operating fleet to approximately 154 aircraft, net of retirements, by March 31, 2018.

The table below summarizes the current delivery and return schedules of our aircraft and expected fleet size through fiscal 2018.

	Fiscal Year Ended March 31,							
	2011	2012	2013	2014	2015	2016⁽²⁾⁽³⁾⁽⁴⁾	2017⁽²⁾⁽⁴⁾	2018⁽²⁾⁽⁵⁾

Ending Fleet	39	55	66	77	94	111	134	154

Note:

- (1) Includes the final seven A320s under our 2005 purchase agreement and ten A320s under our 2014 lease of aircraft previously leased by Tiger Airways, all of which have been delivered.
- (2) Anticipated. Fleet figures and delivery and return schedules are subject to potential advancements and deferrals of aircraft deliveries and the terms of our leases with various third-party lessors.
- (3) Includes the final two A320s under our 2014 lease of 12 aircraft previously leased by Tiger Airways, both of which have been delivered, and one previously used aircraft leased from Macquarie, as well as an anticipated five additional used aircraft and nine A320neos under our 2011 purchase agreement with Airbus.
- (4) For fiscal 2016 and fiscal 2017, all A320neo family aircraft deliveries will be made under our 2011 purchase agreement with Airbus.
- (5) From fiscal 2018, all A320neo family aircraft deliveries will be made under our 2011 and 2015 purchase agreements with Airbus.

A320neo Aircraft

We were one of the first airlines globally to order the A320neo aircraft, according to Airbus. Based on currently announced production rates, Airbus has a current backlog of over 5,400 aircraft for the A320 family of aircraft.

The A320neo aircraft incorporate more efficient engines and large wing-tip devices called “sharklets” and deliver improved fuel savings of up to 15% initially and up to 20% by 2020 over current generation A320 aircraft without sharklets, according to Airbus. All of the current generation A320 aircraft delivered to us since January 2013 incorporate sharklets. We expect that the lower operating costs of the A320neo aircraft will allow us to maintain and improve upon the structural advantages that we have over our competition. Our 2011 and 2015 aircraft orders include the right to convert the A320neo aircraft into A321neo aircraft. The A321neo offers increased seating capacity and maximum landing and take-off weight over the A320neo.

We have placed a firm order with Pratt & Whitney for the PW1100G engines for all of the A320neo aircraft we have ordered under our 2011 order and have agreed that Pratt & Whitney will also provide maintenance services in respect of those engines. We are yet to select engines for the A320neo aircraft in our 2015 order.

Sales Channels

Our Navitaire reservation system allows us to host our schedule and ticket inventory on a real-time basis and offer sales through different channels, including our website www.goindigo.in. We do not subscribe to any traditional global distribution system, which helps to limit our distribution costs.

We primarily sell air tickets through travel agents and our website. For the five months ended August 31, 2015, 50.3% of our ticket sales by volume were made through traditional travel agents, 29.1% through online travel agents, 15.3% through our website, 1.8% through our call centers, 1.8% through our airport desks and 1.7% through our mobile platform. For the year ended March 31, 2015, 51.6% of our ticket sales by volume were made through traditional travel agents, 26.4% through online travel agents, 16.1% through our website, 2.9% through our call centers, 1.9% through our airport desks and 1.1% through our mobile platform. We have outsourced our travel agent and corporate sales business to our group company InterGlobe Air Transport Private Limited. Please see the section “*Risk Factors—Risks Relating to Our Company—We have in the past entered into related party transactions and may continue to do so in the future*” beginning on page 26.

We seek to lower our distribution costs by strengthening our direct sales channels, comprised of our website, call centers and on-site airport sales. For instance, we recently upgraded our website to encourage customer use and adjusted the commissions payable to traditional and online travel agents. We have also introduced a mobile app for customers to access our website on Android, Windows and iOS devices.

Traditional Travel Agents and Online Travel Agents

We sell tickets through traditional travel agents and online travel agents. Both traditional and online travel agents make bookings using a designated log-in on our website or application programming interfaces, or APIs, and pay using prepaid credit accounts. In fiscal 2011, 2012, 2013, 2014 and 2015 and the five months ended August 31, 2015, ticket sales made through traditional travel agents represented 51.0%, 51.4%, 53.7%, 53.0%, 51.6% and 50.3%, respectively, of our ticket sales volume and ticket sales made through online travel agents represented 20.2%, 23.0%, 21.6%, 21.7%, 26.4% and 29.1%, respectively, of our ticket sales volume.

We adjusted the commissions paid to traditional travel agents in October 2014, online travel agent in January 2015 and cargo agents in March 2015 to help channel traffic to our website, which will further lower our distribution costs.

Website

Our website, www.goindigo.in, was launched in 2006. Our website is designed to provide a user-friendly interface to our customers and is reviewed and upgraded from time to time. Purchases of tickets by passengers directly via our website represented 17.7%, 17.9%, 18.1%, 17.5%, 16.1%, and 15.3% of our ticket sales volume in fiscal 2011, 2012, 2013, 2014, 2015 and the five months ended August 31, 2015.

Using our website, customers can review the availability and fares of tickets of any of our flights and book, purchase and check-in to their flights. Our website displays fares and booking options for one-way and round-trip reservations. Our fares are displayed in Indian Rupees, U.S. Dollars, British Pounds and Euros, as well as the currencies of our five international destinations. All travel with our airline is paper-ticketless, thereby eliminating costs associated with printing, mailing and modifying paper-tickets, as well as re-issuing lost or stolen paper-tickets. We charge a convenience fee of ₹ 150 for credit cards and ₹ 75 for Net Banking on bookings made on our website to offset the cost involved in online transactions as of August 31, 2015.

In May 2011, we launched our own online travel booking system, which offers business and vacation packages, including air tickets, hotels and tours. In March 2015, we added new features to our website, including allowing customers to book a multi-leg journey using a single passenger name record and a comparison tool to determine the lowest fares between two cities.

Through our website, we also offer our passengers options to pick their own seat, pay for excess luggage charges and in-flight meals at a discounted rate and purchase travel insurance and other ancillary services. On our website, passengers can book cars and hotels for many of the destinations we service through our association with third parties. Please see “—*Ancillary Products and Services*.”

Mobile Sales

We have launched a mobile app for customers on Android, Windows and iOS devices which had over 1.3 million downloads as of August 31, 2015. Our mobile platform allows customers to book flights, check-in, block seats, check flight status and flight schedules in real-time and view in-flight menus. For example, in the week ended August 31, 2015, an average of over 971 bookings were made per day and an average of over 1,386 check-ins per day were done on our mobile platform. Our mobile app includes a guide for each of our destinations. We offer a variety of payment options through our mobile app, including all major debit and credit cards and online fund transfers from bank accounts. Customers also have the option to hold flight bookings and make payments at a later time. Purchases of tickets by passengers directly through our mobile platform represented 0.0%, 0.0%, 0.2%, 0.4%, 1.1% and 1.7% of our ticket sales volume in fiscal 2011, 2012, 2013, 2014, 2015 and the five months ended August 31, 2015

Call Centers and Airport Desks

Our call center operations are outsourced to InterGlobe Technologies Private Limited, a Group Company which operates call centers in Gurgaon and Chennai. Please see the section “*Risk Factors—Risks Relating to Our Company—We have in the past entered into related party transactions and may continue to do so in the future*” beginning on page 26. At each airport in which we operate, we have a dedicated customer service team to assist passengers and customers. Call center and airport representatives use the “Sky Speed Call-Center Reservation System”, which is hosted by Navitaire Inc., to book, cancel or change flight reservations.

Ticket purchases by our passengers through our call centers represented 6.9%, 4.4%, 4.3%, 5.2%, 2.9% and 1.8% of our ticket sales volume in fiscal 2011, 2012, 2013, 2014, 2015 and the five months ended August 31, 2015, respectively. Ticket purchases by our passengers through our airport desks represented 4.2%, 3.2%, 2.2%, 2.2%, 1.9% and 1.8% of our ticket sales volume in fiscal 2011, 2012, 2013, 2014, 2015 and the five months ended August 31, 2015, respectively. We charge a booking fee of ₹ 200 per segment for flight reservations at our call centers and airport desks.

Direct Corporate Sales

We sell tickets directly to corporate customers through a dedicated team of individuals. In fiscal 2011, 2012, 2013, 2014, 2015 and the five months ended August 31, 2015, direct sales to corporate customers through our dedicated team of individuals represented 6.9%, 8.3%, 10.2%, 11.2%, 12.6% and 12.5%, respectively, of our ticket sales volume. In addition, we sell tickets to corporate customers through our designated travel agents.

Payments by Credit and Debit Cards and On-line Transfers

Most of the sales on our website, call centers and airports are paid via credit cards, debit cards and online fund transfers from bank accounts. Our online and airport desk bookings are payable by credit or debit card, allowing us to charge transaction fees. At call centers, customers can pay by credit card using interactive voice response technology for payment security. Alternatively, our customers without a credit or debit card may make a

reservation on our call centre and deliver payment to designated travel agents, called IndiGo fulfillment centers, or to our airport desks within 24 hours of such reservation, except in the last 72 hours before a flight. The agent collects the price to be paid and completes the payment. Travel agents transacting through their agency funds also have to go through a validation and authentication process which ensures no misuse of their funds.

Selling and Distribution

Our strategy is to communicate directly with potential customers and emphasize our low fares and on-time service. In doing so, we primarily advertise our services on our website, through the Internet, television broadcasts and in the print media. We also brand airport facilities including terminals, landmarks and billboards. We use our trademarks to promote our brand (please see “*Government and Other Approvals—VII. Intellectual Property*”) as well as our simple brand message of providing “low fares, on-time flights and a hassle-free experience” to our passengers.

We also develop strategies which are specifically aimed at multinational, online, retail and corporate travel agents. We regularly use email and online campaigns to market our brand to customers as well as traditional and online travel agents. Our advertisements focus on our on-time performance, route map, industry accolades and awards and customer service. We work with a public relations agency and an advertising firm to develop marketing strategies and launch advertisement campaigns, an example of which was our campaign emphasizing our on-time performance. Other marketing activities include the distribution of advertising and promotional material and cooperative advertising campaigns with other travel-related entities, such as online travel agents. Our in-flight catalog is also used for advertising. We also advertise in regional languages to promote our brand name to targeted market segments, especially at the commencement of a new route.

We supplement our advertising expenses by leveraging cost-effective public relations opportunities and being proactive and creative in our various promotions and campaigns. For example, we have run campaigns and advertisements in several newspapers and magazines, as well as on television and billboards. We also periodically run special promotional fare campaigns such as offering discounted seats on new routes to stimulate demand and to encourage visits to our website.

We have a dedicated social media team that actively generates and monitors content on social media platforms. We use social media such as Twitter and Facebook to address customer queries and to communicate information and offers concerning our services to customers. We had 376,442 “likes” of our IndiGo Facebook page and 50,785 followers on Twitter as of August 31, 2015.

This combination of selling and distribution activity enables us to effectively control our selling and distribution costs and ensures continuous reductions in expenses as a percentage of our total expenses. In fiscal 2011, 2012, 2013, 2014 and 2015 and the three months ended June 30, 2015, our selling and distribution costs represented 9.7%, 7.4%, 6.6%, 6.3% 7.0% and 6.4%, respectively, of our total expenses.

Customer Service

It is our strategy to consistently offer low fares and provide reliable service that meets or exceeds our customers’ expectations. We regularly monitor our performance in relation to on-time performance, lost baggage, cancelled flights and customer relations.

We deliver quality in-flight services through our cabin crew who are recruited through a rigorous hiring process and undergo various training courses which are also refreshed annually and comply with guidelines stipulated by the DGCA and our internal performance standards. These training courses include service procedures, customer care, safety and grooming.

We have also implemented several other business practices to enhance our customer service, such as providing step-less and wheelchair-accessible portable boarding ramp facilities, flexibility to select seats prior to departure, the option to pre-pay any excess luggage charges at a discounted rate on our website, and in-flight sales of food, beverages and other merchandise along with the option to pre-pay for food and beverages on our website. We use technology to enhance our customer service, including enabling our passengers to book flights or check flight status via an internet enabled cell phone or on the Internet, as well as equipping our staff with a handheld electronic check-in device known as “Q-busters,” which expedite the check-in process for our passengers.

As a low-cost, no-frills airline, our airline generally does not provide any free in-flight food or beverages. While we provide complimentary food and beverages to our corporate customers, our individual customers are required to pay for food and beverages offered on our flights. Passengers may purchase a range of in-flight meals before or during their flight, the former of which is at a discounted rate. While we do not provide any in-flight entertainment on our flights in order to reduce costs, we offer passengers merchandise for purchase on our flights, such as souvenirs (IndiGo-branded merchandise) and other consumer products.

In addition, as part of our in-flight service experience, we place an emphasis on the maintenance and upkeep of our cabin interiors whereby upholstery and carpeting are regularly checked, repaired or replaced as required.

We have received industry accolades since our inception recognizing our customer service. For instance, we received the award for “Best Low-Cost Airline in Central Asia & India” at SkyTrax World Airline Awards for six consecutive years from 2010 to 2015 and the “Best Operational Excellence Worldwide” award in the large fleet category by Airbus during the A320 Family Symposium in April 2014.

Customer inquiries and complaints are monitored by a dedicated team. We seek to address and resolve complaints and questions as soon as possible.

Ground Operations

Passenger handling is carried out by our employees at all domestic airports that we serve. Passenger handling services include check-in and boarding services. Other airport operations, including security screening of passengers and their carry-on baggage, are the responsibility of the authorities at the airports.

We outsource certain aspects of our ground handling services to third parties (excluding airports in Srinagar, Jammu) including the (i) loading and unloading of baggage, (ii) movement of passengers, crew and towable ground support equipment, (iii) cleaning of aircraft and (iv) fumigation of aircraft (only done at the New Delhi, Mumbai, Kolkata, Bangalore, Hyderabad, Chennai, Jaipur and Ahmedabad airports). The term of these ground handling contracts is generally for one year and generally may be terminated without cause by either party with prior notice.

We pay airport charges each time we land or access facilities at the airports we serve. Depending on the policy of the individual airport, such charges can include landing and parking fees, passenger service charges and security fees. In addition, as stipulated by airport operators, we regularly claim collection charges from passengers for airport levies such as passenger service and user development fees and which are passed on to the respective airport operators.

As part of our low-cost strategy, we seek to negotiate advantageous terms for certain airport charges and other rebates where possible. Additionally, we have sought to make timely payments to all our vendors and suppliers since our inception, which has contributed to discounts on our operational expenses.

Landing fees and enroute charges accounted for 8.4%, 7.2%, 7.6%, 8.0%, 8.7% and 9.7% of our total expenses in fiscal 2011, 2012, 2013, 2014 and 2015 and the three months ended June 30, 2015, respectively.

Flight Operations and Operations Control

We have a centralized operations control center located at our head office in Gurgaon, Haryana which monitors and directs the execution of our flight schedule while making the optimum use of resources.

We are committed to achieving industry leading on-time performance and operations reliability. In fiscal 2011, 2012, 2013, 2014, 2015 and the five months ended August 31, 2015, our airline had an average on-time performance of 85.5%, 89.1%, 91.3%, 88.2%, 86.7% and 83.8%. Furthermore in fiscal 2015, our airline had an average domestic on-time performance of 87.5% at four leading airports (namely New Delhi, Mumbai, Bengaluru and Hyderabad). According to CAPA, this average domestic on-time performance rate is higher than any other Indian carrier at these airports.

In fiscal 2011, 2012, 2013, 2014 and 2015 and the five months ended August 31, 2015, our airline had an operational reliability of 99.93%, 99.93%, 99.94%, 99.94%, 99.95% and 99.95%, respectively, as measured by Airbus.

We use the Airborne Communications, Addressing and Reporting System, or ACARS protocol. ACARS enables the automation of aircraft operational processes and has been shown over many years to contribute towards the efficient operation of aircraft, to the on-time performance and also contributes to cost efficiency.

The role of the operations control center is particularly important during irregular operations, such as fog, technical delays and diversions, to decide on the continuation, diversion or termination of flights. In an emergency situation, the operations control center is responsible for activating an emergency response plan in consultation with the President of the Company. The operations control center includes operations and maintenance controllers, flight dispatchers, crew schedulers, logistics specialists, meteorologists and a social media team.

We use the Integrated Operations Control solution by AIMS to manage all functions in our operations control center, including decision-making concerning crews, aircraft scheduling and passenger load sheets.

Maintenance, Repair and Overhauls

We maintain our aircraft in accordance with standards that meet or exceed Indian regulatory standards. We outsource most of the maintenance of our aircraft and engines. For maintenance of our engines and other aircraft components, we have also entered into several fleet hour agreements with the following counterparties:

- IAE and Pratt & Whitney for comprehensive engine maintenance and spare engines for our A320 and A320neo aircraft, respectively;
- Hamilton Sundstrand (now UTC Aerospace Systems) for auxiliary power units and line replacement units;
- Messier Bugatti for wheels and brakes;
- Air France Industries for various aircraft components including rotables;
- Goodrich Aerostructures (now UTC Aerospace Systems) for nacelles; and
- Honeywell, Thales and Rockwell Collins for certain avionics components.

We outsource C-checks, which are maintenance checks on our aircraft once they have flown 7,500 flight hours, to European Aviation Safety Agency-approved maintenance, repair and overhaul facilities. For C-checks contracts, we aim to achieve the lowest possible costs without compromising on quality by awarding maintenance contracts to third parties through a competitive bidding process. Outsourcing our maintenance check requirements is intended to enable us to enjoy higher levels of economies of scale, providing further operational and cost efficiencies.

We proactively plan all of our engineering and maintenance tasks and generally book slots for C-checks in advance. In addition, we are a DGCA-approved Aircraft Maintenance Organization, and have the required certification and employees with the appropriate training to conduct in-house maintenance up to 7,500 flight hours. While we seek to maintain our fleet in a cost-effective manner, we do not compromise on compliance with regulatory requirements in the areas of maintenance, training or quality control, and we maintain our aircraft in accordance with manufacturer recommendations. In this respect, we have established an engineering and quality assurance department which deals with oversight of all maintenance activities in accordance with DGCA regulations. Our engineering and quality assurance staff are trained and qualified in technical and airworthiness management with relevant aircraft-type training and certification in relation to the maintenance of our aircraft as well as in relation to the maintenance standards set by our third-party lessors.

As of August 31, 2015, we had 1,043 engineering staff, equivalent to 11 engineers per aircraft. Many of our engineering staff are licensed A320 engineers with significant experience in the airline industry.

We use customized software to check the maintenance of our aircraft. We have licensed a customized version of AMOS, a maintenance, repair and overhaul, or MRO, software system from Swiss AviationSoftware Limited, and have also entered into a maintenance contract with Swiss AviationSoftware Limited for regularly upgrading AMOS and providing other support services. Through AMOS, we plan, monitor and manage the maintenance needs of our aircraft. We have also licensed AIRMAN from Airbus, which optimizes the maintenance and troubleshooting of Airbus aircraft and helps us to improve our flight dispatch reliability, reduce our maintenance and operational costs and maintain our fuel-efficiency.

We schedule most of our routine maintenance at New Delhi thereby avoiding additional costs from equipment or personnel duplication. We operate a bonded and environmentally-controlled warehouse at the Indira Gandhi International Airport in New Delhi for storing spare parts and inventory. We currently have enough spare parts and inventory through our maintenance agreements to satisfy our operational needs.

As of August 31, 2015, the average age of our aircraft was 3.7 years. Maintenance expense (including consumption of stores and spares, repairs and maintenance) accounted for 3.0%, 2.8%, 3.1%, 2.9%, 3.3% and 3.3% of our total expenses in fiscal 2011, 2012, 2013, 2014 and 2015 and the three months ended June 30, 2015, respectively.

Managing Fuel Costs

Aircraft fuel is a major cost component for airlines. The cost of our aircraft fuel has fluctuated significantly in recent years, accounting for 47.1%, 51.0%, 51.0%, 50.3%, 46.1% and 39.7% of our total expenses in fiscal 2011, 2012, 2013, 2014 and 2015, and the three months ended June 30, 2015, respectively.

In India, aircraft fuel is currently available for domestic purchase primarily from three government-controlled companies (Indian Oil Corporation Limited, or IOC, Bharat Petroleum Corporation Limited, or BPCL and Hindustan Petroleum Corporation Limited, or HPCL) and two private companies (Shell MRPL Aviation Fuels and Services Private Limited and Reliance Industries Limited). We purchase more aircraft fuel from IOC than any other supplier. IOC fuel expenses accounted for 47.1%, 49.1%, 47.7%, 43.9% 33.9% and 24.6% of our total expenses in fiscal 2011, 2012, 2013, 2014 and 2015 and the three months ended June 30, 2015, respectively.

Pursuant to a government policy allowing Indian carriers to import fuel for their own use, we obtained all necessary approvals and permits and began importing fuel in April 2014 to reduce our dependence on domestic suppliers.

Sales tax on aircraft fuel has been reduced in the states of Andhra Pradesh, Rajasthan, Chhattisgarh, Jharkhand, Odisha, West Bengal, Madhya Pradesh and Maharashtra where we operate. We also receive reductions to the sales tax on aircraft fuel purchased at the Jaipur because we park a minimum of 3 aircraft per night in Jaipur airport. As a result of our growing fleet, we have been able to deploy additional capacity in these markets, resulting in lower fuel expenses.

The cost of aircraft fuel has not been able to be predicted with any degree of certainty. Since our inception, we have not undertaken any forward fuel purchases or other hedging strategies with respect to our fuel purchases. However, we have developed a platform to hedge fuel, which has included, among other things, obtaining necessary governmental approvals and establishing relationships with potential hedging counterparties, if required.

We have implemented the following measures concerning our aircraft which are designed to minimize fuel consumption:

- *Young Fleet:* As of August 31, 2015, the average age of our aircraft was 3.7 years. As of March 31, 2015, the average age of our aircraft was 3.2 years, which, according to CAPA, was the second youngest average fleet age among Indian carriers and one of the youngest fleets of any LCC globally. A young fleet is more fuel-efficient than an older fleet.
- *Sharklets:* All of the A320 aircraft delivered to us since January 2013 are fitted with large wing-tip devices known as “sharklets” which, according to Airbus, reduce fuel consumption compared to A320 aircraft which are not fitted with sharklets.
- *SelectOne Engines:* All of the A320 aircraft delivered to us since September 2008 use IAE SelectOne engines. These engines use various technological advances to reduce aircraft fuel consumption compared to previous IAE engines.
- *Aircraft Weight:* Fuel consumption is directly proportional to the weight of an aircraft. We have sought to reduce the weight of our aircraft by selecting lighter seats and by choosing to not have in-flight entertainment systems.

We have also adopted conservative fuel consumption policies which are communicated to all pilots and engineering staff training procedure. These policies include actions such as carrying fuel sufficient for the entire leg of certain routes in order to avoid having to refuel at airports where fuel is more expensive, refueling in locations with lower sales tax, installing software such as Navtech Flight Planning, which maps a fuel-efficient flight path, restricting the use of auxiliary power units, employing continuous descent approaches and economy cruise speeds, minimizing aircraft weight by removing unnecessary equipment and optimizing engine settings for take-off and climb. In addition, we have adopted fuel policies designed to reduce costs on the ground including the use of the Pratt & Whitney EcoPower Engine Wash process for our engines, the use of ground equipment in place of aircraft auxiliary power units and other engineering protocols. These policies are all designed to optimize fuel productivity and thereby reduce expenses.

Safety and Security

We strive to follow best safety practices and our commitment to safety and security is reflected in the maintenance of our aircraft and engines, the extensive training given to pilots, cabin crew and employees and the strict policies and procedures in compliance with the local regulations, international standards and best practices regarding all areas of our business that are involved with the operation of our aircraft.

Safety

Our commitment to safe operations is apparent through our participation in internationally recognized safety audits and our safety training procedures, investment in safety-related equipment, collection of flight data for analysis and oversight of equipment and use of systems and procedures relating to safety standards.

The International Air Transport Association, or IATA, Operational Safety Audit, or IOSA, program is an internationally recognized and accepted evaluation system designed to assess the operational management and control systems of an airline. Although we are not a member of IATA, we successfully completed an IOSA audit in August 2014. IOSA certification certifies our commitment to meeting international safety standards which helps to reduce our insurance premiums. In addition, we have undergone the Line Operation Safety Audit, or LOSA, conducted by the U.S.-based LOSA Collaborative.

All training programs for our pilots, cabin crew, engineers and dispatchers are approved by the DGCA. Our operation control procedures and flight crew training standards are regularly audited for compliance with Indian legislation by both DGCA and us. We have developed emergency response procedures and regularly conduct drills and training sessions for key personnel.

We have a comprehensive and documented safety management system, including safety procedures and safety-related data collection, which is designed to identify and report hazards or incidents and ensure that our employees understand their responsibility in ensuring safety standards are met. We have installed software on all of our aircraft to report engine performance and maintenance data to our centralized operations control center in Gurgaon. We use the information reported through all reporting systems to carry out risk assessments, manage any identified hazards and improve flight and other operating procedures.

We perform safety audits, inspections, surveys and studies as part of our quality assurance program. We also regularly meet with third parties such as the DGCA, IATA and the Gulf Flight Safety Committee to share information relating to hazards, safety-related matters and best practices. Our safety procedures are established by a safety committee that is chaired by our President and comprises of senior management with responsibility for safety and security matters and the heads of each operating department.

Security

While relevant airport operators are responsible for security screening of checked baggage at Delhi, Mumbai, Hyderabad, Bengaluru, Kochi (International Terminal) and Ahmedabad airports, at all other airports such security screening is undertaken by IndiGo employees. Screening of passengers and their carry-on baggage is the responsibility of the airport security groups such as the Central Industrial Security Force at all airports except within Jammu and Kashmir where the function is performed by the Jammu and Kashmir police department. In addition, our security staff perform secondary ladder point checks for all passengers on flights originating from Jammu, Srinagar, Agartala, Dibrugarh, Guwahati, Imphal and Dimapur as per the Bureau of Civil Aviation Security, or BCAS, requirements, while at other locations these secondary checks are performed during periods of high alert or upon receiving specific information from the BCAS.

All of our potential employees for positions involving implementation of aviation security procedures are recruited in accordance with BCAS guidelines, which include undergoing thorough background checks, including local police or special branch verification, before being permitted access to relevant airports. All security staff are required to undergo mandatory initial and refresher security courses in accordance with IndiGo Security Program (approved by BCAS) and are trained to handle various contingencies such as potential security breaches, dangerous goods, discovery of suspect or prohibited articles, aircraft hijacking, bomb threats and unruly passengers. Appropriate initial and refresher training is also provided to our cockpit and cabin crews with respect to awareness of dangerous goods and related security issues such as handling aircraft hijackings and bomb threat situations.

BCAS oversees security procedures in Indian civil aviation, whereas the DGCA oversees safety procedures in Indian civil aviation. As such, we are governed by the appropriate regulations of BCAS and the DGCA with respect to our operations.

Recruitment and Training

Pilots

Our pilot recruitment criteria are higher than the standards required by the DGCA. Generally, we require our Indian national captains to have a minimum of 2,500 hours of flying experience and 300 hours of command experience and our expatriate captains to have a minimum of 4,000 hours of flying experience and 500 hours of command experience on A320 aircraft. Additionally, we require our pilots to undergo simulator assessment checks in Bengaluru.

We have continuously been able to hire sufficient pilots to keep pace with the expansion of our operations and growth of our fleet. Our average attrition rate for pilots is 6.9% per year from fiscal 2011 to fiscal 2015. As a result of our rotation and training schedules, we average 16 pilots per aircraft as of August 31, 2015.

We recruit experienced pilots who are qualified on the A320. We also hire non-type rated pilots who complete a comprehensive training program to become type-rated. We verify the validity of the qualifications of every pilot that we hire. We have contracts with various DGCA-approved training facilities with full flight simulator training devices, including CAE in Noida, Bengaluru, Dubai, Madrid and Brussels, CTC Aviation Group Limited in the UK and the Flight Simulation Technique Center in Gurgaon. Our pilots also undergo regular training in accordance with our requirements and relevant regulations, together with cockpit resource management and other safety equipment and emergency procedure training.

No separate type-rating is required for an A320 type-rated pilot to operate an A320neo aircraft. According to Airbus, a half-day ground course is sufficient for an A320 type-rated pilot to transition to A320neos.

Cabin Crew

We have formulated and implemented a recruitment policy for our cabin crew. We consider educational qualifications, communication skills and personality traits of every candidate, and we recruit candidates who have clear speech, a positive attitude and mindset and exhibit courteous behavior.

All of our cabin crew undergo an initial program of training called “Ab initio” training, irrespective of their previous experience, at our in-house training facility ‘ifly’ in Gurgaon. Courses include safety equipment and emergency procedure training, first aid, cabin familiarization, in-flight announcements, grooming, customer service and in-flight selling skills. Certain safety and regulatory components of this program have been approved by the DGCA.

Our cabin crew also undergo training in areas such as crew resource management, the handling of dangerous goods and disruptive passengers and security awareness courses. Our cabin crew are also required to attend recurring courses on first aid and safety equipment and emergency procedure every year.

Employees

As of August 31, 2015, we had 11,168 employees, including 1,548 pilots, 2,720 cabin crew, maintenance and overhaul personnel, ticketing and sales personnel and other personnel. We are adequately staffed not only for

our current operations but also for our anticipated future growth. In addition, we have retained a number of third-party consultants to provide various services to us on a contractual basis. Furthermore, we contract with vendors to provide various services at the airports where we operate, including baggage loading and unloading, aircraft cleaning, wheelchair assistance and other services.

We strive to maintain a low ratio of employees per aircraft. Our number of employees per aircraft as of March 31, 2011, 2012, 2013, 2014 and 2015 and August 31, 2015 was 92, 90, 105, 106, 112 and 115, respectively. As of August 31, 2015, we had 115 total employees per aircraft, including 16 pilots and 28 cabin crew. To reduce our operating expenses, we have reduced our dependence on expatriate pilots. Expatriate pilots comprised 6.1% of our total pilots as of August 31, 2015.

Our staff remuneration policy focuses on maximizing efficiency and productivity while keeping our staff motivated and committed to our Company. We offer our management and administrative employees a range of incentives and loyalty bonuses.

In addition to industry competitive base compensation, we also provide sector pay in relation to hours flown for all flight crew. Flight crew may also qualify for other loyalty and profit related bonus schemes. Additionally, our cabin crew receive commissions for in-flight sales.

Employees of our airline are not members of any labor union. We have not experienced any labor strikes or work stoppages since our inception.

Our continued success depends, among other factors, on the support and dedication of our management personnel and other employees. We have in place human resource strategies which include competitive compensation, fit-for-purpose recruitment and a succession plan.

We motivate and retain our staff by offering a competitive salary to our employees as well as other performance-based incentives such as retention bonus to pilots and periodic rewards and recognition for all employees. We constantly work towards developing employee growth opportunities that make the profession of flying satisfying for all those employed by our airline. We also provide counseling service for our employees for work-related and personal issues through third-party service providers. InterGlobe Group's employee-centric culture is also evident from the selection of InterGlobe Enterprises (which includes employees of our airline), as one of "India's Best Companies to Work For" for eight years in a row from 2008-2015 by Great Place to Work Institute India.

Employee benefits accounted for 9.1%, 9.1%, 8.2%, 8.4%, 9.5% and 11.3% of our total expenses in fiscal 2011, 2012, 2013, 2014 and 2015 and the three months ended June 30, 2015, respectively.

Information Technology

Information technology is an essential element of our business infrastructure. We invest in information technology as its use directly lowers cost, enables scalable operations, improves efficiency, reduces business continuity risks and enables a secure enterprise.

We have entered into a hosted services agreement with Navitaire, which provides us with reservation and inventory management, online booking system, revenue management, departure control and website hosting service. Our key operating systems include "New Skies" and "Sky Price" by Navitaire for our reservations inventory and revenue management; SAP for Financial Management; AIMS for aircraft scheduling and crew management; NFP from Navtech for flight planning and AMOS to manage maintenance and repairs. Additionally, Microsoft Dynamics solution has been implemented to support our customer services team in their direct interactions with customers.

We utilize internally developed analytics solutions to integrate data across various systems in order to drive business decisions across revenue management, network planning, cargo management, financial management, human resources and operations management. We also use analytics to analyze behavioral data on our customers obtained through our website, mobile app, social media and call centers to improve our customer service and ascertain potential opportunities to up and cross sell to our customers.

In view of our large technology enabled processes, we have established disaster recovery procedures through a backup data center providing redundancy across key technology services. To ensure that our group is enabled

with a world-class infrastructure at the lowest cost of operations, a consolidation of data centers is underway. This will provide constant support and robust security to critical IT infrastructure across our group.

Competition

We face intense competition from other LCCs as well as full-service passenger airlines that operate on our routes. In addition, passenger airlines in India face competition from other modes of low-cost transportation, such as rail travel. Our principal competitors include (in alphabetical order) Air India (including Air India Express and Alliance Air), AirAsia India, GoAir, Jet Airways (including the former Jet Lite/Konnect brands), SpiceJet and Vistara. The intensity of the competition we face varies from route to route and depends on a number of factors, including the strengths of competing airlines and other modes of transportation. Please see the chapter “*Industry Overview*” beginning on page 140.

Intellectual Property

We utilize four trademarks, namely, “IndiGo Airways,” “IndiGo Airlines,” “IndiGo” and “IndiGo Air,” which are registered in the name of InterGlobe Aviation Limited. Additionally, we have made applications for trademarks relating to the registration of various marks for “IndiGo Light” (under classes 9, 16 and 39), “IndiGo Special” (under classes 9, 16 and 39), “Piece of Cake” (under class 30), “Chicken Jungle” (under class 30), “Nut Case” (under class 29), “Straight from the heart” (under class 41), “Corny Chips” (under class 30) and  (under classes 9, 16 and 39), “6E Link” (under Classes 9, 16, 35 and 39), “6E PASS” (under Classes 9, 16, 35 and 39), “6E PLUS” (under Classes 9, 16, 35 and 39) and  (under Classes 9, 16, 35 and 39).

InterGlobe Enterprises made an application for the registration of the mark “6E” filed under class 16, class 18, class 25, 29, 30 and class 39. IGE subsequently made an application for assignment which was allowed, and the mark stands assigned in favor of our Company.

We have obtained registration of copyrights of four artistic works relating to IndiGo marks. One application in respect of an artistic work relating to IndiGo mark is pending with the relevant authorities for issuance of the registration certificate but the copyright registration has been accepted by the relevant authorities. Please see the chapter “*Government and Other Approvals—VII. Intellectual Property*” beginning on page 457.

We have also obtained registration for various domain names, including our website, www.goindigo.in.

Property

We are headquartered in Gurgaon, Haryana. We have taken various premises in India on rent, lease or leave and license basis which can be classified as:

- airport premises; and
- commercial premises.

We have leased premises and work spaces in each of the airports where we operate, including:

- check-in counters;
- ticketing counters;
- back-up offices; and
- areas on the ramp for equipment storage and related purposes.

The extent of space and facilities that we lease at each airport is determined by our current operations and the expected growth of our operations. The extent of space that we lease also depends on the space an airport can offer.

We have leased space for our engineering operations at some of the key airports where we operate. For example, we have paid a deposit of ₹ 2.57 crores to Delhi International Airport Limited for land allotted to us. We have

also leased a hangar office space and a warehouse at the Indira Gandhi International Airport in New Delhi, as well as apartments for our staff.

Lease payments at airports are specified by the AAI and vary according to usage, location of the airport and amenities available at such premises. We are responsible for the renovation, furnishing and maintenance of such premises, and for the payment of utilities. Agreements with the AAI for such premises are typically long-term. For privately operated airports where we have operations, we lease space from the respective operators of such airports.

We have a corporate office and training facility named 'ifly' in Gurgaon as well as other warehouses in New Delhi on lease.

Insurance

We are exposed to potential significant losses in the event that any of our aircraft is subject to an accident, terrorist incident or other disaster. Any such accident or incident could involve costs related to repairs or replacement of a damaged aircraft and its temporary or permanent loss from service. In addition, an accident or incident could result in significant legal claims against us arising from death or injury affecting passengers and others, including ground victims.

Our insurance coverage is in line with industry practice and relevant regulatory and aircraft lessor requirements. We maintain passenger liability insurance, employer liability insurance, aircraft insurance for aircraft loss or damage, and other business insurance in amounts per occurrence consistent with industry standards and, in line with industry practice, we leave some business risks uninsured including business interruptions, loss of profit or revenue and consequential business losses arising from mechanical breakdown. Please see the section "*Risk Factors—Risks Relating to Our Industry—We are exposed to certain risks against which we do not insure and may have difficulty obtaining insurance on commercially acceptable terms or at all on risks that we insure against today*" beginning on page 47.

Corporate Social Responsibility Initiatives

In our continued efforts to make a difference to society, we undertake corporate social responsibility initiatives with a focus on children, education, environment and the empowerment of women.

The Ministry of Corporate Affairs, India has notified Section 135 and Schedule VII of Companies Act 2013 along with the Companies (Corporate Social Responsibility Policy) Rules, 2014 which came into effect from April 1, 2014. Our corporate social responsibility policy is in compliance with these new guidelines and rules. Our board of directors has constituted a Corporate Social Responsibility committee. Please see the chapter "*Our Management—Corporate Social Responsibility Committee*" beginning on page 225.

IndiGoReach is the title for corporate social responsibilities projects and programs of IndiGo. Under our corporate social responsibility initiatives, we contribute towards various social activities including but not limited to programs such as (i) employment opportunities for under-privileged sections of society and contributing towards their betterment in association with non-governmental organizations, (ii) programs for women empowerment and for protecting and maintaining the quality of environment, (iii) promoting education and employment opportunities, and (iv) protection of national heritage, art and culture including restoration of buildings and sites of historical importance and works of art.

KEY INDUSTRY REGULATIONS AND POLICIES IN INDIA

A brief overview of certain laws and regulations that are relevant to our business are as follows. The information detailed below has been obtained from various legislation, including rules and regulations promulgated by regulatory bodies, and by local authorities that are available in the public domain. Please note that the information set out below is based on legal provisions that are subject to change and is neither exhaustive nor a substitute for professional legal advice. Prospective investors should seek independent legal advice on the laws and regulations applicable to our business and the sectors in which we operate. For details of government approvals obtained by us, please see the chapter “Government and Other Approvals” beginning on page 441.

Except as otherwise specified in this Red Herring Prospectus, taxation statutes including the Income Tax Act, 1961, Central Sales Tax Act, 1956, Service Tax under the Finance Act, 1994, and applicable local sales tax statutes, and other miscellaneous regulations and statutes apply to us as they do to any other Indian company. The statements below are based on the current provisions of Indian law, and the judicial and administrative interpretations thereof, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions.

Regulatory Regime in India

The GoI has formulated various regulations which specifically apply to companies operating in the aviation sector. These regulations affect various aspects of our business, including the acquisition, maintenance and operation of our aircraft, the destinations and routes we are able to access, and the personnel we retain or engage. Some of the key industry regulations and the roles of the regulator(s) appointed/constituted thereunder, are discussed below.

Laws Relating to the Aviation Industry

The primary legislation governing the aviation sector in India is the Aircraft Act, 1934 (“**Aircraft Act**”) and the Aircraft Rules, 1937 (“**Aircraft Rules**”) enacted pursuant to the Aircraft Act. These legislations empower various authorities, including the Ministry of Civil Aviation (“**MoCA**”) and Directorate General of Civil Aviation (“**DGCA**”), to regulate aircraft operations in India. In addition, the following are some of the important laws applicable to entities, like us, which provide scheduled and non-scheduled air transport services in India:

- **The Airports Authority of India Act, 1994:** a statute creating the Airports Authority of India (“**AAI**”), and providing for the administration and cohesive management of aeronautical communication stations, airports, and civil enclaves where air transport services are operated or are intended to be operated;
- **The Carriage by Air Act, 1972:** a statute giving effect to the Convention for the Unification of Certain Rules Relating to International Carriage by Air (“**Warsaw Convention**”) signed at Warsaw on October 12, 1929 (as amended by the Hague Protocol on September 28, 1955) and acceded to by India. India has also extended the provisions of this statute to non-international carriage by air. The Warsaw Convention lays down certain principles relating to international carriage by air such as luggage ticket, air consignment note, passenger ticket and liabilities of the carrier;
- **The Tokyo Convention Act, 1975:** a statute giving effect to the Convention on Offences and Certain Other Acts Committed on Board Aircraft (“**Tokyo Convention**”), signed at Tokyo on September 14, 1963 and acceded to by India. The Tokyo Convention lays down the principles relating to penal offences and acts, whether or not offences, committed to jeopardize the safety of the aircraft or of persons or property therein or which jeopardize good order and discipline on board. The Tokyo Convention is not applicable to aircraft used in military, customs or police services;
- **The Anti-Hijacking Act, 1982:** a statute giving effect to the Convention for the Suppression of Unlawful Seizure of Aircraft (“**Hague Convention**”) signed at The Hague on December 16, 1970 and acceded to by India. The Hague Convention lays down the principles against hijacking to be followed by the signatories;
- **The Suppression of Unlawful Acts against Safety of Civil Aviation Act, 1982:** a statute giving effect to the Convention for the Suppression of Unlawful Acts against the Safety of Civil Aviation (“**Montreal Convention**”) signed at Montreal on September 23, 1971 and acceded to by India. The Montreal Convention regulates the law relating to unlawful acts against the safety of civil aviation that jeopardize the

safety of persons and property, seriously affect the operation of air services, and undermine the confidence of the peoples of the world in the safety of civil aviation;

- **The Airports Economic Regulatory Authority of India Act, 2008:** a statute regulating tariff and other charges for the aeronautical services rendered at airports, and to monitor performance standards of airports;
- **The Cape Town Convention on International Interests in Mobile Equipment (“Cape Town Convention”):** a treaty designed, among other things, to facilitate asset-based financing and leasing of aviation equipment signed at Cape Town on November 16, 2001 and acceded to by India. In addition to the Cape Town Convention, the Cape Town Protocol on International Interests in Mobile Equipment, which elaborates on registration of contract of sale, and remedies on insolvency, and modifies certain provisions of the Cape Town Convention; and
- **The Convention on International Civil Aviation, 1944 (“Chicago Convention”):** a treaty to establish the rights of the signatory states over their territorial airspace signed at Chicago on December 7, 1944 and acceded to by India. It lays down the basic principles relating to modern international civil aviation and international transport of dangerous goods by air. The Chicago Convention also established the International Civil Aviation Organization (“ICAO”), a specialized agency of the United Nations, which administers the principles of the Chicago Convention and puts into practice the rules and regulations that would underline them.

In addition to the above enactments and the Aircraft Rules, air transport services in India are governed by other rules, including:

- The Indian Aircraft (Public Health) Rules, 1954;
- The Aircraft (Demolition of Obstructions Caused by Buildings, Trees, etc.) Rules, 1994;
- The Aircraft (Carriage of Dangerous Goods) Rules, 2003;
- The Aircraft (Security) Rules, 2011; and
- The Aircraft (Investigation of Accident & Incidents) Rules, 2012.

In addition to the above, laws relating to direct and indirect taxation, environmental and pollution control regulations, intellectual property, labour and employment-related legislation, etc., apply to us, as they apply to all industries. We are required to obtain various consents, approvals and permissions prior to or during the course of our operations under the aforesaid laws.

Regulators

Domestic aviation in India is jointly regulated by several Government departments and regulators, including the MoCA and its attached office, the Bureau of Civil Aviation Security (“BCAS”) – which is the central agency for aviation security; the DGCA (also an attached office of the MoCA) – which is responsible for the regulation of air transport services in India and for the enforcement of civil air regulations, air safety and airworthiness standards; and the AAI – which is responsible for the infrastructure in respect of airports.

MoCA

The Ministry of Civil Aviation (“MoCA”) is responsible for formulation of national policies and programmes for the development and regulation of the civil aviation sector in the country. It is responsible for the administration of the Aircraft Act, the Aircraft Rules, and various other legislations pertaining to the civil aviation sector in India.

The MoCA has issued a policy on Regional and Remote Area Connectivity dated March 4, 2014 which aims to regulate and promote better air transportation services in regional and remote locations in India by providing incentives like exemption from landing and parking charges, waiver of electricity charges, etc.

The MoCA has also issued “*Policy Guidelines on Air Freight Stations*” dated October 28, 2014 to develop air freight stations in order to de-congest airports by shifting cargo and custom related activities outside airport areas and promote international air cargo operations in remote regions of the country.

With an aim to develop and improve airports, cargo sectors, maintenance, repair and overhaul facilities, and helicopter aviation, rationalize the cost of ATF, enhance regional connectivity, modernize the Air Navigation Services (“ANS”) and introduce overall institutional reforms in the civil aviation space, the MoCA has released a Draft of the Civil Aviation Policy on November 10, 2014 for comments and suggestions from various stakeholders. The draft Civil Aviation Policy provides for the development of low cost airports to promote growth of aviation in tier 2 and tier 3 cities.

DGCA

The DGCA is the principal regulatory authority for the civil aviation sector in India. The DGCA, among other things, promulgates, implements and monitors standards relating to the operations and airworthiness of an aircraft, licensing of personnel such as flight crew, cabin crew, flight dispatchers and aircraft maintenance engineers, licensing of air transport operations, licensing of civil aerodromes, investigation of minor accidents, etc. The detailed terms and conditions of these standards, including, without limitation, the authorities involved, the application processes and the requirements of renewal are prescribed by the Aircraft Act, the Aircraft Rules, Civil Aviation Requirements (“CAR”), Air Transport Advisory Circulars (“ATAC”), Aeronautical Information Circulars (“AIC”) and other circulars and advisory circulars.

Among other things, the DGCA is responsible for the following:

- **Aircraft registration:** The DGCA is responsible for registration of all civil aircraft in India. Rule 30 of the Aircraft Rules empowers the DGCA to register aircraft and to grant certificate of registration in India;
- **Certificate of airworthiness:** Rule 15 of the Aircraft Rules requires all aircraft registered in India to possess a current and valid certificate of airworthiness before they are flown. Under the provisions of Rule 50 of the Aircraft Rules, the DGCA issues/renews or revalidates the certificate of airworthiness;
- **Grant of approval to maintenance and other organizations:** Pursuant to Rule 133B of the Aircraft Rules, the DGCA certifies organizations for maintenance of aircraft, design and manufacture of aircraft and aircraft components, laboratories, training schools, etc.;
- **Continuing airworthiness information:** The Civil Aviation Requirement Series M (“CAR-M”) issued by the DGCA mandates compliance with modifications incorporated in an aircraft, aircraft component and other equipment by manufacturers to maintain the aircraft in an airworthy condition. These mandatory modifications or inspections once received by the DGCA are notified to aircraft operators, who, in turn, are required to comply with such mandatory modifications / inspections. With effect from July 31, 2010, the CAR-M provides common technical standards and guidelines for continued airworthiness of an aircraft and its components. The CAR-M specifies certain technical requirements to be complied by organizations and personnel involved in the maintenance of aircraft and aeronautical products, parts and appliances, in order to demonstrate the capability and means of discharging the obligations and associated privileges thereof. The CAR-M also specifies conditions for issuing, maintaining, amending, suspending or revoking certificates attesting such compliance;
- **Civil Aviation Requirement Series 145 (“CAR-145”):** The CAR-145 issued by the DGCA requires mandatory approvals of organizations involved in the maintenance of large aircraft or of aircraft used for commercial air transport, and components intended for fitment. The CAR-145 lays down certain facility and personnel requirements to be complied by organizations and personnel who are qualified to carry out and / or certified non-destructive test of aircraft structures and/or components, on the basis of a standard recognized by DGCA.
- **Grant of air operator’s permits:** The DGCA, under the provisions of Rule 134 of the Aircraft Rules and in accordance with and subject to provisions contained in Schedule XI, grants permission to persons to operate air transport services to, within, and from India. The air transport services that may be offered are:
 - a) Scheduled Air Transport Services (Passenger) (CAR Section 3 Series ‘C’ Part II);
 - b) Non-Scheduled Air Transport Services (Passenger) (CAR Section 3 Series ‘C’ Part III);
 - c) Air Transport Services (Cargo) (CAR Section 3 Series ‘C’ Part IV); and
 - d) Scheduled Regional Air Transport Services (CAR Section 3 Series ‘C’ Part VIII).

These permits, except for Air Transport Services (Cargo) are equivalent to the Air Operator's Certificate required to be granted by ICAO member states. Details pertaining to the grant of Scheduled Air Transport Services permits are discussed in the chapter "*Government and Other Approvals*" beginning on page 441.

- **Grant of licenses to crews and personnel involved in the operation and maintenance of aircraft:** The DGCA grants approvals and licenses to certain personnel such as flight crew, cabin crew, flight dispatchers and aircraft maintenance engineers.
- **Slots:** The DGCA approves flight schedules at least 30 days in advance. Departure slots are determined by the DGCA.

Regulations applicable to our business:

We are engaged in providing scheduled air transport services in India. Companies engaged in providing these services are required to obtain the corresponding permit to Operate Scheduled Air Transport Services from the DGCA.

Operation of scheduled air transport services

A '*scheduled air transport service*' means an air transport service undertaken between two or more places and operated according to a published time-table or with flights so regular or frequent that they constitute a recognizably systematic series, with each flight being open to use by members of the public.

Permission to operate scheduled air transport services in India is only granted to:

- a citizen of India; or
- a company or a body corporate that is registered and has its principal place of business within India, and whose chairman and at least two-third of its directors are citizens of India, and with its substantial ownership and effective control vested in Indian nationals.

The eligibility requirements for such operating permit also include certain requirements relating to a minimum paid-up equity capital, a minimum number of aircraft, adequate number of aircraft maintenance engineers, adequate maintenance and repair facilities, adequate number of flight crew and cabin crew, security personnel, flight dispatchers and adequate ground handling facilities and staff.

Airports

There are three categories of airports in India:

- a) International airports from where international flights can operate;
- b) Domestic airports from where only domestic flights can operate; and
- c) Customs airports where imported goods can be unloaded or goods can be exported from.

The AAI manages all airports in India other than certain private airports which are managed by private operators either independently or along with the AAI and certain military airports that are managed by the Ministry of Defence. The AAI also administers the use of terminal building facilities at military airports by civilian aircraft, while air traffic control ("**ATC**") and scheduled clearances at these airports are the responsibility of the defense authorities.

Airlines are required to pay the AAI, private operators, Ministry of Defence, as the case may be, terminal, landing and navigation charges; route navigation and facility charges; landing and parking charges; other charges including but not limited to x-ray baggage charges, passenger services fee, user development fee, service charges for extension of watch hours. Airlines are dependent on airport operators to lease space for passenger services, parking facilities, engineering and dispatch facilities and administrative offices.

Foreign ownership restrictions

Foreign investment in Indian securities is regulated through the Industrial Policy, 1991, the FDI Policy of the GoI, which is consolidated and updated by the GoI on an annual basis, and FEMA. While the Industrial Policy and the FDI Policy of the GoI prescribe the limits and the conditions subject to which foreign investment can be

made in different sectors of the Indian economy, FEMA regulates the manner in which such investment may be made. The Government has from time to time also made policy pronouncements on FDI through press notes and press releases, which have been, and are, consolidated into the FDI Policy.

Currently, under the provisions of FDI Policy and AIC No. 12/2013, a company in the aviation sector and involved in 'Scheduled Air Transport Services' / 'Domestic Scheduled Passenger Airlines' can have FDI up to 49% (and 100% for FDI from NRIs) under the automatic route; and a company providing 'Non-Scheduled Air Transport Services' can have FDI up to 74% (and 100% for FDI from NRIs), of which, up to 49% is under the automatic route and beyond 49% and up to 74% is under the approval route.

In addition, the FDI Policy and the AIC No. 12/2013 prescribe the following conditions:

Restriction on FDI by foreign airlines

- Foreign airlines are allowed to invest up to the limit of 100% in the equity of companies operating cargo airlines, helicopter and seaplane services, under the automatic route.
- Foreign airlines are also allowed to invest in the capital of Indian companies operating scheduled and non-scheduled air transport passenger services, other than Air India, up to the limit of 49% of their paid-up capital, subject to the following conditions:
 - a) the investment must have prior Government approval;
 - b) any FDI and FII/FPI investment in the company would be included in calculating the 49% limit;
 - c) the investment must comply with the relevant and applicable regulations of SEBI, including the ICDR Regulations and the Takeover Regulations;
 - d) all foreign nationals likely to be associated with Indian scheduled and non-scheduled air transport services, as a result of such investment must be cleared from security view point before deployment;
 - e) all technical equipment that might be imported into India as a result of such investment must have the clearance from the relevant authority in the MoCA; and
 - f) all other requirements for operating a scheduled air transport service, as above.

The AIC No. 12/2013 also sets out the following guidelines in connection with investment by foreign entities / airlines:

- only such scheduled passenger operators and non-scheduled passenger operators which are companies registered under the Companies Act, 1956 / Companies Act, 2013 can avail FDI by foreign airlines;
- positions of the chief executive officer, chief financial officer and chief operating officer, if held by foreign nationals, require security clearance by the Ministry of Home Affairs, Government of India;
- a scheduled air transport service / domestic scheduled passenger airline cannot enter into an agreement with a foreign investing institution or a foreign airline which gives such institution or airline the right to control the management of the domestic operator; and
- a foreign investing institution or other entity that proposes to hold equity in the domestic air transport sector may have representation on the board of directors of a domestic airline company, but such representation shall not exceed one-third of the total strength of such board.

Further, the total holding of all FII/FPIs together with their sub-accounts in an Indian company is subject to a cap of 24% of the paid-up capital of the company, which may be increased up to the percentage of sectoral cap on FDI in respect of such company pursuant to a resolution of the board of directors of the company and the approval of the shareholders of the company by a special resolution in a general meeting. The total holding by each FII/FPI and its sub-account should not exceed 10% of the total paid-up capital of that company.

Regulations applicable to our fleet:

Acquisition and lease of aircraft

The acquisition of aircraft and their use for scheduled airline operations requires that we obtain various permissions, approvals and consents. The import of aircraft requires a general “in-principle” approval from the MoCA and subsequently a specific NOC from the DGCA.

Further, permission from the RBI is required for foreign currency financing arrangements for the acquisition of aircraft. Prior RBI permission is also required for leasing of aircraft where such lease provides an option to purchase the aircraft after the expiry of the term of the lease. For aircraft that are in operation elsewhere prior to their import by us, export certificates of airworthiness and certificates of deregistration are required from the regulators in the country of export prior to their import into India. Following the import of aircraft into India, further permissions, particularly in connection with registration of the aircraft, certification of their airworthiness, and an issue or extension of the permit to operate air transport services for scheduled commercial operations must be obtained and maintained in order for them to be inducted into our fleet and used for our operations. In addition to the above, our Company is also required to obtain and maintain adequate levels of insurance for its scheduled commercial operations, including among others:

- insurance for passengers, baggage, crew and cargo;
- hull loss and third party risk; and
- any other conditions specified by the DGCA.

Under the applicable regulations, aircraft imported for scheduled commercial operations must comply with various functional requirements prior to their certification. These include limitations on maximum permissible age, type of aircraft that may be imported, installation of prescribed instrumentation and safety equipment and restrictions specific to the nature of the arrangement under which aircraft are leased.

Regulations governing our operations

During the course of our scheduled commercial operations, we are required to have various aspects of our operations, including our bi-annual flight schedules, approved by the DGCA.

Route dispersal guidelines

An airline providing scheduled services on domestic sectors in India is required to comply with Route Dispersal Guidelines as set forth by the Government in March 1994. These guidelines classify city pairs into the following categories:

- Category I, which covers 12 city pairs connecting metropolitan cities (Mumbai – Bengaluru, Mumbai – Kolkata, Mumbai – Delhi, Mumbai – Hyderabad, Mumbai – Chennai, Mumbai – Thiruvananthapuram, Kolkata – Delhi, Kolkata – Bengaluru, Kolkata – Chennai, Delhi – Bengaluru, Delhi – Hyderabad and Delhi – Chennai);
- Category II, which covers routes connecting the North-Eastern Region, Jammu and Kashmir, Andaman and Nicobar Islands and Lakshadweep with cities in Category I and Category III routes;
- Category IIA, which covers city pairs within the North-Eastern Region, Jammu and Kashmir, Andaman and Nicobar Islands, Lakshadweep, and Cochin – Agatti – Cochin; and
- Category III, which covers any city pair that does not fall in Categories I, II and IIA.

The Route Dispersal Guidelines require airlines providing scheduled services on domestic sectors in India to operate in the following manner if they are deploying capacity on Category-I routes:

- On Category II, at least 10% of the capacity deployed on Category I routes; and
- On Category IIA, at least 10% of the capacity deployed on Category II; and
- On Category III, at least 50% of the capacity deployed on Category I routes.

All airlines are free to operate anywhere in the country subject to compliance with the Route Dispersal Guidelines. The DGCA monitors compliance with the Route Dispersal Guidelines on a monthly basis. Further, pursuant to CAR Section 3 Series 'M' Part IV, issued by the DGCA on August 6, 2010, the DGCA has made it mandatory for airlines to pay the passengers compensation for delay and cancellation of flights or in case the passengers were denied boarding despite having a confirmed ticket. Though airlines are exempted from paying compensation in certain cases like political instability, natural disaster, civil war, insurrection or riot, flood, explosion, government regulation or order affecting the aircraft, delays attributable to the ATC, meteorological conditions and security risks, they are liable to pay passengers a compensation of ₹ 2,000 to ₹ 4,000 or the value of the ticket, whichever is lower for flight delays between two to four hours and to provide certain other facilities. Additionally, passengers must be offered a refund of the air ticket, a ticket for a flight to the first point of departure or alternative transportation. In case of cancellation of flights, the CAR makes it mandatory for the airlines to inform the passengers about it three hours in advance from the scheduled departure of the flight to reduce inconvenience to them.

Bilateral Air Services Agreements

Our international operations are also subject to the bilateral air services agreements signed between India and the countries of the international destinations we fly to. These bilateral agreements govern the international commercial air transport services covering issues such as capacity, aviation security, safety, and air worthiness. These agreements oblige us to abide by the laws related to civil aviation of the respective countries.

Regulations governing our personnel

Personnel employed in our operations, including, our flight crews, flight dispatchers, cabin crews and engineering personnel engaged in maintenance are required to be approved or licensed by the DGCA.

In addition to the above requirements, certain clearances are required for scheduled airlines prior to appointment of various personnel, including:

- security clearance for foreign pilots and engineers are required to be obtained under the Civil Aviation Requirements, Section 7, Series 'G' Part II issued on October 8, 1999; and
- security clearance for the chairman and directors of all scheduled airline operators are required to be obtained under the Civil Aviation Requirements, Section 3, Series 'C' Part II issued on March 1, 1994.

Clearances from the BCAS are also required to permit our personnel to access airports.

Flight crew

All of our flight crews are required to obtain aircraft type specific licenses from the DGCA prior to the operation of aircraft. These licenses are to be renewed on a periodic basis. Our flight crews are also required to undergo proficiency and medical checks on a regular basis in order to keep their licenses current.

In addition, our flight crews may also need to satisfy specific requirements in connection with certain types of specialized operations like Reduced Vertical Separation Minima ("RVSM") operations, offshore operations, banner towing, etc. Our air crew training program is required to be approved by the DGCA.

Cabin crew

Our cabin crew is required to be trained on specific aircraft, and our cabin crew training documentation is required to be approved by the DGCA.

Regulations governing engineering and maintenance

Our Company requires the approval of the DGCA for its maintenance operations. Further, all Aircraft Maintenance Engineers ("AME") employed in connection with our engineering and maintenance operations must be licensed or approved by the DGCA for carrying out their specific maintenance and certification roles. These licenses or approvals are required to be renewed on an annual basis. Recurrent training of these personnel is also required to ensure compliance with proficiency requirements.

Further, our quality control documentation is required to be approved by the DGCA. We are required to maintain certain basic maintenance facilities for our aircraft in order to qualify for a permit to provide scheduled air transport services. Consequently, we have obtained approvals from the DGCA to provide different levels of maintenance services for our fleet at various locations. We are required to renew these approvals on an annual basis.

Regulations governing security

We are required to comply with BCAS requirements when training our airport-based security personnel, and our security documentation must be approved by the BCAS. We are also required to obtain BCAS approval for our security arrangements at each airport prior to commencing our operations.

Regulations governing safety

We are required to designate competent and qualified pilots as Director/Chief of Operations and Director/Chief of Flight Safety. These pilots are responsible to the DGCA for ensuring compliance of all operational requirements and ensuring adherence to flight safety norms. Their duties and responsibilities are required to be clearly laid out in the operations manual. We are required to have a dedicated flight safety department with an adequate number of competent personnel for the implementation of the flight safety awareness, accident/incident prevention program, and reporting system.

Regulations governing quality assurance

We are required to have a quality assurance system to carry out internal audits of our maintenance activities. We are also required to appoint a quality control manager whose appointment has to be approved by the DGCA. Further, we are also required to designate a quality manager who has the corporate authority to ensure compliance of our Company's maintenance operations with DGCA requirements.

Labour and other laws

India has stringent labour legislation protecting the interests of employees. There is a clear distinction between (i) employees who are 'workmen' (as defined under various enactments, including, the Industrial Disputes Act, 1947 (the "IDA") and (ii) employees who are not 'workmen'. Workmen are provided several benefits and are protected under various labour laws, whilst non-workmen employees are generally not afforded such benefits or protection, except in relation to bonus, provident fund and gratuity. Employees are usually subject to the terms of their employment contracts with their employers, which are subject to the provisions of the Indian Contract Act, 1872.

The following are certain labour and other legislations that apply to the Company owing to the nature of its activities:

- a) Contract Labour (Regulation and Abolition) Act, 1970;
- b) Copyright Act, 1957;
- c) Employee's Compensation Act, 1923;
- d) Employees Provident Fund and Miscellaneous Provisions Act, 1952;

Environment

The DGCA has, *vide* its various environment circulars issued from time to time, mandated adoption of several measures by the airlines, airport service providers and airports to ensure environment protection. Provided below are brief details of some of the key circulars:

- The DGCA, *vide* environment Circular 1 of 2009, dated September 16, 2009 and subsequently revised on August 10, 2011, has mandated creation of an environment cell for all scheduled airlines, non-scheduled airlines, airport service providers and private airports in order to address aviation related environmental issues. Additionally, *vide* environment Circular 2 of 2013, to establish a comprehensive approach to address aviation related climate change challenges, the DGCA has prescribed that all scheduled airlines and airport operators with more than 50,000 movements per year shall set up an aviation environment cell within their respective organizations and with more than 10,000 movements per year shall track their own carbon footprint on annual basis to monitor the emission trends of their respective organizations.
- The DGCA, *vide* environment Circular 1 of 2010, issued on June 1, 2010 and subsequently revised on June 14, 2011, has provided guidance for the restricted use of APU/GPU/PCA to reduce the impact on the environment due to operation of such APU/GPU/PCA at airports. Additionally, the DGCA, pursuant to environment Circular 2 of 2010, issued on July 14, 2010 and subsequently revised on July 14, 2011, has set forth certain conditions to reduce or minimize aircraft noise through an established noise management programme. The circular lays down guidelines to be followed while carrying out ground run-ups at all domestic and international airports in the country.
- The DGCA, *vide* environment Circular 1 of 2011, dated February 15, 2011, has prescribed limits for noise levels at the Indira Gandhi International Airport, New Delhi. Aircraft operators are directed not to undertake any activity that exceeds the maximum permissible noise limits as contained in the circular. Additionally, the DGCA, *vide* circular 3 of 2011, dated August 10, 2011, as part of overall noise reduction program, has prescribed additional instructions for restricted usage of thrust reverser.
- The DGCA, *vide* environment Circular 2 of 2013, dated June 13, 2013, has provided for establishing a comprehensive approach to address aviation related climate change challenges as well as to ensure that organizations establish necessary organizational structure to effectively address environmental issues. This circular also encourages airlines and airport operators to track their carbon footprint on annual basis and for preparing a multipronged strategy in order to comply with the relevant regulations and policies. Further, *vide* environment Circulars 3 and 4 of 2013, dated June 13, 2013 and July 4, 2013, respectively, DGCA has, provided for management of aviation noise and monitoring of local air quality at Indian airports, respectively, at Indian airports.

Details regarding acquisition of business/undertakings, mergers, amalgamation, revaluation of assets

The Hon'ble High Court of Delhi ("**High Court**") by way of its final order dated December 22, 2014, a certified copy of which was obtained on March 27, 2015 ("**Order**"), has approved the scheme of amalgamation ("**Scheme**") of Caelum Investment LLC ("**Transferor Company**") with our Company ("**Transferee Company**"). The shareholders of the Transferee Company approved the Scheme on August 23, 2014. Further, on August 23, 2014 and August 30, 2014, respectively, the secured and unsecured creditors of the Transferee Company also approved the Scheme.

The relevant aspects of the Scheme as required are set out below:

- (a) **Nature of the Scheme:** The Scheme envisages the amalgamation between the Transferor Company and the Transferee Company and their respective shareholders/members pursuant to Sections 391 to 394 and other applicable provisions of the Companies Act, 1956.
- (b) **Details of the Transferor Company:** The Transferor Company was formed on February 3, 2006 under the laws of the State of Delaware, U.S.A., as a limited liability company, under the name "Caelum Investment LLC".
- (c) **Business of the Transferor Company:** The Transferor Company was formed on February 3, 2006 under the laws of the State of Delaware, U.S.A., as a limited liability company, under the name "Caelum Investment LLC". In relation to the Scheme, the Company has received a certificate of merger dated April 24, 2015 from the Secretary of State, Division of Corporations, State of Delaware, United States of America giving effect to the merger of Caelum Investment LLC with the Company.
- (d) **Details of the Transferee Company:** The Transferee Company was incorporated on January 13, 2004 under the provisions of the Companies Act, 1956 (hereinafter referred to as the "**Act**") under the name of "InterGlobe Aviation Private Limited", and having the corporate identification number U62100UP2004PTC028212. The present registered office of the Transferee Company is situated at Central Wing, Ground Floor, Thapar House, 124 Janpath, New Delhi - 110001 in the National Capital Territory of Delhi. On August 11, 2006, the name of the Transferee Company was changed to its present name, i.e., "InterGlobe Aviation Limited", pursuant to a fresh certificate of incorporation consequent upon change of name on conversion to public limited company. The present corporate identification number of the Transferee Company is U62100DL2004PLC129768.
- (e) **Business of the Transferee Company:** The Transferee Company is engaged *inter-alia*, in the business of providing domestic and international scheduled air transport services and operates a domestic airline in India by the name "IndiGo".
- (f) **Rationale for the Scheme:** As per the extant policy of the Government of India, the Indian exchange control regulations and other applicable law (i) foreign direct investment ("**FDI**") up to 49% of the total shareholding is permitted in an Indian company engaged in 'scheduled air-transport service/domestic scheduled passenger airline'; and (ii) Non Resident Indians as defined under the Foreign Exchange Management Act, 1999 ("**NRIs**") are permitted to hold up to 100% shareholding of such companies.

Accordingly, the entire shareholding of the Transferor Company in the Transferee Company before the amalgamation (being 147,000 equity shares of the Company having a face value of ₹ 1,000 each, and representing 47.88% of the fully paid-up and voting share capital of the Transferee Company) was

reckoned as FDI although NRIs owned 60% of the Transferor Company. The shareholding of the Transferor Company before the amalgamation was as follows:

S. No.	Name of Member	Membership Interest
1.	Mr. Rakesh Gangwal*	40%
2.	Ms. Shobha Gangwal*	20%
3.	The Chinkerpoo Family Trust (Trustee: Ms. Shobha Gangwal & J. P. Morgan Trust Company of Delaware)	40%

**Both Mr. Rakesh Gangwal and Ms. Shobha Gangwal (who collectively hold 60% shares in the Transferor Company) are NRIs.*

Pursuant to the Scheme, it was proposed that, (i) the Transferor Company would be merged into the Transferee Company; (ii) 147,000 equity shares having a face value of ₹ 1,000 each held by the Transferor Company in the Transferee Company would be cancelled and extinguished; and (iii) the members of the Transferor Company would be issued 147,000 equity shares having a face value of ₹ 1,000 each in the Transferee Company, in proportion to the voting units held by such members in the Transferor Company as on the record date set out in the Scheme, i.e., the date one day prior to the date on which certificate of merger was filed in the office of the Secretary of State, Division of Corporations, State of Delaware, USA (“**Record Date**”). As a result, the overall non-resident shareholding in the Transferee Company did not increase. However, a part of the shareholding of the Transferee Company, after the merger, was held by NRIs and would consequently free up the available limit for FDI in the Transferee Company. Availability of such FDI limit was in the interest of the Transferee Company as it would open up possibilities for sources of capital and further induction of foreign investments in the form of FDI, as the Transferee Company may need from time to time. Further, the Scheme had provided for our Company to bear any incidence of taxes, duties and levies, which may arise.

- (g) **Consideration:** No consideration was payable as the equity shares held by the Transferor Company in the Transferee Company were being cancelled and extinguished and the members of the Transferor Company were being issued an equal number of equity shares held by the Transferor Company in the Transferee Company, in proportion to the voting units held by such members in the Transferor Company as on the Record Date.
- (h) **Relation between two companies involved in the Scheme:** The Transferor Company, prior to the merger, was a shareholder in the Transferee Company.
- (i) **Effective Date:** The Scheme came into effect from April 24, 2015.

Summary of Key Agreements

Shareholders’ Agreement between our Company, IGE and Caelum

Our Company had entered into a shareholders’ agreement dated March 31, 2006 with IGE and Caelum in terms of which Caelum purchased from IGE 147,000 equity shares of face value ₹ 1,000 each constituting 47.88% of the total paid up equity capital of our Company. Pursuant to the merger order dated December 22, 2014, our Company entered into a new shareholders’ agreement dated April 23, 2015 (“**SHA**”) with IGE and Mr. Kapil Bhatia, Mr. Rahul Bhatia and Ms. Rohini Bhatia, (together the “**IGE Group**”) and Caelum, Mr. Rakesh Gangwal, Ms. Shobha Gangwal and The Chinkerpoo Family Trust (Trustee: Ms. Shobha Gangwal & J. P. Morgan Trust Company of Delaware) (together the “**RG Group**”) which replaced the earlier shareholders’ agreement.

Some of the key terms of the SHA are as follows:

Board of Directors

From the completion of the merger and until the completion of the initial public offering of the Company, the IGE Group has the right to nominate five Directors, two of whom will be non-retiring Directors and the RG Group has the right to nominate one Director.

Following the completion of the initial public offering of the Company, subject to compliance with provisions of the Companies Act, 2013, the IGE Group has the right to nominate three non-independent Directors, one of

whom will be a non-retiring Director and the RG Group has the right to nominate one non-independent Director, who will be a non-retiring Director. The chairman of the Board will be appointed on the nomination of the IGE Group. Further, the IGE Group is also entitled to nominate and appoint the Managing Director, the Chief Executive Officer, and the President of the Company, subject to compliance with the provisions of the Companies Act, 2013 that require any such appointment be approved by the shareholders at a shareholders' meeting in the case of Managing Director, and by the Board of Directors in the case of the Chief Executive Officer and the President.

Transfer of Equity Shares

If any member of either the RG Group or the IGE Group proposes to transfer its shares to a third party purchaser (not being an affiliate) otherwise than on a Stock Exchange or by way of a pre-negotiated sale on a stock exchange, then the other group will have the right of first refusal and tag along right.

Neither group can transfer, either directly or indirectly, without the prior written consent of the other group, any of its shares to a competitor or to any person if such a proposed transfer requires such person to make an "open offer" under the Takeover Regulations.

Term and Termination

The SHA will automatically expire on the fourth anniversary of the initial public offering. However, the provisions relating to the Board of Directors and control, the key terms of which have been summarised above, will survive. The SHA will automatically terminate if the RG Group or the IGE Group no longer hold any shares in the Company.

Deed of Indemnity

Our Company has agreed to indemnify Mr. Rakesh Gangwal, Ms. Shobha Gangwal and the Chinkerpoo Family Trust (Trustee: Ms. Shobha Gangwal & J. P. Morgan Trust Company of Delaware) pursuant to a deed of indemnity dated April 23, 2015 between the aforementioned parties against all taxes that may be imposed as a result of the issuance and allotment of Equity Shares, post-merger of Caelum with our Company. Further, the parties to the deed of indemnity have agreed to contest all tax claims and minimise the tax liability wherever possible. This deed of indemnity is effective from the date of the merger scheme.

Deed of Adherence

As a condition to the SHA, any transfer by the IGE Group to its affiliates requires that such affiliate execute a deed of adherence. Pursuant to the transfer of 10 equity shares of face value ₹ 1,000 each (which subsequently became 10,000 Equity Shares following the split, sub-division and bonus issue. For more details please see the chapter "*Capital Structure*" beginning on page 92) from InterGlobe Enterprises to Acquire Services, Acquire Services executed a deed of adherence dated June 20, 2015 ("**Deed of Adherence**"). As per the Deed of Adherence, Acquire Services has undertaken to be bound by the terms of the SHA as if it were an original party to the SHA and is entitled to all rights and benefits of InterGlobe Enterprises as transferor.

Amendment to the Shareholders' Agreement

Pursuant to the amendment agreement dated September 17, 2015, the IGE Group, Acquire Services, RG Group and our Company have amended the Shareholders' Agreement to delete the provisions relating to affirmative consent requirement of the IGE Group nominee director and RG Group nominee director (and IGE Group and RG Group representatives at a shareholders meeting) in respect of the following matters: (i) any amendment or restatement of the Memorandum or Articles of Association of our Company; (ii) rights issue by our Company; (iii) transactions between our Company or any of its subsidiaries with any shareholder of our Company or any of their respective affiliates other than on arms' length terms; (iv) incorporation or acquisition of a new subsidiary or affiliate of our Company; (v) any declaration, distribution or payment of any dividend or other distributions on any equity shares of our Company; and (vi) any change in the number of directors on the board of directors of the Company. Following the aforesaid amendment, no affirmative consent is required from the IGE Group and RG Group nominee directors (or IGE Group and RG Group representatives at a shareholders meeting) with respect to any matters and such matters are required to be approved in the manner prescribed under the Companies Act.

Post the filing of the Draft Red Herring Prospectus, the following agreements have been entered into in relation to transfer of Equity Shares amongst the Shareholders and Promoter Group entities:

- 3) The above mentioned financial information have been extracted by management from:
 - a. the interim audited financial statements of the Company as at and for the three months period ended 30 June 2015, prepared in accordance with accounting principles generally accepted in India at the relevant time and which have been approved by the Board of Directors; and
 - b. the audited financial statements of the Company, as at and for each of the years ended 31 March 2015, 31 March 2014, 31 March 2013, 31 March 2012 and 31 March 2011, prepared in accordance with accounting principles generally accepted in India at the relevant time and which have been approved by the Board of Directors and adopted by the shareholders of the Company, and books of account underlying those financial statements and other records of the Company to the extent considered necessary, for the presentation of the financial information under the requirements of Schedule III to the Companies Act, 2013 in relation to the year ended 31 March 2011.

- 4) For the purpose of our examination of the financial information, we have relied on:
- a. the interim audited financial statements of the Company as at and for the three months period ended 30 June 2015, prepared in accordance with accounting principles generally accepted in India at the relevant time and which have been approved by the Board of Directors; and
 - b. the audited financial statements of the Company, as at and for each of the years ended 31 March 2015, 31 March 2014, 31 March 2013, 31 March 2012 and 31 March 2011, prepared in accordance with accounting principles generally accepted in India at the relevant time and which have been approved by the Board of Directors and adopted by the shareholders of the Company, and books of account underlying those financial statements and other records of the Company to the extent considered necessary, for the presentation of the financial information under the requirements of Schedule III to the Companies Act, 2013 in relation to the year ended 31 March 2011.
- 5) In accordance with the requirements of Sub-clause (i), (ii) and (iii) of clause (b) of Sub-section (1) of Section 26 of Chapter III of the Act, read with Rule 4 of Companies (Prospectus and Allotment of Securities) Rules, 2014, the SEBI Regulations and in terms of our engagement agreed with you, we further report that:
- (a) We have examined the attached summary statement of profit and loss, as restated, of the Company for the financial years ended 31 March 2015, 31 March 2014, 31 March 2013, 31 March 2012 and 31 March 2011, and for the three months period ended 30 June 2015 as set out in Annexure I to the financial information. These are presented after making adjustments and regroupings as in our opinion, were appropriate and more fully described in the notes appearing in Annexure V to the financial information. As a result of these adjustments, the amounts reported in the above-mentioned statement are not necessarily the same as those appearing in the audited financial statements of the Company for the relevant financial years and the interim financial statements for the three months period.
 - (b) We have examined the attached summary statement of assets and liabilities, as restated, of the Company as at 30 June 2015, 31 March 2015, 31 March 2014, 31 March 2013, 31 March 2012 and 31 March 2011, as set out in Annexure II to the financial information. These are presented after making adjustments and regroupings as in our opinion, were appropriate and more fully described in the notes appearing in Annexure VI to the financial information. As a result of these adjustments, the amounts reported in the above-mentioned statement are not necessarily the same as those appearing in the audited financial statements of the Company for the relevant financial years and the interim financial statements for the three months period.
 - (c) We have examined the attached statement of cash flows, as restated, of the Company for financial years ended 31 March 2015, 31 March 2014, 31 March 2013, 31 March 2012 and 31 March 2011, and for the three months period ended 30 June 2015, as set out in Annexure III to the financial information. These are presented after making resultant changes emanating out of various adjustments and regroupings, described in Annexure V and Annexure VI to the financial information as, in our opinion, were appropriate. As a result of these adjustments, the amounts reported in the above-mentioned statement are not necessarily the same as those appearing in the audited financial statements of the Company for the relevant financial years and the interim financial statements for the three months period.
 - (d) Based on the above, we are of the opinion that the financial information, prepared by the management of the Company and approved by its Board of Directors, has been made after incorporating the following:
 - i. As explained in Annexure V, Annexure VI and Annexure VII to the financial information, the impact of changes in accounting policies and estimates/ correction of accounting policies have been adjusted with retrospective effect in the respective financial years to which they relate, to reflect the same accounting treatment as per changed/corrected accounting policy for all the reporting periods;
 - ii. As explained in Annexure V, Annexure VI and Annexure VII to the financial information, material amounts relating to previous years and regroupings have been adjusted in the financial information in the respective financial years / three months period to which they relate;
 - iii. There are no qualifications in the Auditor's Report which require any adjustments in the financial information. However those qualifications in the Auditor's Report and other remarks/comments in the

Companies (Auditor's Report) Order, 2003, as amended, issued by the Central Government in terms of sub-section (4A) of section 227 of the Companies Act, 1956, which do not require any corrective adjustments in the financial information have been disclosed in Note F of Annexure VII to the financial information;

- iv. There are no extraordinary items, which need to be disclosed separately in financial information in the respective financial years and the three months period ended 30 June 2015; and
 - v. There are no revaluation reserves which need to be disclosed separately in the financial information in the respective financial years and the three months period ended 30 June 2015.
- (e) We have also examined the following other financial information set out in Annexures prepared by the management and approved by the Board of Directors relating to the Company for the three months period ended 30 June 2015, and financial years ended 31 March 2015, 31 March 2014, 31 March 2013, 31 March 2012 and 31 March 2011:

 - ix. Statement of related parties and related party transactions, as restated, for the financial years ended 31 March 2015, 31 March 2014, 31 March 2013, 31 March 2012 and 31 March 2011, and for the three months period ended 30 June 2015, as per Accounting Standard 18 on Related Party Disclosures specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, as appearing in Annexure XVI to the financial information;
 - x. Statement of dividends declared per share, as restated, for the financial years ended 31 March 2015, 31 March 2014, 31 March 2013, 31 March 2012 and 31 March 2011, and for the three months period ended 30 June 2015, as appearing in Annexure XVII to the financial information;

- xi. Statement of earning per share, as restated, for the financial years ended 31 March 2015, 31 March 2014, 31 March 2013, 31 March 2012 and 31 March 2011, and for the three months period ended 30 June 2015, as appearing in Annexure XVIII to the financial information; and
 - xii. Statement of tax shelter, for the financial years ended 31 March 2015, 31 March 2014, 31 March 2013, 31 March 2012 and 31 March 2011, and for the three months period ended 30 June 2015, as appearing in Annexure XIX to the financial information.
- 6) We have not audited or reviewed any financial statements of the Company as of any date or for any period subsequent to 30 June 2015. Accordingly, we express no opinion on the financial position, results of the operations or cash flows of the Company as of any date or for any period subsequent to 30 June 2015.
- 7) In our opinion, the above financial information of the Company read with significant accounting policies appearing in Annexure IV to this financial information, after making adjustments and regroupings as considered appropriate and as set out in Annexure V, VI and VII to this financial information, has been prepared in accordance with Sub-clause (i), (ii) and (iii) of clause (b) of Sub-section (1) of Section 26 of Chapter III of the Act, read with Rule 4 of Companies (Prospectus and Allotment of Securities) Rules, 2014, the SEBI Regulations, the Guidance Note issued in this regard by ICAI, as amended from time to time, and in terms of our engagement agreed with you.
- 8) This report should not in any way be construed as a reissuance or redating of any of the previous Auditor's Reports issued by us, nor should this report be construed as a new opinion on any of the financial statements referred to herein.
- 9) We have no responsibility to update our report for events and circumstances occurring after the date of the report.
- 10) Our report is intended solely for the use of management and for inclusion in the Offer Document in connection with the proposed issue of equity shares of the Company and is not to be used, referred to or distributed for any other purpose without our prior written consent.

1. The cash flow statement has been prepared in accordance with 'Indirect method' as set out in the Accounting Standard (AS)-3 on 'Cash Flow Statements', as notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014.							

Note: To be read together with significant accounting policies (Annexure IV), Notes to Summary Statement of Profit and Loss, as restated (Annexure V), and Notes to Summary Statement of Assets and Liabilities, as restated (Annexure VI).

Annexure IV: Significant Accounting Policies

1. Background

InterGlobe Aviation Limited ('the Company') was incorporated on 13 January 2004 as a private limited company. Subsequently, the Company changed its legal status from a private company to a public company on 11 August 2006. The Company is in the low cost carrier (LCC) segment of the airline industry in India. The Company had commenced international operations during the year ended 31 March 2012.

2. Significant accounting policies

(i) *Basis of accounting and presentation*

The financial statements are prepared under the historical cost convention, on the accrual basis of accounting, in accordance with the Generally Accepted Accounting Principles in India ('GAAP'), mandatory accounting standards as notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014, and the relevant provisions of Companies Act, 2013 to the extent applicable to the Company. All income and expenditure having a material bearing on the financial statements are recognised on accrual basis. The financial statements have been presented based on Schedule III to the Companies Act, 2013.

(ii) *Use of estimates*

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements, and reported amounts of income and expenses during the reporting period. Examples of estimates include useful life of fixed assets, retirement benefits, provision for inventory obsolescence, provision for redelivery costs, provision for doubtful trade receivables and loans and advances. Actual results could differ from these estimates. Any changes in estimates are adjusted prospectively.

(iii) *Fixed assets, capital work-in-progress and depreciation and amortisation*

Tangible fixed assets

Owned tangible fixed assets are stated at the cost of acquisition including incidental costs related to acquisition and installation, less accumulated depreciation and impairment losses, if any.

The cost of improvements to aircraft acquired on lease have been capitalised and disclosed separately as leasehold improvement - aircraft.

Capital work-in-progress

Fixed assets under construction and cost of assets not ready for use as at the balance sheet date are disclosed as capital work-in-progress.

Intangible fixed assets

Intangible fixed assets are recognised only if acquired and it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of assets can be measured reliably. The intangible fixed assets are recorded at cost of acquisition including incidental costs related to acquisition and installation and are carried at cost less accumulated amortisation and impairment losses, if any.

Leased assets

Leased assets under which the Company assumes substantially all risks and benefits of ownership are classified as finance lease. Other leases are classified as operating leases.

Finance lease: Assets taken on finance lease are capitalized at the lower of the fair value of the assets and the present value of the minimum lease rentals (which includes initial amount paid by the Company to the lessors) with the corresponding amount payable by the Company shown as lease liability. The principal component of the lease rentals is adjusted against the lease liability and interest component is charged to the Statement of Profit and Loss.

Operating lease: Lease rentals in respect of assets taken on operating lease are charged to the Statement of Profit and Loss with reference to the lease term and other considerations.

Depreciation and amortisation

Till the year ended 31 March 2014, depreciation rates prescribed under Schedule XIV to the Companies Act, 1956, were treated as minimum rates and the Company was not allowed to charge depreciation at lower rates even if such lower rates were justified by the estimated useful life of the asset. Schedule II to the Companies Act, 2013 prescribes useful lives for fixed assets which, in many cases, are different from lives as adopted by the Company earlier. Schedule II now allows companies to use higher/ lower estimated useful lives and residual values if such useful lives and residual values can be technically supported and justification for the difference is disclosed in the financial statements.

Depreciation on fixed assets, except aircraft, leasehold improvements - aircraft, leasehold improvements and intangible assets, is provided on written down value method at the rates and in the manner provided in schedule II of the Companies Act, 2013. Depreciation on aircraft (including aircraft taken on finance lease) is provided on the straight line method at the rates and in the manner prescribed in schedule II of the Companies Act, 2013.

Intangible assets are amortised on a straight line basis over their estimated useful life of 3 years.

Major inspection costs relating to engine and airframe overhauls and other heavy maintenance are identified as separate components for leased aircraft and are depreciated over the expected lives between major overhauls, estimated to be 4 - 12 years.

Considering the applicability of Schedule II, management has re-estimated useful lives and residual values of all its fixed assets as at 1 April 2014. Accordingly, depreciation has been charged based on the following useful lives:

Asset Head	Useful life in years
Leased Aircraft	
-Aircraft and Engine Components	20
-Major inspection and overhaul costs*	4 – 12
Furniture and fixtures	10
Computer	
-End user Devices	3
-Server and Networks	6
Office equipment	
-Office Equipment	5
-Electrical Equipment	10
Ground support equipment	15
Ground support vehicles	
-Motor Vehicles(Ground Support Equipment)	8
-Motor Vehicles (Commercial)	8

* separate component recognized with effect from 1 April 2015

Expenditure incurred on improvements to aircraft acquired on lease (leasehold improvements - aircraft) is depreciated on a straight line basis over the remaining period of the lease of the aircraft or 5 years, whichever is lower.

Leasehold improvements are depreciated on a straight line basis over the period of the initial lease.

The revised useful lives are based on an internal technical evaluation performed by management and are determined after considering following factors:

- Expected usage of the asset
- Expected physical wear and tear
- Technical and commercial obsolescence
- Understanding of past practices and general industry experience

The above mentioned lives and method of depreciation/ amortization are in line with the estimated useful lives, as determined by the management.

Depreciation and amortisation is calculated on a pro-rata basis for assets purchased/sold during the year / period.

The appropriateness of depreciation/amortisation period and depreciation/amortisation method is reviewed by the management each financial year / period.

(iv) ***Sale and lease back transactions***

Profit or loss on sale and lease back transactions resulting in operating leases are recognised immediately in case the transaction is established at fair value, else the excess of sale price over the fair value is deferred and amortised over the period for which the asset is expected to be used.

Any excess or deficiency of sales proceeds over the carrying amount in case a sale and leaseback transaction results in a finance lease, is deferred and amortised over the lease term in proportion to the depreciation of the leased asset.

(v) ***Manufacturers' incentives –non-refundable***

Cash incentives

The Company receives non-refundable incentives from manufacturers in connection with the acquisition of aircraft and engines. In case of owned aircraft or aircraft under finance lease, incentives are recorded as a reduction to the cost of related aircraft and engines. Where the aircraft is held under operating lease, the incentives are deferred and reduced from the operating lease rentals on a straight line basis over the period of the related lease. In case of return of an aircraft before the expiry of the lease term, the unamortised balance of deferred incentive is recorded in the Statement of Profit and Loss.

The Company also receives non-refundable milestone incentives from the engine manufacturer on achievement of certain milestones relating to delivery of aircraft. These milestone incentives are recorded as reduction to the carrying value of aircraft and engines in case of owned aircraft and engines. Where the aircraft is held under operating lease, the incentives are deferred and reduced from the lease rentals on a straight line basis over the remaining lease period of the related lease. Where the aircraft is held under finance lease, the incentives are deferred and recognised under the head 'Other operating revenue' in the Statement of Profit and Loss, on a straight line basis over the remaining lease period of the related lease.

Non-cash incentives

Non-cash incentives are recorded as and when due to the Company by setting up a deferred asset and a corresponding deferred incentive. These incentives are recorded as a reduction to the cost of related aircraft and engines in case of owned assets and aircraft held under finance lease. Where the aircraft is held under operating lease, the incentives are deferred and reduced from the lease rentals on a straight line basis over the estimated period of use of these incentives.

The deferred asset explained above is reduced on the basis of utilization of incentives against purchase of goods and services.

(vi) **Investments**

Investments that are readily realizable and intended to be held for not more than a year from the date of acquisition are classified as current investments. All other investments are classified as long-term investments. However, that part of long term investments which is expected to be realized within 12 months after the reporting date is presented under current assets as "current portion of long term investments" in consonance with the current /non- current classification scheme of Schedule III of Companies Act 2013.

Long-term investments (including current portion thereof) are carried at cost less any other-than-temporary diminution in value, determined separately for each category of investments.

Current investments are carried at the lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investment.

Any reductions in the carrying amount and any reversals of such reductions are charged or credited to the Statement of Profit and Loss.

(vii) **Revenue recognition**

Passenger and Cargo revenue

Passenger revenue is recognised on flown basis, i.e. when the service is rendered, net of airport charges and discounts, if any. Cargo revenue is recognised when service is rendered, i.e. goods are transported, net of airport charges.

The sale of tickets not yet flown is credited to unearned revenue, i.e. 'Forward Sales' disclosed under current liabilities. Fees charged for any changes to flight tickets and towards special service requests are recognised as revenue immediately on rendering of services.

The unutilized balance in Forward Sales for more than a year is recognised as revenue based on historical statistics, data and management estimates, and considering the Company's cancellation policy.

In flight sales

Revenue from sale of merchandise is recognised on transfer of all significant risks and rewards to the passenger. Revenue from sale of food and beverages is recognised on sale of goods to the passenger.

Dividend income

Dividend is recognised as and when the right to receive such income is established.

Tours and packages

Income and related expense from the sale of tours and packages are recognised upon services being rendered and where applicable, are stated net of discounts. The income and expense is stated on gross basis.

Passenger revenue earned from sale of tours and packages is recognised on flown basis and disclosed under tours and packages.

The sale of tours and packages not yet serviced is credited to unearned revenue, i.e. 'Forward Sales' disclosed under current liabilities.

Interest income

Interest income is recognised on a time proportion basis.

Commission and advertisement income

Commission and advertisement income is recognised on an accrual basis and in accordance with the terms of specific contracts, provided the consideration is reliably determinable and no significant uncertainty exists regarding the collection. The amount recognised is net of applicable taxes.

(viii) ***Commission***

The commission paid / payable on sales is recognised on sale of ticket and in accordance with the terms of contracts with agents.

(ix) ***Borrowing costs***

Borrowing costs attributable to the acquisition or construction of a qualifying asset are capitalised as part of the cost of the asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

(x) ***Foreign currency transactions and translations***

Foreign currency transactions are recorded at the rate of exchange prevailing on the date of the respective transactions. Monetary foreign currency assets and liabilities remaining unsettled at the balance sheet date are translated at the rates of exchange prevailing on that date. Gains/(losses) arising on account of realisation/settlement of foreign exchange transactions and on translation of foreign currency assets and liabilities (except for gains/(losses) arising on translation of foreign currency loans used for purchase of fixed assets) are recognised in the Statement of Profit and Loss. Gains/(losses) arising on translation of foreign currency loans used for purchase of fixed assets are adjusted in the cost of fixed assets.

Foreign exchange forward contracts

The Company uses foreign exchange forward contracts to hedge its foreign currency risk exposure relating to firm commitments, highly probable transactions and underlying assets and liabilities. These foreign exchange forward contracts are not used for trading or speculation purposes.

Foreign exchange forward contracts to hedge foreign currency risk exposure relating to firm commitments and highly probable transactions

Forward contracts are fair valued at each Balance Sheet date. The resultant gain or loss (except relating to effective hedges) from these transactions is recognised in the Statement of Profit and Loss. The gain or loss on effective hedges is recorded in the Hedging Reserve (reported under Reserves and Surplus) until the transactions are complete. On completion, the gain or loss is transferred to the Statement of Profit and Loss of that period. To designate a forward contract as an effective hedge, the management objectively evaluates and evidences with appropriate supporting documents at the inception of each contract whether the contract is effective in achieving offsetting cash flows attributable to the hedged risk. In the absence of being designated as an effective hedge, a gain or loss is recognised in the Statement of Profit and Loss.

Foreign exchange forward contracts to hedge foreign currency risk exposure relating to underlying assets and liabilities

The premium or discount that arises on entering into a forward exchange contract for hedging underlying assets and liabilities is measured by the difference between the exchange rate at the date of the inception of the forward exchange contract and the forward rate specified in the contract and is amortised as expense or income over the life of the contract. Exchange difference on a forward exchange contract is the difference between:

- (a) the foreign currency amount of the contract translated at the exchange rate at the reporting date, or the settlement date where the transaction is settled during the reporting period; and
- (b) the same foreign currency amount translated at the latter of the date of inception of the forward exchange contract and the last reporting date.

These exchange differences are recognised in the Statement of Profit and Loss in the reporting period in which the exchange rates change.

Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or expense in the Statement of Profit and Loss.

(xi) ***Taxation***

Income tax expense comprises current tax (i.e. amount of tax for the year/period determined in accordance with the Income-tax law) and deferred tax charge or credit. Income taxes are accrued in the same period the related revenues and expenses arise.

The differences that result between the profit / (loss) considered for income taxes and the profit / (loss) as per the financial statements are identified and thereafter a deferred tax asset or deferred tax liability is recorded for timing differences, namely the differences that originate in one accounting period and reverse in another, based on the tax effect of the aggregate amount being considered. The tax effect is calculated on the accumulated timing differences at the end of an accounting period based on tax rates that have been enacted or substantially enacted by the Balance Sheet date.

Where there are unabsorbed depreciation or carry forward losses, deferred tax assets are recognised only to the extent there is virtual certainty of realisation of such assets. In other situations, deferred tax assets are recognised only to the extent there is reasonable certainty of realisation in future. Such assets are reviewed at each Balance Sheet date and written down or written up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised.

Minimum Alternative Tax ('MAT') expense under the provisions of the Income-tax Act, 1961 is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it in the form of adjustment of future income tax liability, will flow to the Company and the asset can be measured reliably. MAT credit entitlement is set off to the extent allowed in the year in which the Company becomes liable to pay income taxes at the enacted tax rates. MAT credit entitlement is reviewed at each Balance Sheet date and is written down to reflect the amount that is reasonably certain to be set off in future years against the future income tax liability.

(xii) ***Employee benefits***

Short – term employee benefits

All employee benefits payable / available within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages and bonus etc., are recognised in the Statement of Profit and Loss in the period in which the employee renders the related service.

Defined benefit plans

Defined benefit plans of the Company comprise of gratuity.

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment, of an amount based on the respective employee's salary and the tenure of employment. Vesting occurs upon completion of five years of service.

The liability in respect of defined benefit plans is accrued in the books of account on the basis of actuarial valuation carried out by an independent actuary using the Projected Unit Credit Method, which recognizes each year of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of estimated future cash flows. The discount rates used for determining the present value of obligation under defined benefit plans, is based on the market yields on Government securities as at the balance sheet date, having maturity periods approximating to the terms of related obligations. Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss. Gains or losses on the curtailment or settlement of any defined benefit plan are recognised when the curtailment or settlement occurs. The gratuity plan of the Company is unfunded.

Defined contribution plans

Under the provident fund, a defined contribution plan, the Company pays fixed contributions to the appropriate government authorities and has no obligation to pay further amounts. Such fixed contributions are recognised in the Statement of Profit and Loss on accrual basis in the financial year to which they relate.

Other employee benefits

Benefits under leave encashment constitute short term employee benefits which are recognised in the Statement of Profit and Loss in the period in which the employee renders the related service.

(xiii) ***Provisions, contingent liabilities and contingent assets***

A provision is created when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent assets are neither recognised nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

(xiv) ***Contingencies***

Provision in respect of loss contingencies relating to claims, litigation, assessment, fines, penalties, etc. are recognised when it is probable that a liability has been incurred, and the amount can be estimated reliably.

(xv) ***Impairment of assets***

The carrying values of assets are reviewed at each reporting date to determine if there is indication of any impairment. If any indication exists, the asset's recoverable amount is estimated. For assets that are not yet available for use, the recoverable amount is estimated at each reporting date. An impairment loss is recognised whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount and is recognised in the Statement of Profit and Loss. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortisation, if no impairment loss had been recognised.

(xvi) ***Inventories***

Inventories primarily include fuel, and tools and engineering stores, which include rotables, consumables and non-aircraft equipments. Inventories are valued at lower of cost and net realisable value ('NRV'). Cost of inventories comprise of all costs of purchase and incidental costs incurred in bringing the inventories to their present location and condition. Cost is determined on the weighted average cost basis. In arriving at NRV, due allowance is made for all damaged, obsolete and slow moving items. The comparison of cost and net realizable value is made on an item by item basis.

In respect of reusable items such as rotables, non-aircraft equipments and tools, NRV takes into consideration provision for obsolescence and wear and tear and also provision for non-moving/slow moving items, if any.

(xvii) ***Aircraft maintenance and repair cost***

Aircraft maintenance, Auxiliary Power Unit (APU), and Engine maintenance and repair costs are expensed as incurred except where such overhaul costs in respect of engines/APU are covered by third party maintenance agreements, which are accounted in accordance with terms of the agreements.

(xviii) ***Redelivery cost***

The Company has in its fleet aircraft on operating lease. As contractually agreed under the lease agreements, the aircraft have to be redelivered to the lessors at the end of the lease term under stipulated technical conditions. Such redelivery conditions entail costs for technical inspection, maintenance checks, repainting costs prior to its redelivery and the cost of ferrying the aircraft to the location as stipulated under the lease agreement. These costs are estimated by management based on historical trends and data, and recorded in the financial statements in proportion to the expired lease period.

(xix) ***Earnings per share***

Basic earnings per share are computed using the weighted average number of the equity shares outstanding during the year / period. Diluted earnings per share are computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year / period end, except where the results would be anti-dilutive.

(xx) ***Expenditure***

Expenses are accounted for on the accrual basis and provisions are made for all known losses and liabilities.

(xxi) ***Employee stock compensation cost***

In accordance with the Guidance Note on Accounting for Employee Share-based Payments as issued by the Institute of Chartered Accountants of India, the Company has recognised cost of equity settled stock options using the fair value method. The Company recognizes the fair value of the stock options granted under the Employee Stock Option Scheme (ESOS) as stock compensation cost which is amortized over the vesting period. Fair value of stock options granted under the ESOS is determined at the grant date using valuation techniques consistent with the generally accepted valuation methodologies for pricing financial instruments.

The grant date fair value of equity settled stock options granted to employees is recognized as employee benefit expense with a credit to employee stock option outstanding account, over the period that the employees unconditionally become entitled to the options. The cumulative expense recognized for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Company's best estimate of the number of stock options that will ultimately vest.

Note:-

- 1 During the year ended 31 March 2015, considering the applicability of Schedule II to the Companies Act, 2013, management has re-estimated useful lives and residual values of all its fixed assets, as detailed in Significant Accounting Policies. Pursuant to this change in useful life of fixed assets, the depreciation charge for the year ended 31 March 2015 is lower by Rs. 303.50 million. This adjustment has not been adjusted with retrospective effect in the preceding financial years, as it does not represent an error/omission or a change in accounting policy. It represents a change in accounting estimate made in the financial year ended 31 March 2015, which does not have an impact on the earlier years.
- 2 Pursuant to identification of major inspection and overhaul costs as separate components as required by Schedule II of the Companies Act, 2013 with effect from 1 April 2015, the depreciation charge for the three months period ended 30 June 2015 is higher by Rs. 400.75 million. This adjustment has not been adjusted with retrospective effect in the preceding financial years, as it does not represent an error/omission or a change in accounting policy.

6. Segment reporting

a) Primary Segment: Geographical Segment

The Company commenced International operations on 01 September 2011. The Company, considering its higher level of international operations and internal financial reporting, which is based on geographic segment, has identified geographic segment as primary segment.

The geographic segment consists of:

- i) Domestic (air transportation within India)
- ii) International (air transportation outside India)

Accounting policies: Segment information is prepared in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

Segment revenue and expenses:

Segment revenue and expenses represents revenue and expenses that are either directly attributed to individual segments or are attributed to individual segments on a reasonable basis. The remainder of the revenue and expenses are categorized as unallocated which mainly comprises finance costs and other operating expenses and certain other incomes since the underlying assets / liabilities / services are used interchangeably. The Company believes that it is not practical to provide segment disclosures relating to these unallocated revenue and expenses, and accordingly these are separately disclosed as “unallocated”.

Segment assets and liabilities:

Segment assets includes all operating assets used by a segment and consists primarily of fixed assets, inventories, trade receivables, loan and advances etc. which are directly attributed to individual segments or are attributed to individual segments on a reasonable basis. Segment liabilities include all operating liabilities and consist primarily of forward sales, advance from customers etc. which are directly attributed to individual segments or attributed to individual segments on a reasonable basis. The remainder of assets and liabilities are categorized as unallocated, since the Company believes that it is not practical to allocate the same over reportable segments on a reasonable basis. Shareholders' funds have been included under un-allocable to reconcile with the financial statements.

b) Secondary Segment: Business Segment

The Company operates into one business segment only i.e. Air transportation. Therefore business segmenting is not applicable to the Company.

9. Amalgamation of the Company with Caelum Investment, LLC

A scheme of amalgamation between Caelum Investment LLC (“Transferor Company”) and InterGlobe Aviation Limited (the “Company” or “Transferee Company”) and their respective shareholders/members and creditors (“Scheme”) was sanctioned by the High Court of Delhi vide its order dated December 22, 2014 (“Order”) under Sections 391 to 394 and all other applicable provisions of the Companies Act, 1956 in Company Petition No. 599/2014 connected with Company Application (M) No. 107/2014 and in respect of which the certified copy of the formal Order was obtained on March 27, 2015 and was subsequently filed with the Registrar of Companies on April 24, 2015. Further, in relation to the Scheme, the Company has received a certificate of merger dated April 24, 2015 from the Secretary of State, Division of Corporations, State of Delaware, United States of America giving effect to the merger of the Transferor Company with the Company. Accordingly, in terms of the Scheme, the Scheme came into effect from April 24, 2015 (“Effective Date”). The applicable date and the effective date of the scheme is 24 April 2015.

Transferor Company was an investment Company.

In relation to the Scheme, the Foreign Investment Promotion Board vide its letter (No. 69(2014)/90(2014) dated September 10, 2014 had granted its approval to the Company to issue and allot upto 147,000 equity shares having face value of Rs. 1,000 each constituting 47.88% of the issued, paid-up equity share capital to the members of the Transferor Company in the proportion of the voting units held by such members in the Transferor Company pursuant to the Scheme. Further, the Competition Commission of India vide its order dated July 30, 2014 stated that the proposed combination is not likely to have an appreciable adverse effect on competition in India and therefore, approved the same under Section 31(1) of the Competition Act, 2002.

As on the Effective Date, the only assets of the Transferor Company represents 147,000 equity shares having face value of Rs. 1,000 (“Equity Shares”) in the Transferee Company.

In accordance with the terms of the Scheme, the Company at its board meeting held on 25 April 2015, cancelled the Equity Shares held by the Transferor Company in the Company and issued and allotted 147,000 fresh fully paid-up equity shares of Rs. 1,000 each to the members of Transferor Company in the manner mentioned below, constituting 47.88% of the post issue paid-up equity share capital of the Company on issue of the aforesaid 147,000 equity shares. In terms of the Scheme, the 147,000 fresh equity shares were issued to the members of the Transferor Company in the proportion to the voting units held by the members of the Transferor Company in the Transferor Company and whose names appear in the books and records of the Transferor Company as on 23 April 2015 i.e. the 'Record Date', as defined in the Scheme:

S. No.	Name of Shareholder	Number of Equity Shares
1.	Mr. Rakesh Gangwal	58,800
2.	Ms. Shobha Gangwal	29,400
3.	The Chinkerpoo Family Trust (Trustee: Shobha Gangwal & J.P Morgan Trust Company of Delaware)	58,800
	Total	147,000

The amalgamation is in the nature of a merger and has been accounted for under the "Pooling of Interest Method" as per Accounting Standard 14 (AS-14), by recording the following:

- As per the scheme, 147,000 equity shares of Rs. 1,000 each held by the Transferor Company in the Transferee Company were extinguished and a proportionate number of fresh fully paid-up equity shares of Rs. 1,000 each of the Transferee Company were issued to the members of the Transferor Company on 25 April 2015.
- There is no material adjustment required to be made for difference in the accounting policies between the Transferee Company and the Transferor Company.

The above statement should be read with the Notes to the Summary Statement of Profit and Loss, as restated and Notes to Summary Statement of Assets and Liabilities, as restated, as appearing in Annexure V and VI respectively.

- The ratios have been computed as below:

Basic Earnings per share (Rs.) $\frac{\text{Net profit attributable to equity shareholders}}{\text{Weighted average number of equity shares outstanding during the year / period}}$

Diluted Earnings per share (Rs.) $\frac{\text{Net profit attributable to equity shareholders}}{\text{Weighted average number of equity shares and dilutive equity shares outstanding during the year / period}}$

Return on net worth (%) $\frac{\text{Net profit after tax}}{\text{Net worth excluding revaluation reserve and preference shares capital at the end of the year/period}}$

Net asset value per equity share (Rs.) $\frac{\text{Net worth excluding revaluation reserve and preference shares capital at the end of the year/period}}{\text{Total number of equity shares outstanding at the end of the year/ period}}$

- Net profit, as restated as appearing in the Statement of Profit and Loss, as restated has been considered for the purpose of computing the above ratios.
- Earnings per share calculations are done in accordance with Accounting Standard 20 "Earnings Per Share" ("AS 20") as notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. As required by AS 20, if the number of equity or potential equity shares outstanding increases as a result of a bonus issue or share split or decreases as a result of a reverse share split (consolidation of shares), the calculation of basic and diluted earnings per share should be adjusted for all the periods presented. As stated in Note 2 of Annexure VIII 'Share Capital', the number of shares, during the three months period ended 30 June 2015, have increased on account of issue of bonus shares and split of shares. Accordingly, the bonus shares and share split have been considered while computing the basic and diluted earnings per share for the period ended 30 June 2015 and years

ended 31 March 2015, 31 March 2014, 31 March 2013, 31 March 2012 and 31 March 2011, as disclosed in the schedule above.

4. Ratios for three months period ended 30 June 2015 are not annualized.

The above statement should be read with the Notes to the Summary Statement of Profit and Loss, as restated and Notes to Summary Statement of Assets and Liabilities, as restated, as appearing in Annexure V and VI respectively.

Note:

- Earnings per share calculations are done in accordance with Accounting Standard 20 “Earnings Per Share” (“AS 20”) as notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. As required by AS 20, if the number of equity or potential equity shares outstanding increases as a result of a bonus issue or share split or decreases as a result of a reverse share split (consolidation of shares), the calculation of basic and diluted earnings per share should be adjusted for all the periods presented. As stated in Note 2 of Annexure VIII ‘Share Capital’, the number of shares, during the three months period ended 30 June 2015, have increased on account of issue of bonus shares and split of shares. Accordingly, the bonus shares and share split have been considered while computing the basic and diluted earnings per share for the period ended 30 June 2015 and years ended 31 March 2015, 31 March 2014, 31 March 2013, 31 March 2012 and 31 March 2011, as disclosed in the schedule above.

The above statement should be read with the Notes to the Summary Statement of Profit and Loss, as restated, and Notes to Summary Statement of Assets and Liabilities, as restated, as appearing in Annexure V and VI respectively.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

You should read the following discussion of our financial condition and results of operations together with our restated financial statements for the fiscal years ended March 31, 2011, 2012, 2013, 2014 and 2015 and the three months ended June 30, 2015, including the significant accounting policies and notes thereto and report thereon which begin on page 265 of this Red Herring Prospectus. Our fiscal year ends on March 31 of each year, so all references to a particular fiscal year are to the twelve-month period ended March 31 of that year.

Overview

We operate IndiGo, India's largest passenger airline with a 33.9% and 37.4% market share of domestic passenger volume for fiscal 2015 and the five months ended August 31, 2015, respectively, according to the DGCA. We operate on a low-cost carrier, or LCC, business model and focus primarily on the domestic Indian air travel market. We were the seventh largest low-cost carrier globally in terms of seat capacity in 2015, according to CAPA. We continuously focus on maintaining our cost advantage and a high frequency of flights while striving to fulfil our simple brand message of providing "low fares, on-time flights and a hassle-free experience" to our passengers.

We commenced operations in August 2006 with a single aircraft, and have grown our fleet to 97 aircraft as of August 31, 2015, all of which are Airbus A320 aircraft. We currently have an order book of 430 A320neo aircraft and expect to take delivery of 14 additional aircraft, including nine A320neos, by March 31, 2016. As of August 31, 2015, the average age of our aircraft was 3.7 years. As of March 31, 2015, the average age of our aircraft was 3.2 years, which, according to CAPA, was the second youngest average fleet age among Indian carriers and one of the youngest fleets of any LCC globally.

As of the week ended August 31, 2015 we operated scheduled services to 33 airports in India, with a maximum of 603 domestic flights per day. We operated an average of 570 domestic flights per day, for the month ending March 31, 2015. According to CAPA, we operated more passenger flights in India than any other airline for the 2014/15 winter schedule. We also had the highest market share in each of the top five domestic routes in India by traffic during fiscal 2015, according to CAPA.

We primarily operate in India's domestic air travel market, which is forecast to be the world's fastest growing market by origin-and-destination traffic flow between 2013 and 2033, estimated to grow at a CAGR of 9.5%, according to Airbus. India was the ninth largest aviation market in the world by total domestic and international seat capacity in 2014, according to CAPA. Additionally, India has achieved strong and sustained growth in air traffic over the last ten years. Passenger volumes for domestic air traffic have increased at a CAGR of 19.4% between fiscal 2004 and fiscal 2010 and a CAGR of 9.1% between fiscal 2010 and fiscal 2015, according to the DGCA.

From fiscal 2011 to fiscal 2015, our domestic passenger volume increased at a CAGR of 25.8% from 9.5 million domestic passengers in fiscal 2011 to 23.7 million domestic passengers in fiscal 2015 and 12.6 million domestic passengers as of August 31, 2015, according to the DGCA. Our market share of domestic passenger volume increased from 17.6% in fiscal 2011 to 33.9% in fiscal 2015, according to the DGCA.

We are committed to achieving industry-leading on-time performance and operational reliability. Our average on-time performance was 83.8% for the five months ended August 31, 2015, 86.7% in fiscal 2015 and 88.2% in fiscal 2014. We had operational reliability ratings of 99.95% for the five months ended August 31, 2015, 99.95% in fiscal 2015 and 99.94% in fiscal 2014, according to Airbus. In 2014, Airbus awarded us its "Best Operational Excellence" award in the large fleet category based on the number of aircraft in the fleet, daily utilization rate, technical reliability and the number of delays caused due to operational reasons over a two-year period of operations. We had the second highest load factor on domestic scheduled services in fiscal 2015, according to the DGCA and the second lowest level of complaints per 10,000 passengers in fiscal 2015, according to CAPA. We have received industry accolades in recognition of the quality of our airline service, including the award for "Best Low-Cost Airline in Central Asia & India" at the SkyTrax World Airline Awards for six consecutive years from 2010 to 2015.

InterGlobe Enterprises (including our Company), was ranked among the “Best Companies to Work For” in India in 2015 for the eighth consecutive year by a study done by the Great Places to Work® Institute in partnership with The Economic Times. No other airline was included in these rankings during this period. We have the highest employee productivity among the Indian carriers in fiscal 2015 as measured by ASKs per employee, according to CAPA.

Our firm orders for 100 A320 aircraft in June 2005, 180 A320neo aircraft in June 2011 and 250 A320neo aircraft in August 2015 were each the largest single order of aircraft by number from Airbus at the time of the order, according to Airbus. We have taken delivery of all 100 aircraft under our 2005 order as of November 3, 2014, about two years ahead of the initially scheduled final delivery date.

We were one of the first airlines globally to order the A320neo aircraft, according to Airbus. According to Airbus, A320neo aircraft are expected to deliver up to 15% fuel savings initially and up to 20% fuel savings by 2020 compared to current generation A320 aircraft without sharklet wing-tip devices, which will further reduce our fuel consumption per flight as these aircraft enter our fleet from fiscal 2016 onwards.

The magnitude of our 2005, 2011 and 2015 aircraft orders helped us to negotiate favorable terms with Airbus and our other aircraft-related suppliers and service providers, which provides us with a structural cost advantage by reducing the overall costs associated with the acquisition, maintenance and operation of our aircraft.

We have considerable flexibility to prudently manage the expansion of our fleet. Our firm orders with Airbus, subject to negotiation with Airbus, may allow us to advance or defer deliveries; a number of the 100 aircraft delivered under our 2005 order were advanced deliveries from their initially scheduled delivery dates and we did not defer any aircraft deliveries under our 2005 order. As of August 31, 2015, we had extended the operating leases of 27 of our current aircraft, seven of which had been scheduled to be redelivered to our lessors in fiscal 2015. None of our aircraft were scheduled to be redelivered to our lessors in the three months ended June 30, 2015.

Our total revenue has increased to ₹ 143,091.41 million in fiscal 2015, growing at a CAGR of 38.0% since fiscal 2011. Our EBITDAR increased to ₹ 38,317.64 million in fiscal 2015, growing at a CAGR of 34.8% since fiscal 2011. Please see the chapter “*Management’s Discussion and Analysis of Financial Condition and Results of Operations—Our Results of Operations*” beginning on page 352. We achieved positive net profit in fiscal 2009 and have remained profitable in each subsequent fiscal year through fiscal 2015. No other Indian airline has consistently remained profitable over the same period, according to CAPA. We have also remained profitable in the three months ended June 30, 2015.

We had the lowest CASK of all Indian carriers in fiscal 2014, and amongst one of the lowest CASK excluding fuel expenses compared with publicly-listed LCCs globally, according to SAP. Our airline had the highest profitability as measured by RASK minus CASK for any airline in India and is at a level in line with LCCs operating in Asia during the most recently completed fiscal year, according to SAP. Please see the chapter “*Industry Overview—Cost Competitiveness—Unit Profitability*” beginning on page 166. We have used our consistent profitability to reinvest in our business to build scale and efficiencies and to provide returns to our shareholders. We have a strong balance sheet measured in terms of our indebtedness. As of June 30, 2015 and March 31, 2015, we had total indebtedness of ₹ 39,123.75 million and ₹ 39,261.63 million, respectively, and net debt (net of free cash) of ₹ 34,120.20 million and ₹ 27,634.90 million, respectively. As of June 30, 2015 and March 31, 2015, all of our indebtedness is aircraft related, and we did not have any working-capital-related indebtedness.

Our fleet expansion strategy, along with our profitability and strong balance sheet, is intended to enable us to strengthen and sustain our market leading position in India’s large and fast-growing air travel market. We intend to maintain our focus on providing customers with affordable air travel, on-time performance and hassle-free customer service.

Certain Observations noted by Auditors

In connection with the audits of our financial statements, our Auditor has noted that there were delays in the deduction/accrual and deposit of certain statutory dues as a qualification with respect to matters specified in the Companies (Auditors Report) Order, 2003, as amended, in the annexures to their audit reports for each of the fiscal years 2013 and 2014. Although these qualifications did not require any corrective adjustments in our

financial statements, the reports were nonetheless qualified in accordance with the requirements of the Companies (Auditors Report) Order, 2003, as amended. Such qualifications may be repeated in future years.

Please see “*Risk Factors - Based on certain qualifications noted by our auditors in their audit reports, there are deficiencies in certain aspects of our internal controls over financial reporting*” on page 28.

Factors Affecting Our Results of Operations and Financial Condition

Our business and results of operations have been affected by a number of important factors that are expected to continue to affect our business and results of operations in the future. These factors include the following:

General Economic and Business Conditions

We are predominantly a domestic carrier operating out of India. We operate scheduled services to 33 airports in India, with a maximum of 603 domestic flights per day for the week ending August 31, 2015. We operated an average of 570 domestic flights, for the month ending March 31, 2015. According to CAPA, we operated more passenger flights in India than any other airline for 2014/2015 winter schedule. India is one of the fastest growing economies in the world, according to the EIU, and is forecasted by Airbus to be the fastest growing aviation market in the world between 2014 and 2033.

As a result, we will be significantly affected by general economic conditions in India and in the international destinations we serve, in particular economic conditions that affect business and leisure travel within India. The GDP of the countries where we currently operate has been and will continue to be of importance in determining our operating results and future growth.

The airline industry is highly competitive. We face competition from other airlines (including both low-cost air carriers as well as full-service carriers) that service the same routes as us. Our principal competitors include (in alphabetical order) Air Costa, Air India, AirAsia India, Alliance Air, GoAir, Jet Airways (including the former Jet Lite/Konnect brands), SpiceJet and Vistara as well as potential new entrants into the routes/markets that we serve or plan to serve. The intensity of the competition we face varies from route to route and depends on a number of factors, including the strength of competing airlines.

We also face competition from ground transportation, especially from the Indian railways, which offers cheaper alternative modes of transportation than airlines. The efforts of the Indian Government to introduce high speed rail through the High Speed Rail Corporation of India Limited and upgrade highways through the National Highways Development Project are likely to increase the attractiveness of these modes of transportation for the Indian middle class who comprise the bulk of our current and targeted passengers.

Seasonality

Seasonal variations in air travel affect our results of operations. We generally experience higher load factors during the first quarter of each fiscal year (April to June), as this quarter coincides with the summer holiday season in India, and during the third quarter of each fiscal year (October to December), as this quarter coincides with the festival season in India as well as the Indian winter holiday season. In addition, some of our areas of operations in North and East India experience bad weather conditions in winter, resulting in additional expenses caused by delayed and cancelled flights. Given our high proportion of fixed cost obligations, these seasonal factors are likely to cause our results of operations to vary from quarter to quarter during a particular fiscal year.

Expansion of Aircraft Fleet

The continued growth in our fleet size has enabled a corresponding ramp-up in our operations and will be a critical factor in any future expansions of our operations. The size of our fleet has a major effect on both our revenues and expenses.

Since commencing scheduled airline operations with a single aircraft in August 2006, our fleet size has grown annually. The number of aircraft in our fleet was 39, 55, 66, 77 and 94 as of March 31, 2011, 2012, 2013, 2014 and 2015, respectively. As of August 31, 2015, we had a total fleet of 97 aircraft, each an Airbus A320.

The following table sets forth our fleet size and capacity (in available seat kilometers, or ASKs), for the periods indicated.

	Fiscal Year Ended March 31,				
	2011	2012	2013	2014	2015
Fleet size ⁽¹⁾	39	55	66	77	94
ASK (millions)	12,491	18,006	24,977	29,968	35,327
Departures	70,217	98,416	131,237	158,488	192,920
Block Hours	125,553	179,252	246,140	297,653	354,276

Note:

(1) Total aircraft on the last day of the period indicated.

We placed a firm order with Airbus for 100 A320 aircraft in June 2005, all of which were delivered by November 2014, about two years ahead of the initially scheduled final delivery date. We additionally placed firm orders with Airbus for 180 A320neo aircraft in June 2011 and 250 A320neo aircraft in August 2015. The purchase agreement for our 2011 order has secured a series of scheduled deliveries from November 2015 to November 2023 and our purchase agreement for our 2015 order has secured a series of scheduled deliveries from 2018 to 2026, each subject to any delivery advancements or deferrals to be negotiated with Airbus. In August and September 2015, we entered into lease arrangements with respect to the first nine A320neo aircraft under our 2011 order, which are scheduled to be delivered to us between November 2015 and June 2016. We expect these deliveries under our 2011 order to increase our operating fleet to approximately 111 aircraft, net of retirements, by the end of fiscal 2016. We have also leased 12 aircraft previously leased by Tiger Airways and one aircraft from Macquarie, all of which have been delivered.

We expect that our continued fleet growth over the next several years will have a corresponding impact on our results of operations and financial condition, including continued growth in our capacity and capital expenditure for the foreseeable future.

Route Portfolio Management

The significant expansion of our aircraft fleet since we commenced flight operations in August 2006 has resulted in a corresponding expansion in our route portfolio. The following table sets out certain information regarding our total departures, routes operated and airports served by our domestic operations for the periods presented.

	Fiscal Year Ended March 31,				
	2011	2012	2013	2014	2015
Total departures during period.....	70,217	95,594	123,222	148,342	183,149
Number of routes operated at end of period.....	66	81	87	103	114
Number of airports served at end of period.....	25	27	28	31	32

Factors we consider when managing our route portfolio include, among others, our ability to sustain high passenger load factors and high aircraft utilization rates. We have maintained high utilization of our aircraft through efficient schedule management. For fiscal 2011, 2012, 2013, 2014 and 2015 and the three months ended June 30, 2015, our average aircraft utilization in terms of block hours for each day was 10.7 hours, 10.4 hours, 11.1 hours, 11.4 hours, 11.4 hours and 11.9 hours, respectively. In fiscal 2015, the average aircraft utilization for all other Indian carriers was 10.4 hours, according to CAPA. Thus, our average aircraft utilization was higher.

Selecting and flying good routes, competing effectively on those routes and handling aircraft and passengers efficiently at the airports on those routes are crucial for the successful performance of our airline operations and, as a result, our financial condition and results of operations.

Aircraft Leases

It has generally been our practice to assign our right to purchase each aircraft under our purchase agreement with Airbus to a third-party lessor and lease the aircraft from such lessor following delivery of the aircraft.

Under the terms of our assignment, the third-party lessor is typically required to pay the purchase price for each delivered aircraft directly to Airbus. Accordingly, in the past, we have not generally been required to expend significant funds for the acquisition of aircraft, other than for aircraft pre-delivery payments, which we pay ourselves.

Of the 97 aircraft we operated as of August 31, 2015, net of redeliveries, we hold 75 under operating leases and 22 under finance leases. We have taken delivery of all 100 aircraft under our 2005 order as of November 3, 2014, of which 77 were on operating leases, 17 were on European Export Credit Agency backed finance leases, five were on IAE backed finance leases and one was purchased with internal funds. All of our operating aircraft leases are sale-and-leaseback agreements as of August 31, 2015, other than short term leases of 12 aircraft previously used by Tiger Airways which we entered into on October 9, 2014 and one used aircraft from Macquarie which we entered into on June 2, 2015, all of which have been delivered.

Short-term operating leases are suitable for our airline given our adherence to the LCC business model and the benefits of maintaining a young fleet. As our operating leases are relatively short-term, we are able to maintain a young fleet which allows us to achieve better reliability in terms of aircraft performance, lower maintenance costs, improved fuel efficiency and higher operational reliability, all of which improve our airline's cost profile. It also helps us to re-fleet faster and cater to changing market dynamics by extending our leases if required. As of August 31, 2015, we have extended the operating leases of 27 of our current aircraft, seven of which had been scheduled to be redelivered to our lessors in fiscal 2015.

Passenger Volume and Fare

As a low cost carrier, we operate in a highly competitive fare market. Our revenues are predominantly derived from passenger ticket revenue, which is determined by passenger load factor, number of passengers carried and average passenger fares as detailed in the table below for the periods indicated.

	Fiscal Year Ended March 31,					Three Months Ended June 30,
	2011	2012	2013	2014	2015	2015
Passenger load factor (%)	85.1	82.3	81.1	77.2	79.8	87.9
Passengers carried (thousands)	9,467	12,752	16,888	19,569	25,180	8,211
Average passenger fares (₹)	3,581.94	3,911.14	4,895.00	5,071.38	4,882.33	4,523.92
Passenger ticket revenue (₹ million)	33,909.86	49,873.04	82,666.57	99,239.83	122,938.97	37,146.37

While our number of passengers carried has increased annually from fiscal 2011 to fiscal 2015, our passenger load factor has been fairly consistent and exceeded 75% in each of these years as a result of our increased capacity during the period.

Aircraft Fuel Expenses

Aircraft fuel is a major cost component for airlines. The cost of our aircraft fuel has fluctuated significantly in recent years, accounting for 47.1%, 51.0%, 51.0%, 50.3%, 46.1% and 39.7% of our total expenses in fiscal 2011, 2012, 2013, 2014 and 2015 and the three months ended June 30, 2015, respectively.

The cost of aircraft fuel cannot be predicted with any degree of certainty. To date, we have not undertaken any forward fuel purchases or other hedging strategies with respect to our fuel purchases. However, we have developed a platform to hedge fuel (which has included, among other things, obtaining necessary Governmental approvals and establishing relationships with potential hedging counterparties), if required.

We have taken steps to reduce our fuel consumption. We have utilized sharklet-equipped A320 aircraft from January 2013, which according to Airbus consumes less fuel than aircraft without sharklets. In 2008, we upgraded to IAE Select One engines, which consume less fuel than those engines which we used previously. In March 2011, we began to use the Pratt & Whitney EcoPower Engine Wash process for our engines, which results in incremental fuel savings. As a result of these and other measures, we have been able to reduce our fuel consumption per block hour by 4% from fiscal 2011 to fiscal 2015.

According to Airbus, the A320neo aircraft we have ordered are expected to consume up to 15% less fuel than current A320 aircraft without sharklets, which will further reduce our fuel consumption per flight as these

aircraft enter our fleet from fiscal 2016 onwards. This is likely to bring significant cost advantages in our operations.

Fluctuations in Currency Exchange Rates

Substantially all of our operating income is received in Indian Rupees. However, 70.1% of our total expenses for fiscal 2015, including aircraft fuel expenses, aircraft and engine rental payments, aircraft and engine maintenance and aircraft insurance, were USD denominated and therefore exposed to fluctuations in the USD/Indian Rupee exchange rate. Furthermore, as of June 30, 2015 and March 31, 2015, our total debt aggregated ₹ 39,123.75 million and ₹ 39,261.63 million, respectively, all of which is comprised of USD denominated secured loans for aircraft acquisitions.

We have in the past entered into short term currency hedging to manage our exposure to fluctuations between the USD and Indian Rupees within the parameters allowed by the Reserve Bank of India. We may in the future enter into additional hedging arrangements in order to manage our exposure to currency fluctuations. Fluctuations in USD/Indian Rupee the currency exchange rate have a substantial effect on our results of operations.

Our Significant Accounting Policies

The preparation of our financial statements in conformity with Indian GAAP requires our management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, and the related disclosure of cash flows and contingent liabilities, among other items. Certain key accounting policies relevant to our business and operations have been described below. For a detailed description of our significant accounting policies, see Annexure IV of the restated financial statements included in this Red Herring Prospectus.

Revenue

Passenger and Cargo Revenue: passenger revenue is recognized on a flown basis when the flight takes off and the service is rendered, net of airport charges and discounts, if any. Cargo revenue is recognized when goods are transported, net of airport charges. The sale of tickets not yet flown is credited to unearned revenue disclosed as 'Forward Sales' under current liabilities. Fees charged for ancillary services such as changes to flight tickets or for special service requests are recognized as revenue immediately on rendering of services. Forward Sales unutilized for more than a year are recognized as revenue based on historical statistics, data and management estimates, and considering our cancellation policy.

In flight Sales: revenue from the sale of merchandise is recognized upon the transfer of all significant risks and rewards to the passenger. Revenue from sale of food and beverages is recognized upon the sale of goods to the passenger.

Dividend income: dividend is recognized as and when the right to receive such income is established.

Tours and packages: income and related expense from the sale of tours and packages are recognized upon services being rendered, net of applicable discounts. The income and expense are stated on a gross basis. Passenger revenue earned from the sale of tours and packages is recognized on a flown basis and disclosed under tours and packages. The sale of tours and packages not yet serviced is credited to unearned revenue and disclosed as 'Forward Sales' under current liabilities.

Interest income: interest income is recognized on a time proportion basis.

Commission and advertisement income: commission and advertisement income is recognized on an accrual basis in accordance with the terms of the underlying contracts, net of applicable taxes.

Leased assets

Leased assets under which we assume substantially all risks and benefits of ownership are classified as finance leases. Other leases are classified as operating leases.

Finance lease: assets taken on finance leases are capitalized at the lower of the fair value of the assets and the present value of the minimum lease rentals (which includes initial amount paid to the lessors) with the corresponding amount payable shown as lease liability. The principal component of the lease rentals is adjusted against the lease liability and the interest component is charged to the Statement of Profit and Loss.

Operating lease: Lease rentals in respect of assets taken on operating leases are charged to the Statement of Profit and Loss with reference to the lease term and other considerations.

Sale and lease back transactions

Profit or loss on sale and lease back transactions from operating leases are recognized immediately when the transaction is established at fair value; the excess of sale price over the fair value is deferred and amortized over the period for which the asset is expected to be used. Any excess or deficiency of sales proceeds over the carrying amount for a sale and leaseback transaction in a finance lease is deferred and amortized over the lease term in proportion to the depreciation of the leased asset.

Manufacturers' incentives – non-refundable

Cash incentives

We receive non-refundable incentives from manufacturers in connection with the acquisition of aircraft and engines. For owned aircraft or for aircraft held under finance lease, incentives are recorded as a reduction to the cost of the related aircraft or engines. For aircraft held under operating lease, the incentives are deferred and reduced from the operating lease rentals on a straight line basis over the period of the related lease. If we return an aircraft before the expiry of the lease term, the unamortized balance of the deferred incentive is recorded in the Statement of Profit and Loss.

We also receive non-refundable milestone incentives from the engine manufacturer upon achieving certain milestones relating to delivery of aircraft. These milestone incentives are recorded as a reduction to the carrying value of aircraft and engines in case of owned aircraft and engines. For aircraft held under operating lease, the incentives are deferred and reduced from the lease rentals on a straight line basis over the remaining lease period of the related lease. Where the aircraft is held under finance lease, the incentives are deferred and recognized under the heading 'Other operating revenue' in the Statement of Profit and Loss, on a straight line basis over the remaining lease period of the related lease.

Non-cash incentives

Non-cash incentives are recorded as and when due by setting up a deferred asset and a corresponding deferred incentive. These incentives are recorded as a reduction to the cost of related aircraft and engines in case of owned assets and aircraft held under finance lease. For aircraft held under operating lease, the incentives are deferred and reduced from the lease rentals on a straight line basis over the estimated period of use of these incentives. The deferred asset is reduced on the basis of utilization of incentives against the purchase of goods and services.

Our Revenue

As an airline, we principally derive our revenue from passenger ticket revenue. We also derive revenue from ancillary products and services, such as cargo and sales of food and beverages on board, and receive other income primarily from finance income from our investments. The table below provides our revenues for the period specified:

	Fiscal Year Ended March 31,					Three Months Ended June 30,
(₹ million)	2011	2012	2013	2014	2015	2015
Revenue from operations	38,334.20	55,646.60	92,031.30	111,165.84	139,253.36	42,115.42
Other income	1,107.37	1,439.60	2,371.04	3,155.34	3,838.05	1,056.57

Revenue from Operations

We derive our revenue from operations primarily from passenger ticket revenue, which we recognize as revenue at the time such tickets are used by passengers. In addition, we also earn revenue from operations from ancillary products and services. Our revenue from ancillary products and services is composed of:

- (i) revenue from ancillary passenger related services which consists of charges for special service requests (including seat selection, charges for infants and assistance for unaccompanied minors), ticket modification or cancellation including expiry of credit shell, excess baggage, lounge income and convenience fees; and
- (ii) revenue derived from products and services that are ancillary to our airline passenger services, which consists of cargo services, in-flight sales, advertisement, commission from insurance and our tours and packages business.

The following table sets out the amounts and percentage share of total revenue from operations of our passenger ticket revenue, ancillary revenue and other operating revenue from the periods specified.

Our passenger ticket revenue has increased annually as a result of increased capacity and numbers of passengers.

Passenger revenues are dependent on capacity measured in terms of ASK, utilization measured in terms of RPK, passengers and average fares and yields (passenger revenue / RPK). The table below provides information relating to our passenger revenues for the period specified.

Our ancillary revenue has increased in line with our passenger ticket revenue primarily because of increased capacity and the addition of new services such as commissions and tours. Ancillary revenue represented 11.1% and 11.0% of total revenue for the three months ended June 30, 2015 and fiscal 2015, respectively.

Our revenue from operations was 97.2%, 97.5%, 97.5%, 97.2%, 97.3% and 97.6% of our total revenue in fiscal 2011, 2012, 2013, 2014 and 2015 and the three months ended June 30, 2015, respectively.

Other Income

The primary components of our non-operating income (recorded in our Statement of Profit and Loss as “Other income”) are:

1. finance income primarily consisting of dividends from current investments and interest on fixed deposits; and
2. other miscellaneous items primarily consisting of profit on re-delivery of aircraft and profits on sale of fixed assets.

Our other income is recurring from regular business and investing activities, other than profits from sale of spare parts.

Our non-operating income was 2.8%, 2.5%, 2.5%, 2.8%, 2.7% and 2.4% of our total revenue in fiscal 2011, 2012, 2013, 2014 and 2015 and the three months ended June 30, 2015, respectively.

Note:

(1) Other operating expenses comprises of other expenses excluding landing fee and enroute charges, maintenance cost and selling and distribution cost.

- *Aircraft fuel expenses:* Aircraft fuel comprises our largest expense. Our fuel cost has increased over the years due to increased consumption in line with the increased size of our fleet and the expansion of our operations, variations in global prices of aircraft fuel and depreciation of Indian currency. In India, aircraft fuel is available for domestic purchase primarily from three government-controlled companies and two private companies. The price of aircraft fuel is fixed by these companies monthly and announced for the various airports in the country. To reduce our dependence on domestic suppliers, we started importing aircraft fuel in April 2014.
- *Aircraft and engine rentals:* This cost reflects lease payments for the aircraft we operate under operating lease arrangements, as well as lease payments we make to our engine supplier, IAE, whenever we use any spare engines it has supplied. This item also includes supplementary rental payments to our lessors based on actual utilization of our aircraft. We receive incentives from Airbus and our other aircraft-related suppliers and service providers. These incentive payments are amortized over the course of the relevant operating lease and are reduced from aircraft and engine rental payments.
- *Purchase of stock in trade:* Relates primarily to the inventory requirements for our inflight sales.
- *Employee benefits:* This cost consists primarily of salaries, bonuses and allowances, as well as statutory mandatory contributions pursuant to provident and other funds, recruitment costs and staff welfare costs. We have been rated as “India’s Best Companies to Work for” by Great Place to Work Institute India for seven years in a row and undertake numerous employee-friendly programs. We do not have any unionized employees and strive to maintain high employee retention by creating a positive corporate culture, ensuring our employees are paid on a timely basis and by providing incentives such as bonuses to flight crews based on our financial and operational performance.
- *Landing fees and en-route charges:* These costs include landing charges, route navigation facility charges, terminal navigation landing charges, parking and housing charges, X-ray charges and CUTE charges (at CUTE-enabled airports). Airport related charges are typically payable to the AAI or the operator of the airport. Airport charges are fixed by various airport operators and are primarily determined on the basis of number of passengers carried, aircraft weight and type of airport (domestic or international).
- *Maintenance Cost:* As an operator of aircraft, we are required to and are responsible for maintaining and repairing the aircraft. Our maintenance and repair expenses consist of scheduled and unscheduled maintenance of our aircraft, engines and other parts. We maintain our aircraft in accordance with standards that meet or exceed Indian regulatory standards and have entered into several fleet hour agreements for our engines, APUs and other components. We outsource most of the maintenance of our aircraft and engines.

- *Selling and Distribution Cost:* This item includes costs towards our call centers, reservation system, commissions and other miscellaneous expenses towards selling and distribution.
- *Other operating expenses:* Our other operating expenses consist primarily of aircraft insurance costs, in-flight purchases (which reflects our purchase of the food, beverages and merchandise sold on our flights), rent (primarily in respect of office space and various commercial premises), legal and professional fees, operating costs of software, other operating costs and in-flight and passenger costs.
- *Finance cost:* This cost consists of (i) interest payments on our indebtedness, which primarily consists of indebtedness we incurred in order to finance our pre-delivery payment fees under our aircraft purchase agreement with Airbus, and (ii) finance lease charges, which primarily reflect the interest component of the lease payments we make under our aircraft finance leases;
- *Depreciation and amortization:* This item primarily relates to depreciation on aircraft with finance lease arrangements, with the balance primarily relating to depreciation on ground support equipment, computer equipment, vehicles and furniture that we own.

Our Provision for Tax

The elements of our tax expenses are as follows:

- *Minimum alternate tax (MAT) and MAT credit entitlement.* Under Indian tax laws, a company is required to pay the higher of (i) Minimum Alternate Tax, or MAT, computed on book profit or (ii) income tax computed on taxable profit. The MAT payments can be carried forward and set-off against regular tax payable by us on taxable profit during the ten assessment years immediately following the assessment year in which we pay MAT. We record such carried forward MAT payments on our Statement of Profit and Loss as “MAT credit entitlements” in accordance with the Guidance Note on “Accounting for Credit Available in respect of Minimum Alternate Tax” under the IT Act. We paid MAT in each of fiscal 2011, 2012, 2013, 2014 and 2015. MAT was assessed at the rate of 19.9%, 20.0%, 20.0%, 20.9% and 20.9% (inclusive of surcharge and education cess) in fiscal 2011, 2012, 2013, 2014 and 2015. In fiscal 2015, a portion of MAT recoverable amounting to ₹ 1,602.03 million was written off which has been reflected in the restated financial statements. This restatement results in effective MAT rates of 19.0%, 10.4%, 19.5%, 19.6% and 21.1% for each year, respectively.

For the the three months ended June 30, 2015, our income tax computed on taxable profits was higher than MAT, and we paid tax under the normal provisions of the IT Act at 34.6% (inclusive of surcharge and education cess) which results in effective tax rate of 29.9% (excluding effect of deferred tax) in our restated financial statements.

- *Deferred tax.* Deferred income tax reflects the impact of the timing difference between taxable income and accounting income originating during the current year and reversal of timing differences for the

earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where we have unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits. The carrying amount of deferred tax assets is reviewed at each reporting date.

Note:

- (1) Aircraft and engine rentals are defined as aircraft and engine rentals net of cash and non-cash incentives.
- (2) EBITDAR is earnings before finance income and cost, income taxes, depreciation and amortization and aircraft and engine rentals. It is calculated as EBITDA plus aircraft and engine rentals. EBITDA is earnings before finance income and cost, income taxes, and depreciation and amortization. It is calculated as total revenue subtracting total expenses but excluding finance cost, finance income and depreciation and amortization.

EBITDA and EBITDAR are included as supplemental disclosure as our management considers that they are useful indicators of our operating performance. Derivations of EBITDA and EBITDAR are well-recognized performance measurements in the airline industry that are frequently used by companies, investors, securities analysts and other interested parties in comparing the operating performance of companies in our industry. Our management also considers EBITDA to be useful for evaluating

performance of our senior management team. EBITDAR is useful in evaluating our operating performance compared to our competitors because its calculation isolates the effects of financing in general, the accounting effects of capital spending and acquisitions (primarily aircraft, which may be acquired directly, directly subject to acquisition debt, by finance lease or by operating lease, each of which is presented differently for accounting purposes) and income taxes, which may vary significantly between periods and for different companies for reasons unrelated to overall operating performance. However, because derivations of EBITDA and EBITDAR are not determined in accordance with Indian GAAP, such measures are susceptible to varying calculations, and not all companies calculate the measures in the same manner. As a result, derivations of EBITDA and EBITDAR as presented may not be directly comparable to similarly titled measures presented by other companies.

These non-Indian-GAAP financial measures have limitations as an analytical tool. Some of these limitations are: they do not reflect our cash expenditures or future requirements for capital expenditures or contractual commitments; they do not reflect changes in, or cash requirements for, our working capital needs; they do not reflect the significant interest expense, or the cash requirements necessary to service interest or principal payments, on our debt; although depreciation and amortization are non-cash charges, the assets being depreciated and amortized will often have to be replaced in the future, and these measures do not reflect any cash requirements for such replacements; and other companies in our industry may calculate EBITDA and EBITDAR differently than we do, limiting their usefulness as a comparative measure. Because of these limitations, EBITDA and EBITDAR should not be considered in isolation or as a substitute for performance measures calculated in accordance with Indian GAAP.

- (3) EBITDAR margin is calculated as EBITDAR / (total revenue – finance income)
- (4) EBITDA margin is calculated as EBITDA / (total revenue – finance income)
- (5) The difference in the profit figures for the year 2013 – 2014 as disclosed to DGCA and those contained in the DRHP is due to the fact that the figures contained in the DRHP are based on the restated financial statements of the Company(in compliance with the ICDR Regulations while those submitted to DGCA are audited financial statements).

The following table shows a breakdown of our balance sheet for the periods indicated.

Three Months Ended June 30, 2015

Revenue from operations. Our revenue from operations was ₹ 42,115.42 million for the three months ended June 30, 2015.

- **Passenger ticket revenue.** Our passenger ticket revenue was ₹ 37,146.37 million for the three months ended June 30, 2015. We realized an average fare of ₹ 4,523.92 over this period which was marginally lower than the average fare of ₹ 4,882.33 which we realized over fiscal 2015. The price of Brent Crude in fiscal 2015 was US\$86.6 per barrel compared to US\$63.5 per barrel for the three months ended June 30, 2015, a reduction of 26.7%. A part of this decrease in fuel prices was passed on to consumers in the form of a reduction in our average fare. We have achieved a load factor of 87.9% for the three months ended June 30, 2015, which was significantly higher than the load factor of 79.8% which we achieved in fiscal 2015.

- *Ancillary revenue.* Our ancillary revenue was ₹ 4,806.97 million for the three months ended June 30, 2015.
- *Revenue from ancillary passenger related services.* Our revenue from ancillary passenger related services was ₹ 2,489.08 million for the three months ended June 30, 2015, which primarily reflected our revenue from ticket cancellation and modification, excess baggage and other special services such as charges for infant travel and accompanying of minors.
- *Revenue derived from products and services that are ancillary to our airline passenger services.* Our revenue derived from products and services that are ancillary to our airline passenger services was ₹ 2,317.89 million for the three months ended June 30, 2015, 77.9% of which was from cargo revenues. The remaining amount was largely from the sale of food and merchandise on board our aircraft. The table below details revenue derived from products and services that are ancillary to our airline passenger services for three months ended June 30, 2015.

(₹ million)	Three Months Ended June 30,	
	2015	%
Cargo	1,805.58	77.9%
Inflight	438.05	18.9%
Tours	9.74	0.4%
Advertisement	64.29	2.8%
Commission	0.23	0.0%
Revenue derived from products and services that are ancillary to passenger services	2,317.89	100.0%

- *Other operating revenue.* Our other operating revenue (reflecting amortization of incentives for aircraft and finance leases) was ₹ 162.08 million for the three months ended June 30, 2015, which was 0.4% of our operating revenue for this period.

Non-operating income. Our non-operating income (recorded in our Statement of Profit and Loss as “Other income”) was ₹ 1,056.57 million for the three months ended June 30, 2015. Approximately 97.5% of this income was generated from finance income received from investments in highly liquid market instruments.

Expenses. Our expenses totaled ₹ 33,919.29 million for the three months ended June 30, 2015 (₹ 32,889.66 million net of finance income).

- *Aircraft fuel expense:* Our aircraft fuel expenses were ₹ 13,477.26 million for the three months ended June 30, 2015. We received deliveries of 3 aircraft over this period, increasing our fleet from 94 aircraft at the end of fiscal 2015 to 97 aircraft as on June 30, 2015. Aircraft fuel expenses were 39.7% of total expenses in this period as compared with 46.1% of total expenses in fiscal 2015, which is attributable to the softening of fuel prices globally as reflected in decrease in the average price of Brent Crude to US\$63.50 per barrel for three months ended June 30, 2015 from US\$86.6 per barrel in fiscal 2015.
- *Aircraft ownership cost:* Our aircraft ownership cost is comprised of aircraft and engine rentals, net finance cost and depreciation and amortization. The breakup of these costs for the three months ended June 30, 2015 is given below:

Description	Amount (₹ million)
Aircraft and engine rentals	6,016.81
Finance Cost	328.35
<i>Less: Finance Income</i>	<i>(1,029.63)</i>
Depreciation and Amortization	1,199.66
TOTAL	6,515.19

We added three used aircraft in this three month period, all of which are on operating leases. Our ownership cost as a percentage of total expense net of finance income increased from 16.5% in fiscal 2015 to 19.8% in the three months ended June 30, 2015. Pursuant to identification of major inspection and overhaul costs as separate components as required by Schedule II of the Companies Act, 2013 with effect from April 1, 2015, the depreciation charge for the three months period ended June 30, 2015 is higher by ₹ 400.75 million. On an ASK basis, our ownership cost/ASK has increased marginally from ₹ 0.57 in fiscal 2015 to ₹ 0.64 in the three months ended June 30, 2015.

- *Purchase of stock in trade.* Our stock in trade was ₹ 231.93 million for the three months ended June 30, 2015, primarily comprised of the cost of purchasing food and merchandise for sale on our aircraft.
- *Changes in inventories of stock in trade.* Our change in inventories of stock in trade was ₹ (2.19) million for the three months ended June 30, 2015.
- *Employee benefits.* Our employee benefits were ₹ 3,825.11 million for the three months ended June 30, 2015 primarily comprising of salaries, bonuses and allowances paid to our employees.
- *Other expenses.* Our other expenses were ₹ 8,842.36 million for the three months ended June 30, 2015, primarily comprised of landing and en-route charges, selling and distribution cost, aircraft maintenance costs and other operating expenses. The table below details our other expenses for the three months ended June 30, 2015.

Description	Amount (₹ million)
Landing and en-route charges	3,291.16
Maintenance Cost	1,113.69
Selling and Distribution cost	2,156.58
Other operating expenses	2,280.93
TOTAL	8,842.36

Our other expenses as a percentage of operating revenue for the three months ended June 30, 2015 declined marginally compared to fiscal 2015 primarily because of reduction in selling and distribution cost as a percentage of operating revenue from 6.3% in fiscal 2015 to 5.1% in the three months ended June 30, 2015 due to various initiatives such as a reduction of commissions to paid to travel agents.

Description	Three months ended June 30, 2015	Fiscal 2015
Landing and en-route charges	7.8%	7.8%
Maintenance Cost	2.6%	3.0%
Selling and Distribution cost	5.1%	6.3%
Other operating expenses	5.4%	5.1%

Profit before tax (charge)/benefit. Our profit before tax was ₹ 9,252.70 million for the three months ended June 30, 2015.

Tax (charge)/benefit

- *Minimum Alternate Tax (MAT).* In the three months ended June 30, 2015, our income tax computed on taxable profits was higher than MAT, and we paid tax of ₹ 2,762.07 million under the normal provisions of the IT Act.
- *MAT credit entitlement.* In the three months ended June 30, 2015, we recorded Nil MAT credit entitlement.
- *Deferred tax credit/(charge).* We recorded deferred tax charge of ₹ 86.28 million in the three months ended June 30, 2015.

- *Profit for the period.* Our profit for the period was ₹ 6,404.35 million for the three months ended June 30, 2015, due to the reasons detailed above. Our profit margin for the three months ended June 30, 2015 was 14.8%, compared to 9.1% for fiscal 2015.

Equity and Liabilities. As of June 30, 2015, our equity totaled ₹ (1,393.87) million compared to ₹ 4,262.20 million as of March 31, 2015. Our liabilities totaled ₹ 107,148.29 million as of June 30, 2015 compared to ₹ 103,475.50 million as of March 31, 2015.

- *Shareholder's funds:* Our shareholder's funds decreased to ₹ (1,393.87) million as of June 30, 2015 compared to ₹ 4,262.20 million, as of March 31, 2015. This negative net worth reflects the June 30, 2015 payout of an interim dividend of ₹ 12,070.82 for fiscal 2016 which was offset by profit after tax of ₹ 6,404.35 million in the three months ended June 30, 2015.

Our share capital increased to ₹ 3,437.16 as of June 30, 2015. The Company issued bonus shares in an amount of ₹ 3,093.44 million in June 2015. The capital redemption reserve and general reserve were utilized to the extent of ₹ 1,554.00 and ₹ 1,539.44, respectively, for issuance of these bonus shares, resulting in a decrease in our reserves to ₹ (4,831.03) million as of June 30, 2015.

- *Non-current liabilities:* Our non-current liabilities increased marginally from ₹ 73,985.23 million as of March 31, 2015 to ₹ 74,663.97 million as of June 30, 2015, an increase of 0.9%.
 - Our other long-term liabilities comprise of supplementary rentals and certain employee related liabilities. Our long-term liabilities increased from ₹ 20,169.51 million as of March 31, 2015 to ₹ 21,976.46 million as of June 30, 2015 due to an increase in supplementary rentals due to our lessors.
 - The increase in other components of non-current liabilities was in line with our company's expansion.
- *Current liabilities:* Our current liabilities increased in the three months ended June 30, 2015 from ₹ 29,490.27 million as of March 31, 2015 to ₹ 32,484.32 million as of June 30, 2015. This increase was primarily due to an increase in provision for tax (net of advance tax) which is part of our short-term provisions.

Assets. As of the three months ended June 30, 2015, we had ₹ 105,754.42 million total assets.

- *Non-current assets:* Our non-current assets decreased 1.3% to ₹ 75,067.21 million as of the three months ended June 30, 2015 from ₹ 76,057.57 million as of March 31, 2015.
 - Our fixed assets of ₹ 48,430.79 million as of June 30, 2015 were relatively unchanged from ₹ 48,764.92 million as of March 31, 2015 as we did not acquire any aircraft on finance lease during this period.
 - Our other non-current assets decreased from ₹ 16,055.60 million as of March 31, 2015 to ₹ 15,099.98 million as of June 30, 2015 on account of a decrease in fixed deposits maturing twelve months from reporting date.
 - Changes in all other components are in line with our business expansion.
- *Current assets:* Our current assets decreased from ₹ 31,680.13 million as of March 31, 2015 to ₹ 30,687.21 million as of June 30, 2015. This decrease was due to sales of investments of ₹ 5,167.52 million which was offset by an increase in our cash and bank balance from ₹ 19,993.80 million as of March 31, 2015 to ₹ 22,694.18 million as of June 30, 2015. During this period, we also paid interim dividends (excluding corporate dividend tax) of ₹ 997.38 million and ₹ 10,029.10 million pertaining to fiscal 2015 and fiscal 2016, respectively.

Fiscal 2015 Compared to Fiscal 2014

Revenue from operations. Our revenue from operations increased 25.3%, from ₹ 111,165.84 million for fiscal 2014 to ₹ 139,253.36 million for fiscal 2015. This increase was primarily due to increased passenger ticket revenue.

- *Passenger ticket revenue.* Our passenger ticket revenue increased 23.9%, from ₹ 99,239.83 million for fiscal 2014 to ₹ 122,938.97 million for fiscal 2015, reflecting a 28.7% increase in passengers coupled with a 3.7% decrease in average fare.
- *Ancillary revenue.* Our ancillary revenue increased 36.1%, from ₹ 11,553.32 million for fiscal 2014 to ₹ 15,724.94 million for fiscal 2015, reflecting the following:
 - *Revenue from ancillary passenger related services.* Our revenue from ancillary passenger related services increased 41.0%, from ₹ 5,394.52 million for fiscal 2014 to ₹ 7,608.24 million for fiscal 2015. This increase resulted primarily from a 28.7% increase in passengers flown over this period. Also, our revenue from ancillary revenue related services per passenger increased from ₹ 275.67 in fiscal 2014 to ₹ 302.15 in fiscal 2015, an increase of 9.6%. This increase can be attributed primarily to the introduction of new ancillary services like self-offload service and changes in rates charged for existing services.
 - *Revenue derived from products and services are ancillary to our airline passenger services.* Our revenue derived from products and services that are ancillary to our airline passenger services increased 31.8%, from ₹ 6,158.80 million for fiscal 2014 to ₹ 8,116.70 million for fiscal 2015 due to a 28.7% increase in passengers and reflecting a 2.4% increase in per passenger realization from ₹ 314.73 in fiscal 2014 to ₹ 322.34 in fiscal 2015.
- *Other operating revenue.* Our other operating revenue (comprised of amortized incentives for aircraft on finance leases) increased 58.2%, from ₹ 372.69 million for fiscal 2014 to ₹ 589.45 million for fiscal 2015 because of an increase in aircraft on finance leases from 18 at the end of fiscal 2014 to 22 at the end of fiscal 2015.

Non-operating income. Our non-operating income (recorded in our Statement of Profit and Loss as “Other income”) increased 21.6%, from ₹ 3,155.34 million for fiscal 2014 to ₹ 3,838.05 million for fiscal 2015, primarily due to an increase in our finance income from ₹ 2,863.55 million to ₹ 3,739.65 million.

Expenses. Our expenses totaled ₹ 124,733.96 million for fiscal 2015. Our expenses net of finance income were ₹ 120,994.31 for fiscal 2015, a 13.4% increase from total expenses net of finance income of ₹ 106,721.80 million for fiscal 2014, primarily due to an increase in capacity which was partially offset by a decrease in fuel prices as detailed below.

- *Aircraft fuel expenses.* Despite the increase in total block hours by 19.0%, our aircraft fuel expenses increased by only 4.3% from ₹ 55,133.50 million for fiscal 2014 to ₹ 57,484.86 million for fiscal 2015 primarily due to fall in global crude oil prices this year. The average price of Brent Crude for fiscal 2014 was US\$107.6 per barrel compared to US\$86.6 per barrel in fiscal 2015, a decrease of 19.5%. This was partially offset by depreciation in the Indian Rupee relative to the U.S. Dollar. As a result, fuel cost per block hour decreased by 12.4% from ₹ 185,227.43 to ₹ 162,260.10.
- *Aircraft ownership cost:* Our aircraft ownership costs for fiscal 2015 and fiscal 2014 are detailed in the table below.

Description	Fiscal 2015 ₹ Million	Fiscal 2014 ₹ Million
Aircraft and engine rentals	19,522.38	16,703.14
Finance Cost	1,155.32	1,225.77
Less: Finance Income	(3,739.65)	(2,863.55)
Depreciation and Amortization	3,022.14	2,260.08
TOTAL	19,960.19	17,325.44

Our aircraft ownership cost increased by 15.2% from fiscal 2014 to fiscal 2015. This was largely due to a 22.0% increase in our fleet on operating lease from 59 at the end of fiscal 2014 to 72 at the end of fiscal 2015 and a 4% depreciation in the Indian Rupee against the U.S. Dollar, in which our aircraft ownership costs are denominated.

In fiscal 2015, we added a net of 17 aircraft, out of which 4 were on finance leases. The total number of aircraft on finance leases increased from 18 at the end of fiscal 2014 to 22 at the end of fiscal 2015. The increase in finance cost and depreciation and amortization is because of the addition of these aircraft.

- *Purchase of stock in trade.* Our stock in trade increased 39.9%, from ₹ 583.97 million for fiscal 2014 to ₹ 817.10 million for fiscal 2015. The increase in stock in trade was primarily due to increased purchases of food and merchandise for sale on our aircraft due to our capacity expansion.
- *Changes in inventories of stock in trade.* Change in inventories of stock in trade decreased from ₹ 7.06 million for fiscal 2014 to ₹ (31.72) million for fiscal 2015.
- *Employee benefits.* Our employee benefit expenses increased 29.1% from ₹ 9,205.52 million for fiscal 2014 to ₹ 11,886.91 million for fiscal 2015. This increase in employee benefit expenses was due to regular salary increments provided to all employees and a 29% increase in the number of employees from 8,168 at the end of fiscal 2014 to 10,536 at the end of fiscal 2015.
- *Other expenses.* Our other expenses increased by 26.2% from ₹ 24,466.31 million for fiscal 2014 to ₹ 30,876.97 million for fiscal 2015. The key components of other expenses are landing and en-route charges, selling and distribution cost, aircraft maintenance cost and other operating expenses as detailed in the table below.

Description	Fiscal 2015 ₹ million	Fiscal 2014 ₹ million
Landing and en-route charges	10,901.32	8,794.31
Maintenance Cost	4,174.85	3,162.41
Selling and Distribution cost	8,729.76	6,945.46
Other operating expenses	7,071.04	5,564.13
TOTAL	30,876.97	24,466.31

Our other expenses as a percentage of operating revenue for fiscal 2015 were relatively consistent compared to fiscal 2014, as detailed in the table below.

Description	Fiscal 2015	Fiscal 2014
Landing and en-route charges	7.8%	7.9%
Maintenance Cost	3.0%	2.8%
Selling and Distribution cost	6.3%	6.2%
Other operating expenses	5.1%	5.0%

Landing and en-route charges, maintenance cost and selling and distribution cost together represented 77.1% of the total other expenses for fiscal 2015.

On a period over period basis, our landing and en-route charges increased by 24.0% reflecting a 21.7% increase in departures along with a 1.8% increase in landing and en-route charges per departure. Landing and en-route charges per departure increased nominally to ₹ 56,506.95 in fiscal 2015 as compared to ₹ 55,488.80 in fiscal 2014.

Our maintenance cost increased by 32.0% in fiscal 2015 reflecting a 19.0% increase in block hours coupled with a 10.8% increase in the per block hour cost. On a per block hour basis, maintenance cost increased from ₹ 10,624.49 in fiscal 2014 to ₹ 11,784.17 in fiscal 2015. This increase was primarily due to a 4% depreciation in the Indian Rupee against the U.S. Dollar in 2015, in which our maintenance cost is denominated, an increase in number of C-checks in fiscal 2015 compared to fiscal 2014 and annual escalations in maintenance contracts.

Our selling and distribution cost increased by 25.7% in fiscal 2015 as compared to fiscal 2014. However, on a per passenger basis, our selling and distribution cost decreased by 2.3% in fiscal 2015 to ₹ 346.69 as compared to ₹ 354.93 for fiscal 2014. We continue to work on lowering our selling and distribution costs through various initiatives such as encouraging passengers to use our website, a low-cost medium of booking tickets. In addition, in fiscal 2015 we have also adjusted the commission paid to our online and other travel agents.

Profit before tax (charge)/benefit. As a result of the above changes, our profit before tax increased 287.6% from ₹ 4,735.83 million for fiscal 2014 to ₹ 18,357.45 million for fiscal 2015.

Tax (charge)/benefit.

- *Minimum Alternate Tax (MAT).* We recorded a book profit before tax in each of fiscal 2014 and fiscal 2015, no taxable profit in fiscal 2014 and taxable profit in fiscal 2015, as determined in accordance with the Indian Income-tax Act of 1961. In each period, we were required to record MAT. In fiscal 2015, we recorded MAT of ₹ (3,867.51) million, as compared to MAT of ₹ (929.88) million in fiscal 2014.
- *MAT credit entitlement.* In fiscal 2014 and fiscal 2015, we recorded a MAT credit entitlement of ₹ 929.88 million and ₹ 2,028.69 million, respectively.
- *Deferred tax credit/(charge).* We recorded deferred tax charge of ₹ (3,562.78) million in fiscal 2015, as compared to a tax benefit of ₹ 8.58 million in fiscal 2014.
- *Profit for the period.* Our profit for the period increased 173.1%, from ₹ 4,744.41 million for fiscal 2014 to ₹ 12,955.85 million for fiscal 2015, due to the reasons detailed above.

Equity and Liabilities. As of March 31, 2015, our equity totaled ₹ 4,262.20 million compared to ₹ 4,217.42 million as of March 31, 2014. Our liabilities totaled ₹ 103,475.50 million as of March 31, 2015 compared to ₹ 86,816.94 million as of March 31, 2014.

- *Shareholder's funds:* Our shareholder's funds increased from ₹ 4,217.42 million to ₹ 4,262.20 million over this period. Our reserves and surplus increased from ₹ 3,873.70 million as of March 31, 2014 to ₹ 3,918.48 million as of March 31, 2015 because of profit after tax of ₹ 12,955.85 million which was offset by dividend (including corporate dividend tax) of ₹ 12,911.07 million in fiscal 2015.
- *Non-current liabilities:* Our non-current liabilities increased from ₹ 58,316.46 million as of March 31, 2014 to ₹ 73,985.23 million as of March 31, 2015.
 - Our deferred tax liabilities (net) increased from ₹ 528.57 million as of March 31, 2014 to ₹ 4,091.35 million as of March 31, 2015 reflecting an increase in profitability in this period and addition of four aircraft on finance lease.
 - Our long term borrowings increased from ₹ 30,807.40 million to ₹ 35,884.02 million because of addition of 4 aircraft on finance lease in fiscal 2015.
 - Our other long-term liabilities comprise of supplementary rentals and certain employee related liabilities. Our other long-term liabilities increased from ₹ 12,957.85 million in fiscal 2014 to ₹ 20,169.51 million in fiscal 2015 in line with the expansion of our business.
- *Current liabilities:* Our current liabilities increased from ₹ 28,500.48 million as of March 31, 2014 to ₹ 29,490.27 million as of March 31, 2015.
 - Our other current liabilities increased from ₹ 16,149.40 million as of March 31, 2014 to ₹ 19,007.99 million as of March 31, 2015. This increase was led by increase in forward sales as a result of expansion of our operations.

- Our short-term provisions decreased from ₹ 4,645.06 million to ₹ 1,528.51 million during this period. This decrease was due to payment in fiscal 2015 of the proposed dividend of ₹ 3,775.78 million and ₹ 641.70 million of corporate dividend tax which pertained to fiscal 2014.

Assets. As of March 31, 2015, we had ₹ 107,737.70 million in total assets compared to ₹ 91,034.36 million as of March 31, 2014.

- *Non-current assets:* Our non-current assets as of March 31, 2015 were ₹ 76,057.57 million as compared to ₹ 61,887.42 million as of March 31, 2014.
 - Our tangible fixed assets increased from ₹ 39,407.20 million to ₹ 48,664.02 million representing an addition of 4 aircraft on finance lease.
 - Our Long-term loans and advances increased from ₹ 8,012.06 million as of March 31, 2014 to ₹ 11,236.59 million as of March 31, 2015. This can be attributed to an increase in the security deposit to our aircraft manufacturer for pre-delivery payments and recoverable amount of Minimum alternate tax as of March 31, 2015.
 - Our other non-current assets increased from ₹ 14,315.23 million as of March 31, 2014 to ₹ 16,055.60 million as of March 31, 2015. This increase was because of increase in our bank deposits with maturity of over twelve months from the reporting date.
- *Current assets:* Our current assets increased from ₹ 29,146.94 million as of March 31, 2014 to ₹ 31,680.13 million as of March 31, 2015. This was primarily due to changes in our cash and bank balances and current investments. Cash and bank balances increased from ₹ 11,015.33 million as of March 31, 2014 to ₹ 19,993.80 million as of March 31, 2015, which was offset by a reduction in our current investments from ₹ 12,714.84 million as of March 31, 2014 to ₹ 5,167.52 million as of March 31, 2015.

Fiscal 2014 Compared to Fiscal 2013

Revenue from operations. Our revenue from operations increased 20.8%, from ₹ 92,031.30 million in fiscal 2013 to ₹ 111,165.84 million for fiscal 2014 primarily due to increased passenger ticket revenue.

- *Passenger ticket revenue.* Our passenger ticket revenue increased 20.0%, from ₹ 82,666.57 million for fiscal 2013 to ₹ 99,239.83 million for fiscal 2014 in line with a 20.0% increase in capacity, a 3.6% increase in average fare and a 4.8% decrease in load factors.
- *Ancillary revenue.* Our ancillary revenue increased 24.9%, from ₹ 9,253.44 million for fiscal 2013 to ₹ 11,553.32 million for fiscal 2014, reflecting the following:
 - *Revenue from ancillary passenger related services.* Our revenue from ancillary passenger related services increased 37.0%, from ₹ 3,936.81 million for fiscal 2013 to ₹ 5,394.52 million for fiscal 2014, primarily due to a 20% increase in capacity over this period. Our revenue from ancillary revenue related services per passenger increased from ₹ 233.11 in fiscal 2013 to ₹ 275.67 in fiscal 2014, an increase of over 18.3%.
 - *Revenue derived from products and services are ancillary to our airline passenger services.* Our revenue derived from products and services that are ancillary to our airline passenger services increased 15.8%, from ₹ 5,316.63 million for fiscal 2013 to ₹ 6,158.80 million for fiscal 2014 due to a 20% increase in capacity. On a per passenger basis, our revenue from products and services that are ancillary to our airline passenger services was ₹ 314.82 in each of fiscal 2013 and ₹ 314.73 in fiscal 2014.
- *Other operating revenue.* Our other operating revenue (comprised of amortized incentives for aircraft on finance leases) increased 234.9%, from ₹ 111.29 million for fiscal 2013 to ₹ 372.69 million for fiscal 2014 because of an increase in aircraft on finance leases from 9 at the end of fiscal 2013 to 18 at the end of fiscal 2014.

Non-operating income. Our non-operating income (recorded in our Statement of Profit and Loss as “Other income”) increased 33.1%, from ₹ 2,371.04 million for fiscal 2013 to ₹ 3,155.34 million for fiscal 2014, primarily due to an increase in our finance income from ₹ 2,006.36 million to ₹ 2,863.55 million.

Expenses. Our expenses totaled ₹ 109,585.35 million for fiscal 2014. Our expenses net of finance income was ₹ 106,721.80 for fiscal 2014, a 29.3% increase from total expenses net of finance income of ₹ 82,522.79 million for fiscal 2013, primarily due to increased aircraft fuel expenses.

- *Aircraft fuel expenses.* Our aircraft fuel expenses increased 27.8% from ₹ 43,126.26 million for fiscal 2013 to ₹ 55,133.50 million for fiscal 2014. This increase is primarily due to net deliveries of 11 aircraft during fiscal 2014 resulting in a 20% increase in capacity, as well as a 10% depreciation of the Indian Rupee against the USD, in which on aircraft fuel payments are denominated, during fiscal 2014.
- *Aircraft ownership cost:* Our aircraft ownership costs for fiscal 2014 and fiscal 2013 are detailed in the table below.

Description	Fiscal 2014 ₹ Million	Fiscal 2013 ₹ Million
Aircraft and engine rentals	16,703.14	13,561.48
Finance Cost	1,225.77	578.01
Less: Finance Income	(2,863.55)	(2,006.37)
Depreciation and Amortization	2,260.08	856.20
TOTAL	17,325.44	12,989.32

Our aircraft ownership cost increased by 33.4% from fiscal 2013 to fiscal 2014. This was due to a 20% increase in capacity in terms of ASKs as well as the depreciation of the Indian Rupee against the USD in which our aircraft ownership costs are denominated.

In fiscal 2014, we added a net of 11 aircraft, out of which 9 of which were on finance leases. The total number of aircraft on finance leases doubled during fiscal 2014 (9 at the end of fiscal 2013 compared with 18 at the end of fiscal 2014). The increase in finance cost and depreciation and amortization is because of the addition of these aircraft. We also added a gross of 7 aircraft on operating lease (2 net of redeliveries) in fiscal 2014, resulting in an increase in our operating lease costs.

- *Purchase of stock in trade.* Our stock in trade increased 4.3%, from ₹ 559.94 million for fiscal 2013 to ₹ 583.97 million for fiscal 2014. The increase in stock in trade was primarily due to increased purchases of food and merchandise for sale on our aircraft due to our capacity expansion.
- *Changes in inventories of stock in trade.* Our inventories of stock in trade increased from ₹ (18.65) million for fiscal 2013 to ₹ 7.06 million for fiscal 2014.
- *Employee benefits.* Our employee benefit expenses increased 33.3% from ₹ 6,904.52 million for fiscal 2013 to ₹ 9,205.52 million for fiscal 2014. This increase in employee benefit expenses was due to regular salary increments provided to all employees and an increase in the number of employees from 6,915 at the end of fiscal 2013 to 8,168 at the end of fiscal 2014.
- *Other expenses.* Our other expenses increased by 29.0% from ₹ 18,961.40 million for fiscal 2013 to ₹ 24,466.31 million for fiscal 2014. The key components of other expenses are landing and en-route charges, selling and distribution cost, aircraft maintenance cost and other operating expenses as detailed in the table below.

Description	Fiscal 2014 ₹ million	Fiscal 2013 ₹ million
Landing and en-route charges	8,794.31	6,418.78
Maintenance Cost	3,162.41	2,617.47
Selling and Distribution cost	6,945.46	5,564.58
Other operating expenses	5,564.13	4,360.57
TOTAL	24,466.31	18,961.40

Our other expenses as a percentage of operating revenue for fiscal 2014 were relatively consistent compared to fiscal 2013, as detailed in the table below.

Description	Fiscal 2014	Fiscal 2013
Landing and en-route charges	7.9%	7.0%
Maintenance Cost	2.8%	2.8%
Selling and Distribution cost	6.2%	6.0%
Other operating expenses	5.0%	4.7%

Our landing and en-route charges per departure were ₹ 55,488.80 in fiscal 2014 as compared to ₹ 48,909.84 in fiscal 2013, an increase of 13.5%. This was primarily due to increased airport charges at key airports and also reflects inflation in India in fiscal 2014.

Our maintenance cost per block hour remained relatively constant flat from ₹ 10,634.07 in fiscal 2013 to ₹ 10,624.49 in fiscal 2014 despite the 10% depreciation of the Indian Rupee against the USD in fiscal 2014. Our maintenance cost as a percentage of operating revenue was 2.8% for each of fiscal 2013 and 2014 despite escalations in our maintenance contract payments during fiscal 2014. Our sale-and-leaseback model allows us to keep our fleet young and helps us control our maintenance costs.

We continue to work on lowering our selling and distribution costs through various initiatives such as encouraging passengers to use our website, a low-cost medium of booking tickets. For fiscal 2014, our selling and distribution cost per passenger was ₹ 354.93 as compared to ₹ 329.50 for fiscal 2013, an increase of 7.7%. Fiscal 2014 witnessed a global slowdown and a decreased discretionary travel, which is reflected in our load factors which were lower by 3.9% (81.1% in fiscal 2013 compared to 77.2% in fiscal 2014). As we were unable to pass on our fixed overheads to a higher passenger base, our selling and distribution cost per passengers increased in fiscal 2014 compared to fiscal 2013.

Profit before tax (charge)/benefit. As a result of the above changes, our profit before tax decreased 52.0% from ₹ 9,873.18 million for fiscal 2013 to ₹ 4,735.83 million for fiscal 2014.

Tax (charge)/benefit.

- *Minimum Alternate Tax (MAT).* We recorded a book profit before tax in each of fiscal 2013 and fiscal 2014, taxable profit in fiscal 2013 and no taxable profit in fiscal 2014, as determined in accordance with the Indian Income-tax Act of 1961. In each period, we were required to record MAT. In fiscal 2014, we recorded MAT of ₹ (929.88) million, as compared to MAT of ₹ (1,924.25) million in fiscal 2013.
- *MAT credit entitlement.* In fiscal 2013 and fiscal 2014, we recorded a MAT credit entitlement of ₹ 1,086.89 million and ₹ 929.88 million, respectively.
- *Deferred tax credit/(charge).* We recorded deferred tax benefit of ₹ 8.58 million in fiscal 2014, as compared to a deferred tax charge of ₹ (1,202.25) million in fiscal 2013.
- *Profit for the period.* Our profit for the period decreased 39.4%, from ₹ 7,833.57 million for fiscal 2013 to ₹ 4,744.41 million for fiscal 2014, due to the reasons detailed above.

Equity and Liabilities. As of March 31, 2014, our equity totaled ₹ 4,217.42 million compared to ₹ 3,890.49 million as of March 31, 2013. Our liabilities totaled ₹ 86,816.94 million as of March 31, 2014 compared to ₹ 54,634.44 million as of March 31, 2013.

- *Shareholder's funds:* Our shareholder's funds increased from ₹ 3,890.49 million to ₹ 4,217.42 million over this period. Our reserves and surplus increased from ₹ 3,546.77 million in fiscal 2013 to ₹ 3,873.70 million in fiscal 2014 because of profit after tax of ₹ 4,744.41 million which was offset by dividend (including corporate dividend tax) of ₹ 4,417.48 million in fiscal 2014.
- *Non-current liabilities:* Our non-current liabilities increased from ₹ 35,854.47 million in fiscal 2013 to ₹ 58,316.46 million as of March 31, 2014.

- Our long term borrowings increased from ₹ 16,173.32 million to ₹ 30,807.40 million because of addition of nine aircraft on finance lease in fiscal 2014.
- Our other long-term liabilities comprise of supplementary rentals and certain employee related liabilities. Our other long-term liabilities increased from ₹ 7,234.82 million to ₹ 12,957.85 million from fiscal 2013 to fiscal 2014 in line with the expansion of our business.
- *Current liabilities:* Our current liabilities increased from ₹ 18,779.97 million in fiscal 2013 to ₹ 28,500.48 million in fiscal 2014.
 - Our short-term provisions increased from ₹ 307.85 million to ₹ 4,645.06 million in this period. This increase was because of proposed dividend of ₹ 3,775.78 million and ₹ 641.70 million of corporate dividend tax in fiscal 2014.
 - Our other current liabilities increased from ₹ 11,383.29 million to ₹ 16,149.40 million year-on-year. This increase was led by increase in forward sales as a result of expansion of our operations.

Assets. As of March 31, 2014, we had ₹ 91,034.36 million in total assets compared to ₹ 58,524.93 million as of March 31, 2013.

- *Non-current assets:* Our non-current assets in fiscal 2014 were ₹ 61,887.42 million as compared to ₹ 27,818.11 million in fiscal 2013.
 - Our tangible fixed assets increased from ₹ 17,547.89 million in fiscal 2013 to ₹ 39,407.20 million representing addition of nine aircraft on finance lease.
 - Our other non-current assets increased from ₹ 4,857.72 million in fiscal 2013 to ₹ 14,315.23 million in fiscal 2014. This increase was because of increase in our bank deposits with maturity of over twelve months from the reporting date.
- *Current assets:* Our current assets marginally declined from ₹ 30,706.82 million in fiscal 2013 to ₹ 29,146.94 million in fiscal 2014.

Liquidity and Capital Resources

We achieved positive net profit in fiscal 2009 and have remained profitable in each subsequent fiscal year through fiscal 2015. No other Indian airline has consistently remained profitable over the same period, according to CAPA. We have also remained profitable in the three months ended June 30, 2015. We generate sufficient cash through our operations to meet our working capital requirements. We have relied on cash from internal accruals and borrowings from banks and other institutions to finance our aircraft pre-delivery payments under our 2005, 2011 and 2015 aircraft purchase agreements with Airbus.

As of the June 30, 2015, our material unused sources of liquidity comprised cash and cash equivalents (including fixed deposits and investments in liquid mutual funds) of ₹ 5,003.55 million and restricted cash (reflecting fixed deposits under lien and non-current investments) of ₹ 31,748.96 million. Our liquid investments are readily convertible into a known amount of cash and they are subject to an insignificant risk of change in value. We also have a number of fund-based working capital financing facilities totaling ₹ 1,500 million available to us which, as of the date of this Red Herring Prospectus, remain undrawn.

On June 19, 2015, our Company declared an interim dividend (excluding dividend distribution tax) of ₹ 997.38 million for fiscal 2015 and an interim dividend of ₹ 10,029.10 million for fiscal 2016, each for 307,000 Equity Shares with a dividend value of ₹ 3,248.79 per share and ₹ 32,668.08 per share, respectively. On January 12, 2015 and March 23, 2015 our Company declared an interim dividend of ₹ 5,932.37 million and ₹ 2,260.23 million for fiscal 2015, each for 307,000 Equity Shares, respectively. Please see the chapter “*Dividend Policy*” beginning on page 264.

We are of the opinion that, after taking into account the expected cash to be generated from operations and the payment of interim dividends on June 19, 2015, we have sufficient liquidity for our present requirements and

anticipated requirements for capital expenditure and working capital for 12 months following the date of this Red Herring Prospectus without taking into account the proceeds from the Issue.

The following table sets forth information on our free cash and restricted cash for the periods indicated:

Net Cash Flows From Operating Activities

Our cash flow from operations largely depends on our net profits. We have been profitable in each of fiscal 2012, fiscal 2013, fiscal 2014, fiscal 2015 and the three months ended June 30, 2015, generating sufficient cash flow from operations. We have been able to meet all our working capital requirements through the cash generated from our operations and have not taken any working capital loans to finance our various regular expenses such as employees' salaries, aircraft fuel, aircraft rentals and airport charges.

Our cash flow from operating activities increased from ₹ 8,956.69 million in fiscal 2012 to ₹ 23,838.84 million in fiscal 2015 because of the growth in our profitability.

Net Cash Flows Used In Investing Activities

Our net cash flow used in investing activities is determined by our aircraft and other capital asset acquisition. The rapid growth of our company operations has contributed to an increased cash outflow on account of investing activities.

We had 5 aircraft on finance leases from IAE at the beginning of fiscal 2012. During fiscal 2013, fiscal 2014 and fiscal 2015, we added 4, 9 and 4 aircraft, respectively, on finance leases a total of 17 aircraft. We did not add aircraft on finance lease during the three months ended June 30, 2015. These 17 finance leases were supported by Export Credit Agency guarantees and we were required to arrange for financing of up to 80% of acquisition value.

Our cash used in investing activities increased from ₹ 466.49 million in fiscal 2012 to ₹ 9,405.06 million in fiscal 2015 reflecting the addition of aircraft on finance leases.

Net Cash Flows From / (Used in) Financing Activities

Our net cash flow from financing activities is determined by the amount of principal and interest payments on our outstanding aircraft acquisition loans (we do not have any working capital loans) and dividend payments (including tax on dividend). We paid dividends in fiscal 2013, fiscal 2014, fiscal 2015 and the three months ended June 30, 2015.

We have also raised funds to finance our aircraft on finance leases. We added 17 aircraft between fiscal 2012 and fiscal 2015 through secured loans guaranteed by the Export Credit Agencies. We also have taken loans to finance our pre-delivery payments for our 2005 and 2011 order from Airbus. The loan with respect to pre-delivery payments for our 2005 order has been repaid in full.

Our net cash flow from financing activities increased to ₹ (13,081.13) million in fiscal 2015 compared to fiscal 2012 where cash used in finance activities was ₹ 6,375.95 million.

Capital Expenditure

Our capital expenditure is mainly related to finance leases of aircraft, and also includes spares, acquisition of ground support equipment, purchase of software and various IT-related equipment and office equipment.

The table below provides details of our capital expenditure for the periods stated.

	Fiscal Year Ended March 31,					Three Months Ended June 30 ¹ , 2015

Note:

- (1) Includes capitalized foreign currency loss arising on re-statement of long-term foreign currency monetary liabilities used for acquisition of depreciable capital assets

The increase in capital expenditure from fiscal 2012 to fiscal 2015 has resulted from the growth in our operations and fleet. We will continue to incur capital expenditure on the acquisition of aircraft, airport infrastructure, engineering and maintenance facilities, setting up IT system, ground support equipment and vehicle and other related infrastructure.

Planned Capital Expenditure

We placed a firm order for 180 A320neo aircraft with Airbus in June 2011, the first delivery of which is scheduled for November 2015, and a firm order for 250 additional A320neo aircraft with Airbus in August 2015, the deliveries of which are scheduled for 2018 to 2026. Based on the fixed aircraft delivery schedules under our purchase agreements with Airbus and the terms of our aircraft leases, we expect our operating fleet, net of retirements, to increase to 111 by the end of March 2016, 134 by March 2017 and 154 by March 2018. As we intend to continue to primarily use operating leases for our aircraft, we do not expect significant capital expenditure in the future to purchase aircraft pursuant to our purchase agreement with Airbus.

As of March 31, 2013, March 31, 2014, March 31, 2015 and June 30, 2015, we had a total capital commitment of ₹ 553,366.45 million, ₹ 578,899.54 million, ₹ 586,812.64 million and ₹ 601,637.86 million, respectively, which amounts principally relate to our aircraft purchase obligations under our purchase agreements with Airbus. The anticipated sources of funding for our planned capital expenditure are the assignment and leaseback

arrangements described under “—*Capital Resources*” below, cash flows from operations (including cash incentive payments we receive under our aircraft purchase agreements with Airbus and under our agreements with our various aircraft component manufacturers), proceeds from the Issue and borrowings. The eventual sources of funding for our capital expenditure will depend on, among others, factors such as the cost and availability of financing and our available cash balances at any point in time.

Capital Resources

As of August 31, 2015, our fleet has grown to a total of 97 aircraft. Of these 97 aircraft, we obtained 75 aircraft through operating leases (including 12 on short term leases which were previously leased by Tiger Airways and 1 on short term lease from Macquarie) and 22 aircraft through finance leases. Of the 100 aircraft which Airbus has delivered to us from the commencement of our operations in 2006, 84 remain in our fleet as of August 31, 2015. Of the 100 aircraft delivered by Airbus, as of November 3, 2014, 77 were on operating leases, 17 were on European Export Credit Agency backed finance leases, 5 were on IAE backed finance leases and one was purchased with internal funds.

We generally assign our right to purchase each aircraft under our purchase agreement with Airbus to a third-party lessor and lease the aircraft from such lessor following delivery of the aircraft under a sale-and-leaseback agreement. Under the terms of our assignment, the third-party lessors are typically required to pay the purchase price for each delivered aircraft directly to Airbus. The basic price for each of the firm-order aircraft delivered pursuant to our contracts with Airbus is increased or decreased by (a) any change to the standard specifications of the aircraft, and increased by (b) an “Escalation Factor” designed to increase the basic price of any individual aircraft to reflect increases in the published U.S. Employment Cost and Producer Price indices from the time the basic price is set to the date falling twelve months prior to the delivery of such aircraft. We are required to pay certain pre-delivery payments under our purchase contracts with Airbus. We have made all pre-delivery payments to Airbus relating to our 2005 order. Additionally, we have made all equity payments and have entered into a loan agreement to fund the remaining pre-delivery payments relating to the 2011 order. We have made all the required pre-delivery payments due till date to Airbus towards the 2011 order. For our 2015 order, we have made all the required pre-delivery payments due till date to Airbus through our internal accruals.

Where we have acquired aircraft directly from Airbus rather than assigning the right to acquire such aircraft to third-party lessors, we have financed the purchase of such aircraft pursuant to secured loans or finance leases. As of June 30, 2015, we had total borrowings of ₹ 39,123.75 million, comprising of secured loans. See “—Contractual Obligations” below for more information on our bank loans, including current maturities.

Currently, there is a liquid market for the Airbus A320 series of aircraft because it is a widely used aircraft. Based on currently announced production rates, Airbus has a current backlog of over 5,400 aircraft for the A320 family of aircraft, according to Airbus. As a result, international leasing companies are generally willing to enter into sale and leaseback arrangements and banks or financial institutions are willing to provide aircraft financing in respect of such aircraft.

Contractual Obligations

The table below sets forth, as of June 30, 2015, our contractual obligations with definitive payment terms. These obligations primarily relate to repayments of our operating and finance lease commitments and other long-term debt obligations in respect of aircraft.

	As of June 30, 2015			
	Total	Less than 1 year	1 to 5 years	After 5 years
		(₹ in millions)		
Operating lease commitments in respect of aircraft ⁽¹⁾	59,966.15	17,320.56	38,220.22	4,425.37
Finance lease commitments in respect of aircraft ⁽²⁾	36,068.55	3,456.60	16,522.75	16,089.20
Other long-term debt obligations in respect of aircraft ⁽³⁾	3,055.20	Nil	Nil	3,055.20

(1) Total future minimum lease payments due under non-cancellable operating leases (except supplementary rental which are based on aircraft utilization and calculated on number of hours or cycles operated)

- (2) Total present value of finance lease commitments. Certain aircraft have been obtained on finance lease. The legal title to these items vests with the lessors and the security trustee. The finance lease term for aircraft ranges between 10 - 12 years with equated monthly payments beginning from the month subsequent to the commencement of the lease.
- (3) These are revolving facilities and the repayments are adjusted according to aircraft deliveries.

We generally assigned our right to purchase aircraft under our 2005 purchase agreement with Airbus to a third-party lessor and leased the aircraft from such lessor following delivery of the aircraft, and we intend to generally continue this practice in respect of aircraft delivered pursuant to our 2011 and 2015 aircraft orders with Airbus. Under the terms of our assignment, the third-party lessors are typically required to pay the purchase price for each delivered aircraft directly to Airbus. If we are unable to assign our right to purchase under our purchase agreements with Airbus to a third-party lessor or if such third-party lessor defaults in purchasing the aircraft from Airbus, we will be required to pay the purchase price for each delivered aircraft directly to Airbus. As of March 31, 2015 and June 30, 2015, we had total capital commitments of ₹ 586,812.64 million and ₹ 601,637.86 million, respectively, which amounts principally relate to our aircraft purchase obligations under our 2011 agreement with Airbus

Contingent Liabilities

As of June 30, 2015, our contingent liabilities were as below:

- a. **Income Tax-** ₹ 972.71 million, the income tax authority has assessed and revised the taxable income on account of disallowance of certain expenses, provisions, depreciation and/or adjustments, and in respect of the tax treatment of certain incentives received from the manufacturer with the acquisition of aircraft and engines. Management has filed an appeal against the disallowance and/or adjustments made by tax authorities and believe, based on advice from counsels/experts, that the views taken by the tax authority are not sustainable at higher levels and accordingly no provision is required to be recorded in the books of account on account of the same. Liability as at June 30, 2015 is net of ₹ 1,602.03 million, which represents minimum alternate tax recoverable written off.
- b. During the current and previous years, the Company has received certain show cause notices and demand orders from the Commissioner of Customs and Commissioner of Central Excise (Adjudication), on account of non-payment of service tax on expenditure in foreign currency amounting to ₹ 0.97 million and excess availment of cenvat credit on cargo services amounting to ₹ 55.07 million. The claims are disputed by the Company. The Company is of the opinion that the above mentioned claims are not tenable and accordingly no provision is required in the books of account.
- c. Claims against the Company by supplier not acknowledged as debt amounting to ₹ 186.40 million on account of certain disputed matters.
- d. In addition to above, the Company is party to various legal proceedings in the normal course of business and does not expect the outcome of these proceedings to have any adverse effect on the financial statements and hence no provision has been set-up against the same.

Off-Balance Sheet Transactions

We use aircraft operating leases in the ordinary course of our business. For further details, please see “—*Liquidity and Capital Resources — Capital Resources*” above for additional information on these transactions.

Market Risks

Aircraft Fuel, Exchange Rate Risk, Seasonality

For further details, please see “—*Factors Affecting Results of Operations and Financial Condition*” above.

Interest Rate Risk

Our financial results are subject to changes in interest rates, which may affect our debt service obligations and our access to funds. As of June 30, 2015, our total indebtedness aggregated ₹ 39,123.75 million in secured loans, which are on a floating rate basis, and we had no unsecured loans. Under aircraft operating lease

agreements for five of our aircraft, we pay monthly base rental based on floating interest rates pegged to LIBOR.

Our floating rate loans and aircraft lease agreements are linked to three/six month USD LIBOR. Any increase in LIBOR could increase our interest expenses on these loans and base rental under these aircraft leases.

Inflation

India has experienced very high levels of inflation during the period between 2009-2014, with inflation peaking at 12.0% in 2010, accordingly to the World Bank (<http://data.worldbank.org/indicator/FP.CPI.TOTL.ZG>). According to the India Ministry of Statistics and Programme Implementation Central Statistics Office, the annual rate of inflation was [●]% for the month ended [●], 2015 compared to an inflation rate of [●]% for the corresponding month in 2014. A sharp rise in inflation rates may adversely affect growth in the Indian economy and our results of operations.

Provisions, contingent liabilities and contingent assets

A provision is created when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent assets are neither recognized nor disclosed in our financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

Unusual or Infrequent Events or Transactions

Except as described in this Red Herring Prospectus, there have been no events or transactions to our knowledge which may be described as “unusual” or “infrequent.”

Known Trends or Uncertainties

Other than as described in the section “*Risk Factors*,” elsewhere in this chapter “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” and elsewhere in this Red Herring Prospectus, to our knowledge there are no known trends or uncertainties that have or had or are expected to have a material adverse impact on the revenues or income of our Company from continuing operations.

Future Relationships Between Costs and Income

Other than as described in the section “*Risk Factors*,” elsewhere in this chapter “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” and elsewhere in this Red Herring Prospectus, to our knowledge there are no known factors which will have a material adverse impact on the operations or finances of our Company.

New Product or Business Segments

Other than as described in this Red Herring Prospectus, there are no new products or business segments in which we operate.

Significant Dependence on a Few Suppliers

One of the key elements of our low-cost business strategy for our Company is to operate a uniform fleet of aircraft, each having similar equipment, including engines. Having a uniform fleet also allows us to use any aircraft for any route, thereby simplifying and increasing the flexibility of our flight scheduling arrangements. Currently all of our aircraft carry V-2527-A5 engines manufactured by IAE, and, upon delivery, all of our A320neo aircraft in our 2011 order will utilize Pratt & Whitney engines, which further increases the uniformity of our aircraft. We are yet to select engines for the A320neo aircraft in our 2015 order. This uniformity lowers costs by allowing us to have common maintenance procedures, training and spare part inventories. The seating

configuration in our Airbus A320 aircraft is optimized at the aircraft's capacity of 180 seats, all of which are economy.

While commonality provides us with many operational and cost benefits, our dependence on Airbus A320 aircraft and IAE and Pratt & Whitney engines exposes us to any design defects or mechanical failures that might arise with such aircraft or engines. Such problems could lead to the loss of use of aircraft or engines and other significant disruptions or costs, apart from causing customers to avoid airlines operating with such aircraft or equipment.

Our operations could also be harmed by the failure or inability of Airbus, IAE, Pratt & Whitney or any of our other main suppliers to provide equipment or sufficient parts or related support services on a timely basis.

Competitive Conditions

We expect competitive conditions in our industry to intensify further as new entrants emerge and as existing competitors seek to extend their operations and flight frequencies over routes that we operate. For further details, please refer to the competition discussion in the sections entitled "*Risk Factors*" and "*Our Business*" beginning on pages 20 and 168, respectively.

Significant Developments after June 30, 2015 that may affect our Future Results of Operations

Except as disclosed in this Red Herring Prospectus, to our knowledge, there is no subsequent development after the date of our restated financial statements contained in this Red Herring Prospectus, which materially and adversely affects, or is likely to affect, the operations or profitability of our Company, or the value of our assets, or our ability to pay our material liabilities within the next twelve months.

FINANCIAL INDEBTEDNESS

As on June 30, 2015, the total outstanding indebtedness of the Company was ₹ 42,249.92 million, out of which ₹ 42,249.92 million are secured borrowings and there are no unsecured borrowings.

Note 2: The RBI has provided approval dated January 29, 2014 to TD Bank, N.A. ("**Lender**") through BNP Paribas, as authorized dealer, in relation to the finance lease transaction of ₹14,639,500,000.00 ("**RBI Approval**"). In accordance with the RBI Approval and the all party agreements (separate agreements entered for each of the aircraft on various dates) entered into between the Company, Good Fly Leasing Limited- Lender and BNP Paribas in its capacity as a lead arranger, facility agent, security trustee, the Lender would be providing the loan facility amount to the Good Fly Leasing Limited, the lessor, through six separate ECA backed loans.

*Note 3: The RBI has provided approval dated May 2, 2014 to J.P. Morgan Chase Bank, N.A. (“**Lender**”), through J.P. Morgan Chase Bank as authorized dealer, in relation to the finance lease transaction of ₹ 23,168,289,985.04 (“**RBI Approval**”). In accordance with the RBI Approval and the all party agreements (separate agreements entered for each of the aircraft on various dates) entered into between the Company, Unicorn Leasing Limited, Unicorn Funding Limited, the Lender and J.P. Morgan Europe Limited in its capacity as a facility agent and security trustee, the Lender would be providing the loan facility amount to Unicorn Funding Limited who in turn will finance the purchase of the aircraft leased to the Company by Unicorn Leasing Limited, the lessor through 11 separate ECA backed loans.*

Note 4: The Company has entered into lease agreements dated August 24, 2009, November 18, 2009, December 18, 2009, February 15, 2010 and May 25, 2010 with Indiaer Leasing 1 Limited for the lease of certain aircraft. The transaction was reported to the RBI for approval vide letter dated September 17, 2009. Vide letter dated October 29, 2009 RBI had clarified that no approval is required for this transaction under RBI/FEMA Regulations. In accordance with Indian Accounting Standard - 19, these aircraft have been capitalized in our books of account.

Subsequently, our Company has converted additional 30 Airbus A320 aircraft into 30 A320neo aircraft for a total of 180 A320neos. Our Company has already paid the pre-delivery payments with respect to these additional 30 A320neos through internal accruals prior to conversion of such aircrafts.

*** Facilities in HDFC Bank’s sanction letter were released by HDFC Bank post June 30, 2015.*

Restrictive Covenants with respect to our borrowings

Our financing agreements may include certain restrictive conditions and covenants restricting certain corporate actions such as taking the prior approval of the lender or intimating the lender subsequently to, *inter alia*, effect any material change in the management of the business of our Company; enter into any scheme of merger, amalgamation, compromise, demerger or reconstruction; effect any change in our Company’s capital structure; or in case of change in control of our Company.

SECTION VII: LEGAL AND OTHER INFORMATION

OUTSTANDING LITIGATION AND MATERIAL DEVELOPMENTS

The details of the outstanding litigation or proceedings involving our Company, Promoters, Directors and Group Entities are described below. We operate IndiGo, India's largest passenger airline and as of the week ended August 31, 2015, we operated scheduled services to 33 airports in India. Due to the nature and extent of our operations, our Company is involved in a large number of cases and is regulated by various regulatory authorities who have the authority to impose penalties for various levels of default. The restated total revenue of our Company for fiscal 2015 and for the three month period ended June 30, 2015 is ₹ 143,091.41 million and ₹ 43,171.99 million, respectively. The restated profit after tax of our Company for fiscal 2015 and for the three month period ended June 30, 2015 is ₹ 12,955.85 million and ₹ 6,404.35 million, respectively. Based on the above, the manner of disclosure of outstanding litigation and past penalties involving the Company, Promoters and Group Entities in this Red Herring Prospectus is as follows:

- The threshold taken for individually disclosing litigation is ₹ 1 million which is less than one percent of the restated income of our Company for fiscal 2015 and less than five per cent of the restated profit after tax of our Company for fiscal 2015.*
- Cases and penalties which involve an amount of ₹ 1 million or more have been individually disclosed in this Red Herring Prospectus.*
- Cases which involve an amount of less than ₹ 1 million have been consolidated and disclosed in this Red Herring Prospectus.*
- Tax related cases have been disclosed regardless of any threshold.*
- Since the Company operates in a highly regulated sector and is subject to various penalties that may be imposed by the regulators for minor violations and complaints made by passengers from time to time, all past penalties less than ₹ 1 million paid in the last five years have been disclosed in a consolidated manner. Further, the Company routinely files complaints or lodges first information reports with law enforcement bodies. Appropriate disclosures in this regard are made in the RHP.*

In addition, criminal cases, public interest litigation and writ petitions have been individually disclosed. Except as described below, there are no defaults, non-payment of statutory dues, over-dues to banks/financial institutions, defaults against banks/financial institutions, default in dues payable to the holders of any debentures, bonds and fixed deposits and arrears of preference shares issued by our Company, material proceedings initiated for economic/any other offences (including past cases where penalties may or may not have been awarded and irrespective of whether they are specified under paragraph (I) of Part 1 of Schedule V of the Companies Act, 2013) other than unclaimed liabilities of our Company and no disciplinary action has been taken by SEBI or any stock exchanges against our Company or our Directors. Except in the ordinary course of business, there are no amounts owed to small and medium enterprises as defined under the Micro, Small and Medium Enterprises Development Act, 2006 exceeding ₹ 0.10 million, which is outstanding for more than 30 days.

LITIGATION INVOLVING OUR COMPANY

I. Litigation against our Company

Income Tax

There are eight income tax proceedings against our Company involving an aggregate amount of ₹ 26.55 million, details of which are provided below.

1. Assessment Year 2006-2007

Our Company filed the income tax return ("**IT Return**") for the Assessment Year ("**AY**") 2006-2007 declaring a loss of ₹ 148.11 million. The Deputy Commissioner of Income Tax ("**DCIT**"), New Delhi by an assessment order dated December 26, 2008 assessed our Company's total taxable income to be ₹ 3.18 million. Subsequently, by a demand notice dated December 26, 2008, consequently, the DCIT issued a demand of ₹ 0.46 million. Our Company filed an appeal against the order dated December 26, 2008 challenging the various additions/disallowances made by the DCIT in his assessment order. Our Company also filed a rectification application dated January 9, 2009 before the DCIT to rectify the mistakes apparent from the assessment order

dated December 26, 2008. The DCIT by rectification order dated April 28, 2009 raised a demand of ₹ 1 million. However, our Company also received a rectification order dated April 8, 2009 wherein an amount of ₹ 1.03 million was refundable to our Company. Thus, the DCIT while passing the order dated April 28, 2009 adjusted the demand of ₹ 1 million against the refund of ₹ 1.03 million and thus our Company received the refund of ₹ 0.03 million. Our Company by letter dated February 3, 2012 submitted that our Company does not seek to press the grounds of appeal. Thus, the Commissioner of Income Tax (Appeals), New Delhi (“CIT (A)”) by its order dated September 3, 2012 dismissed the appeal. However, the website of the income tax department continues to show a demand of ₹ 0.46 million as pending from our Company.

2. Assessment Year 2007-2008

Our Company filed the IT Return for AY 2007-2008 declaring a loss of ₹ 2,147.84 million. The DCIT by an assessment order dated December 29, 2009, reduced the total loss of our Company to ₹ 2,025.11 million by certain adjustments. Consequently, by a demand notice dated December 29, 2009, the DCIT issued a demand of *nil* as total tax payable by our Company. The DCIT also issued a show cause notice dated December 29, 2009, for showing cause as to why a penalty should not be imposed on the grounds of furnishing inaccurate particulars concealing our income. Our Company by its reply dated January 28, 2010 denied the allegation. Our Company also filed a rectification application dated December 16, 2011, to claim the allowance of the pre-operative expenses incurred during AY 2006-2007 and in AY 2007-2008. Consequently, the DCIT by his order dated January 27, 2012 increased our Company’s loss amount from ₹ 2,025.11 million to ₹ 2,055.23 million.

Thereafter, the Commissioner of Income Tax (“CIT”), New Delhi *suo moto* undertook revisionary proceedings and issued an order dated March 19, 2012, treating the assessment order dated December 29, 2009 issued by the DCIT as erroneous and prejudicial to the interest of revenue and directed the DCIT to reframe the assessment order. Our Company filed an appeal (No. 2202/Del-2012) before the Income Tax Appellate Tribunal (“ITAT”), New Delhi against the order dated March 19, 2012.

Pursuant to the CIT’s order dated March 19, 2012, the DCIT issued an assessment order dated March 28, 2013, assessing our Company’s total business income to be ₹ 463.9 million. Consequently, by a demand notice dated March 28, 2013, the DCIT issued a demand of ₹ 268.63 million as total tax payable by our Company. The DCIT also issued a show cause notice dated March 28, 2013, for showing cause as to why a penalty should not be imposed. Our Company by its reply dated April 11, 2013 to the show cause notice denied submission of inaccurate particulars of income. Our Company also filed a rectification application dated April 26, 2013, before the DCIT to compute our Company’s income with accurate figures of certain items. Thereafter, the DCIT by his order dated May 21, 2013 computed our Company’s total business loss to be ₹ 180.60 million. Accordingly, the tax demand was nullified. Our Company filed an appeal (No.141/13-14) before the CIT (A) against the assessment order issued by the DCIT on the grounds that the said assessment order was not been passed on merits and that while computing the total income of our Company the assessing officer has made computation errors.

3. Assessment Year 2008-2009

Our Company filed the IT Return for AY 2008-2009 declaring loss of ₹ 3,141.48 million. The Additional Commissioner of Income Tax (“ACIT”) by an assessment order dated December 7, 2010, reduced our Company’s total loss as per return of income to ₹ 1,485.69 million. Consequently, by a demand notice dated December 7, 2010, the ACIT issued a demand of *nil* as total tax payable by our Company. Our Company also filed an appeal (No. 336/10-11) before CIT (A) dated January 20, 2011, challenging the order dated December 7, 2010.

The ACIT also issued a show cause notice dated December 7, 2010, for showing cause as to why a penalty should not be imposed against our Company on the grounds of furnishing inaccurate particulars concealing our income. Our Company by its reply dated January 14, 2011 denied the allegation. The ACIT by penalty notices dated March 7, 2011 and May 18, 2011 levied penalties, which were subsequently replied to by our Company by replies dated March 16, 2011 and May 30, 2011, respectively. Our Company by a rectification application dated November 23, 2012 requested the ACIT to grant allowance of pre-operative expenses incurred during AY 2006-2007 and AY 2007-2008 in AY 2008-2009.

4. Assessment Year 2009-2010

Our Company filed a revised IT Return for AY 2009-2010 declaring a loss of ₹ 2,122.20 million. The DCIT by an assessment order dated December 23, 2011 assessed our Company's income to be ₹ 1,691.03 million. On account of sufficient carry forward losses, the DCIT issued a demand of ₹ 0.20 million as total tax payable by our Company by a demand notice dated December 23, 2011. Our Company also filed an appeal (No. 287/11-12) before CIT (A) against the order dated December 23, 2011.

The DCIT also issued a show cause notice dated December 23, 2011, for showing cause as to why a penalty should not be imposed against our Company on the grounds of furnishing inaccurate particulars concealing our income. Our Company by its reply dated January 3, 2012 stated that it had not concealed any particulars of its income and had not furnished inaccurate particulars of the same. Additionally, our Company had prayed that the penalty proceedings under the IT Act may be deleted, or alternatively be kept in abeyance till the disposal of the appeal by CIT (A). The DCIT again issued a penalty notice dated June 13, 2012, referring to the penalty notice dated December 23, 2011 and requested the principal officer of our Company to appear personally or through authorized representative or to submit a reply by June 21, 2012. Our Company replied to the penalty notice by its reply dated June 27, 2012. Our Company by a rectification application dated November 5, 2012 and March 19, 2012 requested the DCIT to grant allowance for part of the pre-operative expenses incurred during AY 2006-2007, in AY 2009-2010, and to compute the taxable income by considering our Company's revised return.

Our Company has received a notice dated March 24, 2014 for re-assessment of income for AY 2009-2010. Our Company replied to this notice on April 24, 2014 stating that revised return of income filed by our Company on March 18, 2011 in respect of AY 2009-2010 may be treated as the return in reply to the notice. The DCIT issued another notice dated September 18, 2014 to our Company seeking information with respect to the return of income for AY 2009-2010. Our Company replied to this notice on September 29, 2014 stating that it is incumbent upon the income tax authorities to furnish the reasons on the basis of which belief has been formed that income has escaped assessment and notice has been issued. The DCIT issued notice dated November 5, 2014 requiring our Company to furnish true and correct return of income for AY 2009-2010. The DCIT replied to our Company's letter dated September 29, 2014 on November 11, 2014 and furnished the reasons for re-opening the assessment for AY 2009-2010. The DCIT issued another notice dated December 5, 2014 asking our Company to provide clarifications in connection with the return of income submitted for AY 2009-2010. Our Company replied to the notice dated November 11, 2014 on December 17, 2014 requesting that the proceedings against our Company be dropped. Thereafter, the DCIT issued notice dated January 16, 2015 asking our Company to provide clarifications in connection with the return of income submitted for AY 2009-2010. The DCIT by its order dated March 11, 2015 disposed off the objections filed against the reasons for reopening of the assessment for AY 2009-2010. The DCIT, by a reassessment order dated March 24, 2015 assessed our Company's income to be ₹ 1,708.61 million. On account of sufficient carry forward losses, there has been no demand raised on our Company. Our Company has filed an appeal against the order dated March 24, 2015 challenging the various additions/disallowances made by the DCIT in his assessment order.

The DCIT also issued a show cause notice dated March 24, 2015, for showing cause as to why a penalty should not be imposed against our Company on the grounds of furnishing inaccurate particulars concealing our income. Our Company by its reply dated April 23, 2015 stated that that our Company is in the process of filing appeal before the CIT (A) and on disposal of the appeal, the aforesaid additions made shall stands deleted. Accordingly, our Company had prayed that the penalty proceedings under the IT Act may be deleted, or alternatively be kept in abeyance till the disposal of the appeal by CIT (A).

Customs

There are nine customs proceedings against our Company involving an aggregate amount of ₹ 848.23 million, details of which are provided below:

1. The Commissioner of Customs, Bengaluru (“**Commissioner, Bengaluru**”) issued a show cause notice (No. VIII/10/47/2013Cus Adjn/674/4) dated January 24, 2014, to our Company for showing cause, among other things, as to why:
 - a. the ‘aircraft engines’ and ‘engine stand’ imported by our Company should not be re-classified under CTH 8411 12 00 and 7326 19 90, respectively;
 - b. the benefit of exemption under s. no. 346D of notification Cus dated March 1, 2002 (No. 21/2002), as amended, and s. no. 454 of notification dated March 17, 2012 (No. 12/2012-Cus), as amended, claimed by the importer in respect of the goods imported, should not be denied;
 - c. duty amounting to ₹ 264.90 million in respect of goods valued at ₹ 963.40 million along with the applicable interest should not be recovered from our Company;
 - d. goods valued at ₹ 963.40 million, which have been imported should not be confiscated; and
 - e. penalty should not be imposed on the importer.

Our Company replied to the show cause notice by its reply dated March 28, 2014. The Commissioner, Bengaluru by an order dated June 12, 2014 raised a demand of ₹ 240.60 million for the duty as well as imposed penalty of ₹ 240.60 million and a further penalty of ₹ 50 million. Our Company has filed an appeal (No. 22550 of 2014) before the Custom Excise and Service Tax Appellate Tribunal (“**CESTAT**”) against the order dated June 12, 2014. The CESTAT has by its order dated March 26, 2015 granted an unconditional stay for recovery of amount demanded in the order of Commissioner, Bengaluru dated June 12, 2014.

2. Our Company through an application dated June 28, 2012 to the Authority for Advance Ruling (“**AAR**”), sought clarification as to whether new aircraft seats imported to replace the existing seats of the aircraft for enhancing its fuel efficiency can be said to be imported for servicing, repair or maintenance of the aircraft and consequently, eligible for benefit of customs notification dated March 17, 2012, No. 12/2012-Cus, and central excise Notification dated March 17, 2012, No. 12 of 2012. The AAR by its order dated February 10, 2014 stated that the matter had been admitted for further hearing. Pending the decision of the AAR, the customs authorities have been clearing the goods on a provisional basis, subsequent to provision of a bond (for the value of the goods) and a bank guarantee (for the value of the duty). Our Company has provided bank guarantees to the customs authorities worth ₹ 307.04 million approximately. Subsequently, by order dated April 24, 2015 the arguments have been closed and both the parties have been instructed to submit their brief submissions within one week, for pronouncement of the order. Our Company has submitted its brief submission on May 1, 2015. The AAR by its order dated July 24, 2015 held that the new seats imported for replacing the existing seats in the aircraft are for servicing, repair or maintenance of the aircrafts and are eligible for exemption from custom duty under the customs notification no. 12/2012 dated March 17, 2012.
3. The Office of the Commissioner of Customs, Chennai issued a show cause notice dated August 28, 2014 regarding seizure of eight unclaimed gold bars weighing 800 grams each, worth ₹ 2.34 million found beneath the cushion of a seat onboard our Company’s flight from Singapore to Chennai. Our Company was asked to show cause, *inter alia*, as to why the aircraft from which the gold was recovered should not be confiscated and penalty should not be levied on our Company for failure to perform their duties/responsibilities thus, rendering the aforesaid gold liable for confiscation. Our Company replied to this notice on November 5, 2014 requesting the Assistant Commissioner of Customs, Chennai to set aside the proposal to impose penalty and to set aside the show cause notice to the extent it proposes to confiscate the aircraft of our Company.
4. The Office of the Assistant Commissioner of Customs, Kerala issued summons dated February 6, 2015 and February 7, 2015, respectively, to the personnel of our Company regarding seizure of unclaimed gold bars weighing one kilogram and 1.232 kilograms, each, which were found from beneath the seat of our Company’s flight 6E 89 at Calicut International Airport on February 3, 2015. Our assistant manager has appeared before the superintendent on February 8, 2015.
5. The custom authorities, Bengaluru by notice dated August 20, 2014 directed our Company to furnish information regarding the method adopted for arriving at the assessable value of the fuel for discharging customs duty along with detailed worksheet showing breakup of freight, insurance and handling charges. Our Company by its reply dated August 21, 2014 furnished the required details. Additionally, it was stated

that our Company should deduct Value Added Tax amount at the rate of 20% from the retail price of IOCL while calculating assessable value, however, customs duty is being deposited considering IOCL published retail price only. ACC Bengaluru, issued another notice dated August 25, 2014 seeking details pertaining to the value of Aviation Turbine Fuel (“ATF”) at Colombo, at the point where fuel was loaded, with corresponding bill or any other document showing the value of ATF along with copies of Bill of Entry (“B/Es”) and TR 6 challans from 2008 onwards.

The custom authorities, by a notice dated November 13, 2014 directed our Company to make payment of the differential duty along with the interest due, on account of the short payment of duty in respect of B/Es 70/12-07-2013, 77/18-07-2013, 82/01-08-2013, 84/14-08-2013, 86/22-08-2013, 95/30-08-2013, 99/05-09-2013 and 100/11-09-2013. Our Company was also directed to furnish details of purchase price of ATF for the period prior to May 2013. Our Company by its reply dated December 15, 2014 to the Superintendent of Custom enclosed details of B/E’s for which short payment of customs duty was identified by the Custom authorities.

In reference to our Company’s letter dated December 15, 2014 regarding assessable value arrived at for payment of customs duty on fuel, the Commissioner, Bengaluru by a notice dated December 27, 2014 directed our Company to furnish information regarding purchase price of ATF and the copies of the B/E’s from 2008 onwards. Our Company with its reply dated January 6, 2015 submitted copies of the B/E’s filed during the period FY 2011-2012 to FY 2013-2014 and stated that it was in the process of collating the records of the B/E’s for FY 2008-2009 to FY 2010-2011. Our Company requested for 15 days’ time to collate the information pertaining to purchase price of ATF which was to be determined from the invoices raised by Sri Lankan Airlines (in which amount charged for the supply of ATF is disclosed) and the log sheets (in which quantity of fuel filled in Sri Lanka is recorded). Thereafter, our Company in its reply dated January 21, 2015 stated that for the period FY 2009-2010 to FY 2010-2011 it had deposited Special Additional Duty (“SAD”) at the rate of 4% in addition to countervailing duty at the rate of 8% along with educational cess at the rate of 2% and higher educational cess at the rate of 1%, even though during the relevant period, SAD was exempted on import of ATF by customs Notification No. 20/2006 dated March 1, 2006. The details of the remaining B/E’s along with the purchase price of ATF during the period FY 2009-2010 to FY 2010-2011 were also sent with the letter dated January 21, 2015.

The Commissioner of Customs, Bengaluru has issued letter dated January 13, 2015 intimating short payment of total customs duty of ₹ 0.06 million amount in respect of B/Es 73/05-11-2013, 107/14-12-2011, 131/06-01-2012, 141/23-01-2012, 148/23-01-2012, 736/24-02-2012, 03/02-04-2012, 06/07-04-2012 and 10/24-04-2012. Our Company by challan No. 441/17-02-2015 has deposited the customs duty of amounting to ₹ 0.06 million along with an interest of ₹ 0.03 million and the same was intimated to customs department by our letter dated February 18, 2015. In the intimation letter, it was also brought to the notice of custom authorities that our Company does not agree with the legal understanding of customs department with respect to the manner of computing assessable value of ATF and that the duty is deposited under protest and that our Company reserves its right to contest the amount deposited under protest and to claim refund of duty so deposited.

6. The Commissioner of Customs (Airport), Chennai has issued show cause notice dated January 28, 2015 alleging that the Company has wrongly computed assessable value of ATF left in the tank of an aircraft arrived in India from abroad and diverted to domestic sector (left over ATF). For computing the assessable value, the Company has not added the notional freight charges of 20%, accordingly, there is short payment of customs duty to the tune of ₹ 2.78 million. Further, it was also alleged that the Company has not followed the customs procedure i.e. filling of B/E, for clearance of left over fuel. Accordingly, customs authorities *vide* its show cause notice sought to recover the short payment of customs duty of ₹ 2.78 million along with applicable interest and penalty and also sought to confiscate the 3,365.941 KL quantity of ATF cleared without filling the B/E. Our Company has replied to this notice on May 22, 2015. Our Company was called to attend a personal hearing before the Commissioner of Customs (Airport), Chennai on August 20, 2015. However, due to unavailability of the legal counsel, the matter was adjourned.
7. The Joint Commissioner of Customs (I), Mumbai has issued show cause notice dated April 9, 2015. The show cause notice alleges that our Company has wrongly computed assessable value of ATF left in the tank of an aircraft arrived in India from abroad and diverted to domestic sector (left over ATF). For computing the assessable value, our Company has not added the notional freight charges of 20%, insurance charges of 1.125% and landing charges of 1% accordingly, there is short payment of customs duty to the tune of ₹ 3.59 million. Accordingly, customs authorities *vide* its show cause notice sought to recover the short payment of

custom duty of ₹ 3.59 million along with applicable interest and penalty. The authorities also sought to confiscate ATF of value ₹ 197.14 million on account of mis-declaration of assessable value by our Company. Subsequently, on July 22, 2015 our Company has filed its reply to the show cause notice.

8. The Principal Commissioner of Customs, Chennai has issued show cause notice dated August 31, 2015 alleging that our Company has not filed its import manifest and B/E for clearances of ATF before commencing domestic run and that our Company has wrongly computed assessable value of ATF left in the tank of the aircraft which arrived in India from abroad and was diverted over to the domestic sector with left over ATF. It was further alleged, that for computing the assessable value of the left over ATF, our Company had not added the notional freight charges of 20%, insurance charges of 1.125% and landing charges of 1%. Accordingly, the show cause notice alleges there is a short payment of customs duty to the tune of ₹ 1.19 million and therefore the custom authorities sought to recover the short payment of customs duty along with interest and penalty. The show cause notice also alleges that the amount of ₹ 6.66 million already paid for the impugned goods should not be adjusted and apportioned against the demand of custom duty of ₹ 7.85 million. Additionally, it has sought as to why the value of 1718.045 KL of the imported ATF shall not be re-determined and moreover the custom authorities also sought to confiscate 1718.045 KL quantity of ATF. Further, the custom authorities have sought an explanation as to why the amount of ₹ 7.85 million shall towards the import duty along with the differential duty of ₹ 1.19 million and interest shall not be recovered from our Company. Our Company is in the process of replying to this show cause notice.
9. The Air Customs, Air Intelligence Unit at the Calicut International Airport has passed an order dated October 4, 2015 against a pilot of our Company imposing a penalty of ₹ 5000 for not declaring a bluetooth speaker at the customs counter or before the customs officer after arriving from Dubai. The said penalty amount has been paid vide B. R. No. 29355 dated October 4, 2015.

A brief description of these complaints is provided below:

1. Mr. Muneer Hussain Khan filed a consumer complaint before the District Consumer Disputes Redressal Forum (“**DCDRF**”), Anantnag against our Company, Mr. Aditya Ghosh and Mr. Rahul Bhatia seeking ₹ 1.20 million as compensation on account of loss of baggage while travelling from Delhi to Srinagar on our Company’s flight 6E 555 on November 1, 2013. Our Company by its reply dated June 4, 2014 objected to the jurisdiction of the DCDRF, Anantnag and submitted that the complaint is liable to be rejected on grounds of misjoinder/ non-joinder of parties. It was further submitted by our Company that by email dated November 14, 2013 compensation was offered to Mr. Khan as per the ‘Conditions of Carriage’. However, the same was denied by him.
2. Ms. Anju Kumar filed a consumer complaint (CC No. 193 of 2012) before the State Consumer Disputes Redressal Commission, New Delhi seeking ₹ 9.75 million as compensation on account of demise of Mrs. Kumar’s husband due to cardiac tamponade. She alleged that had the cabin crew been vigilant and alert, timely first aid could have been provided to the deceased while he was suffering from the aforesaid heart condition. Mrs. Kumar had sent our Company a legal notice dated January 24, 2012 claiming the abovementioned amount as compensation. Our Company by a reply dated February 28, 2012 had stated that the call button in the lavatory was not pressed any time during the flight, therefore, the passenger in the lavatory was not disturbed by the cabin crew. It was also stated that the emergency procedures approved by DGCA did not require the cabin crew to knock on the lavatory door and disturb the passenger occupying it and the cabin crew followed all standard procedures while handling the medical emergency on board the aircraft. Our Company filed its reply to the complaint on March 28, 2013.
3. Ms. Astha Pansari filed a consumer complaint (CC No. 631 of 2010) before the DCDRF, Jaipur seeking ₹ 1.96 million as compensation on account of loss of baggage. Our Company by its reply dated April 13, 2011 denied liability on grounds of, among other things, that as per binding and enforceable clauses of the ‘Conditions of Carriage’ our Company is not liable to pay the claimed amount as alleged.
4. Mr. Mahimanand Mishra has filed a consumer complaint (CC No. 83 of 2009) before the State Consumer Disputes Redressal Commission, Orissa, claiming ₹ 10 million as compensation towards loss of reputation, harassment and cost of his tickets amongst other things. The complainant was not permitted to carry prawns on board our Company’s flight. Our Company by its reply dated December 1, 2009 *inter alia* stated that effective August 13, 2009, live/ dead/ frozen/ dried fish or sea food was not permitted to be carried as hand luggage on our Company’s flights and all commercial airlines across the country follow a similar policy.
5. Ms. Urmila Mishra has filed a consumer complaint (CC No. 369 of 2014) before the NCDRC, New Delhi, claiming ₹ 20 million as compensation on account of deficient and negligent acts which resulted in the demise of her husband. Mrs. Mishra’s husband had boarded a flight from Agartala to Delhi via Kolkata and he fell ill during the flight and was off-loaded at the Kolkata Airport by our Company. Our Company has filed its reply to the complaint. The NCDRC, New Delhi by its order dated October 7, 2015 has held that there is no case of deficiency on the part of our Company.
6. Mr. Nilamani Panda has filed a consumer complaint (CC No. 114 of 2013) before the Court of District Consumer, Dispute Redressal, Bhubaneswar, against our Company and Mr. Rahul Bhatia claiming ₹ 2.40 million as compensation on account of mental agony and cost of time which Mr. Panda had to sustain due to monopolistic act of our Company. Mr. Panda’s son was suffering from chicken pox, hence they were de-boarded from the flight
7. Mr. Yelamanchili Venkateshwara Rao has filed a consumer complaint (CC No. 217 of 2015) before the District Consumer Forum, Vishakhapatnam against Mr. Rahul Bhatia and Mr. Aditya Ghosh claiming an amount aggregating to ₹ 1.83 million as compensation on account of alleged mental agony and inconvenience caused to Mr. Yelamanchili.
8. Mr. Tasaduq Qayoom Dar filed a consumer complaint (CC No. SCDRC 2013) before the J&K State Consumer Disputes Commission, Srinagar, claiming ₹ 1.74 million as compensation for mental trauma, harassment and emotional distress. Mr. Dar and his family were not permitted to board the flight as the same was full and their baggage was also misplaced. Our Company by its reply stated that the Mr. Tasaduq failure to abide by the conditions of carriage was the reason he and his family were not permitted to board their flight. It was requested that the complaint be dismissed on the grounds of suppression of information by the complainant and his failure to abide by the Conditions of Carriage which creates a binding contract.
9. Rajinder Kumar Chandel has filed an appeal (Appeal No.509 of 2014) before the State Consumer Disputes Redressal Forum, Jaipur against the order dated March 20, 2014 (CC No. 627 of 2012). Mr. Rajender Kumar

No. 3 of 2015) before the Meghalaya State Consumer Dispute Redressal Commission seeking compensation of an amount of ₹ 10 million on the grounds of inhuman treatment by our Company's personal towards Ms. G.L Mawanai's son and his friend and causing mental agony to both the families.

Regulatory Matters

1. DIAL has filed an appeal (bearing No. 7 of 2012) dated December 13, 2011 before Airports Economic Regulatory Authority Appellate Tribunal ("AERAAT") challenging order No. 28/2011-2013 dated November 8, 2011 passed by the Airport Economic Regulatory Authority ("AERA") on November 14, 2011 in the matter of levy of 'Development Fee' ("DF") by DIAL at Indira Gandhi International Airport, New Delhi ("**IGI Airport, New Delhi**"). In its appeal, DIAL has sought quashing of the order passed by AERA by which AERA has excluded certain amounts/ heads from the final project cost and further sought direction against AERA to include the excluded items and pass a fresh order with respect to the quantum and tenure of the levy of DF at the IGI, Airport, New Delhi. DIAL has alleged that AERA by its order has determined the project cost as ₹ 125,026.60 million instead of ₹ 128,570 million as was submitted by DIAL. AERAAT by its order dated September 14, 2012, at the oral request of Federation of Indian Airlines ("**FIA**"), of which our Company is a member airline, granted liberty to FIA to be a party to the appeal. FIA filed its reply to the appeal on November 21, 2012 denying the contentions raised by DIAL. Thereafter, DIAL filed an application dated January 2, 2013 placing on record the two subsequent orders issued by AERA on August 3, 2012 and December 28, 2012. AERAAT disposed of all appeals preferred against the order dated November 8, 2011 observing that the subsequent order passed by AERA dated December 28, 2012 has the effect of changing the nature of the earlier order by revising it, while keeping the issues open for arguments and directed the appeals to be taken up when the appeals assailing the subsequent order dated December 28, 2012 are taken up for hearing. Subsequently, DIAL filed a review application on August 29, 2013 seeking review of the order dated July 11, 2013 and praying that appeal be restored. AERAAT by its order dated October 23, 2013 directed the appeal to be restored.

2. DIAL filed an appeal (bearing No. 10 of 2012) on May 23, 2012 before AERAAT along with an application seeking interim relief challenging the order No. 03/2012-2013 dated April 20, 2012 in the matter of determination of aeronautical tariff in respect of IGI Airport, New Delhi for the 1st regulatory period (i.e., April 1, 2009 to March 31, 2014). FIA, along with certain other parties, were made a party to the appeal by order dated September 5, 2012 at the oral request of the parties. FIA filed its counter affidavit along with its reply to the interim application on October 12, 2012. Thereafter, DIAL filed an application on November 29, 2013 seeking direction from AERAAT that during the pendency of the appeal, AERA will not determine tariff for the second control period starting from April 1, 2014 to March 31, 2019. Subsequently, AERA filed its reply to DIAL's application seeking direction against AERAAT on January 21, 2014. At present, AERA has extended the existing tariff order dated April 20, 2012 until January 31, 2015 or until the final determination of the tariffs for the second control period (i.e. April 1, 2014-March 31, 2019), whichever is earlier.
3. Cochin International Airports Limited ("CIAL") filed a writ petition (W.P. (C) No. 19879 of 2012) against Union of India, our Company and others before the High Court of Kerala at Ernakulum for quashing and stay on the operation of clause 2 (B) of DGCA's circular No. 7 of 2007 dated September 28, 2007, DGCA's circular No. 3 of 2010 dated June 2, 2010 and letter dated July 20, 2012 issued to CIAL, granting permission to airline operators to provide ground handling services at airports other than those belonging to Airport Authority of India ("AAI"). Our Company filed its counter affidavit on July 16, 2013. The High Court of Kerala by its orders dated August 22, 2012 and April 8, 2013 has granted a stay in favour of CIAL.
4. Mumbai International Airport Limited ("MIAL") filed an appeal (bearing No. 2 of 2013) dated January 22, 2013 before AERAAT challenging the order No. 29/2012-2013 dated December 21, 2012 passed by AERA in the matter of determination of DF in respect of Chhatrapati Shivaji International Airport, Mumbai seeking quashing of the order to the extent that it caps the project cost at ₹ 1,20,698 million, caps the escalations, claims and contingencies at ₹ 6,300 million, caps the interest rate on DF securitized loan at 11.25% per annum and seeking direction to AERA to recalculate the DF repayment schedule for the loan on DF and also to clarify that the rate of DF determined by AERA is exclusive of applicable taxes. FIA filed an application on March 20, 2013 seeking impleadment and MIAL filed its reply to the impleadment application on July 10, 2013. AERAAT by its order dated July 11, 2013 allowed the impleadment application filed by FIA. MIAL filed an application dated July 30, 2014 seeking modification of the order dated July 11, 2013 to the limited extent that the question of FIA's locus is left open for adjudication at the time of final hearing. Thereafter, AERA filed its reply to the appeal on July 12, 2013 and MIAL filed its rejoinder to AERA's reply on August 29, 2013. FIA filed its counter affidavit on August 29, 2013. MIAL filed the rejoinder to FIA's reply on December 9, 2013.
5. DIAL filed a letters patent appeal ("LPA") (No. 670 of 2014) on September 17, 2014 before the High Court of Delhi challenging the order dated September 3, 2014 of writ petition (W.P. (C) 5746 of 2014) filed by DIAL, to the extent that while granting relief to DIAL, the High Court of Delhi had made the extension of tariff for the first control period subject to any fresh arrangement by AERA even though the statutory appeal (No. 10 of 2012) filed by DIAL challenging the tariff order issued by AERA was pending adjudication before AERAAT. DIAL also filed an application seeking stay of determination of tariff for the second control period by AERA. AERA and FIA filed their counter affidavits on November 07, 2014 and November 18, 2014. DIAL filed its rejoinders to AERA and FIA's counter affidavits on November 24, 2014. AERA filed its sur-rejoinder on December 06, 2014. The writ petition (No. W.P. (C) 5746 of 2014) was filed by DIAL seeking a direction that *status quo* be maintained in respect of the aeronautical tariff for IGI, Airport, New Delhi, determined by AERA for the first control period by the tariff order dated April 20, 2012 till the final disposal of the appeal (No. 10 of 2012) filed by DIAL. DIAL also contended that appeal (No. 10 of 2012) has been pending before AERAAT for two years and that there was no likelihood of the appeal being heard for next few months as the term of the office of the Chairperson and the members of AERAAT expired on August 20, 2014 and AERA also does not have a Chairperson. DIAL contended that it had earlier requested AERA to extend the tariff for the first control period and AERA extended the tariff up to May 31, 2014. Thereafter, another request for extension was made by DIAL and the tariff for the first control period was further extended up to October 31, 2014. DIAL contended that the request was made to extend the tariff for the first control period till the final disposal of the appeal (No. 10 of 2012) by AERAAT and therefore requested that the *status quo* be maintained. However, AERA has extended the tariff until January 31, 2015 or until the tariff for the second control period is determined, whichever is earlier. The judgment was reserved on December 9, 2014. FIA and AERA have filed written submissions on December 16, 2014 and December 15, 2014 (served on FIA on December 23, 2014) respectively. FIA and AERA have filed written

submissions on December 16, 2014 and December 15, 2014. The High Court by its judgment dated January 22, 2015 has set aside the order under appeal and disposed of the LPA while giving directions to Union of India, Ministry of Civil Aviation and AERAAT. AERAAT has filed a Special Leave Petition (No. 15885 of 2015) before the Supreme Court.

6. Express Industry Council of India filed a complaint (No. 30 of 2013) before the Competition Commission of India (“CCI”) against our Company, Jet Airways, SpiceJet, Air India and Go Air (collectively, “**opposite parties**”) alleging that the opposite parties had formed a cartel to introduce Fuel Surcharge (“FSC”) for transportation of cargo which was anti-competitive in terms of the Competition Act, 2002. It was also alleged that though the levy of FSC was introduced as extra charges linked to the fuel prices there has been no corresponding decrease in the same with a fall in the fuel prices. The Commissioner by his order dated September 9, 2013 held that the averments and allegations made in the complaint *prima facie* indicate the existence of an agreement between the opposite parties to determine the fuel prices which requires a detailed investigation by the Director General (“DG”). Thereafter, the DG issued a notice dated November 27, 2013 calling for, among other things, certain information on ownership pattern, organization structure, copies of memorandum of association and articles of association of our Company in order to investigate the matter. Our Company by its reply dated December 17, 2013 furnished the requested details. Additionally, our Company sent an *ad seriatim* reply to the DG’s notice dated December 24, 2013 stating that the FSC is a fee/charge added to the base freight which serves as a mechanism to recover a portion of costs including the costs incurred towards procurement of ATF and that DGCA or other governmental agencies have no role in fixing of FSC. Consequently, the DG by his letter dated September 9, 2014 requested for additional information pertaining to the date of commencement of cargo operations by our Company and revisions made to FSC from time to time. Our Company by its reply dated October 10, 2014 provided the necessary details. The office of the DG sent a summon notice dated November 18, 2014, calling the Managing Director of our Company to appear personally or through his authorized representative for examination and to give evidence in connection to the investigation. Our Company received an email dated January 15, 2015 from the office of the DG requesting information in relation to, among other things, dynamics of the pricing mechanism of domestic air cargo indicating how the various components of air way bill, especially the freight component are determined, the FSC in terms of percentage of total cargo revenue for our airline for the years 2011-2012 and 2012-2013. Our Company replied to this letter on January 20, 2015. The office of DG by another notice dated January 14, 2015 requested for official email record of Mr. Mahesh Kumar Malik and any other person in charge of deciding the FSC rate for the specified period. Also, the DG by email dated January 19, 2015 to Mr. Malik, sought additional information on details of FSC for domestic cargo and international cargo for the period of 2009-2013. Our Company replied to this letter on January 23, 2015. Another email dated January 27, 2015 was received by Mr. Mahesh Malik requesting for information pertaining to cargo sales report of any agent for the months of June, September and November for Mumbai sector. Our Company has replied to this email on January 29, 2015. The DG has submitted his Investigation Report dated February 4, 2015 with the CCI wherein it was concluded that there is no sufficient evidence to conclude the existence of a cartel in terms of Section 3 (1) read with Section 3(3) (a) of the Competition Act. CCI *vide* its order dated February 19, 2015 directed the Informant and Opposite Parties to appear on April 1, 2015. The informant has filed objections to the Investigation Report on April 23, 2015 and the matter is now fixed for July 23, 2015 for filing of objections/ rejoinder and arguments. The matter is now reserved for judgement/order before CCI.
7. CCI by its letter dated March 27, 2014 has directed our Company to furnish certain details with respect to an inquiry on the issue of similar/ identical pricing of air fares by domestic airlines. Our Company by its response dated April 25, 2014 has sent the requisite information. Thereafter the CCI again by letter dated May 27, 2014 had sought some additional information from our Company. Our Company has furnished the requisite information by its response dated June 24, 2014. CCI again sought information December 18, 2014 which was provided by our Company on December 26, 2014. In furtherance the Director-General of CCI has by its letter dated September 16, 2015 notified our Company of its decision to initiate legal proceedings on its own in relation to, amongst other things, the alleged contravention of the provisions of section 3 of the Competition Act (which relates to anti-competitive agreements) in relation to the alleged cartelization in the airline industry. The above proceedings have been initiated on account of the CCI’s directions to the Director-General of CCI to conduct an investigation into the-matter and the Director General has accordingly sought information from the Company. Our Company has responded to the Director General of CCI on September 29, 2015 and has provided a part of the information so requested; the balance information will be provided to the Director-General of CCI by October 20, 2015.

All the parties involved have filed their counter affidavits on the matter.

2. FIA filed an appeal (bearing No. 06 of 2012) before AEERAT challenging order No. 3/2012-2013 dated April 20, 2012 issued by AERA in the matter of determination of aeronautical tariff in respect of IGI, Airport, New Delhi for the first regulatory period (April 1, 2009 to March 31, 2014) whereby AERA has determined the escalation (X) factor (-345.92%) for the tariff determination for DIAL with effect from May 15, 2012. AERA had increased the aeronautical tariff for DIAL 'on a one-time basis during the control period' between the years 2012-2014 by 345.92% in violation of the applicable provisions of the AERA Act. The grounds of challenge by the FIA, *inter alia*, include the following:
 - (a) the method for aeronautical tariff determination adopted by AERA negates the letter and spirit of single till approach to tariff determination as enshrined in Section 13(1)(a)(v) of the AERA Act and AERA's order No. 13/2010-2011 dated January 12, 2011 in the matter of 'Regulatory Philosophy and Approach in Economic Regulation of Airport Operators' by wrongfully applying shared till approach.
 - (b) AERA is not empowered to allow escalation in project cost as the concession agreement for the privatization of the Delhi airport explicitly prohibits such escalation.
 - (c) AERA has failed to carry out any independent assessment of bifurcation of aeronautical (89.25%) and non-aeronautical (10.75%) assets thereby violating Section 13(4) of the AERA Act.
 - (d) AERA wrongfully levied User Development Fee ("UDF") without any basis on embarking as well as disembarking passengers.
 - (e) AERA has failed to act transparently by not providing all the relevant documents to the stakeholders including bid documents thereby violating principles of natural justice enshrined in Section 13(4) and 14 of the AERA Act.
 - (f) AERA has failed to consider the guiding principles of public private partnership on the basis of which the airport operator was selected as concessionaire and was to infuse funds on its own as per the Airport Infrastructure Policy, 1997 and Naresh Chandra Committee Report read with concession agreements.
 - (g) AERA failed to acknowledge that the airport operator caused inordinate delay in submitting the details of the project cost and information for determination of aeronautical tariff.

DIAL filed its reply on September 20, 2012 and FIA filed its rejoinder affidavit to DIAL's reply on September 28, 2012. Thereafter, AERA filed its reply on October 4, 2012 and FIA filed its rejoinder affidavit to AERA's reply on September 28, 2012. Thereafter, the AAI filed its reply on April 5, 2013 and the MoCA filed its reply in May, 2013 which was served on FIA on June 22, 2013. Subsequently, FIA filed two rejoinder affidavits i.e. to AAI's reply on April 30, 2013 and to MoCA's reply on July 19, 2013.

3. FIA filed an appeal (bearing No. 03 of 2013) on January 28, 2013 before AERAAT challenging order no. 30/2012-2013 dated December 28, 2012 issued by AERA reviewing order No. 28/2011-2012 dated November 8, 2011 issued on November 14, 2011 thereby revising the rates of DF from ₹ 200 to ₹ 100 per embarking domestic passenger and from ₹ 1,300 to ₹ 600 per embarking international passenger. DIAL filed its counter affidavit on March 19, 2013 and FIA filed its rejoinder on July 9, 2013. AAI filed its counter affidavit on March 20, 2013 and FIA filed its rejoinder on July 9, 2013. AERA filed its counter affidavit on August 27, 2013 and FIA filed its rejoinder on October 21, 2013.
4. FIA filed an appeal (bearing No. 05 of 2013) on February 19, 2013 before AERAAT challenging order No. 29/2012-2013 dated December 21, 2012 in the matter of determination of DF in respect of Chhatrapati Shivaji International Airport, Mumbai issued by AERA. The grounds for challenge by the FIA, *inter alia*, include the following:-
 - (a) AERA wrongfully allowed the levy of DF at the request of MIAL which is a private concessionaire and not on the request/ order of AAI as required under Section 22A of the AAI Act.
 - (b) AERA failed to examine the need, validity and appropriation of DF particularly in view of scope and objective of Section 13(1)(b) of AERA Act which requires AERA to determine the amount of DF. AERA ought to have independently considered the components of project cost.
 - (c) AERA failed to appreciate that:-

- i. the need for levy of DF has arisen due to the cost overruns which are directly attributable to commissions and omissions of MIAL and also on account of poor structuring of the EPC Contracts;
 - ii. airlines and passengers are being burdened with extra costs for MIAL's inability to infuse further equity and raise any further debts;
 - iii. MIAL has failed to raise funds to meet the capital expense, on the basis of which it has won the bid to operate, manage and develop the CSI Airport, Mumbai;
 - iv. MIAL has failed to conduct stakeholders' consultation for revision of the Master Plan as mandated by OMDA; and
 - v. the Financial Auditor (M/s.Ved Jain and Associates) and Technical Auditor (Engineers India Limited) have pointed out various process issues in execution of the project and AERA has instead of disallowing the costs and reprimanding MIAL has allowed almost all its claims.
- (d) AERA failed to follow the regulatory approach/ philosophy which requires it to scrutinise, assess and examine the claims and expense of MIAL.
 - (e) AERA ignored that past burden of utility should not be passed on to future passengers since the same passenger may not travel by air again.
 - (f) AERA failed to substantiate the reasons for levying DF violating its own Guideline 6.8.7 of AERA Guidelines, which mandates that DF shall be a measure of last resort.
 - (g) AERA wrongly estimated the DF violating its Guidelines 6.8.8 of the AERA Guidelines thereby allowing MIAL to levy DF before determination of aeronautical tariff and factoring revenue from other sources i.e. revenue arising from the aeronautical and non-aeronautical services, including the revenue generated from the Transfer Assets and Non-Transfer Assets to bridge the financing gap.
 - (h) AERA wrongfully decided to bridge the funding gap of ₹ 25,150 million by allowing DF to be collected at a rate of ₹ 100 per embarking domestic passenger and ₹ 600 per embarking international passenger exclusive of all applicable taxes, w.e.f January 1, 2013 upto April, 1 2021.
 - (i) AERA wrongly calculated the project cost of ₹ 1,16,474.6 million as the basis for determination of regulated asset base for the current control period.
 - (j) AERA wrongly observed that the DF should be available for the project at ₹ 34,000 million and decided to include the interest component in the allowable DF billing, towards securitization of DF.

MIAL filed its counter affidavit on July 10, 2013 and FIA filed its rejoinder to MIAL's reply August 29, 2013. AERA filed its counter affidavit on August 27, 2013 and FIA filed its rejoinder to AERA's counter on October 21, 2013.

5. FIA filed an appeal (bearing No. 11 of 2013) on April 2, 2013 along with an application seeking condonation of delay before AERAAT challenging the order No. 32/2012-2013 dated January 15, 2013 issued by the AERA in the matter of determination of aeronautical tariff in respect of Chhatrapati Shivaji International Airport, Mumbai. The grounds of challenge by the FIA, *inter alia*, include the following:
 - (a) AERA has wrongly adopted Shared Till approach for determination of aeronautical tariff in terms of State Support Agreement ("SSA") by violating 13(1)(a)(v) of the AERA Act.
 - (b) AERA has wrongly reckoned the first regulatory period, in respect of tariff determination for aeronautical services in respect of CSI Airport, Mumbai, from April 1, 2009 to March 31, 2014.
 - (c) AERA has wrongly accepted the proposal made by MIAL on allocation of assets into aeronautical and non-aeronautical assets and left the exercise of commissioning an independent study for the next regulatory period.
 - (d) AERA has wrongly decided to compute Hypothetical RAB in accordance with the principles of Schedule 1 of SSA.
 - (e) AERA has wrongly accepted the forecasts for the year 2012-13 and 2013-14 made by MIAL towards the Operating Expenses and decided to commission an independent study at a later date to assess the efficient operating expenses of CSI Airport, Mumbai.
 - (f) AERA has wrongly decided to retain the forecasts of revenue from Revenue Share Assets as proposed by MIAL and to exclude the gross revenue from Non Transfer Assets towards cross-subsidisation of aeronautical cost while determining the target revenue.
 - (g) AERA has wrongly calculated the X-Factor based on the MoCA's letter No.AV.24032/04/2012-AD dated September 10, 2012 that the revenue from aeronautical services of cargo and ground handling in Delhi and Mumbai Airports be regarded as non-aeronautical revenue in the hands of the respective airport operators, contrary to statutory provision of Section 2(a) of the AERA Act and irrespective of whether these services are provided by the airport operator itself or concessioned out to third parties.
 - (h) AERA has wrongly decided that Fuel Throughput Charges are charges in respect of provision of

aeronautical service namely, supply of fuel to the aircraft, hence it is an aeronautical charge and is to be determined by the Airports Regulator under Section 13(1)(a) of the AERA Act and to consider revenue from Fuel Throughput Charges as aeronautical revenue. Further the Airports Regulator has decided to consider the revision in Fuel Throughput Charges in line with the agreements with the Oil Marketing Companies and consider the escalation at CPI or 7%, whichever is less.

- (i) AERA has wrongly decided to treat the charges levied by MIAL in respect of CUTE Counter charges as a charge for provision of aeronautical service, namely ground handling service and accordingly is to be determined by the Airports Regulator, under Section 13(1)(a) of the AERA Act. However, in terms of letter dated September 10, 2012, issued by MoCA, the Airports Regulator has decided to treat the revenue arising from such aeronautical services as non-aeronautical.
- (j) AERA has wrongly decided to levy User Development Fee as per the rate indicated in Rate Cards annexed to the tariff order.

MIAL, AERA and AAI filed their respective replies to FIA's application seeking condonation of delay on July 16, 2013, July 17, 2013 and July 25, 2013. AERA filed its counter affidavit to the appeal on September 04, 2013 and FIA filed its rejoinder on October 01, 2013. MIAL filed its counter affidavit to the appeal on October 01, 2013 and FIA filed its rejoinder on November 18, 2013. AAI filed its counter affidavit to the appeal on November 18, 2013.

6. FIA has filed an appeal (bearing appeal No. 1 of 2014) challenging the order No. 8/2014-2015 dated June 10, 2014 in the matter of determination of aeronautical services in respect of Kempegowda International Airport, Bengaluru, for the first control period (April 1, 2011 to March 31, 2016) passed by AERA before AERAAT. The Bengaluru Airport is being operated, managed and developed by the BIAL, pursuant to being declared as a successful bidder in competitive bidding process in 2004. The grounds for challenge by the FIA, *inter alia*, include the following:
 - (a) AERA has wrongly computed aeronautical tariff and UDF by following shared till approach (40% shared revenue) thereby acting contrary to Section 13(1)(a)(v) of the AERA Act, 2008 and by deviating from its earlier stand of adopting single till by its order No. 13/2010-2011 dated January 12, 2011 and the proposal in Consultation Paper No. 14/2013-2014 as well as AERA (Terms and Conditions for Determination of Tariff) Guidelines, 2011 ("**AERA Guidelines**").
 - (b) AERA has wrongly reckoned the first control period, in respect of tariff determination for aeronautical services from April 1, 2011 to March 31, 2016 and the recovery period of aeronautical tariff is being shrunk to 20 months in place of 60 months in terms of Section 13(2) of AERA Act, 2008.
 - (c) AERA has wrongly accepted BIAL's proposal for allocation of assets into aeronautical and non-aeronautical and left the exercise of commissioning an independent study to assess the reasonableness for the next control period.
 - (d) AERA has wrongly acted contrary to Section 13(4) of the AERA Act, 2008 by not following the transparent process for allowing BIAL to levy information, communication and technology charges (to be levied for the first time) with effect from July 1, 2014. The details for said levy were shared on AERA's website only on June 3, 2014 by way of public notice No. 3/2014-2015 for which no opportunity was provided to the stakeholders to comment on such details. The tariff order was issued after a week on June 10, 2014.
 - (e) AERA has wrongly accepted BIAL's projections with respect to future capital expense and financing allowance without providing any reason or conducting any independent/ technical evaluation.
 - (f) AERA has wrongly considered net block as on March 31, 2011 without independent study as initial RAB which is in contravention of methodology prescribed in AERA Guidelines for valuation of initial RAB.
 - (g) AERA has failed to compute depreciation up to 100% of the value of assets contrary to guideline 5.3.3 of AERA Guidelines.
 - (h) AERA has failed to carry out any adjustment to RAB on account of monetisation of land and failed to consider BIAL's inordinate delay in firming up real estate business plan which impacts RAB determination, fair rate of return determination and non-aeronautical revenue.
 - (i) AERA has wrongly accepted traffic projections submitted by BIAL without providing any reasons for accepting the same or conducting any independent study.
 - (j) AERA has wrongly considered working capital loan and interest thereon in determining tariff without assessing working capital requirements.
 - (k) AERA has wrongly accepted BIAL's forecast of operating expense without considering past trends, productivity improvements and cost drivers.
 - (l) AERA has wrongly allowed projected non-aeronautical revenues without evaluating the impact of terminal expansion and real increase for which an independent study ought to have been conducted.

- (m) AERA has wrongly written off bad debts as part of operating expense contrary to the settled position of law that bad debts are to be actually written off as irrecoverable in the accounts of the company i.e., BIAL.
- (n) AERA has given preferential treatment to home carrier thereby creating a huge difference in tariff structure and abusing its dominant position.

FIA prayed for setting aside of the tariff order and filed an interlocutory application seeking stay on levy of levy of information, communication and technology charges from July 1, 2014. AERAAT by its order dated July 1, 2014 granted stay on levy of information, communication and technology charges. Subsequently, BIAL filed a writ petition dated July 15, 2014 (bearing No. W.P. (c) 4338 of 2014) before the High Court of Delhi seeking quashing of stay granted *vide* order dated July 1, 2014 passed by AERAAT and for issuance of a writ of mandamus directing MoCA to constitute AERRAT in accordance with the provisions of Section 19, 21, 23 and 26 of the AERA Act, 2008. The High Court of Delhi by its order dated July 28, 2014 observed that the order dated July 1, 2014 passed by AERAAT shall remain in force only for the benefit of FIA and its members and shall not be applicable to any other airline. Thereafter, BIAL filed its preliminary reply on November 12, 2014 to the appeal No. 1 of 2014 before the Delhi High Court. On December 15, 2014 BIAL and FIA brought to the notice of the High Court of Delhi that the parties are attempting to negotiate a settlement. On December 23, 2014, BIAL and FIA submitted before the High Court of Delhi that BIAL, SITA, and the airlines have reached a settlement to pay USD 1 per departing passenger as information, communication and technology charges instead of USD 1.25. In view of the settlement, the High Court of Delhi disposed of the writ petition and has given 15 days time to AERA to pass such order. The High Court of Delhi also directed the Registry to send the files of appeal No. 1 of 2014 back to AERAAT.

7. M/s. Bhadra International (India) Pvt. Ltd, M/s Novia International Consulting APS, Tie Up between Bhadra International India Pvt. Ltd and Novia International Consulting Aps. (“**Petitioners**”) has filed a writ petition (W.P. No. 22407 of 2015) against Airport Authority of India, the Airport Director, the Regional Executive Director (“**Respondents**”) before the High Court of Madras at Chennai seeking implementation of the order no COM/931/1.1/REG/GHS/NR/2013/760 dated August 25, 2014 which is a direction for compliance of the AAI Regulations 2007, directing that these regulations have to be strictly enforced to provide quality ground handling services at airports. In terms of this order the Airport Directors were directed to stop issuing/renewing passes to non-entitled entities and their staff which had been providing services or supplying man power/equipment to various airlines in violation of the regulations. As per the said order, this direction will not apply to the petitioner airlines and their staff because of the decision of the Hon’ble Supreme Court in *Federation of Indian Airlines and others v. Union of India and others namely Jet Airways, Spice jet, Indigo, Go Air. King fisher airlines* (SLP No. 7764 of 2011), however, the Respondents continued to renew passes for various non- entitled entities, and these non-entitled entities continue working at airports despite the directive issued by the AAI.

The Airport Authority of India, Chennai had passed orders that all non-entitled entities should be removed, further, the AAI in respect to Calicut and Coimbatore Airports had issued various communications directing that the passes of the non-entitled entities would not be renewed any longer and all airlines except the domestic airlines are required to shift to authorized ground handling agencies. After repeated requests from the Petitioners, the Respondents continue to grant extension from time to time. The Hon’ble Madras High Court vide its order dated July 24, 2015 disposed of the writ petition directing that the Respondents to implement the AAI Regulations, 2007 in letter and spirit and to take appropriate steps to remove the various non entitled entities operating in the Airport of Chennai as expeditiously as possible.

A appeal has been filed by FIA (W.A. No.1481 of 2015) against the order dated July 24, 2015, on grounds that the Hon’ble Madras High Court’s order is against law and the facts and that there is an error apparent on the face of records before the High Court of Madras on the following grounds, amongst others:-

- The writ petition was heard with little consideration to the tenets of *audi alteram partem*;
- The Petitioners in the writ petition have filed an impleadment application bearing IA No. 5 in SLP (C) No 7764 of 2011 before the Hon’ble Supreme Court and have committed a fraud by concealing the same from the Learned Single Judge;
- The Respondents in the garb of the order dated July 24, 2015 are trying not to permit any “non-entitled entities” to undertake any ground handling activities;
- The order is in violation of the AAI Regulations 2007;
- The order is in violation of the orders passed by Hon’ble Supreme Court of India.

8. M/s. Bhadra International (India) Pvt. Ltd, M/s Novia International Consulting APS, Tie Up between Bhadra International India Pvt. Ltd and Novia International Consulting Aps. (“**Petitioners**”) has filed a writ petition (W.P. No. 18776 of 2015) against Airport Authority of India, the Airport Director, the regional executive director (“**Respondents**”) before the High Court of Calcutta seeking implementation of the order no COM/931/1.1/REG/GHS/NR/2013/760 dated August 25, 2014 which is a direction for compliance of the AAI Regulations 2007, directing that these regulations have to be strictly enforced to provide quality ground handling services at airports. In terms of this order the Airport Directors were directed to stop issuing/renewing passes to non-entitled entities and their staff which had been providing services or supplying man power/equipment to various airlines in violation of the regulations. As per the said order, this direction will not apply to the petitioner airlines and their staff because of the decision of the Hon’ble Supreme Court in *Federation of Indian Airlines and others v. Union of India and others namely Jet Airways, Spice jet, Indigo, Go Air. King fisher airlines* (SLP No. 7764 of 2011), however, the Respondents continued to renew passes for various non-entitled entities, and these non-entitled entities continue working at airports despite the directive issued by the AAI. An application (CAN NO. 9303 of 2015) for impleadment was filed by FIA (“**Applicant**”) in (W.P. No. 18776 of 2015) before the High Court of Calcutta stating that the Applicant is the voice of India’s airline industry which works to identify and take up issues on behalf of the industry with various regulatory authorities, government departments and other key stakeholders. It is further stated that FIA is a proper and necessary party in the said writ petition and the Petitioners have concealed material facts from the Court in order to abuse the process of the Court.

9. FIA (“**Petitioner**”) has filed a writ petition (W.P. No 25174 (W) of 2015) before the High Court of Calcutta against AAI, Airport Director, Joint General Manager, Bhadra and Novia (“**Respondents**”) for challenging the impugned communications dated August 25, 2014 and August 20, 2015 and also for purpose of placing on record the status quo order of the Hon’ble Supreme Court in the matter of *Federation of Indian Airlines and others v. Union of India and others namely Jet Airways, Spice jet, Indigo, Go Air. King fisher airlines* (SLP No. 7764 of 2011). The writ petition has been filed on the following grounds amongst other:-
 - The communications dated August 25, 2014 and August 20, 2015 are arbitrary, irrational and collusive in nature.
 - The said communications purport to modify the status quo of the order passed by the Hon’ble Supreme Court (SLP No. 7764 of 2011).
 - The said communications also purport to wrongly interpret the status quo order of the Hon’ble Supreme Court in a clear attempt at colluding with M/s. Bhadra International (India) Pvt. Ltd and is violative of Article 14 of the Constitution.
 - AAI has admitted that the directions in the letter dated August 25, 2014 cannot be implemented till the status quo order of the Hon’ble Supreme Court is vacated.
 - The communications if implemented will result in retrenchment of the ground handling personnel, idling of assets and will also affect the operations, reputation and goodwill of the airlines.

10. FIA and others (“**Petitioners**”) have filed a writ petition (W.P. No. 18628 of 2015) before the Hon’ble High Court of Punjab and Chandigarh against Union of India and certain others (“**Respondents**”) for issuance of a writ of mandamus and a writ in the nature of prohibition for quashing communication dated June 4, 2015 *vide* which Chandigarh International Airport Limited (“**CHIAL**”) had specified its award of space requirements to the airlines and emails dated, July 1, 2015 *vide* which CHIAL had arbitrarily written to the airlines that it has awarded a ground handling contract to M/s Air India Air Transport Services Limited (“**M/s. AIATSL**”) and had further requested all the airlines to contact AIATSL to avail ground handling facilities at the CHIAL and July 28, 2015 *vide* which CHIAL had written to the airlines regarding the allotment of space at the new terminal and again mandated that the ground handling will be provided by M/s. AIATSL and that the airlines which follow one GHA will be permitted. In terms of the same the Petitioners were prevented by the Respondents from undertaking their ground handling services at the CHIAL and only the airlines which follow AAI Regulations 2007 were be permitted to undertake the ground handling activities.

The Petitioners have alleged that in furtherance of these circulars and notices the Respondents have been threatening the Petitioners orally that airport entry permits of their ground handling staff which were valid till September 2, 2015 will not be extended. The Petitioners in the writ petition stated that there is no such one ground handling policy and that CHIAL is mis-spreading and mis-interpreting AAI Regulations, 2007, and prayed that directions be issued by the Hon’ble Chandigarh High Court to the Respondents for allowing sufficient space to the petitioners to carry out ground handling activities at CHIAL. The Petitioner claimed

that such communications are erroneous and cannot be entrusted to any sole entity and the same are liable to be set aside.

A written statement (C.W.P No. 18628 of 2015) has been filed by AAI and CHIAL wherein they have stated that the petition is not maintainable on the following grounds amongst others :

- AAI Regulations, 2007 specifies the requirement of the ground handling service provider under clause 3 and 4 and the Petitioners have not complied with the above regulation.
- The sole objective of these regulations is to ensure security at the airports and of quality ground handling services, which has also been upheld by the Delhi High Court vide order dated March 4, 2011 in the (WP(C) 8004 of 2010).
- The handling of the ground handling services have been awarded to AIATSL, AIASTL is a subsidiary of the Airport Authority Delhi, the letters regarding that airlines to contact M/s AIASTL for ground handling services is not binding and does not curtail any rights of the airlines.

A written statement has been filed by the State of Punjab and Haryana (CWP 18628 of 2015) stating that the reply filed by CHIAL be adopted for the State of Punjab and Haryana and that the State will file a detailed reply to the petition if the need arises.

A replication application (CWP No. 18628 of 2015) has been filed on behalf of the Petitioners to the written statements filed by M/s AIASTL stating that pre 2007 and after the Delhi High Court judgment (WP(C) 8004 of 2010) airlines continued to self-handle ground handling through their own employees and outsourced employees. Further the application stated that even till this date the AAI Chandigarh has renewed airport entry passes for outsourced employees of the airlines and that CHIAL has issued impugned communications in violation of the provisions of AAI Regulations 2007 and also in violation of the status quo orders passed by Hon'ble Supreme Court in (SLP (c) No. 7764 of 2011), which was pending for adjudication till date. It was further stated that there are apparent contradictions between AAI Regulations 2007 and BCAS Security circulars dated August 8, 2009, which clearly mandated that the 13 security functions enumerated therein must be carried out by airlines only through their own employees and could not be given to any ground handling service providers or any outsourced employees. A replication application (CWP No. 18628 of 2015) has also been filed on behalf of the Petitioner to the written statements filed by AAI and CHIAL.

The High Court of Punjab and Haryana by its judgment dated September 24, 2015 has held that the contract alleged to have been given by the AAI to AIATSL for the ground handling services at the new terminal of CHIAL ousting the Petitioner airlines to self-handle their ground handling services is illegal, arbitrary, unconstitutional and unreasonable and the impugned communications set aside. Further the Court held that Aircraft Operators Aviation Security Functions ("AVSEC") functions specified by BCAS shall be performed by bonafide whole-time employees of the Petitioner Airlines and the other ground handling services can be outsourced by the Petitioner airlines from ground handling agencies, specifically permitted in writing by AAI.

Legal Notices and First Information Report

In addition to the cases mentioned above, our Company has filed certain first information reports and criminal complaints and sent notices to various individuals and entities in relation to dishonor of cheques, cease and desist notices pertaining to the violation of our Company's trademarks, theft, cheating, fraudulent activities including but not limited to forged documents, counterfeit currency notes, false ticket bookings, incidents relating to safety and security of our employees, death on-board flights, accidents, unruly passengers, action against pilots and cabin crew in default of applicable law, bomb hoaxes, smuggling of drugs and narcotics, gold and precious metals, smuggling of weapons and hazardous substances, etc. These notices are currently pending.

These notices include one notice that involves an amount in excess of ₹ 1 million. A brief description of the notice is provided below:

1. Our Company has issued notices dated August 1, 2011 and September 19, 2011 to SpiceJet Limited alleging negligence on the part of SpiceJet due to a ground incident on Airbus A320 at Delhi airport. Our Company has informed SpiceJet that the cost of repair to the damaged aircraft is approximately USD 933,000.

LITIGATION INVOLVING OUR PROMOTERS

1. Mr. Rahul Bhatia

Litigation against Mr. Rahul Bhatia

Customs

There is one customs proceeding against Mr. Rahul Bhatia involving an aggregate amount of ₹ 7.62 million, details of which are provided below.

1. Directorate of Revenue Intelligence (“**DRI**”) issued a notice dated August 31, 2006 to Mr. Rahul Bhatia and IGE for payment of customs duty amounting to ₹ 7.62 million along with interest and penalty with respect to three cars imported by IGE under the Export Promotion Capital Goods Scheme of the Government of India (“**EPCG**”). IGE has filed a writ petition (No. 23162 of 2005) in the High Court of Delhi against the Union of India, and the DRI, on the grounds that the seizure by DRI on November 24, 2005 was beyond DRI’s authority as the Directorate General of Foreign Trade (“**DGFT**”) had issued the requisite certificates for import in respect of the three vehicles seized. The seized vehicles were provisionally released by DRI vide letter dated February 10, 2006, pursuant to the furnishing of a bank guarantee of ₹ 7.62 million and a bond of ₹ 3.75 million by IGE. The High Court by its order dated January 17, 2006 allowed the release of the three cars on furnishing of bank guarantee and bond for penalty and redemption fine. The DRI advised the DGFT to issue a show cause notice to IGE, and Mr. Rahul Bhatia and investigate the matter. After considering the facts of the case, DGFT dropped the proceedings against IGE vide order November 29, 2006 and upheld that the licenses were correctly issued by the order dated November 29, 2006. After the investigation of DRI, a show cause notice dated August 31, 2006 was issued to Mr. Rahul Bhatia and IGE to show cause as to why the said vehicles should not be confiscated under the Customs Act and the custom duty along with interest and penalty be imposed on them. IGE filed its reply contesting the said demand under the show cause notice. However the Commissioner of Customs confirmed the demand vide order dated January 12, 2010. IGE filed an appeal against order of Commissioner of Customs dated January 12, 2010, with the CESTAT, New Delhi which also includes a stay application for waiver of pre-deposit of custom duty and penalty. CESTAT by an order dated August 13, 2010 has waived the requirement of pre-deposit in consideration of the fact that IGE had undertaken to keep the bank guarantee alive during the pendency of the appeal.

Civil Proceedings

1. Gaon Sabha Chattarpur has filed a suit (Case No. 13/SDM/HK/2001) before the Court of Revenue Assistant, Mehrauli, New Delhi, alleging that Mr. Rahul Bhatia has used the suit land for non-agricultural purposes by constructing a dwelling unit on the same. The Court of Revenue Assistant on April 21, 2003 passed an order in favour of Mr. Rahul Bhatia stating that Mr. Rahul Bhatia had the sanction of MCD for construction of a dwelling unit on the suit land. Gaon Sabha, Chattarpur has filed an appeal (No.14/2004) before District Court, Saket, New Delhi against the order dated April 21, 2003. Gaon Sabha, Chattarpur also filed an application for condonation of delay with respect to the said appeal. Mr. Rahul Bhatia has filed a written statement dated May 19, 2008 against the application for condonation of delay. A proposal dated September 11, 2014 for regularization of the farmhouse was submitted before the South Delhi Municipal Corporation (“**Corporation**”) by Mr. Rahul Bhatia. The Corporation by order dated November 14, 2014 had approved the proposal to regularize the said farmhouse (dwelling unit) subject to payment of charges amounting to ₹ 0.32 million (cess charges), ₹ 23.17 million (regularization charges) and ₹ 7.96 million (conversion charges), Mr. Rahul Bhatia has deposited the said amount by a challan dated November 14, 2014. The regularization order has now been submitted to the Court of Revenue Assistant for appropriate consideration in the matter.

III. InterGlobe Enterprises Limited (“IGE”)

Litigation against IGE

Income Tax

There are four income tax proceedings against IGE involving an aggregate amount of ₹ 4.54 million, details of which are provided below.

1. Assessment Year 2005-2006

IGE filed its return of income for AY 2005-06 on October 19, 2005 declaring a total income of ₹ 21.06 million. The DCIT by an order dated December 24, 2007 computed the disallowance of ₹ 43.19 million in respect of expenses attributable to dividend income by apportioning administrative and financial expenses in the ratio of dividend income to the total income and raised a demand of ₹ 25.02 million. IGE filed an appeal before the CIT (A) against the aforesaid order. IGE deposited an amount of ₹ 5 million against the aggregate demand of ₹ 25.02 million. The DCIT also initiated penalty proceedings against IGE. IGE filed an application dated January 24, 2008 requesting DCIT to stay the penalty proceedings till disposal of appeal. The CIT (A) by its order dated September 15, 2010 gave a substantial relief and the amount of disallowance was reduced to ₹ 2.63 million. IGE as well as revenue department preferred an appeal before ITAT, (ITA No.4698/D/2010, ITA No. 4895/D/2010). The ITAT had passed an order dated July 22, 2011 and has referred back the matter to the assessing officer for fresh examination of the matter.

2. Assessment Year 2010-2011

IGE filed its return of income for AY 2010-2011 declaring a total income of ₹ 10.11 million. The DCIT by an order dated February 16, 2013 disallowed certain expenses raised a demand of ₹ 1.31 million. IGE filed an appeal before the CIT (A) against the order dated February 16, 2013 on the grounds that the disallowances made by the DCIT were bad in law and cannot be sustained. IGE filed an application dated March 20, 2013 before the DCIT requesting for stay of demand till disposal of appeal before CIT (A), New Delhi. The CIT (A) by its order dated October 31, 2013 directed the DCIT to make disallowances as per the directions given by the CIT (A) and partly allowed the appeal. Thereafter, IGE filed an appeal against the order dated October 31, 2013 before the ITAT.

3. Assessment Year 2011-2012

IGE filed its return of income declaring a loss of ₹ 41.13 million for AY 2011-2012. DCIT by its order dated January 31, 2014 disallowed certain expenses and initiated penalty proceedings against IGE. Consequently DCIT through a demand notice dated January 31, 2014 raised a demand of ₹ 3.22 million, further, the DCIT issued a Penalty notice dated Jan 31, 2014 directing IGE to show cause as to why penalty proceedings should not be initiated against it. IGE filed an application dated April 2, 2014 before the DCIT to requesting for stay of penalty proceedings till the disposal of appeal before CIT (A). IGE also filed an application dated April 11, 2014 before the DCIT for the stay of Demand till the disposal of appeal filed by IGE.

4. Assessment Year 2012-2013

IGE filed its return of income for AY 2012-2013 declaring a total income of ₹ 72.24 million. The DCIT by its order dated March 23, 2015 made certain disallowances. Consequently DCIT issued a demand notice dated March 23, 2015 and raised a *nil* demand against IGE and initiated penalty proceedings against IGE. IGE filed an appeal against the order dated March 23, 2015 before the CIT (A). IGE has also filed an application dated April 22, 2015 before the DCIT to keep the penalty proceedings in abeyance till the disposal of appeal before CIT (A).

TDS-CPC

There are two TDS-CPC proceedings against IGE involving an aggregate amount of ₹ 1,020, details of which are provided below:

1. The Traces website shows a demand of ₹ 10 for FY 2008-2009 against IGE.
2. The Traces website shows a demand of ₹ 1,010 for FY 2007-2008 against IGE.

Service tax

Asst. Commissioner of Service Tax, Mumbai by its order dated February 17, 2006 directed IGE to pay appropriate service tax along with interest on the commission received on representation of foreign cruises in India IGE filed an application before the Commissioner of Central Excise (A), Mumbai Zone-I (“CCE (A)”) against the order dated February 17, 2006. CCE (A) by its order dated April 20, 2010 partly allowed the appeal of IGE but upheld the impugned order to the extent it relates to IEL’s services not being considered as export of services on which service tax is payable. IGE filed an appeal (ST/379/10) before CESTAT against the order dated April 20, 2010 passed by CCE (A), Mumbai. Thereafter IGE filed a stay application dated July 27, 2010 before the CESTAT. CESTAT by its order dated January 10, 2012 set aside the impugned order and allowed the appeal on grounds that the impugned order passed by CCE (A) is not an order in the eyes of law. Thereafter revenue filed an appeal (No. 117 of 2012) before the High Court, Bombay against the order of CESTAT. High court in its order dated May 02, 2014 admitted the appeal.

Property Tax

There are two property tax matters against IGE. The amount involved in these matters is approximately ₹ 0.47 million.

1. IGE has received a notice dated September 11, 2015 from the Municipal Corporation, Gurgaon (“MCG”) demanding property tax amounting to ₹ 1.33 million, upto FY 2015-2016, against property ID No. 285C7U97. However, IGE has paid property tax aggregating to ₹ 1.23 million for the FY 2014-2015 and FY 2015-2016 on July 28, 2014 and September 29, 2015, respectively. The aforementioned property tax deposited with the MCG is yet to be updated on the MCG website, subsequent to which the property tax demand shall stand reduced to ₹ 0.09 million. IGE will proceed to pay the aforementioned amount of ₹ 0.09 million to MCG subsequent to updation of the MCG website with the aforementioned reduced property tax demand.
2. IGE has received a notice dated September 11, 2015 from the MCG demanding property tax amounting to ₹ 1.76 million, upto FY 2015-2016 against property ID No. 285C4U94. However the outstanding demand of property tax as on September 30, 2015 on the MCG website stands reduced to ₹ 1.25 million post

realisation of payments amounting ₹ 1.51 million made by IGE with respect to FY 2008-2013 and FY 2015-2016, on December 20, 2013 and September 15, 2015 respectively. It is noteworthy that the MCG has ignored the payments to the tune of ₹ 0.08 million which were paid by IGE for FY 2013-2014 and FY 2014-2015, on June 23, 2014 and July 28, 2014, respectively. The aforementioned property tax deposited with the MCG is yet to be updated on the MCG website, subsequent to which the property tax demand shall stand reduced ₹ 0.34 million. IGE will proceed to pay the aforementioned amount to MCG subsequent to updation of the MCG website with the reduced property tax demand.

Customs

IGE is a party to the customs proceedings pertaining to investigation conducted by DRI. For more details please see “*Litigation involving our Promoters - Litigation against Mr. Rahul Bhatia – Customs*” on page 407.

Civil Proceedings

Sprint RPG India Limited (now known as Next Gen Communication Limited) (“**Sprint RPG**”) has filed a suit (No. 741 of 2001), dated November 27, 2001 against ASPL in the High Court of Delhi, claiming ₹ 3.36 million along with interest and the cost of legal proceedings alleging non-payment of charges due towards electronic messaging services pertaining to generation of international traffic of email communication for the period of March 24, 2000 to April 23, 2000. ASPL filed its written statement on August 3, 2001 praying for dismissal of the suit with heavy costs on the ground that ASPL was not aware of the alleged auto forwarding services being provided by Sprint RPG and hence was not liable for the said service charges. The initial suit was filed against ASPL. Subsequently Sprint RPG filed a substitution and amendment application to replace ASPL with IGE on the ground of mis-description and mistake of fact in understanding the cause of action. The court allowed the said application and the amended plaint was placed on record. A written statement to the amended plaint was filed by IGE on September 12, 2002 with similar denial as was done in the earlier written statement filed by ASPL on August 3, 2001. The suit is presently pending. IGE has now filed an application for substituting the defendant witness and filing of fresh evidence by way of an affidavit.

Arbitration

DLF sent letter dated December 29, 2010 to ASPL and IGE requesting ASPL to refund the amount of ₹ 100 million paid as advance against purchase of office space. ASPL and IGE by reply dated January 7, 2011 stated that no amount was required to be refunded as the agreement in question stood terminated as DLF had not paid the balance amount as per the terms of the agreement. Thereafter, DLF by its letter dated January 31, 2011 stated that in terms of the agreement, termination of the agreement and forfeiture of the advance is subject to arbitration which could be resorted to only once the mediation proceedings before the mediator fail. DLF appointed the mediator and requested ASPL and IGE to give their consent to the appointment. DLF by another letter dated June 16, 2011 requested ASPL and IGE to give its consent to the appointment of arbitrators for resolution of dispute since the matter could not be resolved by mediation.

Consumer Complaints

There are three consumer complaints pending against IGE before the district consumer forum regarding deficiency in services. The aggregate amount involved in these complaints is approximately ₹ 1.76 million.

Legal Notices

There are six legal notices issued to IGE by the Employee Provident Organisation, Regional Office, Delhi Employees State Insurance Corporation, Regional Labour Commissioner, New Delhi, Municipal Corporation Greater Mumbai, respectively. These notices, *inter alia*, relate to notices pertaining to payment of wages, payment of gratuity, non-receipt of building plan approval, rectification of irregularities in records and furnishing of relevant records. The amount involved in these notices is not ascertainable.

Litigation by IGE

Civil Proceedings

1. IGE along with ASPL (“**Plaintiffs**”) has filed a suit (No. 444 of 2008) against Sarvamangalam Builders and certain others before the District Court, Gurgaon for declaration and consequential relief of permanent injunction and mandatory injunction. The Plaintiffs have sought a decree for declaration to the affect that the letter issued by Sarvamangalam Builders seeking recovery of parking charges from the Plaintiffs in respect of the open and vacant area of the Global Business Park and their threats to recover parking charges from the Plaintiffs/ their staff are illegal, void and not binding in any manner on the Plaintiffs. The court by order dated September 3, 2008 has directed that *status quo* shall be maintained regarding open area and collecting of parking charges till the filing of written statement by Sarvamangalam Builders.

IV. Acquire Services Private Limited (“ASPL”)

Litigation against ASPL

Income Tax

There are five income tax proceedings against ASPL involving an aggregate amount of ₹ 72.42 million, details of which are provided below.

1. Assessment Year 2005-2006

ASPL filed its return of income declaring an income of ₹ 44.25 million for AY 2005-2006. The Assessing officer by its order dated November 27, 2008 increased the taxable income of ASPL to ₹ 44.26 million. Consequently by a demand notice dated November 27, 2008 the DCIT raised a demand of ₹ 4,600 as tax payable by ASPL. Thereafter, CIT, Delhi, took *suo moto* cognizance of the matter and by its order dated February 26, 2010 set aside the assessment order of assessing officer and directed him to reconsider the two issues relating to underassessment to the extent of ₹ 1.21 million on account of disallowance on income from dividends and ₹ 6.79 million on depreciation of computer software, printers, etc. which were classified as computers instead of being classified as intangible assets. ASPL filed an appeal (No. 2331/Del/10) before the ITAT, against the order of CIT dated February 26, 2010 for AY 2005-2006. ASPL contended that the CIT had erred in setting aside the well-reasoned order of the assessing officer and directing the assessing officer to re-adjudicate the aforesaid issues. The ITAT by its order dated December 16, 2010, allowed the appeal and quashed the order passed by CIT. Thereafter, the Revenue Department filed an appeal (No. ITA 1074/2011) before the High Court of Delhi against the order of the ITAT dated December 16, 2010. The High Court directed that computer peripherals are entitled to depreciation at the rate of 60 percent and the Assessing officer is required to reconsider the matter. The High court further directed the assessing officer to pass a fresh order.

The ACIT, New Delhi by an assessment order dated December 24, 2010 for AY 2005-2006 declared ASPL to be in default of underassessment, on account of no disallowance in respect of dividend income and depreciation on computer software and accessories at the rate of 60 percent.. Consequently, by a demand notice dated December 24, 2012, ACIT issued a demand of ₹ 3.29 million payable by ASPL. The ACIT also initiated penalty proceedings against ASPL. ASPL filed an application dated January 20, 2011, requiring ACIT to stay the penalty proceedings till disposal of appeal ASPL also filed an application for stay dated January 24, 2011. ASPL preferred an appeal before CIT (A) against the said order of ACIT. The CIT (A), by its order dated set aside the order of assessing officer based on aforesaid order of ITAT and directed that the matter be reconsidered by the assessing officer on both the issues afresh. Thereafter, the revenue filed an appeal (No. 4784/DEL/2011) before the ITAT against the order of CIT (A), New Delhi dated July 28, 2011. ITAT directed the Assessing officer to pass fresh order, as per the observations made therein and allowed the appeal of the revenue.

2. Assessment Year 2009-2010

- i. ASPL filed its return of income for AY 2009-2010 declaring a loss of ₹ 2.55 million. The income tax officer by an assessment order dated December 7, 2011 had disallowed the expenses incurred on electricity & water charges, expenses attributable to the dividend income and advances written off. ASPL filed an appeal against the order dated December 7, 2011 before the CIT (A). The tax demand of ₹ 6.97 million raised by the assessing officer consequent to assessment proceedings was duly deposited by ASPL. ASPL filed appeal (No. 243/11-12/CIT (A)-XV) before the CIT (A) against the assessment

order dated December 7, 2011. The CIT (A) by an order dated February 28, 2013 partly allowed the appeal filed by ASPL. ASPL filed an appeal against the order dated February 28, 2013 before ITAT.

- ii. The income tax officer by an order dated June 28, 2012 passed a penalty order against ASPL and directed ASPL to deposit the penalty amounting to ₹ 7.09 million. ASPL deposited the entire amount of the said penalty. ASPL filed an appeal (No. 101/12-13/CIT (A)-XV) before the CIT (A) against the penalty order dated June 28, 2012 wherein the income tax officer had imposed a penalty of ₹ 7.09 million. The CIT (A) partly allowed the appeal. Consequently, ASPL has filed an appeal before the ITAT.

3. *Assessment Year 2010-2011*

ASPL filed its return of income declaring an income of ₹ 9.95 million for AY 2010-2011. The DCIT by its order dated December 18, 2012 disallowed certain expenses claimed by ASPL and by a demand notice dated December 18, 2012 raised a demand of ₹ 6.37 million as tax payable by ASPL. ASPL filed an appeal (No. 144/12-13/CIT (A)-XV) against the order dated December 18, 2012 before the CIT (A). The CIT (A) by its order dated October 31, 2013 has allowed the appeal. The DCIT initiated penalty proceedings against ASPL. ASPL filed a reply dated January 17, 2013 requesting DCIT to stay the penalty proceedings till disposal of appeal the revenue department has filed an appeal against the order dated October 31, 2013.

4. *Assessment Year 2011-2012*

ASPL filed its return of income declaring income at ₹ 19.32 million and ₹ 332.62 million. The DCIT by an assessment order February 28, 2014 declared ASPL to be in default for underassessment and disallowed a certain expenses. Consequently DCIT by a demand notice dated February 28, 2014 raised a demand of ₹ 64.75 million and initiated penalty proceedings against ASPL for furnishing inaccurate details. ASPL by an application dated March 26, 2014 requested the DCIT for stay of demand and for keeping the penalty proceedings in abeyance till the disposal of appeal before the CIT. ASPL filed an appeal against the order dated February 28, 2014 before the CIT (A) alleging that DCIT erred in disallowing certain sums. The CIT (A) partly allowed the appeal giving ASPL certain relief on some grounds and directed the assessing officer to allow due credit of tax as per law and re-compute the disallowance.

TDS-CPC

There are two TDS-CPC proceedings against ASPL involving an aggregate amount of ₹ 4,260 details of which are provided below:

1. The Traces website shows a demand of ₹ 2,800 for FY 2008-2009 against ASPL.
2. The Traces website shows a demand of ₹ 1,460 for FY 2007-2008 against ASPL.

Service Tax

The Additional Director, (Directorate General of Central Excise Intelligence (“DGCEI”) issued a show cause notice dated October 24, 2008 for showing cause as to why service tax amounting to ₹ 328.86 million should not be recovered, interest should not be charged and penalty should not levied on ASPL. ASPL submitted its defense before the Commissioner of Central Excise (adjudication) and denied all the allegations made in the show cause notice. The Commissioner (adjudication) by its order dated March 30, 2010 confirmed the demand and recovery of service tax amounting to ₹ 25.60 million along with interest at appropriate rate on the aforesaid amount after allowing relief on account of limitation. It further directed that an additional penalty of ₹ 1,000 shall be levied on ASPL for failure to collect and pay the service tax. ASPL filed an appeal before the CESTAT along with application regarding waiver of pre deposit of service tax amounting to ₹ 25.60 million along with interest penalty in addition to other penalties imposed. CESTAT after considering the submissions from both sides by its order dated May 09, 2011 held that it cannot be said that ASPL is rendering services to the travel agents in India and therefore ASPL has made out a strong prima facie case for waiver of dues assessed under the impugned order. CESTAT by its order dated June 4, 2014 has allowed the appeals and dismissed the appeals of the revenue department, thereby, quashing the order dated March 30, 2010. The revenue has filed an appeal before the High Court.

Arbitration

DLF has initiated arbitration proceedings against ASPL. For more information please see “- *Litigation against our Promoters - Litigation against InterGlobe Enterprises Limited – Arbitration Proceeding*” on page 410.

Litigation by ASPL

Civil Proceedings

1. ASPL filed a suit (No. 10302 of 2009) against Peekay Holidays Private Limited (“**Peekay Holidays**”) before the Additional City Civil Court at Chennai, alleging breach of the contractual obligations by Peekay Holidays under the subscriber agreement. The Assistant Judge, City Civil Court by order dated August 27, 2012 directed Peekay Holidays to refund an amount of approximately ₹ 0.4 million along with interest at the rate of 6% per annum to ASPL. However, since Peekay Holidays failed to pay the decreed amount, an execution petition (No. 3792 of 2013) was filed by ASPL. The execution petition is posted for enquiry of Peekay Holidays. Peekay Travels has also filed an appeal (No. 57916 of 2012) against the order dated August 27, 2012. Peekay Holidays later filed an application (CMP No. 1425 of 2014) for condonation of delay of 675 days in filing the above appeal.

LITIGATION INVOLVING OUR GROUP ENTITIES

I. InterGlobe Hotels Private Limited (“IGHPL”)

Litigation against IGHPL

Income Tax

There are two income tax proceedings against IGHPL involving an aggregate amount of ₹ 12.5 million, details of which are provided below.

1. Assessment Year 2011-2012

IGHPL has filed its return of income on September 30, 2011 declaring loss of ₹ 136.32 million for AY 2011-2012. During the assessment proceedings, IGHPL realised that there had been an error to the extent of an amount of ₹ 29.86 million was erroneously claimed resulting in excess loss claimed in tax return. Therefore, IGHPL by its submission dated December 13, 2013, *suo moto*, before the detection of the error by the Assessing Officer, New Delhi offered the amount of ₹ 29.86 million for disallowance and the same was accepted by the Assessing Officer. Thereafter, an order was issued on March 10, 2014, wherein amount of ₹ 29.86 million was disallowed. However, penalty proceedings were initiated while completing assessment and a notice dated September 8, 2014 was issued to IGHPL to show cause as to why penalty should not be levied. IGHPL by its submissions dated September 15, 2014 furnished a reply stating that IGHPL had not concealed any particulars of income as the whole amount of disallowance made in the assessment order was voluntarily offered to tax by IGHPL during the course of assessment proceedings. Again, a fresh notice was issued on September 22, 2014 and the same was replied by submissions dated September 24, 2014. The Assessing Officer on September 24, 2014 issued an order levying a penalty at the rate of 100% of the tax sought to be evaded, amounting to ₹ 9.99 million. IGHPL filed an appeal (No. 35) dated October 22, 2014 before CIT (A), New Delhi against the penalty order dated September 24, 2014. Arguments concluded and order awaited. IGHPL filed an application dated October 22, 2014 before the Deputy Commissioner of Income Tax, New Delhi for stay of demand.

2. Assessment Year 2012-2013

IGHPL has filed its return of income on September 28, 2012 declaring its income as *nil*. The DCIT by his order dated March 25, 2015 has made an addition of ₹ 8.23 million to the returned income. The assessing officer also initiated penalty proceedings for concealment of income. IGHPL has filed an appeal before CIT (A).

VAT

There are four VAT proceedings against IGHPL involving an aggregate amount of ₹ 3 million, details of which are provided below.

1. Assistant Commissioner of Commercial Tax, Department of Commercial Tax, State of Karnataka has issued a notice dated September 9, 2014 to IGHPL, for unpaid entry tax amounting to ₹ 0.57 million from 2010-2011 to 2014-2015. IGHPL by its reply dated October 10, 2014 furnished the required details and submitted that there is no entry tax liability and hence the proceedings against IGHPL should be dropped.
2. The ACIT issued a notice dated July 28, 2014 to IGHPL for FY 2012-2013 with respect to unpaid entry tax. IGHPL by its reply dated August 22, 2014 has deposited ₹ 0.63 million under protest.

3. The Assistant Commissioner, Kelambakkam Assessment Circle issued notice dated February 11, 2015 to IGHPL assessing ₹ 0.05 million as the amount payable on import value of laptops, computers etc. imported by IGHPL, along with customs duty, freight, GP ratio and sales suppression for FY 2014-2015. IGHPL by its reply dated March 2, 2015 stated that the abovementioned equipment had not been imported by it for the purpose of sale and the same were recorded in the fixed assets register of the firm and therefore, ₹ 0.05 million was not payable on them.
4. The Assistant Commissioner, Kelambakkam Assessment Circle issued notice dated December 10, 2014 to IGHPL assessing ₹ 2.7 million as the amount of import of Timber imported by IGHPL, along with customs duty, freight, GP ratio and sales suppression for FY 2013-2014 and tax payable of ₹ 0.39 million. IGHPL by its reply dated March 5, 2015 stated that the abovementioned items had not been imported by it for the purpose of sale and the same were recorded in the fixed assets register of the firm and therefore, ₹ 0.39 million tax was not payable by IGHPL.

TDS-CPC

There are certain TDS-CPC proceedings against IGHPL involving an aggregate amount of ₹ 1.21 million, details of which are provided below:

IGHPL has replied to the said suit on October 15, 2014 stating that Mrs. Kanta Devi’s husband was not an employee of our Company.
3. Collector of Stamps by its order dated July 14, 2014 directed that show cause notices be issued to IGHPL along with certain others (“**Petitioner**”) to show cause as to why proceedings for evading stamp duty under section 62 read with section 65 of the Indian Stamp Act should not be initiated against them. The Chief Controlling Revenue Authority issued notices dated August 13, 2014 and August 14, 2014 directing the Petitioners to show cause as to why proceedings under section 62 read with section 65 of the Indian Stamp Act should not be initiated against them. IGHPL replied to the notices on June 3, 2014 and July 2, 2014, respectively, stating that the notices were non-est and issued in derogation of the provisions of the Indian Stamp Act, 1899. The Petitioners have filed a writ petition (W.P (C) No. 5429 of 2014) against Collector of Stamps and DIAL challenging the order dated July 14, 2014 issued by Collector of Stamps. The Collector of Stamps has filed its counter affidavit on March 25, 2015. The court has granted a stay against any proceedings in favour of the Petitioner. Petitioners have filed the rejoinder to the counter affidavit. DIAL through its counsel stated that it will not file any rejoinder.
4. DIAL has filed a writ petition (No. 5848 of 2014) dated September 3, 2014 before the High Court of Delhi against Collector of Stamps, Government of National Capital of Delhi, IGHPL and certain others challenging the order No. F. No. 1/920/RB/Div. Comm./HQ/2013/110-123 dated July 14, 2014 issued by Collector of Stamps, Government of National Capital of Delhi and the show cause notice dated August 14, 2014 issued by Collector of Stamps, Government of National Capital of Delhi to DIAL requiring the managing director/ principal officer/ authorised signatory/ company secretary of DIAL to show cause as to why criminal prosecution on account of non/ deficient payment of stamp duty may not be initiated. The Collector of stamps had also issued notice (No. F. 1/920/RB/Div. Comm./HQ/2013/42) dated April 24, 2014 asking the company to furnish certain documents and among other things the managing director/ principal officer/ authorised signatory/ company secretary to appear in person on May 6, 2014 in the office of the Collector of Stamps. As per the order dated July 14, 2014, Government of National Capital of Delhi *inter alia* held among other things that DIAL and other entities having developed hotels/hospitality facilities at Delhi Aerocity have avoided payment of stamp duty to the government causing huge revenue losses and thereby are liable to criminal prosecution under Section 62 read with Section 65 of the Indian Stamps Act. The matter is connected with W.P (C) No. 5429 of 2014.

Environmental Matters

1. Regional Officer, Gurgaon Region, Haryana State Pollution Control Board has filed a complaint (No. 42 of 2008) dated October 21, 2008 before the Special Environment Court, Faridabad against M/s Pegasus Buildtech Private Limited, IGHPL and its directors (“**Defendants**”) on the grounds that the defendants initiated the construction at Sector 53, Gurgaon without obtaining any prior environmental clearances from the Ministry of Environment and Forests (“**MoEF**”). The Directors were impleaded wrongly and were later discharged by the Court. An application dated October 28, 2014 was made before the Regional Officer, Gurgaon Region, Haryana State Pollution Control Board on behalf of the defendants praying for their discharge on the ground that the consent had already been granted to the defendants the said application was dismissed by the court on the same date. The special Environment Court, Faridabad by its order dated April 7, 2015 directed the defendants to pay a compensation amounting to ₹ 0.15 million each to the State taking into consideration the fact that the said clearance was obtained after one year of start of the construction.
2. The National Green Tribunal, Principal Bench, New Delhi (“**Tribunal**”) by its order dated December 1, 2014 (M.A. No. 825 of 2014) directed the Central Ground Water Authority, DJB, Municipal Corporation and DPCC to take effective steps for ensuring that among others all hospitals, malls, hotels install rain water harvesting system at the earliest. Pursuant to the same an inspection was carried out by the Central Ground Water Authority and DJB on various dates and on April 24, 2015 notices were directed to be served on the Directors/ CEO of various hotels and malls including the hotel run by IGHPL (Hotel IBIS) returnable on May 11, 2015. Since IGHPL did not receive the said notice, the concerned persons could not appear before the Tribunal on May 11, 2015 due to which the Tribunal directed that bailable warrants be issued against the Chief Executive of IBIS. IBIS Hotels filed its reply to the show cause notice dated May 16, 2015 stating, *inter alia*, that since IBIS Hotels had started its operation only on August 25, 2014 and that the partial completion plan showing the pits had been duly approved by AAI, the sewerage treatment plant was duly installed in the premises thus requesting that no compensation be levied on it under the provisions of section 15 of the National Green Tribunal Act, 2010. After hearing the arguments of IGHPL and DPCC on October 6, 2015, the Tribunal was of the view that there had been a violation, therefore, a penalty of ₹ 0.5 million was levied on the Hotel IBIS.

(3) Pre-tax operating profit', has been calculated as net profit before tax excluding other non operating income and finance cost- interest others.

(4) 'Net worth has been defined as the aggregate of share capital and reserves and surplus

Our Company has a minimum average pre-tax operating profit of ₹ 150 million calculated on a restated basis, during the three most profitable years being year ended on [March 31, 2013, March 31, 2011 and March 31, 2015] out of the immediately preceding five years (fiscal years 2015, 2014, 2013, 2012, 2011).

Our Company has net tangible assets of at least ₹ 30 million in each of the preceding three financial years, of which more than 50% are held in monetary assets in the fiscals 2015, 2014 and 2013. The Company has firm commitments to utilize such excess monetary assets in its business.

Hence, we are eligible for the Issue as per Regulation 26(1) of the ICDR Regulations. If the Company does not allot Equity Shares pursuant to the Issue within 12 Working Days from the Bid/Issue Closing Date or within such timeline as prescribed by SEBI, it shall repay without interest all monies received from bidders, failing which interest shall be due to be paid to the applicants at the rate of 15% per annum for the delayed period.

The total expenses of the Issue are estimated to be approximately ₹ [•] million. Expenses in relation to the Issue will be borne by our Company and each of the Selling Shareholders in proportion to the Equity Shares contributed to the Issue respectively, provided that listing fees, auditor's fees, expenses relating to the legal counsels to the Company and the GCBRLMs and BRLMs will be borne solely by the Company and expenses relating to the legal counsel to the Selling Shareholders will be borne by the respective Selling Shareholder.

Our Company is undertaking this Issue under Rule 19(2)(b)(iii) of the Securities Contracts (Regulation) Rules, 1957, as amended ("SCRR") read with Regulation 41 of the ICDR Regulations and shall comply with the requirements thereunder. This is an issue for at least 10% of the fully diluted post-Issue paid-up equity capital of our Company.

Further, this Issue is being made through the Book Building Process wherein 50% of the Issue shall be available for allocation to QIBs on a proportionate basis out of which 5% of the QIB Category (excluding the Anchor Investor Portion, which shall be allocated on a discretionary basis) shall be available for allocation on a proportionate basis to Mutual Funds only, and the remainder shall be available for allocation on a proportionate basis to all QIBs, including Mutual Funds, subject to valid Bids being received at or above the Issue Price. Further, not less than 15% of the Issue will be available for allocation on a proportionate basis to Non-Institutional Investors and not less than 35% of the Issue will be available for allocation to Retail Individual Investors, subject to valid Bids being received at or above the Issue Price. Our Company and the Selling Shareholders may, in consultation with the GCBRLMs and the BRLMs, allocate up to 60% of the QIB Category to the Anchor Investors on a discretionary basis. One third of the Anchor Investor Portion shall be reserved for allocation to domestic Mutual Funds, subject to valid bids being received from domestic Mutual Funds at or above the Anchor Investor Allocation Price. For further details, please refer to the chapter "Issue Procedure" beginning on page 497.

Further, in accordance with Regulation 26(4) of the ICDR Regulations, our Company shall ensure that the number of Allottees under the Issue shall be not less than 1,000, otherwise, the entire application money will be

refunded forthwith. In case of delay, if any, our Company's refund shall include interest on the application money at the rate of 15% per annum for the period of delay.

Our Company is in compliance with the following conditions specified under Regulation 4(2) of the ICDR Regulations:

1. Our Company has received the in-principle approval from the NSE (Letter no. NSE/LIST/36150) dated July 31, 2015, for listing of Equity Shares issued pursuant to the Issue.
2. Our Company has received the in-principle approval from the BSE (Letter no. DCS/IPO/NP/513/2015-16) dated August 4, 2015, for listing of Equity Shares issued pursuant to the Issue.
3. Our Company has entered into agreements dated November 16, 2010 and November 19, 2010 with NSDL and CDSL, respectively, for dematerialisation of the Equity Shares; and
4. The Equity Shares are fully paid-up and there are no partly paid-up Equity Shares as on the date of filing of this Red Herring Prospectus.

We are not required to make firm arrangements of finance through verifiable means towards 75% of the means of finance, excluding the amount to be raised through the Issue. For further details in this regard, please see the chapter "*Objects of the Issue*" beginning on page 116.

Disclaimer in respect of Jurisdiction

This Issue is being made in India to persons resident in India (including Indian nationals resident in India who are competent to contract under the Indian Contract Act, 1872, Hindu Undivided Families, other companies, corporate bodies and societies registered under the applicable laws in India and authorised to invest in shares, Indian Mutual Funds registered with SEBI, Indian financial institutions, commercial banks, regional rural banks, co-operative banks (subject to RBI permission), or trusts under applicable trust law and who are authorised under their constitution to hold and invest in shares, permitted insurance companies and pension funds, insurance funds set up and managed by the army and navy and insurance funds set up and managed by the Department of Posts, India) and to FIIs, Eligible NRIs and FPIs. This Red Herring Prospectus does not, however, constitute an invitation to purchase shares offered hereby in any jurisdiction other than India to any person to whom it is unlawful to make an offer or invitation in such jurisdiction. Any person into whose possession this Red Herring Prospectus comes is required to inform himself or herself about, and to observe, any such restrictions. Any dispute arising out of this Issue will be subject to the jurisdiction of appropriate court(s) in Mumbai only.

The Equity Shares have not been and will not be registered under the Securities Act or any state securities laws in the United States and may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. Accordingly, the Equity Shares are only being offered and sold (i) in the United States only to persons reasonably believed to be “qualified institutional buyers” (as defined in Rule 144A under the Securities Act and referred to in this Red Herring Prospectus as “U.S. QIBs”, for the avoidance of doubt, the term U.S. QIBs does not refer to a category of institutional investor defined under applicable Indian regulations and referred to in this Red Herring Prospectus as “QIBs”) in transactions exempt from, or not subject to, the registration requirements of the Securities Act, and (ii) outside the United States in offshore transactions in reliance on Regulation S under the Securities Act and the applicable laws of the jurisdiction where those offers and sales occur.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

This Red Herring Prospectus will not, however, constitute an offer to sell or an invitation to subscribe for Equity Shares offered hereby in any jurisdiction other than India to any person to whom it is unlawful to make an offer or invitation in such jurisdiction. Any person into whose possession this Red Herring Prospectus comes is required to inform himself or herself about, and to observe, any such restrictions.

No action has been, or will be, taken to permit a public offering in any jurisdiction where action would be required for that purpose, except that the Red Herring Prospectus had been filed with the RoC. Accordingly, the Equity Shares represented hereby may not be offered or sold, directly or indirectly, and this Red Herring Prospectus may not be distributed in any jurisdiction, except in accordance with the legal requirements applicable in such jurisdiction. Neither the delivery of this Red Herring Prospectus nor any sale hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of our Company and the Selling Shareholders and their respective affiliates from the date hereof or that the information contained herein is correct as of any time subsequent to this date.

IMPORTANT INFORMATION FOR INVESTORS – ELIGIBILITY AND TRANSFER RESTRICTIONS

The Equity Shares have not been and will not be registered under the Securities Act or any state securities laws in the United States and may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. Accordingly, the Equity Shares are only being offered and sold (i) in the United States only to persons reasonably believed to be “qualified institutional buyers” (as defined in Rule 144A under the Securities Act and referred to in this Red Herring Prospectus as “U.S. QIBs”, for the avoidance of doubt, the term U.S. QIBs does not refer to a category of institutional investor defined under applicable Indian regulations and referred to in this Red Herring Prospectus as “QIBs”) in transactions exempt from, or not subject to, the registration requirements of the Securities Act, and (ii) outside the United States in offshore transactions in reliance on Regulation S under the Securities Act and the applicable laws of the jurisdiction where those offers and sales occur.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

Until the expiry of 40 days after the commencement of this Offer, an offer or sale of Equity Shares within the United States by a dealer (whether or not it is participating in this Offer) may violate the registration requirements of the Securities Act.

Equity Shares Offered and Sold within the United States

Each purchaser that is acquiring the Equity Shares offered pursuant to this Offer within the United States, by its acceptance of this Red Herring Prospectus and of the Equity Shares, will be deemed to have acknowledged, represented to and agreed with the Company and the Managers that it has received a copy of this Red Herring Prospectus and such other information as it deems necessary to make an informed investment decision and that:

- (1) the purchaser is authorized to consummate the purchase of the Equity Shares offered pursuant to this Offer in compliance with all applicable laws and regulations;
- (2) the purchaser acknowledges that the Equity Shares offered pursuant to this Offer have not been and will not be registered under the Securities Act or with any securities regulatory authority of any state of the United States and accordingly may not be offered or sold within the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act;
- (3) the purchaser (i) is a U.S. QIB, (ii) is aware that the sale to it is being made in a transaction exempt from or not subject to the registration requirements of the Securities Act, and (iii) is acquiring such Equity Shares for its own account or for the account of a qualified institutional buyer with respect to which it exercises sole investment discretion;
- (4) the purchaser is not an affiliate of the Company or a person acting on behalf of an affiliate;
- (5) if, in the future, the purchaser decides to offer, resell, pledge or otherwise transfer such Equity Shares, or any economic interest therein, such Equity Shares or any economic interest therein may be offered, sold, pledged or otherwise transferred only (A) (i) to a person whom the beneficial owner and/or any person acting on its behalf reasonably believes is a U.S. QIB in a transaction meeting the requirements of Rule 144A or (ii) in an offshore transaction complying with Rule 903 or Rule 904 of Regulation S under the Securities Act and (B) in accordance with all applicable laws, including the securities laws of the States of the United States. The purchaser understands that the transfer restrictions will remain in effect until the Company determines, in its sole discretion, to remove them;
- (6) the Equity Shares are “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Act and no representation is made as to the availability of the exemption provided by Rule 144 for resales of any such Equity Shares;
- (7) the purchaser will not deposit or cause to be deposited such Equity Shares into any depositary receipt facility established or maintained by a depositary bank other than a Rule 144A restricted depositary receipt facility, so long as such Equity Shares are “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Act;
- (8) the purchaser agrees that neither the purchaser, nor any of its affiliates, nor any person acting on behalf of the purchaser or any of its affiliates, will make any “directed selling efforts” as defined in Regulation S under the Securities Act in the United States with respect to the Equity Shares;
- (9) the purchaser understands that such Equity Shares (to the extent they are in certificated form), unless the Company determine otherwise in accordance with applicable law, will bear a legend substantially to the following effect:

THE EQUITY SHARES REPRESENTED HEREBY HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT") OR WITH ANY SECURITIES REGULATORY AUTHORITY OF ANY STATE OR OTHER

JURISDICTION OF THE UNITED STATES AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT (1) TO A PERSON WHOM THE SELLER OR ANY PERSON ACTING ON ITS BEHALF REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER WITHIN THE MEANING OF RULE 144A IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144A UNDER THE SECURITIES ACT, OR (2) IN AN OFFSHORE TRANSACTION COMPLYING WITH RULE 903 OR RULE 904 OF REGULATION S UNDER THE SECURITIES ACT, IN EACH CASE IN ACCORDANCE WITH ANY APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES.

- (10) the Company will not recognize any offer, sale, pledge or other transfer of such Equity Shares made other than in compliance with the above-stated restrictions; and
- (11) the purchaser acknowledges that the Company, the Managers, their respective affiliates and others will rely upon the truth and accuracy of the foregoing acknowledgements, representations and agreements and agrees that, if any of such acknowledgements, representations and agreements deemed to have been made by virtue of its purchase of such Equity Shares are no longer accurate, it will promptly notify the Company, and if it is acquiring any of such Equity Shares as a fiduciary or agent for one or more accounts, it represents that it has sole investment discretion with respect to each such account and that it has full power to make the foregoing acknowledgements, representations and agreements on behalf of such account.

All Other Equity Shares Offered and Sold in this Offer

Each purchaser that is acquiring the Equity Shares offered pursuant to this Offer outside the United States, by its acceptance of this Red Herring Prospectus and of the Equity Shares offered pursuant to this Offer, will be deemed to have acknowledged, represented to and agreed with the Company and the Managers that it has received a copy of this Red Herring Prospectus and such other information as it deems necessary to make an informed investment decision and that:

- (1) the purchaser is authorized to consummate the purchase of the Equity Shares offered pursuant to this Offer in compliance with all applicable laws and regulations;
- (2) the purchaser acknowledges that the Equity Shares offered pursuant to this Offer have not been and will not be registered under the Securities Act or with any securities regulatory authority of any state of the United States and accordingly may not be offered or sold within the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act;
- (3) the purchaser is purchasing the Equity Shares offered pursuant to this Offer in an offshore transaction meeting the requirements of Rule 903 of Regulation S under the Securities Act;
- (4) the purchaser and the person, if any, for whose account or benefit the purchaser is acquiring the Equity Shares offered pursuant to this Offer, was located outside the United States at the time (i) the offer was made to it and (ii) when the buy order for such Equity Shares was originated and continues to be located outside the United States and has not purchased such Equity Shares for the account or benefit of any person in the United States or entered into any arrangement for the transfer of such Equity Shares or any economic interest therein to any person in the United States;
- (5) the purchaser is not an affiliate of the Company or a person acting on behalf of an affiliate;
- (6) if, in the future, the purchaser decides to offer, resell, pledge or otherwise transfer such Equity Shares, or any economic interest therein, such Equity Shares or any economic interest therein may be offered, sold, pledged or otherwise transferred only (A) (i) to a person whom the beneficial owner and/or any person acting on its behalf reasonably believes is a U.S. QIB in a transaction meeting the requirements of Rule 144A or (ii) in an offshore transaction complying with Rule 903 or Rule 904 of Regulation S under the Securities Act and (B) in accordance with all applicable laws, including the securities laws of the States of the United States. The purchaser understands that the transfer restrictions will remain in effect until the Company determines, in its sole discretion, to remove them;

- (7) the purchaser agrees that neither the purchaser, nor any of its affiliates, nor any person acting on behalf of the purchaser or any of its affiliates, will make any “directed selling efforts” as defined in Regulation S under the Securities Act in the United States with respect to the Equity Shares;
- (8) the purchaser understands that such Equity Shares (to the extent they are in certificated form), unless the Company determine otherwise in accordance with applicable law, will bear a legend substantially to the following effect:

THE EQUITY SHARES REPRESENTED HEREBY HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”) OR WITH ANY SECURITIES REGULATORY AUTHORITY OF ANY STATE OR OTHER JURISDICTION OF THE UNITED STATES AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT (1) TO A PERSON WHOM THE SELLER OR ANY PERSON ACTING ON ITS BEHALF REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER WITHIN THE MEANING OF RULE 144A IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144A UNDER THE SECURITIES ACT, OR (2) IN AN OFFSHORE TRANSACTION COMPLYING WITH RULE 903 OR RULE 904 OF REGULATION S UNDER THE SECURITIES ACT, IN EACH CASE IN ACCORDANCE WITH ANY APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES.

- (9) the Company will not recognize any offer, sale, pledge or other transfer of such Equity Shares made other than in compliance with the above-stated restrictions; and
- (10) the purchaser acknowledges that the Company, the Managers, their respective affiliates and others will rely upon the truth and accuracy of the foregoing acknowledgements, representations and agreements and agrees that, if any of such acknowledgements, representations and agreements deemed to have been made by virtue of its purchase of such Equity Shares are no longer accurate, it will promptly notify the Company, and if it is acquiring any of such Equity Shares as a fiduciary or agent for one or more accounts, it represents that it has sole investment discretion with respect to each such account and that it has full power to make the foregoing acknowledgements, representations and agreements on behalf of such account.

In relation to each EEA State that has implemented the Prospectus Directive (Directive 2003/71/EC) (each, a “**Relevant Member State**”), an offer to the public of any Equity Shares may be made at any time under the following exemptions under the Prospectus Directive, if they have been implemented in that Relevant Member State:

- (a) to any legal entity which is a qualified investor as defined under the Prospectus Directive;
- (b) to fewer than 100 or, if the Relevant Member State has implemented the relevant provisions of the 2010 PD Amending Directive, 150 natural or legal persons (other than qualified investors), subject to obtaining the prior consent of the Underwriters; or
- (c) in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Equity Shares shall result in a requirement for the Company or any Underwriter to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive and each person who receives any communication in respect of, or who acquires any Equity Shares under, the offers contemplated in this Red Herring Prospectus will be deemed to have represented, warranted and agreed to with the Underwriter and the Company that it is a qualified investor within the meaning of the law in that Relevant Member State implementing Article 2(1)(e) of the Prospectus Directive.

For the purposes of this provision, the expression an “offer of to the public” in relation to any of the Equity Shares in any Relevant Member States means the communication in any form and by any means of sufficient information on the terms of the offer and the Equity Shares to be offered so as to enable an investor to decide to purchase or subscribe for the Equity Shares, as the same may be varied in that Relevant Member State by any measure implementing the Prospectus Directive in that Relevant Member State.

In the case of any Equity Shares acquired by it as a financial intermediary, as that term is used in Article 3(2) of the Prospectus Directive, each such financial intermediary will be deemed to have represented, acknowledged and agreed that the Equity Shares acquired by it in the Issue have not been acquired on a non-discretionary basis on behalf of, nor have they been acquired with a view to their offer or resale to, persons in circumstances which may give rise to an offer of any Equity Shares to the public in a Relevant Member State prior to the publication of a prospectus in relation to the Equity Shares which has been approved by the competent authority in that relevant member state or, where appropriate, approved in another Relevant Member State and notified to the competent authority in the Relevant Member State, all in accordance with the Prospectus Directive, other than their offer or resale to qualified investors or in circumstances in which the prior consent of the Underwriters has been obtained to each such proposed offer or resale.

The Company, the Underwriters and their affiliates, and others will rely upon the truth and accuracy of the foregoing representation, acknowledgement and agreement.

* Subject to valid Bids being received at or above the Issue Price, the Issue is being made through the Book Building Process wherein 50% of the Net Issue shall be available for allocation to QIBs on a proportionate basis. 5% of the QIB Category shall be available for allocation on a proportionate basis to Mutual Funds only. The remainder shall be available for Allotment on a proportionate basis to QIBs (including Mutual

Funds), subject to valid Bids being received from them at or above the Issue Price. Mutual Funds participating in the 5% reservation in the QIB Category will also be eligible for allocation in the remaining QIB Category. The unsubscribed portion in the Mutual Fund reservation will be available to QIBs. Further, not less than 15% of the Net Issue shall be available for allocation on a proportionate basis to Non-Institutional Investors and not less than 35% of the Net Issue shall be available for allocation to Retail Individual Investors, subject to valid Bids being received at or above the Issue Price.

Under-subscription, if any, in any category, except the QIB Category, would be met with spill-over from any other category or categories (including the Employee Reservation Portion), as applicable, on a proportionate basis, subject to applicable law. Our Company and the Selling Shareholders may (in consultation with the GCBRLMs and BRLMs) offer an Employee Reservation Portion in accordance with the ICDR Regulations. The details of Employee Reservation Portion (if any) shall be disclosed in this Red Herring Prospectus prior to filing it with the RoC.

- **** *Our Company may allocate up to 60% of the QIB Category to Anchor Investors at the Anchor Investor Issue Price, on a discretionary basis, subject to there being (i) a maximum of two Anchor Investors, where allocation in the Anchor Investor Portion is up to ₹100.00 million, (ii) minimum of two and maximum of 15 Anchor Investors, where the allocation under the Anchor Investor Portion is more than ₹100.00 million but up to ₹2,500.00 million, subject to a minimum Allotment of ₹50.00 million per Anchor Investor, and (iii) minimum of five and maximum of 25 Anchor Investors, where the allocation under the Anchor Investor Portion is more than ₹2,500.00 million, subject to a minimum Allotment of ₹50.00 million per Anchor Investor. An Anchor Investor will make a minimum Bid of such number of Equity Shares, that the Bid Amount is at least ₹100.00 million. One-third of the Anchor Investor Portion will be reserved for domestic Mutual Funds, subject to valid Bids being received at or above Anchor Investor Issue Price.*

The QIB Category includes Anchor Investor Portion, as per the ICDR Regulations. Anchor Investors shall pay the entire Bid Amount at the time of submission of the Anchor Investor Bid, provided that any difference between the Anchor Investor Allocation Price and Anchor Investor Issue Price shall be payable by Anchor Investor Pay-in Date.

- ***** *In case of joint Bids, the Bid-cum-Application Form should contain only the name of the First Bidder whose name should also appear as the first holder of the beneficiary account held in joint names. The signature of only such First Bidder would be required in the Bid-cum-Application Form and such First Bidder would be deemed to have signed on behalf of the joint holders.*

Bidders will be required to confirm and will be deemed to have represented to our Company, the GCBRLMs, the BRLMs their respective directors, officers, agents, affiliates and representatives that they are eligible under applicable laws, rules, regulations, guidelines and approvals to acquire the Equity Shares in this Issue.

SCSBs applying in the Issue must apply through an ASBA Account maintained with any other SCSB.

Withdrawal of the Issue

Our Company and the Selling Shareholders, in consultation with the GCBRLMs and the BRLMs, reserve the right not to proceed with the Issue at any time after the Bid/Issue Opening Date but before the Board meeting for Allotment. In such an event, our Company shall issue a public notice in the newspapers, in which the pre-issue advertisements were published, within two days of the or such other time as may be prescribed by SEBI, providing reasons for not proceeding with the Issue. The GCBRLMs and the BRLMs, through the Registrar to the Issue, shall instruct the SCSBs to unblock the ASBA Accounts within one Working Day of receipt of such notification. Our Company shall also promptly inform the Stock Exchanges on which the Equity Shares were proposed to be listed.

If our Company and the Selling Shareholders withdraw the Issue after the Bid/Issue Closing Date and thereafter determine that they will proceed with an issue of our Company's Equity Shares or offer for sale by existing shareholders, our Company shall file a fresh draft red herring prospectus with SEBI and/or the Stock Exchanges, as the case may be.

Notwithstanding the foregoing, the Issue is also subject to obtaining (i) the final listing and trading approvals of the Stock Exchanges, which our Company shall apply for after Allotment and within 12 Working Days of the

Bid/Issue Closing Date, and (ii) the final RoC acknowledgement of the Prospectus after it is filed with the RoC.

An indicative timetable in respect of the Issue is set out below:

Event	Indicative Date
Bid/Issue Programme	
BID/ISSUE OPENS ON	October 27, 2015*
BID/ISSUE CLOSES ON	October 29, 2015**
Finalisation of Basis of Allotment with the Designated Stock Exchange	On or about November 5, 2015
Initiation of refunds/un-blocking of ASBA Accounts	On or about November 6, 2015
Credit of Equity Shares to demat accounts of Allottees	On or about November 6, 2015
Commencement of trading of the Equity Shares on the Stock Exchanges	On or about November 10, 2015

**Our Company and Selling Shareholders may consider participation by Anchor Investors. The Anchor Investors shall Bid on the Anchor Investor Bidding Date i.e. one Working Day prior to the Bid/Issue Opening Date.*

***Our Company and Selling Shareholder smay, in consultation with the GCBRLMs and the BRLMs, consider closing the Bid/Issue Period for QIBs one day prior to the Bid/Issue Closing Date in accordance with the ICDR Regulations.*

The above timetable is indicative and does not constitute any obligation on our Company, the Selling Shareholders or the GCBRLMs or the BRLMs. Whilst our Company shall ensure that all steps for the completion of the necessary formalities for the listing and the commencement of trading of the Equity Shares on the Stock Exchanges are taken within 12 Working Days of the Bid/Issue Closing Date, the timetable may change due to various factors, such as extension of the Bid/Issue Period by our Company and the Selling Shareholders, revision of the Price Band or any delays in receiving the final listing and trading approval from the Stock Exchanges. The commencement of trading of the Equity Shares will be entirely at the discretion of the Stock Exchanges and in accordance with the applicable laws. The Selling Shareholders shall extend reasonable co-operation required in order to facilitate their proportion of the Equity Shares offered as part of the Offer for Sale.

Except in relation to the Bids received from the Anchor Investors, Bids and any revision in Bids shall be accepted **only between 10.00 a.m. and 5.00 p.m.** (Indian Standard Time) during the Bidding Period as mentioned above at the Bidding Centres mentioned in the Bid-cum-Application Form or, in case of Bids submitted through ASBA, at the Designated Branches (a list of such branches is available at the website of the SEBI at <http://www.sebi.gov.in/sebiweb/home/list/5/33/0/0/Recognised-Intermediaries>) or with the members of the Syndicate at the Specified Locations or with the Registered Brokers at the Broker Centres (a list of such Broker Centres is available at the websites of the Stock Exchanges), as the case may be. **Except in case where the Bidding by the QIBs is closed one day prior to the Bid/Issue Closing Date, on the Bid/Issue Closing Date, Bids (excluding ASBA Bidders) shall be accepted until 3.00 p.m. and uploaded**

- i. up to 5.00 p.m. or such extended time as permitted by the Stock Exchanges in case of Bids by Retail Individual Investors; and
- ii. up to 4.00 p.m. for Bids by QIBs and Non-Institutional Investors.

It is clarified that Bids not uploaded in the book would be rejected. Bids by ASBA Bidders shall be uploaded by the SCSB in the electronic system to be provided by the BSE and NSE.

QIBs and Non-Institutional Investors shall neither withdraw nor revise their Bids so as to lower the size of their Bid at any stage after they have Bid for the Issue. QIBs and Non-Institutional Investors may revise their Bids upwards (in terms of quantity of Equity Shares or the Bid Amount) during the Bid/Issue Period. Such upward revision must be made using the Revision Form. Retail Individual Investors may either withdraw or revise their Bids until finalisation of the Allotment.

On the Bid/Issue Closing Date, extension of time may be granted by the Stock Exchanges only for uploading the Bids received by Retail Individual Investors after taking into account the total number of Bids received and as reported by the GCBRLMs and the BRLMs to the Stock Exchanges.

Due to limitation of time available for uploading the Bids on the Bid/Issue Closing Date, Bidders are advised

to submit their Bids one day prior to the Bid/Issue Closing Date and, in any case, no later than 1.00 p.m. (IST) on the Bid/Issue Closing Date. All times mentioned in this Red Herring Prospectus are Indian Standard Times. Bidders are cautioned that in the event a large number of Bids are received on the Bid/Issue Closing Date, as is typically experienced in public offerings, some Bids may not get uploaded due to lack of sufficient time. Such Bids that cannot be uploaded will not be considered for allocation under the Issue. Bids will be accepted only on Working Days. Neither our Company, the Selling Shareholders, the members of the Syndicate, the SCSBs or the Registered Brokers will be liable for any failure in uploading the Bids due to faults in any software/hardware system or otherwise. Bids will be accepted only on Working Days.

Revisions, if any, in the Price Band, will be determined by our Company and the Selling Shareholders in consultation with the GCBRLMs and the BRLMs and will be determined during the Bid/Issue Period, provided that the Cap Price shall be less than or equal to 120% of the Floor Price and the Floor Price shall not be less than the face value of the Equity Shares. The revision in Price Band shall not exceed 20% on the either side, i.e., the Floor Price can move up or down to the extent of 20% of the Floor Price as disclosed at least one Working Day prior to the Bid/Issue Opening Date and the Cap Price will be revised accordingly.

In case of revision of the Price Band, the Bid/Issue Period will be extended for at least three additional Working Days after revision of Price Band, subject to the Bid/Issue Period not exceeding 10 Working Days. Any revision in the Price Band and the revised Bid/Issue Period, if applicable, will be widely disseminated by notification to the Stock Exchanges, by issuing a press release and also by indicating the changes on the website of the members of the Syndicate and by intimation to SCSBs and the Registered Brokers.

In case of discrepancy in the data entered in the electronic book *vis-à-vis* the data contained in the physical Bid-cum-Application Form, for a particular Bidder, the details as per the Bid file received from the Stock Exchanges shall be taken as the final data for the purpose of Allotment.

TERMS OF THE ISSUE

The Equity Shares being issued and transferred pursuant to this Issue shall be subject to the provisions of the Companies Act, ICDR Regulations, SCRA, SCRR, the Memorandum and Articles of Association, the terms of the Red Herring Prospectus, the Prospectus, Bid-cum-Application Form, the Revision Form, the CAN, the Allotment Advice and other terms and conditions as may be incorporated in the Allotment Advice and other documents/ certificates that may be executed in respect of the Issue. The Equity Shares shall also be subject to laws as applicable, guidelines, rules, notifications and regulations relating to the issue of capital and listing and trading of securities issued from time to time by SEBI, the Government of India, the Stock Exchanges, the RBI, RoC and/ or other authorities, as in force on the date of the Issue and to the extent applicable or such other conditions as may be prescribed by the SEBI, the RBI, the Government of India, the Stock Exchanges, the RoC and/or any other authorities while granting its approval for the Issue.

Ranking of the Equity Shares

The Equity Shares being issued and transferred shall be subject to the provisions of the Companies Act, the Memorandum of Association and Articles of Association and shall rank *pari-passu* in all respects with the existing Equity Shares including in respect of the rights to receive dividend. The Allottees upon Allotment of Equity Shares under the Issue, will be entitled to dividend and other corporate benefits, if any, declared by our Company after the date of Allotment. For further details, please see the chapter “*Main Provisions of Articles of Association*” beginning on page 552.

Mode of Payment of Dividend

Our Company shall pay dividends, if declared, to the shareholders in accordance with the provisions of Companies Act, the Memorandum of Association and Articles of Association and provisions of the Listing Agreements to be entered into with the Stock Exchanges. In relation to the Offer for Sale, the dividend for the entire year shall be payable to the transferee. Any dividends declared, after the date of Allotment (including pursuant to the transfer of Equity Shares from the Offer for Sale) in this Offer, will be received by the Allottees. For further details please see the chapter “*Dividend Policy*” beginning on page 264.

Face Value and Issue Price

The face value of each Equity Share is ₹10 and the Issue Price at the lower end of the Price Band is ₹ [●] per Equity Share and at the higher end of the Price Band is ₹ [●] per Equity Share. The Anchor Investor Issue Price is ₹ [●] per Equity Share.

The Price Band and the minimum Bid Lot size for the Issue will be decided by our Company and the Selling Shareholders in consultation with the GCBRLMs and the BRLMs and advertised in all editions of the English national newspaper, Financial Express and all editions of the Hindi national newspaper, Jansatta, each with wide circulation, with Hindi being the regional language of Delhi where the Registered Office is located at least five Working Days prior to the Bid/ Issue Opening Date and shall be made available to the Stock Exchanges for the purpose of uploading the same on their websites. The Price Band, along with the relevant financial ratios calculated at the Floor Price and at the Cap Price, shall be pre-filled in the Bid-cum-Application Forms available at the websites of the Stock Exchanges.

At any given point of time there shall be only one denomination of Equity Shares.

Discount to Eligible Employees

Our Company and the Selling Shareholders, in consultation with the GCBRLMs and the BRLMs, may offer a discount of up to 10% on the Issue Price to Eligible Employees, which shall be announced at least five Working Days prior to the Issue Opening Date.

Compliance with ICDR Regulations

Our Company shall comply with all disclosure and accounting norms as specified by SEBI from time to time.

Rights of the Equity Shareholders

Subject to applicable laws, rules, regulations and guidelines and the Articles of Association, the equity shareholders shall have the following rights:

- Right to receive dividends, if declared;
- Right to attend general meetings and exercise voting rights, unless prohibited by law;
- Right to vote on a poll either in person or by proxy, in accordance with the provisions of the Companies Act;
- Right to receive offers for rights shares and be allotted bonus shares, if announced;
- Right to receive surplus on liquidation, subject to any statutory and preferential claim being satisfied;
- Right of free transferability, subject to applicable laws including any RBI rules and regulations; and
- Such other rights, as may be available to a shareholder of a listed public company under the Companies Act, the terms of the Listing Agreements with the Stock Exchanges and the Memorandum of Association and Articles of Association of our Company.

For a detailed description of the main provisions of the Articles of Association of our Company relating to voting rights, dividend, forfeiture and lien, transfer, transmission and/or consolidation/splitting, see the chapter “*Main Provisions of Articles of Association*” beginning on page 552.

Market Lot and Trading Lot

Pursuant to Section 29 of the Companies Act, 2013 the Equity Shares shall be allotted only in dematerialised form. As per the ICDR Regulations, the trading of the Equity Shares shall only be in dematerialised form. In this context, two agreements have been signed among our Company, the respective Depositories and the Registrar to the Issue:

- Agreement dated November 16, 2010 among NSDL, our Company and the Registrar to the Issue;
- Agreement dated November 19, 2010 among CDSL, our Company and the Registrar to the Issue.

Since trading of the Equity Shares is in dematerialised form, the tradable lot is one Equity Share. Allotment in this Issue will be only in electronic form in multiples of one Equity Share subject to a minimum Allotment of [●] Equity Shares.

Joint Holders

Where two or more persons are registered as the holders of the Equity Shares, they shall be entitled to hold the same as joint tenants with benefits of survivorship.

Jurisdiction

Exclusive jurisdiction for the purpose of this Issue is with the competent courts/authorities in New Delhi.

The Equity Shares have not been and will not be registered under the Securities Act or any state securities laws in the United States and may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. Accordingly, the Equity Shares are only being offered and sold (i) in the United States only to persons reasonably believed to be “qualified institutional buyers” (as defined in Rule 144A under the Securities Act and referred to in this Red Herring Prospectus as “U.S. QIBs”, for the avoidance of doubt, the term U.S. QIBs does not refer to a category of institutional investor defined under applicable Indian regulations and referred to in this Red Herring Prospectus as “QIBs”) in transactions exempt from, or not subject to, the registration requirements of the Securities Act, and (ii) outside the United States in offshore transactions in reliance on Regulation S under the Securities Act and the applicable laws of the jurisdiction where those offers and sales occur.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

Nomination facility to investors

In accordance with Section 72 of the Companies Act, 2013, the sole Bidder, or the first Bidder along with other joint Bidders, may nominate any one person in whom, in the event of the death of sole Bidder or in case of joint Bidders, death of all the Bidders, as the case may be, the Equity Shares Allotted, if any, shall vest. A person, being a nominee, entitled to the Equity Shares by reason of the death of the original holder(s), shall be entitled to the same advantages to which he or she would be entitled if he or she were the registered holder of the Equity Share(s). Where the nominee is a minor, the holder(s) may make a nomination to appoint, in the prescribed manner, any person to become entitled to equity share(s) in the event of his or her death during the minority. A nomination shall stand rescinded upon a sale/transfer/alienation of equity share(s) by the person nominating. A buyer will be entitled to make a fresh nomination in the manner prescribed. Fresh nomination can be made only on the prescribed form available on request at our Registered Office or to the registrar and transfer agents of our Company.

Any person who becomes a nominee by virtue of the provisions of Section 72 of the Companies Act, 2013 shall upon the production of such evidence as may be required by the Board, elect either:

- a) to register himself or herself as the holder of the Equity Shares; or
- b) to make such transfer of the Equity Shares, as the deceased holder could have made.

Further, the Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the Equity Shares, and if the notice is not complied with within a period of 90 days, the Board may thereafter withhold payment of all dividends, bonuses or other moneys payable in respect of the Equity Shares, until the requirements of the notice have been complied with.

Since the Allotment of Equity Shares in the Issue will be made only in dematerialized mode there is no need to make a separate nomination with our Company. Nominations registered with respective depository participant of the applicant would prevail. If the Bidder wants to change the nomination, they are requested to inform their respective Depository Participant.

Minimum Subscription

The Issuer is required to receive a minimum subscription of 90% of the Issue. If our Company does not receive (i) the minimum subscription of 90% of the Fresh Issue; and (ii) a subscription in the Issue equivalent to the minimum number of securities as specified under Rule 19(2)(b)(iii) of the SCRR, including devolvement of Underwriters, if any, within 60 days from the date of Bid/Issue Closing Date, our Company shall forthwith refund the entire subscription amount received, but not later than 70 days from the Bid/Issue Closing Date. If there is a delay beyond the prescribed time, our Company shall pay interest prescribed under the Companies Act, 2013, the ICDR Regulations and applicable law.

Further, our Company shall ensure that the number of prospective allottees to whom the Equity Shares will be Allotted will be not less than 1,000.

Any expense incurred by our Company on behalf of the Selling Shareholders with regard to refunds, interest for delays etc. for the Equity Shares being offered in the Issue will be reimbursed by the Selling Shareholders to our Company in proportion to the respective Equity Shares being offered for sale by the Selling Shareholders in the Issue.

Subject to applicable laws, a Selling Shareholder shall not be responsible to pay interest for any delay, unless such delay has been on account of such Selling Shareholder.

Arrangements for Disposal of Odd Lots

The Equity Shares will be traded in dematerialized form only and therefore the marketable lot is one Equity Share. Hence, there is no possibility of any odd lot.

Restrictions, if any on Transfer and Transmission of Equity Shares

Except for the lock-in of the pre-Issue capital of our Company, Promoters' minimum contribution and the Anchor Investor lock-in as provided in the chapter "*Capital Structure*" beginning on page 92 and except as

provided in the Articles of Association there are no restrictions on transfer of Equity Shares. Further, there are no restrictions on the transmission of shares/debentures and on their consolidation/splitting, except as provided in the Articles of Association. For details, please see the chapter “*Main Provisions of the Articles of Association*” beginning on page 552.

Option to Receive Securities in Dematerialized Form

Pursuant to Section 29 of the Companies Act, 2013, the Equity Shares in the Issue shall be allotted only in dematerialised form. Further, as per the ICDR Regulations, the trading of the Equity Shares shall only be in dematerialised form on the Stock Exchanges.

ISSUE PROCEDURE

All Bidders should review the 'General Information Document for Investing in Public Issues' prepared and issued in accordance with the circular (CIR/CFD/DIL/12/2013) dated October 23, 2013 notified by SEBI ("General Information Document") included below under sub-section titled "Part B- General Information Document", which highlights the key rules, processes and procedures applicable to public issues in general in accordance with the provisions of the Companies Act, the Securities Contracts (Regulation) Act, 1956, the Securities Contracts (Regulation) Rules, 1957 and the ICDR Regulations. The General Information Document has been updated to include reference to the Securities and Exchange Board of India (Foreign Portfolio Investors) Regulations, 2014 ("FPI Regulations") and Companies Act, 2013 (to the extent notified and in effect), insofar as applicable to a public issue. The General Information Document is also available on the websites of the Stock Exchanges and the GCBRLMs and BRLMs. Please refer to the relevant portions of the General Information Document which are applicable to this Issue.

Our Company, the Selling Shareholders and the Syndicate do not accept any responsibility for the completeness and accuracy of the information stated in this section and the General Information Document. Bidders are advised to make their independent investigations and ensure that their Bids do not exceed the investment limits or maximum number of Equity Shares that can be held by them under applicable law or as specified in the Red Herring Prospectus and the Prospectus.

Please note that QIBs (other than Anchor Investors) and Non-Institutional Investors ("NIIs") can participate in the Issue only through the ASBA process. Retail Individual Investors ("RII") can participate in the Issue through the ASBA process as well as the non-ASBA process. ASBA Bidders should note that the ASBA process involves application procedures that are different from the procedure applicable to non-ASBA Bidders. However, there is a common Bid-cum-Application Form for ASBA Bidders (submitted to SCSBs or to the Syndicate at the Specified Cities or to the Registered Brokers at the Broker Centres) as well as for non-ASBA Bidders. Bidders applying through the ASBA process should carefully read the provisions applicable to such applications before making their application through the ASBA process.

ASBA Bidders may submit ASBA Bids to a Designated Branch (a list of such branches is available on the website of the SEBI at www.sebi.gov.in) or to the Syndicate at the Specified Cities or to the Registered Brokers at the Broker Centres. Non-ASBA Bidders are required to submit Bids to the Syndicate, only on a Bid-cum-Application Form bearing the stamp of a member of the Syndicate or the Registered Broker. ASBA Bidders are advised not to submit Bid-cum-Application Forms to Escrow Collection Banks, unless such Escrow Collection Banks are also SCSBs.

All Bidders are required to pay the full Bid Amount or, in case of ASBA Bids, ensure that the ASBA Account has sufficient credit balance such that the full Bid Amount can be blocked by the SCSB at the time of submitting the Bid. SEBI by its circular (CIR/CFD/DIL/1/2011) dated April 29, 2011 ("2011 Circular") has made it mandatory for QIBs (other than Anchor Investors) and Non Institutional Investors to make use of the facility of ASBA for making applications for public issues. Further, the 2011 Circular also provides a mechanism to enable the Syndicate and sub-Syndicate Members to procure Bid-cum-Application Forms submitted under the ASBA process from prospective Bidders. SEBI by its circular (CIR/CFD/14/2012) dated October 4, 2012 ("2012 Circular"), has introduced an additional mechanism for prospective Bidders to submit Bid-cum-Application Forms (ASBA and non-ASBA applications) using the stock broker network of Stock Exchanges, who may not be Syndicate Members in the Issue. Further, SEBI by its circular (CIR/CFD/DIL/4/2013) dated January 23, 2013 ("2013 Circular"), in partial modification of the 2011 Circular, has mandated that in order to facilitate Syndicate/sub-syndicate/non-syndicate members to accept Bid-cum-Application Forms from prospective ASBA Bidders in the locations, all the SCSBs having a branch in the location of Broker Centres, notified in terms of the 2012 Circular are required to name at least one branch before March 1, 2013, where Syndicate/sub-syndicate/ non-syndicate members can submit such Bid-cum-Application Forms.

PART A

Book Building Procedure

The Issue is being made through the Book Building Process wherein 50% of the Issue shall be available for allocation on a proportionate basis to QIBs. Our Company may, in consultation with the GCBRLMs and BRLMs, allocate up to 60% of the QIB Category to Anchor Investors at the Anchor Investor Allocation Price, on a discretionary basis, out of which at least one-third will be available for allocation to domestic Mutual Funds only.

In the event of under-subscription or non-allocation in the Anchor Investor Portion, the balance Equity Shares shall be added to the QIB Category (excluding Anchor Investor Portion). Such number of Equity Shares representing 5% of the QIB Category (excluding Anchor Investor Portion) shall be available for allocation on a proportionate basis to Mutual Funds only. The remainder of the QIB Category (excluding Anchor Investor Portion) shall be available for allocation on a proportionate basis to QIBs, subject to valid Bids being received from them at or above the Issue Price. However, if the aggregate demand from Mutual Funds is less than 5% of the QIB Category (excluding Anchor Investor Portion), the balance Equity Shares available for allocation in the Mutual Fund Portion will be added to the remaining of the QIB Category (excluding Anchor Investor Portion) for proportionate allocation to QIBs. Further, not less than 15% of the Issue shall be available for allocation on a proportionate basis to Non Institutional Bidders and not less than 35% of the Issue shall be available for allocation to Retail Individual Bidders in accordance with the ICDR Regulations, subject to valid Bids being received from them at or above the Issue Price. [●] Equity Shares aggregating up to ₹ [●] million shall be made available for allocation on a proportionate basis to the Eligible Employees bidding in the Employee Reservation Portion, subject to valid Bids being received at or above the Issue Price.

In the event of under-subscription in the Retail Category or the Non-Institutional Category in the Issue, the unsubscribed portion would be allowed to be met with spill over from over subscription from any other category or a combination of categories (including the Employee Reservation Portion), at the sole discretion of our Company, in consultation with the GCBRLMs and the BRLMs and the Designated Stock Exchange. However, under-subscription, if any, in any category, except the QIB category, would be allowed to be met with spill-over from other categories or a combination of categories.

In case of QIBs (other than Anchor Investors) Bidding through the ASBA process, the GCBRLMs and the BRLMs and the members of the Syndicate, may reject Bids at the time of acceptance of the Bid-cum-Application Form, provided that the reasons for such rejection shall be disclosed to such Bidder in writing. Further, Bids from QIBs can also be rejected on technical grounds. In case of NIIs and RIIs, our Company has a right to reject Bids based on technical grounds only.

However, our Company, in consultation with the GCBRLMs and the BRLMs, reserves the right to reject any Bid received from Anchor Investors without assigning any reason.

Bidders can Bid at any price within the Price Band. The Price Band and the Bid Lot for the Issue will be decided by our Company, in consultation with the GCBRLMs and the BRLMs, and advertised in one English national daily newspaper with wide circulation and one Hindi national daily newspaper with wide circulation which shall also serve as the regional language newspaper, with Hindi being the regional language of Delhi where the Registered Office is located, at least five Working Days prior to the Issue Opening Date, with the relevant financial ratios calculated at the Floor Price and the Cap Price. Such information shall also be disclosed to the Stock Exchanges for dissemination.

Bidders should note that the Equity Shares will be Allotted to all successful Bidders only in dematerialised form. The Bid-cum-Application Forms which do not have the details of the Bidders depository account, including DP ID, Client ID and PAN (other than Bids made on behalf of the Central and the State Governments, residents of the state of Sikkim and official appointed by the courts) are liable to be rejected. Bidders will not have the option of being Allotted Equity Shares in physical form. On Allotment, the Equity Shares will be traded only on the dematerialized segment of the Stock Exchanges.

Bidders are required to ensure that the PAN (of the sole/first Bidder) provided in the Bid-cum-Application Form is exactly the same as the PAN of the person(s) in whose name the relevant beneficiary account is held. In case of joint Bids, the Bid-cum-Application Form should contain only the name of the first Bidder whose name should also appear as the first holder of the beneficiary account held in joint names. The signature of only such first Bidder would be required in the Bid-cum-Application Form and such first Bidder would be deemed to have signed on behalf of the joint holders.

Bid-cum-Application Form

Please note that there is a common Bid-cum-Application Form for ASBA Bidders and non-ASBA Bidders. Copies of the Bid-cum-Application Form and the abridged prospectus will be available at the offices of the GCBRLMs and the BRLMs, the Syndicate Members, the Registered Brokers, the SCSBs and the Registered Office of our Company. An electronic copy of the Bid-cum-Application Form will also be available on the websites of the SCSBs, the NSE (www.nseindia.com) and the BSE (www.bseindia.com) and the terminals of

the Registered Brokers. Physical Bid-cum-Application Forms for Anchor Investors shall be made available at the offices of the GCBRLMs and the BRLMs.

Participation by associates and affiliates of the GCBRLMs, the BRLMs and the Syndicate Members

The GCBRLMs and BRLMs and the Syndicate Members shall not be allowed to subscribe to this Issue in any manner, except towards fulfilling their underwriting obligations. However, associates and affiliates of the GCBRLMs and the BRLMs and the Syndicate Members may subscribe to or purchase Equity Shares in the Issue, in the QIB Portion or in Non-Institutional Category as may be applicable to such Bidders. Such Bidding and subscription may be on their own account or on behalf of their clients. All categories of bidders, including associates or affiliates of the GCBRLMs and the BRLMs and Syndicate Members, shall be treated equally for the purpose of allocation to be made on a proportionate basis.

The GCBRLMs and the BRLMs and any other persons related to the GCBRLMs and the BRLMs, the Promoter, the Promoter Group cannot apply in the Issue under the Anchor Investor Portion except mutual funds sponsored by entities related to GCBRLMs and the BRLMs.

Bids by Mutual Funds

With respect to Bids by Mutual Funds, a certified copy of their SEBI registration certificate must be lodged with the Bid-cum-Application Form. Failing this, our Company and the Selling Shareholders reserve the right to reject any Bid in whole or in part without assigning any reason thereof. In case of a Mutual Fund, a separate Bid can be made in respect of each scheme of the Mutual Fund registered with SEBI and such Bids in respect of more than one scheme of the Mutual Fund will not be treated as multiple Bids provided that the Bids clearly indicate the concerned scheme registered with SEBI for which the Bid has been made.

No Mutual Fund scheme shall invest more than 10% of its net asset value in the equity shares or equity related instruments of any single company provided that the limit of 10% shall not be applicable for investments in index funds or sector or industry specific funds. No Mutual Fund under all its schemes should own more than 10% of any company's paid-up share capital carrying voting rights.

Bids by asset management companies or custodians of Mutual Funds should clearly indicate the name of the concerned scheme for which the Bid is submitted.

Bids by Eligible NRIs

Only Bids accompanied by payment in Indian Rupees or freely convertible foreign exchange will be considered for Allotment. Eligible NRIs applying on a non-repatriation basis should make payments by inward remittance

in foreign exchange through normal banking channels or out of funds held in Non-Resident External (“NRE”) accounts or Foreign Currency Non-Resident (“FCNR”) accounts, or out of a Non-Resident Ordinary (“NRO”) account, or Non-Resident (Special) Rupee/Non-Resident Non-Repatriable Term Deposit accounts. NRIs bidding on non-repatriation basis are advised to use the Bid-cum-Application Form for residents (white in colour). Payment by drafts should be accompanied by a bank certificate confirming that the draft has been issued by debiting an NRE or FCNR or NRO Account.

Eligible NRIs intending to make payment through freely convertible foreign exchange and Bidding on a repatriation basis could make payments through Indian Rupee drafts purchased abroad or cheques or bank drafts or by debits to their NRE or FCNR accounts, maintained with banks authorized by the RBI to deal in foreign exchange. Eligible NRIs Bidding on a repatriation basis are advised to use the Bid-cum-Application Form meant for Non-Residents, accompanied by a bank certificate confirming that the payment has been made by debiting to the NRE or FCNR account, as the case may be. Payment for Bids by non-resident Bidder Bidding on a repatriation basis will not be accepted out of NRO account.

Non-ASBA Bids by Eligible NRIs shall be submitted only in the locations specified in the Bid-cum-Application Form.

Bids by FIIs (including FPIs and QFIs)

On January 7, 2014, the SEBI notified the FPI Regulations pursuant to which the existing classes of portfolio investors namely, ‘foreign institutional investors’ and ‘qualified foreign investors’ will be subsumed under a new category namely, ‘foreign portfolio investors’ or ‘FPIs’. On March 13, 2014, the RBI amended the FEMA Regulations and specified conditions and requirements with respect to investment by FPIs in Indian companies.

In terms of the FPI Regulations, any FII which holds a valid certificate of registration shall be deemed to be an FPI until the expiry of the block of three years for which fees have been paid as per the FII Regulations. An FII or sub-account may, subject to payment of conversion fees under the FPI Regulations, participate in the Issue, until the expiry of its registration with the SEBI as an FII or sub-account, or if it has obtained a certificate of registration as an FPI, whichever is earlier. An FII shall not be eligible to invest as an FII after registering as an FPI under the FPI Regulations. Further, a QFI which has not obtained a certificate of registration as an FPI could only continue to buy, sell or otherwise deal in securities until January 6, 2015. Accordingly, QFIs which have not registered as FPIs under the SEBI FPI Regulations shall not be eligible to participate in the Issue.

In terms of the FPI Regulations, the issue of Equity Shares to a single FPI or an investor group (which means the same set of ultimate beneficial owner(s) investing through multiple entities) must be below 10% of the total issued capital of our Company. Further, in terms of the FEMA Regulations, the total holding by each FPI shall be below 10% of the total paid-up total issued share capital of our Company and the total holdings of all FPIs put together shall not exceed 24% of the paid-up total issued share capital of our Company. The aggregate limit of 24% may be increased up to the sectoral cap by way of a resolution passed by the Board followed by a special resolution passed by the shareholders. In terms of the FEMA Regulations, for calculating the aggregate holding of FPIs in a company, holding of all registered FPIs as well as holding of FIIs (being deemed FPIs) shall be included.

Subject to compliance with all applicable Indian laws, rules, regulations, guidelines and approvals in terms of Regulation 22 of the FPI Regulations, an FPI, other than Category III foreign portfolio investor and unregulated broad based funds, which are classified as Category II foreign portfolio investor by virtue of their investment manager being appropriately regulated, may issue, subscribe to or otherwise deal in offshore derivative instruments (as defined under the FPI Regulations as any instrument, by whatever name called, which is issued overseas by a FPI against securities held by it that are listed or proposed to be listed on any recognised stock exchange in India, as its underlying) directly or indirectly, only in the event (i) such offshore derivative instruments are issued only to persons who are regulated by an appropriate regulatory authority; and (ii) such offshore derivative instruments are issued after compliance with ‘know your client’ norms. An FPI is also required to ensure that no further issue or transfer of any offshore derivative instrument is made by or on behalf of it to any persons that are not regulated by an appropriate foreign regulatory authority.

Further, pursuant to a circular dated November 24, 2014 issued by the SEBI, FPIs are permitted to issue offshore derivative instruments only to subscribers that (i) meet the eligibility criteria set forth in Regulation 4 of the FPI Regulations; and (ii) do not have opaque structures, as defined under the FPI Regulations.

FPIs which wish to participate in the Issue are advised to use the Bid-cum-Application Form for Non-Residents. FPIs are required to Bid through the ASBA process to participate in the Issue.

Bids by Anchor Investors

Our Company, in consultation with the GCBRLMs and the BRLMs, may consider participation by Anchor Investors in the Net Issue for up to 60% of the QIB Portion in accordance with the ICDR Regulations. Only QIBs as defined in Regulation 2(1)(zd) of the ICDR Regulations and not otherwise excluded pursuant to Schedule XI of the ICDR Regulations are eligible to invest. The QIB Portion will be reduced in proportion to allocation under the Anchor Investor Portion. In the event of under-subscription in the Anchor Investor Portion, the balance Equity Shares will be added to the QIB Portion. In accordance with the ICDR Regulations, the key terms for participation in the Anchor Investor Portion are provided below:

- (i) Anchor Investor Bid-cum-Application Forms will be made available for the Anchor Investor Portion at the offices of the GCBRLMs and the BRLMs.
- (ii) The Bid must be for a minimum of such number of Equity Shares so that the Bid Amount exceeds ₹ 100 million. A Bid cannot be submitted for over 60% of the QIB Portion. In case of a Mutual Fund, separate Bids by individual schemes of a Mutual Fund will be aggregated to determine the minimum application size of ₹ 100 million.
- (iii) One-third of the Anchor Investor Portion will be reserved for allocation to domestic Mutual Funds.
- (iv) Bidding for Anchor Investors will open one Working Day before the Bid/ Issue Opening Date and be completed on the same day.
- (v) Our Company in consultation with the GCBRLMs and the BRLMs will finalize allocation to the Anchor Investors on a discretionary basis, provided that the number of Allottees shall be:
 - In case of allocation above ₹ 2,500 million, a minimum of five Anchor Investors and a maximum of 15 Anchor Investors for allocation up to ₹ 2,500 million; and
 - Additional 10 Anchor Investors for every additional ₹ 2,500 million or part thereof, subject to minimum allotment of ₹ 50 million per Anchor Investor.
- (vi) Allocation to Anchor Investors will be completed on the Anchor Investor Bid/ Issue Period. The number of Equity Shares allocated to Anchor Investors and the price at which the allocation is made will be made available in the public domain by the GCBRLMs and the BRLMs before the Bid/ Issue Opening Date, through intimation to the Stock Exchange.
- (vii) Anchor Investors cannot withdraw or lower the size of their Bids at any stage after submission of the Bid.
- (viii) If the Issue Price is greater than the Anchor Investor Issue Price, the additional amount being the difference between the Issue Price and the Anchor Investor Issue Price will be payable by the Anchor Investors within two Working Days from the Bid/ Issue Closing Date. If the Issue Price is lower than the Anchor Investor Issue Price, Allotment to successful Anchor Investors will be at the higher price, i.e., the Anchor Investor Issue Price.
- (ix) Equity Shares Allotted in the Anchor Investor Portion will be locked in for a period of 30 days from the date of Allotment.
- (x) The GCBRLMs and the BRLMs (other the mutual funds sponsored by entities related to the GCBRLMs and the BRLMs), our Promoter, Promoter Group, Group Companies or any person related to them will not participate in the Anchor Investor Portion. The parameters for selection of Anchor Investors will be clearly identified by the GCBRLMs and the BRLMs and made available as part of the records of the GCBRLMs and the BRLMs for inspection by SEBI.
- (xi) Bids made by QIBs under both the Anchor Investor Portion and the QIB Portion will not be considered multiple Bids.

(xii) For more information, see section “*Issue Procedure - Part B: General Information Document for Investing in Public Issues - Section 7: Allotment Procedure and Basis of Allotment - Allotment to Anchor Investor*” on page 514.

(xiii) Anchor Investors are not permitted to Bid in the Issue through the ASBA process.

Bids by SEBI registered VCFs, AIFs, and FVCIs

The Securities and Exchange Board of India (Venture Capital Funds) Regulations, 1996 as amended, (the “**SEBI VCF Regulations**”) and the Securities and Exchange Board of India (Foreign Venture Capital Investor) Regulations, 2000, (the “**FVCI Regulations**”), as amended, *inter alia* prescribe the investment restrictions on VCFs and FVCIs, respectively, registered with SEBI. Further, the SEBI AIF Regulations prescribe, amongst others, the investment restrictions on AIFs.

Accordingly, the holding in any company by any individual VCF registered with SEBI in one venture capital undertaking should not exceed 25% of the corpus of the VCF. Further, VCFs and FVCIs can invest only up to 33.33% of the investible funds by way of subscription to initial public offerings.

The Category I and II AIFs cannot invest more than 25% of the corpus in one investee company. A Category III AIF cannot invest more than 10% of the corpus in one investee company. A venture capital fund registered as a category I AIF, as defined in the SEBI AIF Regulations, cannot invest more than one third of its corpus by way of subscription to an initial public offering of a venture capital undertaking. Additionally, the VCFs which have not re-registered as an AIF under the SEBI AIF Regulations shall continue to be regulated by the VCF Regulations.

All Non-Resident Bidders including Eligible NRIs, FIIs and FVCIs should note that refunds, dividends and other distributions, if any, will be payable in Indian Rupees only and net of bank charges and / or commission. There is no reservation for Eligible NRIs, FIIs and FVCIs and all Bidders will be treated on the same basis with other categories for the purpose of allocation.

Further, according to the ICDR Regulations, the shareholding of VCFs, Category I AIFs and FVCIs held in a company prior to making an initial public offering would be exempt from lock-in requirements only if the shares have been held by them for at least one year prior to the time of filing the draft red herring prospectus with SEBI.

Bids by limited liability partnerships

In case of Bids made by limited liability partnerships registered under the Limited Liability Partnership Act, 2008, a certified copy of certificate of registration issued under the Limited Liability Partnership Act, 2008, must be attached to the Bid-cum-Application Form. Failing this, our Company reserves the right to reject any Bid without assigning any reason thereof.

Bids by insurance companies

In case of Bids made by insurance companies registered with IRDA, a certified copy of certificate of registration issued by IRDA must be attached to the Bid-cum-Application Form. Failing this, our Company reserve the right to reject any Bid without assigning any reason thereof.

The exposure norms for insurers is prescribed in Regulation 9 of the Insurance Regulatory and Development Authority (Investment) Regulations, 2000 (the “**IRDA Investment Regulations**”), as amended, are broadly set forth below:

- equity shares of a company: the least of 10% of the investee company’s subscribed capital (face value) or 10% of the respective fund in case of life insurer or 10% of investment assets in case of general insurer or reinsurer;
- the entire group of the investee company: the least of 10% of the respective fund in case of a life insurer or 10% of investment assets in case of a general insurer or reinsurer (25% in case of ULIPs); and
- the industry sector in which the investee company operates: 10% of the insurer’s total investment exposure to the industry sector (25% in case of ULIPs).

Bids by provident funds/pension funds

In case of Bids made by provident funds/pension funds, subject to applicable laws, with minimum corpus of ₹ 250 million, a certified copy of certificate from a chartered accountant certifying the corpus of the provident fund/ pension fund must be attached to the Bid-cum-Application Form. Failing this, our Company reserves the right to reject any Bid, without assigning any reason thereof.

Bids by Banking Companies

In case of Bids made by banking companies registered with the RBI, certified copies of: (i) the certificate of registration issued by the RBI, and (ii) the approval of such banking company's investment committee are required to be attached to the Bid-cum-Application Form, failing which our Company reserves the right to reject any Bid without assigning any reason therefore.

The investment limit for banking companies as per the Banking Regulation Act, 1949, as amended, is 30% of the paid up share capital of the investee company or 30% of the banks' own paid up share capital and reserves, whichever is less (except in certain specified exceptions, such as setting up a subsidiary company or investing in financial services company, which requires RBI approval). The investment limit for banking companies in a non-financial services company is 10% of the paid-up share capital and reserves of the investee company and the total investment made by the investee company in all non-financial services companies cannot exceed 20% of the investee company's paid-up share capital and reserves. Further, the RBI Master Circular of July 1, 2014 sets forth prudential norms required to be followed for classification, valuation and operation of investment portfolio of banking companies.

Bids by SCSBs

SCSBs participating in the Issue are required to comply with the terms of the SEBI circulars dated September 13, 2012 and January 2, 2013. Such SCSBs are required to ensure that for making applications on their own account using ASBA, they should have a separate account in their own name with any other SEBI registered SCSBs. Further, such account shall be used solely for the purpose of making application in public issues and clear demarcated funds should be available in such account for ASBA applications.

Bids under Power of Attorney

In case of Bids made pursuant to a power of attorney by limited companies, corporate bodies, registered societies, FIIs, FPIs, Mutual Funds, insurance companies, insurance funds set up by the army, navy or air force of the Union of India, insurance funds set up by the Department of Posts, India or the National Investment Fund, provident funds with minimum corpus of ₹ 250 million and pension funds with a minimum corpus of ₹ 250 million (in each case, subject to applicable law and in accordance with their respective constitutional documents), a certified copy of the power of attorney or the relevant resolution or authority, as the case may be, with a certified copy of the memorandum of association and articles of association and/or bye laws, as applicable, must be lodged with the Bid-cum-Application Form. Failing this, our Company reserves the right to accept or reject any Bid in whole or in part, in either case, without assigning any reason.

Our Company in its absolute discretion, reserves the right to relax the above condition of simultaneous lodging of the power of attorney with the Bid-cum-Application Form, subject to such terms and conditions that our Company and the GCBRLMs and BRLMs deem fit, without assigning any reasons thereof.

Bids by Eligible Employees

The Bid must be for a minimum of [●] Equity Shares and in multiples of [●] Equity Shares thereafter so as to ensure that the Bid Price payable by the Eligible Employee does not exceed ₹ 200,000. The Allotment in the Employee Reservation Portion will be on a proportionate basis. Eligible Employees under the Employee Reservation Portion may Bid at Cut-off Price.

Bids under Employee Reservation Portion by Eligible Employees shall be:

- (a) Made only in the prescribed Bid-cum-Application Form or Revision Form (*i.e.* pink colour form).

- (b) The Bid must be for a minimum of [●] Equity Shares and in multiples of [●] Equity Shares thereafter so as to ensure that the Bid Amount payable by the Eligible Employee does not exceed ₹ [●]. The maximum Bid in this category by an Eligible Employee cannot exceed ₹ [●].
- (c) Eligible Employees should mention their employee number at the relevant place in the Bid-cum-Application Form.
- (d) The Bidder should be an Eligible Employee as defined above. In case of joint bids, the first Bidder shall be an Eligible Employee.
- (e) Only Eligible Employees would be eligible to apply in this Issue under the Employee Reservation Portion.
- (f) Bids by Eligible Employees will have to Bid like any other Bidder. Only those Bids, which are received at or above the Issue Price, would be considered for Allotment under this category.
- (g) Eligible Employees can apply at Cut-off Price. The Bid must be for a minimum of [●] Equity Shares and in multiples of [●] Equity Shares thereafter subject to a maximum Bid Amount of ₹ [●].
- (h) Bid by Eligible Employees can be made also in the “Net Issue to the Public” and such Bids shall not be treated as multiple Bids.
- (i) If the aggregate demand in this category is less than or equal to [●] Equity Shares at or above the Issue Price, full allocation shall be made to the Eligible Employees to the extent of their demand.
- (j) Under-subscription, if any, in the Employee Reservation Portion will be added back to the Net Issue. In case of under-subscription in the Net Issue, spill over to the extent of under-subscription shall be permitted from the Employee Reservation Portion subject to the Net Issue constituting [10%] of the post-Issue share capital of the Company.
- (k) If the aggregate demand in this category is greater than [●] Equity Shares at or above the Issue Price, the allocation shall be made on a proportionate basis. For the method of proportionate basis of allocation, refer to “*Basis of Allotment*” on pages 541 to 544 of this Red Herring Prospectus.

Pre-Issue Advertisement

Subject to Section 30 of the Companies Act, 2013, our Company shall, after registering the Red Herring Prospectus with the RoC, publish a pre-Issue advertisement, in one English national daily newspaper and one Hindi national daily newspaper which shall also serve as the regional language newspaper, with Hindi being the regional language of Delhi where the Registered Office is located, each with wide circulation. In the pre-Issue advertisement, we shall state the Bid Opening Date, the Bid Closing Date and the QIB Bid Closing Date. This advertisement, subject to the provisions of Section 30 of the Companies Act, 2013, shall be in the format prescribed in Part A of Schedule XIII of the ICDR Regulations.

The above information is given for the benefit of the Bidders. Our Company, the Selling Shareholders and the GCBRLMs and the BRLMs are not liable for any amendments or modification or changes in applicable laws or regulations, which may occur after the date of this Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that any single Bid from them does not exceed the applicable investment limits or maximum number of the Equity Shares that can be held by them under applicable laws or regulations or as specified in the Red Herring Prospectus.

Information for Bidders

In addition to the instructions provided to Bidders set forth in the sub-section titled “*Part B – General Information Document for Investing in Public Issues*” on page 514 of this Red Herring Prospectus, Bidders are requested to note the following additional information in relation to the Issue.

1. Our Company shall dispatch the Red Herring Prospectus and other Issue material including Bid-cum-Application Forms, to the Designated Stock Exchange, Syndicate/sub-Syndicate, Bankers to the Issue, investors’ associations and SCSBs in advance.

2. It is not obligatory for the Non Syndicate Registered Brokers to accept the Bid-cum-Application Forms. However, upon acceptance of a Bid-cum-Application Form, it is the responsibility of the Non Syndicate Registered Brokers to comply with the obligations set out in SEBI circular no. CIR/CFD/14/2012 dated October 4, 2012, including in relation to uploading the Bids on the online system of the Stock Exchanges, depositing the cheque and sending the updated electronic schedule to the relevant branch of the Escrow Collection Bank (in case of Bids by Bidders other than ASBA Bidders) and forwarding the schedule along with the Bid-cum-Application Form to the relevant branch of the SCSB (in case of Bids by ASBA Bidders), and are liable for any failure in this regard.

In case of Bid-cum-Application Form by non ASBA Bidders, Non Syndicate Registered Brokers shall deposit the cheque, prepare electronic schedule and send it to Escrow Collection Banks. All Escrow Collection Banks, which have branches in a Non Syndicate Broker Centre, shall ensure that at least one of its branches in the Non Syndicate Broker Centre accepts cheques. Non Syndicate Registered Brokers shall deposit the cheque in any of the bank branch of the Escrow Collection Banks in the Non Syndicate Broker Centre. Non Syndicate Registered Brokers shall also update the electronic schedule (containing application details including the application amount) as downloaded from Stock Exchange platform and send it to local branch of the Escrow Collection Banks. Non Syndicate Registered Brokers shall retain all physical Bid-cum-Application Forms and send it to the Registrar to Issue after six months.

3. The Syndicate/sub-Syndicate, the SCSBs and the Non Syndicate Registered Brokers, as the case may be, will enter each Bid option into the electronic Bidding system as a separate Bid and generate a Transaction Registration Slip (“TRS”), for each price and demand option and give the same to the Bidder. Therefore, a Bidder can receive up to three TRSs for each Bid-cum-Application Form. All accepted Bids made at the Non Syndicate Broker Centre shall be stamped and thereby acknowledged by the Non Syndicate Registered Brokers at the time of receipt, which shall form the basis of any complaint. It is the Bidder’s responsibility to obtain the TRS from the Syndicate/sub-Syndicate, the Designated Branches or Non Syndicate Registered Brokers. The registration of the Bid by the Syndicate/sub-Syndicate, the Designated Branches or Non Syndicate Registered Brokers does not guarantee that the Equity Shares shall be allocated/Allotted by our Company. Such TRS will be non-negotiable and by itself will not create any obligation of any kind. When a Bidder revises his or her Bid, he/she shall surrender the earlier TRS and may request for a revised TRS from the Syndicate/sub-Syndicate, the Non-Syndicate Registered Brokers or the SCSBs as proof of his or her having revised the previous Bid.
4. In relation to electronic registration of bids, the permission given by the Stock Exchanges to use their network and software of the electronic bidding system should not in any way be deemed or construed to mean that the compliance with various statutory and other requirements by our Company and/or the GCBRLMs and the BRLMs are cleared or approved by the Stock Exchanges; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the compliance with the statutory and other requirements nor does it take any responsibility for the financial or other soundness of our Company, the management or any scheme or project of our Company; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of the Red Herring Prospectus; nor does it warrant that the Equity Shares will be listed or will continue to be listed on the Stock Exchanges.
5. Allocation to Non-Residents, including Eligible NRIs, FIIs, and FPIs will be subject to the applicable laws, rules, regulations, guidelines and approvals.

Signing of the Underwriting Agreement and the RoC Filing

The Company, the Selling Shareholders and the Underwriters intend to enter into an Underwriting Agreement on or immediately after the finalisation of the Issue Price. After signing the Underwriting Agreement, the Company will file an updated Red Herring Prospectus with the RoC and, subsequently, the Prospectus. The Prospectus would have details of the Issue Price, Anchor Investor Issue Price, Issue size and underwriting arrangements and would be complete in all material respects.

General Instructions

Do's:

1. Check if you are eligible to apply as per the terms of the Red Herring Prospectus and under applicable law;
2. Ensure that you have Bid within the Price Band;
3. Read all the instructions carefully and complete the Bid-cum-Application Form in the prescribed form;
4. Ensure that the details about the PAN, DP ID and Client ID are correct and the Bidders depository account is active, as Allotment of the Equity Shares will be in the dematerialised form only;
5. Ensure that the Bids are submitted at the bidding centres only on forms bearing the stamp of the Syndicate or Registered Broker or SCSB (except in case of electronic forms).
6. Ensure that the thumb impressions and signatures other than in the languages specified in the Eighth Schedule in the Constitution of India are attested by a Magistrate or a Notary Public or a Special Executive Magistrate under official seal.
7. Bids must be in single name or in joint names (not more than three, and in the same order as their Depository Participant details), and completed in full, in Block Letters in English and in accordance with the instructions contained in this Red Herring Prospectus and in the Bid-cum-Application Form.
8. In relation to the ASBA Bids, ensure that your Bid-cum-Application Form is submitted either at a Designated Branch of a SCSB where the ASBA Account is maintained or with the Syndicate in the Specified Locations or with a Registered Broker at the Broker Centres, and not to the Escrow Collecting Banks (assuming that such bank is not a SCSB) or to our Company or the Selling Shareholders or the Registrar to the Issue;
9. With respect to the ASBA Bids, ensure that the Bid-cum-Application Form is signed by the account holder in case the applicant is not the account holder. Ensure that you have mentioned the correct bank account number in the Bid-cum-Application Form;
10. QIBs (other than Anchor Investors) and the Non-Institutional Bidders should submit their Bids through the ASBA process only;
11. With respect to Bids by SCSBs, ensure that you have a separate account in your own name with any other SCSB having clear demarcated funds for applying under the ASBA process and that such separate account (with any other SCSB) is used as the ASBA Account with respect to your Bid;
12. Ensure that you request for and receive a TRS for all your Bid options;
13. Ensure that you have funds equal to the Bid Amount in the ASBA Account maintained with the SCSB before submitting the Bid-cum-Application Form under the ASBA process to the respective member of the Syndicate (in the Specified Locations), the SCSBs or the Registered Broker (at the Broker Centres);
14. Ensure that you have funds equal to the Bid Amount in your bank account before submitting the Bid-cum-Application Form under non-ASBA process to the Syndicate or the Registered Brokers;
15. With respect to non-ASBA Bids, ensure that the full Bid Amount is paid for the Bids and with respect to ASBA Bids, ensure funds equivalent to the Bid Amount are blocked;
16. Instruct your respective banks not to release the funds blocked in the ASBA Account under the ASBA process;
17. Submit revised Bids, in case of revision of Bid, to the same member of the Syndicate, SCSB or Registered Broker, as applicable, through whom the original Bid was placed and obtain a revised TRS;

18. Except for Bids (i) on behalf of the Central or State Governments and the officials appointed by the courts, who, in terms of the SEBI circular dated June 30, 2008, may be exempt from specifying their PAN for transacting in the securities market, and (ii) Bids by persons resident in the state of Sikkim, who, in terms of the SEBI circular dated July 20, 2006, may be exempted from specifying their PAN for transacting in the securities market, all Bidders should mention their PAN allotted under the IT Act. The exemption for the Central or the State Government and officials appointed by the courts and for investors residing in the State of Sikkim is subject to (a) the demographic details received from the respective depositories confirming the exemption granted to the beneficiary owner by a suitable description in the PAN field and the beneficiary account remaining in “active status”; and (b) in the case of residents of Sikkim, the address as per the demographic details evidencing the same;
19. Ensure that the Demographic Details are updated, true and correct in all respects;
20. Ensure that the signature of the first Bidder in case of joint Bids, is included in the Bid-cum-Application Forms;
21. Ensure that the name(s) given in the Bid-cum-Application Form is/are exactly the same as the name(s) in which the beneficiary account is held with the Depository Participant. In case of joint Bids, the Bid-cum-Application Form should contain only the name of the first Bidder whose name should also appear as the first holder of the beneficiary account held in joint names;
22. Ensure that the category and sub-category is indicated;
23. Ensure that in case of Bids under power of attorney or by limited companies, corporate, trust etc., relevant documents are submitted;
24. Ensure that Bids submitted by any person outside India should be in compliance with applicable foreign and Indian laws;
25. Ensure that the DP ID, the Client ID and the PAN mentioned in the Bid-cum-Application Form and entered into the electronic bidding of the Stock Exchanges by the Syndicate, the SCSBs or the Registered Brokers, as the case may be, match with the DP ID, Client ID and PAN available in the Depository database;
26. Ensure that the entire Bid Amount is paid at the time of submission of the Bid or in relation to the ASBA Bids, ensure that you use the Bid-cum-Application Form bearing the stamp of the Syndicate (in the Specified Locations) and/or relevant SCSB and/ or the Designated Branch and/ or the Registered Broker at the Broker Centres (except in case of electronic forms);
27. Ensure that you tick the correct investor category, as applicable, in the Bid-cum-Application Form to ensure proper upload of your Bid in the online IPO system of the Stock Exchanges;
28. Ensure that the Bid-cum-Application Forms are delivered by the Bidders within the time prescribed as per the Bid-cum-Application Form and the Red Herring Prospectus;
29. ASBA Bidders bidding through a member of the Syndicate should ensure that the Bid-cum-Application Form is submitted to a member of the Syndicate only in the Specified Locations and that the SCSB where the ASBA Account, as specified in the Bid-cum-Application Form, is maintained has named at least one branch at that location for the Syndicate to deposit Bid-cum-Application Forms (a list of such branches is available on the website of SEBI at <http://www.sebi.gov.in/sebiweb/home/list/5/33/0/0/Recognised-Intermediaries>, updated from time to time). ASBA Bidders bidding through a Registered Broker should ensure that the SCSB where the ASBA Account, as specified in the Bid-cum-Application Form, is maintained has named at least one branch at that location for the Registered Brokers to deposit Bid-cum-Application Forms;
30. Ensure that you have mentioned the correct ASBA Account number in the Bid-cum-Application Form;
31. Ensure that the entire Bid Amount is paid at the time of submission of the Bid or in relation to the ASBA Bids, ensure that you have correctly signed the authorization/undertaking box in the Bid-cum-Application Form, or have otherwise provided an authorisation to the SCSB via the electronic mode, for

blocking funds in the ASBA Account equivalent to the Bid Amount mentioned in the Bid-cum-Application Form; and

32. In relation to the ASBA Bids, ensure that you receive an acknowledgement from the Designated Branch of the SCSB or from the member of the Syndicate in the Specified Locations or from the Registered Broker at the Broker Centres, as the case may be, for the submission of your Bid-cum-Application Form.

The Bid-cum-Application Form is liable to be rejected if the above instructions, as applicable, are not complied with.

Our Company and the Selling Shareholders, in consultation with the GCBRLMs and the BRLMs, in its absolute discretion, shall decide the list of Anchor Investors to whom the Allotment Advice would be sent, pursuant to which the details of the Equity Shares allocated to them in their respective names would be notified to such Anchor Investors.

Depository Arrangements

The Allotment of the Equity Shares in the Issue shall be only in a de-materialised form, (i.e., not in the form of physical certificates but be fungible and be represented by the statement issued through the electronic mode). In this context, two agreements had been signed among our Company, the respective Depositories and the Registrar to the Issue:

- Agreement dated November 19, 2010 among NSDL, our Company and the Registrar to the Issue.
- Agreement dated November 16, 2010 among CDSL, our Company and Registrar to the Issue.

Undertakings by Our Company

Our Company undertakes the following:

- that if our Company or Selling Shareholders do not proceed with the Issue after the Bid/Issue Closing Date, the reason thereof shall be given as a public notice within two days of the Bid/Issue Closing Date. The public notice shall be issued in the same newspapers where the pre-Issue advertisements were published. The stock exchanges on which the Equity Shares are proposed to be listed shall also be informed promptly;
- that the complaints received in respect of the Issue shall be attended to by our Company expeditiously and satisfactorily;
- that all steps for completion of the necessary formalities for listing and commencement of trading at all the stock exchanges where the Equity Shares are proposed to be listed are taken within 12 Working Days of the Bid Closing Date;
- that funds required for making refunds to unsuccessful applicants as per the mode(s) disclosed shall be made available to the Registrar to the Issue by our Company;
- that Allotment letters shall be issued or application money shall be refunded within 15 days from the Bid/Issue Closing Date or such lesser time specified by SEBI, else application money shall be refunded forthwith, failing which interest shall be due to the applicants at the rate of 15% per annum for the delayed period;
- that where refunds are made through electronic transfer of funds, a suitable communication shall be sent to the applicant within 15 days from the Bid Closing Date, giving details of the bank where refunds shall be credited along with amount and expected date of electronic credit of refund;
- that the certificates of the securities/ refund orders to Eligible NRIs shall be despatched within specified time;
- that no further Issue of Equity Shares shall be made till the Equity Shares offered through the Red Herring Prospectus are listed or until the Bid monies are refunded on account of non-listing, under-

- subscription etc.;
- that the Promoter's contribution in full, wherever required, shall be brought in advance before the Issue opens for public subscription and the balance, if any, shall be brought in *pro-rata* basis before the calls are made on public;
- that adequate arrangement shall be made to collect all Bid-cum-Application Forms under the ASBA process and to consider them similar to non-ASBA Bids while finalising the Basis of Allotment; and
- our Company shall not have recourse to the proceeds of the Issue until final approval for trading of the Equity Shares from all Stock Exchanges where listing is sought has been received.

The decisions with respect to the Price Band, the minimum Bid lot, revision of Price Band, Issue Price, will be taken by our Company and the Selling Shareholders, in consultation with the GCBRLMs and the BRLMs.

Undertakings by Selling Shareholders

Each Selling Shareholder severally undertakes that:

- the Equity Shares being sold by it pursuant to the Offer for Sale are eligible to be offered through the Offer For Sale in terms of Regulation 26(6) of the ICDR Regulations and are free and clear of any liens and encumbrances;
- they are the legal and beneficial owner of, and has full title to, the Equity Shares being sold in the Issue;
- the Equity Shares being sold by it pursuant to the Issue are free and clear of any liens or encumbrances;
- they shall provide all reasonable co-operation as requested by our Company in relation to the completion of Allotment, dispatch of the Allotment Advice and CAN, if required, and refund orders to the extent of the Equity Shares offered by it pursuant to the Offer for Sale;
- they shall provide such reasonable support and extend such reasonable cooperation as may be required by our Company and the GCBRLMs and the BRLMs in redressal of such investor grievances that pertain to the Equity Shares held by it and being offered pursuant to the Offer for Sale. The Selling Shareholders have authorised the Compliance Officer and Registrar to the Issue to redress such investor grievances;
- they shall provide such reasonable support and extend such reasonable co-operation as may be required by our Company for making refunds;
- they shall not have recourse to the proceeds of the Issue until final approval for trading of the Equity Shares from all stock exchanges where listing is sought has been received;
- they shall not further transfer the Equity Shares offered in the Offer for Sale except in the Issue during the period commencing from submission of the Draft Red Herring Prospectus with SEBI until the final trading approvals from all the Stock Exchanges have been obtained for the Equity Shares Allotted/to be Allotted pursuant to the Issue and shall not sell, dispose of in any manner or create any lien, charge or encumbrance on the Equity Shares offered by it in the Offer for Sale;
- they shall take all such steps as may be required to ensure that the Equity Shares being sold by it pursuant to the Issue are available for transfer in the Issue within the time specified under applicable law; and
- they shall comply with all applicable laws, in India, including the Companies Act, the ICDR Regulations, the FEMA and the applicable circulars, guidelines and regulations issued by SEBI and RBI, each in relation to the Equity Shares offered by it in the Offer for Sale.

Utilisation of Issue Proceeds

The Board declares that:

- all monies received out of the Issue shall be credited/transferred to a separate bank account other than the bank account referred to in sub-section (3) of Section 40 of the Companies Act, 2013;
- details of all monies utilised out of the Issue shall be disclosed, and continue to be disclosed till the time any part of the Issue proceeds remains unutilised, under an appropriate head in the balance sheet of our Company indicating the purpose for which such monies have been utilised;
- details of all unutilised monies out of the Issue, if any shall be disclosed under an appropriate separate head in the balance sheet indicating the form in which such unutilised monies have been invested;
- the utilisation of monies received under the Promoters' contribution, if any, shall be disclosed, and continue to be disclosed till the time any part of the Issue proceeds remains unutilised, under an appropriate head in the balance sheet of our Company indicating the purpose for which such monies have been utilised; and
- the details of all unutilised monies out of the funds received under the Promoters' contribution, if any, shall be disclosed under a separate head in the balance sheet of our Company indicating the form in which such unutilised monies have been invested.

The Selling Shareholders declare that all monies received out of this Issue shall be transferred to a separate bank account other than the bank account referred to in sub-section (3) of Section 40 of the Companies Act, 2013.

Withdrawal of the Issue

Our Company and the Selling Shareholders, in consultation with the GCBRLMs and the BRLMs, reserves the right not to proceed with the Issue at any time after the Bid Opening Date but before the Board meeting for Allotment. In such an event, our Company shall issue a public notice in the newspapers, in which the pre-issue advertisements were published, within two days of the or such other time as may be prescribed by SEBI, providing reasons for not proceeding with the Issue. The GCBRLMs and the BRLMs, through the Registrar to the Issue, shall instruct the SCSBs to unblock the ASBA Accounts within one Working Day of receipt of such notification. Our Company shall also promptly inform the Stock Exchanges on which the Equity Shares were proposed to be listed.

If our Company withdraws the Issue after the Bid Closing Date and thereafter determines that it will proceed with an issue of the Equity Shares or offer for sale by existing shareholders, our Company shall file a fresh draft red herring prospectus with SEBI and/or the Stock Exchanges, as the case may be.

Notwithstanding the foregoing, the Issue is also subject to obtaining (i) the final listing and trading approvals of the Stock Exchanges, which our Company shall apply for after Allotment and within 12 Working Days of the Bid Closing Date, and (ii) the final RoC acknowledgement of the Prospectus after it is filed with the RoC.

PART B

General Information Document for Investing in Public Issues

This General Information Document highlights the key rules, processes and procedures applicable to public issues in accordance with the provisions of the Companies Act 2013 (to the extent notified and in effect), the Companies Act, 1956 (without reference to the provisions thereof that have ceased to have effect upon the notification of the Companies Act, 2013), the Securities Contracts (Regulation) Act, 1956, the Securities Contracts (Regulation) Rules, 1957 and the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009. Bidders/Applicants should not construe the contents of this General Information Document as legal advice and should consult their own legal counsel and other advisors in relation to the legal matters concerning the Issue. For taking an investment decision, the Bidders/Applicants should rely on their own examination of the Issuer and the Issue, and should carefully read the Red Herring Prospectus/Prospectus before investing in the Issue.

SECTION 1: PURPOSE OF THE GENERAL INFORMATION DOCUMENT (GID)

This document is applicable to the public issues undertaken through the Book-Building process as well as to the Fixed Price Issues. The purpose of the "General Information Document for Investing in Public Issues" is to provide general guidance to potential Bidders/Applicants in IPOs and FPOs, on the processes and procedures governing IPOs and FPOs, undertaken in accordance with the provisions of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 ("ICDR Regulations").

Bidders/Applicants should note that investment in equity and equity related securities involves risk and Bidder/Applicant should not invest any funds in the Issue unless they can afford to take the risk of losing their investment. The specific terms relating to securities and/or for subscribing to securities in an Issue and the relevant information about the Issuer undertaking the Issue are set out in the Red Herring Prospectus ("RHP")/Prospectus filed by the Issuer with the Registrar of Companies ("RoC"). Bidders/Applicants should carefully read the entire RHP/Prospectus and the Bid-cum-Application Form/Application Form and the Abridged Prospectus of the Issuer in which they are proposing to invest through the Issue. In case of any difference in interpretation or conflict and/or overlap between the disclosure included in this document and the RHP/Prospectus, the disclosures in the RHP/Prospectus shall prevail. The RHP/Prospectus of the Issuer is available on the websites of stock exchanges, on the website(s) of the GCBRLM(s) and the BRLM(s) to the Issue and on the website of Securities and Exchange Board of India ("SEBI") at www.sebi.gov.in.

For the definitions of capitalized terms and abbreviations used herein Bidders/Applicants may refer to the section "Glossary and Abbreviations".

SECTION 2: BRIEF INTRODUCTION TO IPOs/FPOs

2.1 Initial Public Offer (IPO)

An IPO means an offer of specified securities by an unlisted Issuer to the public for subscription and may include an Offer for Sale of specified securities to the public by any existing holder of such securities in an unlisted Issuer.

For undertaking an IPO, an Issuer is *inter-alia* required to comply with the eligibility requirements of in terms of either Regulation 26(1) or Regulation 26(2) of the ICDR Regulations. For details of compliance with the eligibility requirements by the Issuer Bidders/Applicants may refer to the RHP/Prospectus.

2.2 Further Public Offer (FPO)

An FPO means an offer of specified securities by a listed Issuer to the public for subscription and may include Offer for Sale of specified securities to the public by any existing holder of such securities in a listed Issuer.

For undertaking an FPO, the Issuer is *inter-alia* required to comply with the eligibility requirements in terms of Regulation 26/27 of ICDR Regulations. For details of compliance with the eligibility requirements by the Issuer Bidders/Applicants may refer to the RHP/Prospectus.

2.3 Other Eligibility Requirements:

In addition to the eligibility requirements specified in paragraphs 2.1 and 2.2, an Issuer proposing to undertake an IPO or an FPO is required to comply with various other requirements as specified in the ICDR Regulations, the Companies Act, 2013 (to the extent notified and in effect), the Companies Act, 1956 (without reference to the provisions thereof that have ceased to have effect upon the notification of the Companies Act, 2013), the Securities Contracts (Regulation) Rules, 1957 (the “SCRR”), industry-specific regulations, if any, and other applicable laws for the time being in force.

For details in relation to the above Bidders/Applicants may refer to the RHP/Prospectus.

2.4 Types of Public Issues - Fixed Price Issues and Book Built Issues

In accordance with the provisions of the ICDR Regulations, an Issuer can either determine the Issue Price through the Book Building Process (“**Book Built Issue**”) or undertake a Fixed Price Issue (“**Fixed Price Issue**”). An Issuer may mention Floor Price or Price Band in the RHP (in case of a Book Built Issue) and a Price or Price Band in the Draft Prospectus (in case of a fixed price Issue) and determine the price at a later date before registering the Prospectus with the Registrar of Companies.

The cap on the Price Band should be less than or equal to 120% of the Floor Price. The Issuer shall announce the Price or the Floor Price or the Price Band through advertisement in all newspapers in which the pre-issue advertisement was given at least five Working Days before the Bid/Issue Opening Date, in case of an IPO and at least one Working Day before the Bid/Issue Opening Date, in case of an FPO.

The Floor Price or the Issue price cannot be lesser than the face value of the securities.

Bidders/Applicants should refer to the RHP/Prospectus or Issue advertisements to check whether the Issue is a Book Built Issue or a Fixed Price Issue.

2.5 Issue Period

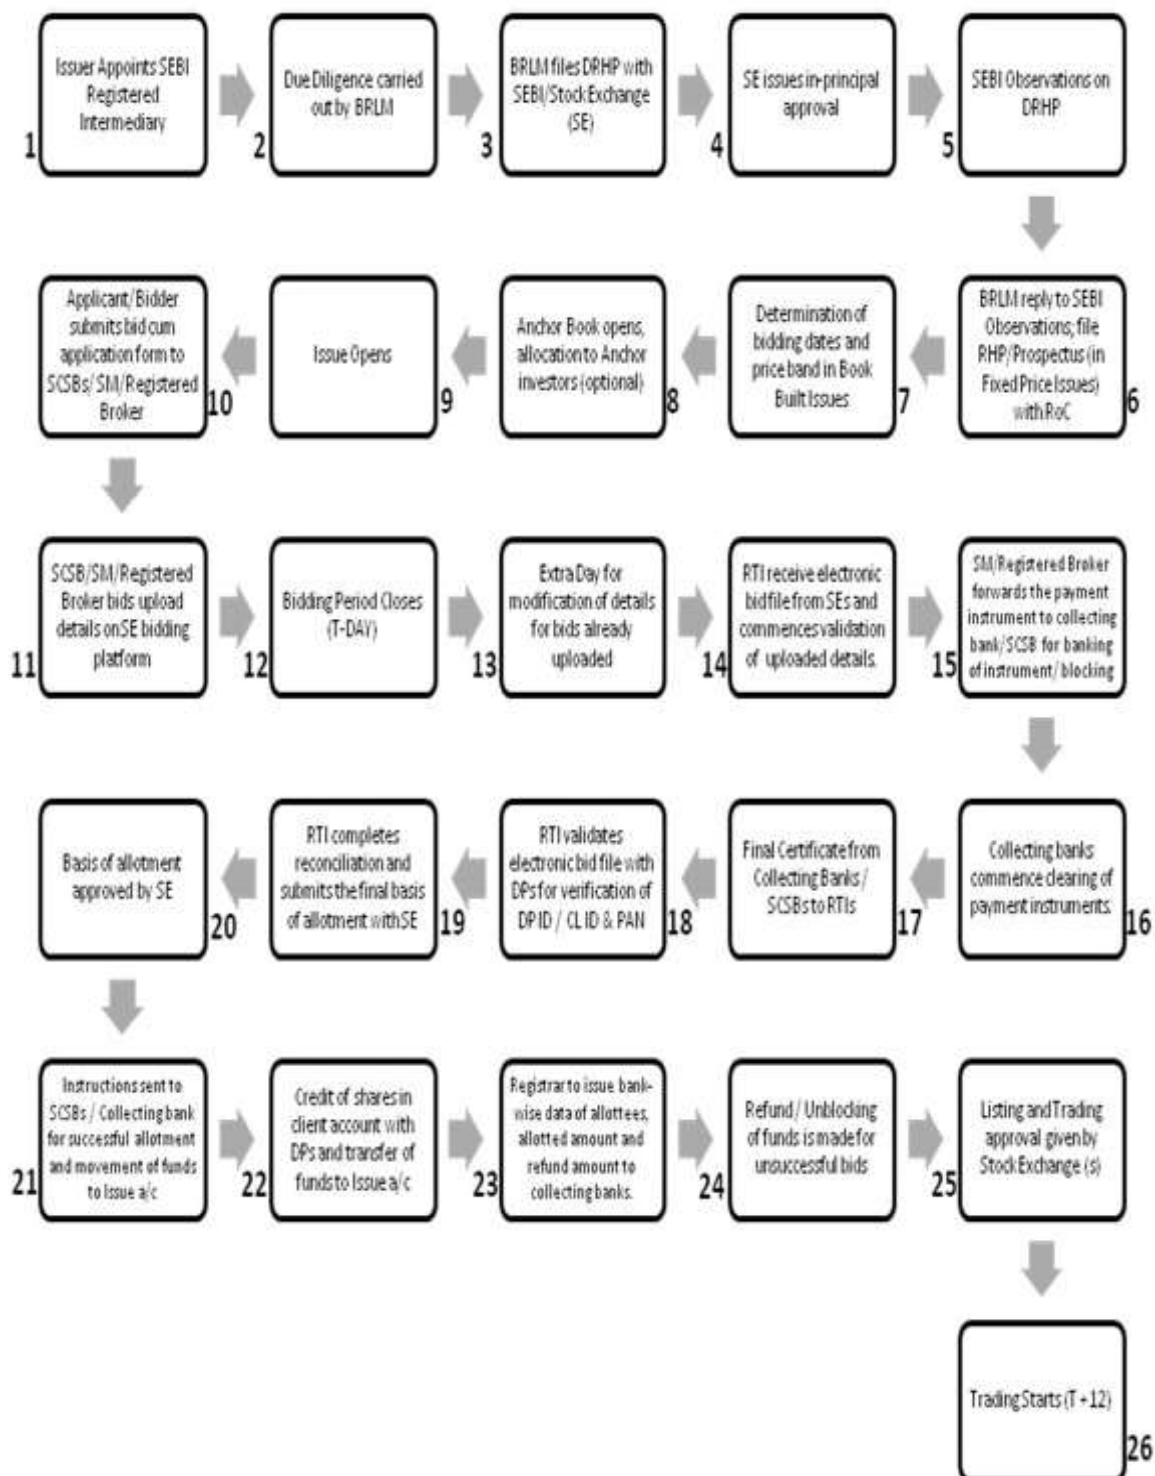

The Issue may be kept open for a minimum of three Working Days (for all category of Bidders/Applicants) and not more than ten Working Days. Bidders/Applicants are advised to refer to the Bid-cum-Application Form and Abridged Prospectus or RHP/Prospectus for details of the Bid/Issue Period. Details of Bid/Issue Period are also available on the website of Stock Exchange(s).

In case of a Book Built Issue, the Issuer may close the Bid/Issue Period for QIBs one Working Day prior to the Bid/Issue Closing Date if disclosures to that effect are made in the RHP. In case of revision of the Floor Price or Price Band in Book Built Issues the Bid/Issue Period may be extended by at least three Working Days, subject to the total Bid/Issue Period not exceeding 10 Working Days. For details of any revision of the Floor Price or Price Band, Bidders/Applicants may check the announcements made by the Issuer on the websites of the Stock Exchanges and the GCBRLM(s) and the BRLM(s), and the advertisement in the newspaper(s) issued in this regard.

2.6 Flowchart of Timelines

A flow chart of process flow in Fixed Price and Book Built Issues is as follows [Bidders/Applicants may note that this is not applicable for Fast Track FPOs]:

- In case of Issue other than Book Built Issue (Fixed Price Issue) the process at the following of the below mentioned steps shall be read as:
 - (i) Step 7 : Determination of Issue Date and Price
 - (ii) Step 10: Applicant submits ASBA Application Form with Designated Branch of SCSB and Non-ASBA forms directly to collection Bank and not to Broker.
 - (iii) Step 11: SCSB uploads ASBA Application details in Stock Exchange platform
 - (iv) Step 12: Issue period closes
 - (v) Step 15: Not Applicable

SECTION 3: CATEGORY OF INVESTORS ELIGIBLE TO PARTICIPATE IN AN ISSUE

Each Bidder/Applicant should check whether it is eligible to apply under applicable law.

Furthermore, certain categories of Bidders/Applicants, such as NRIs, FIIs, FPIs, QFIs and FVCIs may not be allowed to Bid/Apply in the Issue or to hold Equity Shares, in excess of certain limits specified under applicable law. Bidders/Applicants are requested to refer to the RHP/Prospectus for more details.

Subject to the above, an illustrative list of Bidders/Applicants is as follows:

4.1.1 FIELD NUMBER 1: NAME AND CONTACT DETAILS OF THE SOLE/FIRST BIDDER/APPLICANT

- (a) Bidders/Applicants should ensure that the name provided in this field is exactly the same as the name in which the Depository Account is held.
- (b) **Mandatory Fields:** Bidders/Applicants should note that the name and address fields are compulsory and e-mail and/or telephone number/mobile number fields are optional. Bidders/Applicants should note that the contact details mentioned in the Bid-cum-Application Form/Application Form may be used to dispatch communications(including refund orders and letters notifying the unblocking of the bank accounts of ASBA Bidders/Applicants) in case the communication sent to the address available with the Depositories are returned undelivered or are not available. The contact details provided in the Bid-cum-Application Form may be used by the Issuer, the members of the Syndicate, the Registered Broker and the Registrar to the Issue only for correspondence(s) related to an Issue and for no other purposes.
- (c) **Joint Bids/Applications:** In the case of Joint Bids/Applications, the Bids/Applications should be made in the name of the Bidder/Applicant whose name appears first in the Depository account. The name so entered should be the same as it appears in the Depository records. The signature of only such first Bidder/Applicant would be required in the Bid-cum-Application Form/Application Form and such first Bidder/Applicant would be deemed to have signed on behalf of the joint holders All payments may be made out in favor of the Bidder/Applicant whose name appears in the Bid-cum-Application Form/Application Form or the Revision Form and all communications may be addressed to such Bidder/Applicant and may be dispatched to his or her address as per the Demographic Details received from the Depositories.
- (d) **Impersonation:** Attention of the Bidders/Applicants is specifically drawn to the provisions of sub-section (1) of Section 38 of the Companies Act, 2013 which is reproduced below:

“Any person who –

- (a) makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities, or*
- (b) makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or*
- (c) otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name,*

shall be liable for action under section 447.”

The liability prescribed under Section 447 of the Companies Act, 2013 includes imprisonment for a term of not less than six months extending up to ten years (provided that where the fraud involves public interest, such term shall not be less than three years) and fine of an amount not less than the amount involved in the fraud, extending up to three times of such amount.

- (e) **Nomination Facility to Bidder/Applicant:** Nomination facility is available in accordance with the provisions of Section 72 of the Companies Act, 2013. In case of allotment of the Equity Shares in dematerialized form, there is no need to make a separate nomination as the nomination registered with the Depository may prevail. For changing nominations, the Bidders/Applicants should inform their respective DP.

4.1.2 FIELD NUMBER 2: PAN NUMBER OF SOLE/FIRST BIDDER/APPLICANT

- (a) PAN (of the sole/first Bidder/Applicant) provided in the Bid-cum-Application Form/Application Form should be exactly the same as the PAN of the person(s) in whose name the relevant beneficiary account is held as per the Depositories' records.

- (b) PAN is the sole identification number for participants transacting in the securities market irrespective of the amount of transaction except for Bids/Applications on behalf of the Central or State Government, Bids/Applications by officials appointed by the courts and Bids/Applications by Bidders/Applicants residing in Sikkim (“**PAN Exempted Bidders/Applicants**”). Consequently, all Bidders/Applicants, other than the PAN Exempted Bidders/Applicants, are required to disclose their PAN in the Bid-cum-Application Form/Application Form, irrespective of the Bid/Application Amount. A Bid-cum-Application Form/Application Form without PAN, except in case of Exempted Bidders/Applicants, is liable to be rejected. Bids/Applications by the Bidders/Applicants whose PAN is not available as per the Demographic Details available in their Depository records, are liable to be rejected.
- (c) The exemption for the PAN Exempted Bidders/Applicants is subject to (a) the Demographic Details received from the respective Depositories confirming the exemption granted to the beneficiary owner by a suitable description in the PAN field and the beneficiary account remaining in “active status”; and (b) in the case of residents of Sikkim, the address as per the Demographic Details evidencing the same.
- (d) Bid-cum-Application Forms/Application Forms which provide the General Index Register Number instead of PAN may be rejected.
- (e) Bids/Applications by Bidders whose demat accounts have been 'suspended for credit' are liable to be rejected pursuant to the circular issued by SEBI on July 29, 2010, bearing number CIR/MRD/DP/22/2010. Such accounts are classified as “Inactive demat accounts” and demographic details are not provided by depositories.

4.1.3 FIELD NUMBER 3: BIDDERS/APPLICANTS DEPOSITORY ACCOUNT DETAILS

- (a) Bidders/Applicants should ensure that DP ID and the Client ID are correctly filled in the Bid-cum-Application Form/Application Form. The DP ID and Client ID provided in the Bid-cum-Application Form/Application Form should match with the DP ID and Client ID available in the Depository database, **otherwise, the Bid-cum-Application Form/Application Form is liable to be rejected.**
- (b) Bidders/Applicants should ensure that the beneficiary account provided in the Bid-cum-Application Form/Application Form is active.
- (c) Bidders/Applicants should note that on the basis of DP ID and Client ID as provided in the Bid-cum-Application Form/Application Form, the Bidder/Applicant may be deemed to have authorized the Depositories to provide to the Registrar to the Issue, any requested Demographic Details of the Bidder/Applicant as available on the records of the depositories. These Demographic Details may be used, among other things, for giving refunds and allocation advice (including through physical refund warrants, direct credit, NECS, NEFT and RTGS), or unblocking of ASBA Account or for other correspondence(s) related to an Issue. Please note that refunds, on account of our Company not receiving the minimum subscription of 90% of the Issue, shall be credited only to the bank account from which the Bid Amount was remitted to the Escrow Bank.
- (d) Bidders/Applicants are, advised to update any changes to their Demographic Details as available in the records of the Depository Participant to ensure accuracy of records. Any delay resulting from failure to update the Demographic Details would be at the Bidders/Applicants' sole risk.

4.1.4 FIELD NUMBER 4: BID OPTIONS

- (a) Price or Floor Price or Price Band, minimum Bid Lot and Discount (if applicable) may be disclosed in the Prospectus/RHP by the Issuer. The Issuer is required to announce the Floor Price or Price Band, minimum Bid Lot and Discount (if applicable) by way of an advertisement in at least one English, one Hindi and one regional newspaper where the Registered Office of our Company is situated, with wide circulation, at least five Working Days before Bid/Issue Opening Date in case of an IPO, and at least one Working Day before

Bid/Issue Opening Date in case of an FPO.

- (b) The Bidders may Bid at or above Floor Price or within the Price Band for IPOs /FPOs undertaken through the Book Building Process. In the case of Alternate Book Building Process for an FPO, the Bidders may Bid at Floor Price or any price above the Floor Price (For further details bidders may refer to (Section 5.6 (e))
- (c) **Cut-Off Price:** Retail Individual Investors or Employees or Retail Individual Shareholders can Bid at the Cut-off Price indicating their agreement to Bid for and purchase the Equity Shares at the Issue Price as determined at the end of the Book Building Process. Bidding at the Cut-off Price is prohibited for QIBs and NIIs and such Bids from QIBs and NIIs may be rejected.
- (d) **Minimum Application Value and Bid Lot:** The Issuer in consultation with the GCBRLMs and the BRLMs may decide the minimum number of Equity Shares for each Bid to ensure that the minimum application value is within the range of ₹ 10,000 to ₹ 15,000. The minimum Bid Lot is accordingly determined by an Issuer on basis of such minimum application value.
- (e) **Allotment:** The allotment of specified securities to each RII shall not be less than the minimum Bid Lot, subject to availability of shares in the RII category, and the remaining available shares, if any, shall be allotted on a proportionate basis. For details of the Bid Lot, bidders may refer to the RHP/Prospectus or the advertisement regarding the Price Band published by the Issuer.

4.1.4.1 Maximum and Minimum Bid Size

- (a) The Bidder may Bid for the desired number of Equity Shares at a specific price. Bids by Retail Individual Investors, Employees and Retail Individual Shareholders must be for such number of shares so as to ensure that the Bid Amount less Discount (as applicable), payable by the Bidder does not exceed ₹ 200,000.

In case the Bid Amount exceeds ₹ 200,000 due to revision of the Bid or any other reason, the Bid may be considered for allocation under the Non-Institutional Category, with it not being eligible for Discount then such Bid may be rejected if it is at the Cut-off Price.
- (b) For NRIs, a Bid Amount of up to ₹ 200,000 may be considered under the Retail Category for the purposes of allocation and a Bid Amount exceeding ₹ 200,000 may be considered under the Non-Institutional Category for the purposes of allocation.
- (c) Bids by QIBs and NIIs must be for such minimum number of shares such that the Bid Amount exceeds ₹ 200,000 and in multiples of such number of Equity Shares thereafter, as may be disclosed in the Bid-cum-Application Form and the RHP/Prospectus, or as advertised by the Issuer, as the case may be. Non-Institutional Bidders and QIBs are not allowed to Bid at 'Cut-off Price'.
- (d) RII may revise their bids till closure of the bidding period or withdraw their bids until finalization of allotment. QIBs and NII's cannot withdraw or lower their Bids (in terms of quantity of Equity Shares or the Bid Amount) at any stage after bidding and are required to pay the Bid Amount upon submission of the Bid.
- (e) In case the Bid Amount reduces to ₹ 200,000 or less due to a revision of the Price Band, Bids by the Non-Institutional Bidders who are eligible for allocation in the Retail Category would be considered for allocation under the Retail Category.
- (f) For Anchor Investors, if applicable, the Bid Amount shall be least ₹ 10 crores. One-third of the Anchor Investor Portion shall be reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the price at which allocation is being done to other Anchor Investors. Bids by various schemes of a Mutual Fund shall be aggregated to determine the Bid Amount. A Bid cannot be submitted for more than 60% of the QIB Portion under the Anchor Investor Portion. Anchor Investors cannot withdraw their Bids

or lower the size of their Bids (in terms of quantity of Equity Shares or the Bid Amount) at any stage after the Anchor Investor Bid/ Issue Period and are required to pay the Bid Amount at the time of submission of the Bid. In case the Anchor Investor Issue Price is lower than the Issue Price, the balance amount shall be payable as per the pay-in-date mentioned in the revised CAN. In case the Issue Price is lower than the Anchor Investor Issue Price, the amount in excess of the Issue Price paid by the Anchor Investors shall not be refunded to them.

- (g) A Bid cannot be submitted for more than the Issue size.
- (h) The maximum Bid by any Bidder including QIB Bidder should not exceed the investment limits prescribed for them under the applicable laws.
- (i) The price and quantity options submitted by the Bidder in the Bid-cum-Application Form may be treated as optional bids from the Bidder and may not be cumulated. After determination of the Issue Price, the number of Equity Shares Bid for by a Bidder at or above the Issue Price may be considered for allotment and the rest of the Bid(s), irrespective of the Bid Amount may automatically become invalid. This is not applicable in case of FPOs undertaken through Alternate Book Building Process (For details of bidders may refer to (Section 5.6 (e))

4.1.4.2 Multiple Bids

- (a) Bidder should submit only one Bid-cum-Application Form. Bidder shall have the option to make a maximum of Bids at three different price levels in the Bid-cum-Application Form and such options are not considered as multiple Bids.

Submission of a second Bid-cum-Application Form to either the same or to another member of the Syndicate, SCSB or Registered Broker and duplicate copies of Bid-cum-Application Forms bearing the same application number shall be treated as multiple Bids and are liable to be rejected.

- (b) Bidders are requested to note the following procedures may be followed by the Registrar to the Issue to detect multiple Bids:
 - (i) All Bids may be checked for common PAN as per the records of the Depository. For Bidders other than Mutual Funds and FII sub-accounts, Bids bearing the same PAN may be treated as multiple Bids by a Bidder and may be rejected.
 - (ii) For Bids from Mutual Funds and FII sub-accounts, submitted under the same PAN, as well as Bids on behalf of the PAN Exempted Bidders, the Bid-cum-Application Forms may be checked for common DP ID and Client ID. Such Bids which have the same DP ID and Client ID may be treated as multiple Bids and are liable to be rejected.
- (c) The following Bids may not be treated as multiple Bids:
 - (i) Separate Bids by Mutual Funds in respect of more than one scheme of the Mutual Fund provided that the Bids clearly indicate the scheme for which the Bid has been made.
 - (ii) Bids by Mutual Funds, and sub-accounts of FIIs (or FIIs and its sub-accounts) submitted with the same PAN but with different beneficiary account numbers, Client IDs and DP IDs.
 - (iii) Bids by Anchor Investors under the Anchor Investor Portion and the QIB Category.

4.1.5 FIELD NUMBER 5: CATEGORY OF BIDDERS

- (a) The categories of Bidders identified as per the ICDR Regulations for the purpose of Bidding, allocation and allotment in the Issue are RIIs, NIIs and QIBs.

- (b) Up to 60% of the QIB Category can be allocated by the Issuer, on a discretionary basis subject to the criteria of minimum and maximum number of anchor investors based on allocation size, to the Anchor Investors, in accordance with ICDR Regulations, with one-third of the Anchor Investor Portion reserved for domestic Mutual Funds subject to valid Bids being received at or above the Issue Price. For details regarding allocation to Anchor Investors, bidders may refer to the RHP/Prospectus.
- (c) An Issuer can make reservation for certain categories of Bidders/Applicants as permitted under the ICDR Regulations. For details of any reservations made in the Issue, Bidders/Applicants may refer to the RHP/Prospectus.
- (d) The ICDR Regulations, specify the allocation or allotment that may be made to various categories of Bidders in an Issue depending upon compliance with the eligibility conditions. Details pertaining to allocation are disclosed on reverse side of the Revision Form. For Issue specific details in relation to allocation Bidder/Applicant may refer to the RHP/Prospectus.

4.1.6 FIELD NUMBER 6: INVESTOR STATUS

- (a) Each Bidder/Applicant should check whether it is eligible to apply under applicable law and ensure that any prospective allotment to it in the Issue is in compliance with the investment restrictions under applicable law.
- (b) Certain categories of Bidders/Applicants, such as NRIs, FIIs, FPIs, QFIs and FVCIs may not be allowed to Bid/Apply in the Issue or hold Equity Shares exceeding certain limits specified under applicable law. Bidders/Applicants are requested to refer to the RHP/Prospectus for more details.
- (c) Bidders/Applicants should check whether they are eligible to apply on non-repatriation basis or repatriation basis and should accordingly provide the investor status. Details regarding investor status are different in the Resident Bid-cum-Application Form and Non-Resident Bid-cum-Application Form.
- (d) Bidders/Applicants should ensure that their investor status is updated in the Depository records.

4.1.7 FIELD NUMBER 7: PAYMENT DETAILS

- (a) All Bidders are required to make payment of the full Bid Amount (net of any Discount, as applicable) along-with the Bid-cum-Application Form. If the Discount is applicable in the Issue, the RIIs should indicate the full Bid Amount in the Bid-cum-Application Form and the payment shall be made for Bid Amount net of Discount. Only in cases where the RHP/Prospectus indicates that part payment may be made, such an option can be exercised by the Bidder. In case of Bidders specifying more than one Bid Option in the Bid-cum-Application Form, the total Bid Amount may be calculated for the highest of three options at net price, i.e. Bid price less Discount offered, if any.
- (b) Bidders who Bid at Cut-off price shall deposit the Bid Amount based on the Cap Price.
- (c) QIBs and NIIs can participate in the Issue only through the ASBA mechanism.
- (d) RIIs bidding in the Retail Category can Bid, either through the ASBA mechanism or by paying the Bid Amount through a cheque or a demand draft ("Non-ASBA Mechanism").
- (e) Bid Amount cannot be paid in cash, through money order or through postal order.

4.1.7.1 Instructions for non-ASBA Bidders:

- (a) Non-ASBA Bidders may submit their Bids with a member of the Syndicate or any of the Registered Brokers of the Stock Exchange. The details of Broker Centres along with names and contact details of the Registered Brokers are provided on the websites of the Stock

Exchanges.

- (b) **For Bids made through a member of the Syndicate:** The Bidder may, with the submission of the Bid-cum-Application Form, draw a cheque or demand draft for the Bid Amount in favour of the Escrow Account as specified under the RHP/Prospectus and the Bid-cum-Application Form and submit the same to the members of the Syndicate at Specified Locations.
- (c) **For Bids made through a Registered Broker:** The Bidder may, with the submission of the Bid-cum-Application Form, draw a cheque or demand draft for the Bid Amount in favour of the Escrow Account as specified under the RHP/Prospectus and the Bid-cum-Application Form and submit the same to the Registered Broker.
- (d) If the cheque or demand draft accompanying the Bid-cum-Application Form is not made favoring the Escrow Account, the Bid is liable to be rejected.
- (e) Payments should be made by cheque, or demand draft drawn on any bank (including a co-operative bank), which is situated at, and is a member of or sub-member of the bankers' clearing house located at the centre where the Bid-cum-Application Form is submitted. Cheques/bank drafts drawn on banks not participating in the clearing process may not be accepted and applications accompanied by such cheques or bank drafts are liable to be rejected.
- (f) The Escrow Collection Banks shall maintain the monies in the Escrow Account for and on behalf of the Bidders until the Designated Date.
- (g) Bidders are advised to provide the number of the Bid-cum-Application Form and PAN on the reverse of the cheque or bank draft to avoid any possible misuse of instruments submitted.

4.1.7.2 Payment instructions for ASBA Bidders

- (a) ASBA Bidders may submit the Bid-cum-Application Form either
 - (i) in physical mode to the Designated Branch of an SCSB where the Bidders/Applicants have ASBA Account, or
 - (ii) in electronic mode through the internet banking facility offered by an SCSB authorizing blocking of funds that are available in the ASBA account specified in the Bid-cum-Application Form, or
 - (iii) in physical mode to a member of the Syndicate at the Specified Locations or
 - (iv) Registered Brokers of the Stock Exchange
- (b) ASBA Bidders may specify the Bank Account number in the Bid-cum-Application Form. The Bid-cum-Application Form submitted by an ASBA Bidder and which is accompanied by cash, demand draft, money order, postal order or any mode of payment other than blocked amounts in the ASBA Account maintained with an SCSB, may not be accepted.
- (c) Bidders should ensure that the Bid-cum-Application Form is also signed by the ASBA Account holder(s) if the Bidder is not the ASBA Account holder;
- (d) Bidders shall note that for the purpose of blocking funds under ASBA facility clearly demarcated funds shall be available in the account.
- (e) From one ASBA Account, a maximum of five Bid-cum-Application Forms can be submitted.
- (f) **ASBA Bidders bidding through a member of the Syndicate** should ensure that the Bid-cum-Application Form is submitted to a member of the Syndicate only at the Specified locations. ASBA Bidders should also note that Bid-cum-Application Forms submitted to a

member of the Syndicate at the Specified locations may not be accepted by the Member of the Syndicate if the SCSB where the ASBA Account, as specified in the Bid-cum-Application Form, is maintained has not named at least one branch at that location for the members of the Syndicate to deposit Bid-cum-Application Forms (a list of such branches is available on the website of SEBI at <http://www.sebi.gov.in/sebiweb/home/list/5/33/0/0/Recognised-Intermediaries>).

- (g) **ASBA Bidders bidding through a Registered Broker** should note that Bid-cum-Application Forms submitted to the Registered Brokers may not be accepted by the Registered Broker, if the SCSB where the ASBA Account, as specified in the Bid-cum-Application Form, is maintained has not named at least one branch at that location for the Registered Brokers to deposit Bid-cum-Application Forms.
- (h) **ASBA Bidders bidding directly through the SCSBs** should ensure that the Bid-cum-Application Form is submitted to a Designated Branch of a SCSB where the ASBA Account is maintained.
- (i) Upon receipt of the Bid-cum-Application Form, the Designated Branch of the SCSB may verify if sufficient funds equal to the Bid Amount are available in the ASBA Account, as mentioned in the Bid-cum-Application Form.
- (j) If sufficient funds are available in the ASBA Account, the SCSB may block an amount equivalent to the Bid Amount mentioned in the Bid-cum-Application Form and for application directly submitted to SCSB by investor, may enter each Bid option into the electronic bidding system as a separate Bid.
- (k) If sufficient funds are not available in the ASBA Account, the Designated Branch of the SCSB may not upload such Bids on the Stock Exchange platform and such bids are liable to be rejected.
- (l) Upon submission of a completed Bid-cum-Application Form each ASBA Bidder may be deemed to have agreed to block the entire Bid Amount and authorized the Designated Branch of the SCSB to block the Bid Amount specified in the Bid-cum-Application Form in the ASBA Account maintained with the SCSBs.
- (m) The Bid Amount may remain blocked in the aforesaid ASBA Account until finalisation of the Basis of allotment and consequent transfer of the Bid Amount against the Allotted Equity Shares to the Public Issue Account, or until withdrawal or failure of the Issue, or until withdrawal or rejection of the Bid, as the case may be.
- (n) SCSBs bidding in the Issue must apply through an Account maintained with any other SCSB; else their Bids are liable to be rejected.

4.1.7.2.1 **Unblocking of ASBA Account**

- (a) Once the Basis of Allotment is approved by the Designated Stock Exchange, the Registrar to the Issue may provide the following details to the controlling branches of each SCSB, along with instructions to unblock the relevant bank accounts and for successful applications transfer the requisite money to the Public Issue Account designated for this purpose, within the specified timelines: (i) the number of Equity Shares to be Allotted against each Bid, (ii) the amount to be transferred from the relevant bank account to the Public Issue Account, for each Bid, (iii) the date by which funds referred to in (ii) above may be transferred to the Public Issue Account, and (iv) details of rejected ASBA Bids, if any, along with reasons for rejection and details of withdrawn or unsuccessful Bids, if any, to enable the SCSBs to unblock the respective bank accounts.
- (b) On the basis of instructions from the Registrar to the Issue, the SCSBs may transfer the requisite amount against each successful ASBA Bidder to the Public Issue Account and may unblock the excess amount, if any, in the ASBA Account.

- (c) In the event of withdrawal or rejection of the Bid-cum-Application Form and for unsuccessful Bids, the Registrar to the Issue may give instructions to the SCSB to unblock the Bid Amount in the relevant ASBA Account within 12 Working Days of the Bid/Issue Closing Date.

4.1.7.3 **Additional Payment Instructions for NRIs**

The Non-Resident Indians who intend to make payment through Non-Resident Ordinary (NRO) accounts shall use the form meant for Resident Indians (non-repatriation basis). In the case of Bids by NRIs applying on a repatriation basis, payment shall not be accepted out of NRO Account.

4.1.7.4 **Discount (if applicable)**

- (a) The Discount is stated in absolute rupee terms.
- (b) Bidders applying under RII category and Retail Individual Shareholder and Employees are only eligible for discount. For Discounts offered in the Issue, Bidders may refer to the RHP/Prospectus.
- (c) The Bidders entitled to the applicable Discount in the Issue may make payment for an amount i.e. the Bid Amount less Discount (if applicable).

Bidder may note that in case the net payment (post Discount) is more than two lakh Rupees, the bidding system automatically considers such applications for allocation under Non-Institutional Category. These applications are neither eligible for Discount nor fall under RII category.

4.1.8 **FIELD NUMBER 8: SIGNATURES AND OTHER AUTHORISATIONS**

- (a) Only the First Bidder/Applicant is required to sign the Bid-cum-Application Form/Application Form. Bidders/Applicants should ensure that signatures are in one of the languages specified in the Eighth Schedule to the Constitution of India.
- (b) If the ASBA Account is held by a person or persons other than the ASBA Bidder/Applicant., then the Signature of the ASBA Account holder(s) is also required.
- (c) In relation to the ASBA Bids/Applications, signature has to be correctly affixed in the authorization/undertaking box in the Bid-cum-Application Form/Application Form, or an authorisation has to be provided to the SCSB via the electronic mode, for blocking funds in the ASBA Account equivalent to the Bid Amount mentioned in the Bid-cum-Application Form/Application Form.
- (d) Bidders/Applicants must note that Bid-cum-Application Form/Application Form without signature of Bidder/Applicant and /or ASBA Account holder is liable to be rejected.

4.1.9 **ACKNOWLEDGEMENT AND FUTURE COMMUNICATION**

- (a) Bidders should ensure that they receive the acknowledgment duly signed and stamped by a member of the Syndicate, Registered Broker or SCSB, as applicable, for submission of the Bid-cum-Application Form.
- (b) Applicants should ensure that they receive the acknowledgment duly signed and stamped by an Escrow Collection Bank or SCSB, as applicable, for submission of the Application Form.
- (c) All communications in connection with Bids/Applications made in the Issue should be addressed as under:
 - (i) In case of queries related to Allotment, non-receipt of Allotment Advice, credit of allotted equity shares, refund orders, the Bidders/Applicants should contact the Registrar to the Issue;
 - (ii) In case of ASBA Bids submitted to the Designated Branches of the SCSBs, the

Bidders/Applicants should contact the relevant Designated Branch of the SCSB;

- (iii) In case of queries relating to uploading of Syndicate ASBA Bids, the Bidders/Applicants should contact the relevant Syndicate Member;
 - (iv) In case of queries relating to uploading of Bids by a Registered Broker, the Bidders/Applicants should contact the relevant Registered Broker; or
 - (v) Bidder/Applicant may contact the Company Secretary and Compliance Officer or GCBRLM(s) and BRLM(s) in case of any other complaints in relation to the Issue.
- (d) The following details (as applicable) should be quoted while making any queries –
- (i) full name of the sole or First Bidder/Applicant, Bid-cum-Application Form number, Applicants'/Bidders' DP ID, Client ID, PAN, number of Equity Shares applied for, amount paid on application.
 - (ii) name and address of the member of the Syndicate, Registered Broker or the Designated Branch, as the case may be, where the Bid was submitted or
 - (iii) In case of Non-ASBA bids cheque or draft number and the name of the issuing bank thereof
 - (iv) In case of ASBA Bids, ASBA Account number in which the amount equivalent to the Bid Amount was blocked.

For further details, Bidder/Applicant may refer to the RHP/Prospectus and the Bid-cum-Application Form.

4.2 INSTRUCTIONS FOR FILING THE REVISION FORM

- (a) During the Bid/Issue Period, any Bidder/Applicant (other than QIBs and NIIs, who can only revise their bid upwards) who has registered his or her interest in the Equity Shares at a particular price level is free to revise his or her Bid within the Price Band using the Revision Form, which is a part of the Bid-cum-Application Form.
- (b) RII may revise their bids till closure of the bidding period or withdraw their bids until finalization of allotment.
- (c) Revisions can be made in both the desired number of Equity Shares and the Bid Amount by using the Revision Form.
- (d) The Bidder/Applicant can make this revision any number of times during the Bid/ Issue Period. However, for any revision(s) in the Bid, the Bidders/Applicants will have to use the services of the same member of the Syndicate, the Registered Broker or the SCSB through which such Bidder/Applicant had placed the original Bid. Bidders/Applicants are advised to retain copies of the blank Revision Form and the Bid(s) must be made only in such Revision Form or copies thereof.

Instructions to fill each field of the Revision Form can be found on the reverse side of the Revision Form. Other than instructions already highlighted at paragraph 4.1 above, point wise instructions regarding filling up various fields of the Revision Form are provided below:

4.2.1 FIELDS 1, 2 AND 3: NAME AND CONTACT DETAILS OF SOLE/FIRST BIDDER/APPLICANT, PAN OF SOLE/FIRST BIDDER/APPLICANT AND DEPOSITORY ACCOUNT DETAILS OF THE BIDDER/APPLICANT

Bidders/Applicants should refer to instructions contained in paragraphs 4.1.1, 4.1.2 and 4.1.3.

4.2.2 FIELD 4 AND 5: BID OPTIONS REVISION 'FROM' AND 'TO'

- (a) Apart from mentioning the revised options in the Revision Form, the Bidder/Applicant must also mention the details of all the bid options given in his or her Bid-cum-Application Form or earlier Revision Form. For example, if a Bidder/Applicant has Bid for three options in the

Bid-cum-Application Form and such Bidder/Applicant is changing only one of the options in the Revision Form, the Bidder/Applicant must still fill the details of the other two options that are not being revised, in the Revision Form. The members of the Syndicate, the Registered Brokers and the Designated Branches of the SCSBs may not accept incomplete or inaccurate Revision Forms.

- (b) In case of revision, Bid options should be provided by Bidders/Applicants in the same order as provided in the Bid-cum-Application Form.
- (c) In case of revision of Bids by RIIs, Employees and Retail Individual Shareholders, such Bidders/Applicants should ensure that the Bid Amount, subsequent to revision, does not exceed ₹ 200,000. In case the Bid Amount exceeds ₹ 200,000 due to revision of the Bid or for any other reason, the Bid may be considered, subject to eligibility, for allocation under the Non-Institutional Category, not being eligible for Discount (if applicable) and such Bid may be rejected if it is at the Cut-off Price. The Cut-off Price option is given only to the RIIs, Employees and Retail Individual Shareholders indicating their agreement to Bid for and purchase the Equity Shares at the Issue Price as determined at the end of the Book Building Process.
- (d) In case the total amount (i.e., original Bid Amount plus additional payment) exceeds ₹ 200,000, the Bid will be considered for allocation under the Non-Institutional Category in terms of the RHP/Prospectus. If, however, the RII does not either revise the Bid or make additional payment and the Issue Price is higher than the cap of the Price Band prior to revision, the number of Equity Shares Bid for shall be adjusted downwards for the purpose of allocation, such that no additional payment would be required from the RII and the RII is deemed to have approved such revised Bid at Cut-off Price.
- (e) In case of a downward revision in the Price Band, RIIs and Bids by Employees under the Reservation Portion, who have bid at the Cut-off Price could either revise their Bid or the excess amount paid at the time of bidding may be unblocked in case of ASBA Bidders or refunded from the Escrow Account in case of non-ASBA Bidder.

4.2.3 FIELD 6: PAYMENT DETAILS

- (a) With respect to the Bids, other than Bids submitted by ASBA Bidders/Applicants, any revision of the Bid should be accompanied by payment in the form of cheque or demand draft for the amount, if any, to be paid on account of the upward revision of the Bid.
- (b) All Bidders/Applicants are required to make payment of the full Bid Amount (less Discount (if applicable) along with the Bid Revision Form. In case of Bidders/Applicants specifying more than one Bid Option in the Bid-cum-Application Form, the total Bid Amount may be calculated for the highest of three options at net price, i.e. Bid price less discount offered, if any.
- (c) In case of Bids submitted by ASBA Bidder/Applicant, Bidder/Applicant may Issue instructions to block the revised amount based on cap of the revised Price Band (adjusted for the Discount (if applicable) in the ASBA Account, to the same member of the Syndicate/Registered Broker or the same Designated Branch (as the case may be) through whom such Bidder/Applicant had placed the original Bid to enable the relevant SCSB to block the additional Bid Amount, if any.
- (d) In case of Bids, other than ASBA Bids, Bidder/Applicant, may make additional payment based on the cap of the revised Price Band (such that the total amount i.e., original Bid Amount plus additional payment does not exceed ₹ 200,000 if the Bidder/Applicant wants to continue to Bid at the Cut-off Price), with the members of the Syndicate / Registered Broker to whom the original Bid was submitted.
- (e) In case the total amount (i.e., original Bid Amount less discount (if applicable) plus additional payment) exceeds ₹ 200,000, the Bid may be considered for allocation under the Non-Institutional Category in terms of the RHP/Prospectus. If, however, the Bidder/Applicant does

not either revise the Bid or make additional payment and the Issue Price is higher than the cap of the Price Band prior to revision, the number of Equity Shares Bid for may be adjusted downwards for the purpose of allotment, such that no additional payment is required from the Bidder/Applicant and the Bidder/Applicant is deemed to have approved such revised Bid at the Cut-off Price.

- (f) In case of a downward revision in the Price Band, RIIs, Employees and Retail Individual Shareholders, who have bid at the Cut-off Price, could either revise their Bid or the excess amount paid at the time of bidding may be unblocked in case of ASBA Bidders/Applicants or refunded from the Escrow Account in case of non-ASBA Bidder/Applicant.

4.2.4 **FIELDS 7: SIGNATURES AND ACKNOWLEDGEMENTS**

Bidders/Applicants may refer to instructions contained at paragraphs 4.1.8 and 4.1.9 for this purpose.

4.3 **INSTRUCTIONS FOR FILING APPLICATION FORM IN ISSUES MADE OTHER THAN THROUGH THE BOOK BUILDING PROCESS (FIXED PRICE ISSUE)**

4.3.1 **FIELDS 1, 2, 3 NAME AND CONTACT DETAILS OF SOLE/FIRST BIDDER/APPLICANT, PAN OF SOLE/FIRST BIDDER/APPLICANT AND DEPOSITORY ACCOUNT DETAILS OF THE BIDDER/APPLICANT**

Applicants should refer to instructions contained in paragraphs 4.1.1, 4.1.2 and 4.1.3.

4.3.2 **FIELD 4: PRICE, APPLICATION QUANTITY AND AMOUNT**

- (a) The Issuer may mention Price or Price band in the Draft Prospectus. However a prospectus registered with RoC contains one price or coupon rate (as applicable).
- (b) **Minimum Application Value and Bid Lot:** The Issuer in consultation with the GCBRLMs and BRLMs to the Issue may decide the minimum number of Equity Shares for each Bid to ensure that the minimum application value is within the range of ₹ 10,000 to ₹ 15,000. The minimum Lot size is accordingly determined by an Issuer on basis of such minimum application value.
- (c) Applications by RIIs, Employees and Retail Individual Shareholders, must be for such number of shares so as to ensure that the application amount payable does not exceed ₹ 200,000.
- (d) Applications by other investors must be for such minimum number of shares such that the application amount exceeds ₹ 200,000 and in multiples of such number of Equity Shares thereafter, as may be disclosed in the application form and the Prospectus, or as advertised by the Issuer, as the case may be.
- (e) An application cannot be submitted for more than the Issue size.
- (f) The maximum application by any Applicant should not exceed the investment limits prescribed for them under the applicable laws.
- (g) **Multiple Applications:** An Applicant should submit only one Application Form. Submission of a second Application Form to either the same or to Collection Bank(s) or SCSB and duplicate copies of Application Forms bearing the same application number shall be treated as multiple applications and are liable to be rejected.
- (h) Applicants are requested to note the following procedures may be followed by the Registrar to the Issue to detect multiple applications:
 - (i) All applications may be checked for common PAN as per the records of the Depository. For Applicants other than Mutual Funds and FII sub-accounts, Bids bearing the same PAN may be treated as multiple applications by a Bidder/Applicant and may be rejected.

- (ii) For applications from Mutual Funds and FII sub-accounts, submitted under the same PAN, as well as Bids on behalf of the PAN Exempted Applicants, the Application Forms may be checked for common DP ID and Client ID. In any such applications which have the same DP ID and Client ID, these may be treated as multiple applications and may be rejected.
- (i) The following applications may not be treated as multiple Bids:
 - (i) Separate applications by Mutual Funds in respect of more than one scheme of the Mutual Fund provided that the Applications clearly indicate the scheme for which the Bid has been made.
 - (ii) Applications by Mutual Funds, and sub-accounts of FIIs (or FIIs and its sub-accounts) submitted with the same PAN but with different beneficiary account numbers, Client IDs and DP IDs.

4.3.3 **FIELD NUMBER 5: CATEGORY OF APPLICANTS**

- (a) The categories of applicants identified as per the ICDR Regulations for the purpose of Bidding, allocation and allotment in the Issue are RIIs, individual applicants other than RII's and other investors (including corporate bodies or institutions, irrespective of the number of specified securities applied for).
- (b) An Issuer can make reservation for certain categories of Applicants permitted under the ICDR Regulations. For details of any reservations made in the Issue, applicants may refer to the Prospectus.
- (c) The ICDR Regulations specify the allocation or allotment that may be made to various categories of applicants in an Issue depending upon compliance with the eligibility conditions. Details pertaining to allocation are disclosed on reverse side of the Revision Form. For Issue specific details in relation to allocation applicant may refer to the Prospectus.

4.3.4 **FIELD NUMBER 6: INVESTOR STATUS**

Applicants should refer to instructions contained in paragraphs 4.1.6.

4.3.5 **FIELD 7: PAYMENT DETAILS**

- (a) All Applicants are required to make payment of the full Amount (net of any Discount, as applicable) along-with the Application Form. If the Discount is applicable in the Issue, the RIIs should indicate the full Amount in the Application Form and the payment shall be made for an Amount net of Discount. Only in cases where the Prospectus indicates that part payment may be made, such an option can be exercised by the Applicant.
- (b) RIIs bidding in the Retail Category can Bid, either through the ASBA mechanism or by paying the Bid Amount through a cheque or a demand draft ("Non-ASBA Mechanism").
- (c) Application Amount cannot be paid in cash, through money order or through postal order or through stock invest.

4.3.5.1 **Instructions for non-ASBA Applicants:**

- (a) Non-ASBA Applicants may submit their Application Form with the Collection Bank(s).
- (b) For Applications made through a Collection Bank(s): The Applicant may, with the submission of the Application Form, draw a cheque or demand draft for the Bid Amount in favor of the Escrow Account as specified under the Prospectus and the Application Form and submit the same to the escrow Collection Bank(s).

- (c) If the cheque or demand draft accompanying the Application Form is not made favoring the Escrow Account, the form is liable to be rejected.
- (d) Payments should be made by cheque, or demand draft drawn on any bank (including a co-operative bank), which is situated at, and is a member of or sub-member of the bankers' clearing house located at the centre where the Application Form is submitted. Cheques/bank drafts drawn on banks not participating in the clearing process may not be accepted and applications accompanied by such cheques or bank drafts are liable to be rejected.
- (e) The Escrow Collection Banks shall maintain the monies in the Escrow Account for and on behalf of the Applicants until the Designated Date.
- (f) Applicants are advised to provide the number of the Application Form and PAN on the reverse of the cheque or bank draft to avoid any possible misuse of instruments submitted.

4.3.5.2 **Payment instructions for ASBA Applicants**

- (a) ASBA Applicants may submit the Application Form in physical mode to the Designated Branch of an SCSB where the Applicants have ASBA Account.
- (b) ASBA Applicants may specify the Bank Account number in the Application Form. The Application Form submitted by an ASBA Applicant and which is accompanied by cash, demand draft, money order, postal order or any mode of payment other than blocked amounts in the ASBA Account maintained with an SCSB, may not be accepted.
- (c) Applicants should ensure that the Application Form is also signed by the ASBA Account holder(s) if the Applicant is not the ASBA Account holder.
- (d) Applicants shall note that for the purpose of blocking funds under ASBA facility clearly demarcated funds shall be available in the account.
- (e) From one ASBA Account, a maximum of five Bid-cum-Application Forms can be submitted.
- (f) ASBA Applicants bidding directly through the SCSBs should ensure that the Application Form is submitted to a Designated Branch of a SCSB where the ASBA Account is maintained.
- (g) Upon receipt of the Application Form, the Designated Branch of the SCSB may verify if sufficient funds equal to the Application Amount are available in the ASBA Account, as mentioned in the Application Form.
- (h) If sufficient funds are available in the ASBA Account, the SCSB may block an amount equivalent to the Application Amount mentioned in the Application Form and may upload the details on the Stock Exchange Platform.
- (i) If sufficient funds are not available in the ASBA Account, the Designated Branch of the SCSB may not upload such Applications on the Stock Exchange platform and such Applications are liable to be rejected.
- (j) Upon submission of a completed Application Form each ASBA Applicant may be deemed to have agreed to block the entire Application Amount and authorized the Designated Branch of the SCSB to block the Application Amount specified in the Application Form in the ASBA Account maintained with the SCSBs.
- (k) The Application Amount may remain blocked in the aforesaid ASBA Account until finalisation of the Basis of allotment and consequent transfer of the Application Amount against the Allotted Equity Shares to the Public Issue Account, or until withdrawal or failure of the Issue, or until withdrawal or rejection of the Application, as the case may be.
- (l) SCSBs applying in the Issue must apply through an ASBA Account maintained with any other SCSB; else their Applications are liable to be rejected.

4.3.5.2.1 Unblocking of ASBA Account

- (a) Once the Basis of Allotment is approved by the Designated Stock Exchange, the Registrar to the Issue may provide the following details to the controlling branches of each SCSB, along with instructions to unblock the relevant bank accounts and for successful applications transfer the requisite money to the Public Issue Account designated for this purpose, within the specified timelines: (i) the number of Equity Shares to be Allotted against each Application, (ii) the amount to be transferred from the relevant bank account to the Public Issue Account, for each Application, (iii) the date by which funds referred to in (ii) above may be transferred to the Public Issue Account, and (iv) details of rejected ASBA Applications, if any, along with reasons for rejection and details of withdrawn or unsuccessful Applications, if any, to enable the SCSBs to unblock the respective bank accounts.
- (b) On the basis of instructions from the Registrar to the Issue, the SCSBs may transfer the requisite amount against each successful ASBA Application to the Public Issue Account and may unblock the excess amount, if any, in the ASBA Account.
- (c) In the event of withdrawal or rejection of the Application Form and for unsuccessful Applications, the Registrar to the Issue may give instructions to the SCSB to unblock the Application Amount in the relevant ASBA Account within 12 Working Days of the Issue Closing Date.

4.3.5.3 Discount (if applicable)

- (a) The Discount is stated in absolute rupee terms.
- (b) RIIs, Employees and Retail Individual Shareholders are only eligible for discount. For Discounts offered in the Issue, applicants may refer to the Prospectus.
- (c) The Applicants entitled to the applicable Discount in the Issue may make payment for an amount i.e. the Application Amount less Discount (if applicable).

4.3.6 FIELD NUMBER 8: SIGNATURES AND OTHER AUTHORISATIONS AND ACKNOWLEDGEMENT AND FUTURE COMMUNICATION

Applicants should refer to instructions contained in paragraphs 4.1.8 and 4.1.9.

4.4 SUBMISSION OF BID-CUM-APPLICATION FORM/ REVISION FORM/APPLICATION FORM

4.4.1 Bidders/Applicants may submit completed Bid-cum-application form / Revision Form in the following manner:-

Mode of Application	Submission of BID-CUM-APPLICATION Form
Non-ASBA Application	(a) To members of the Syndicate at the Specified Locations mentioned in the Bid-cum-Application Form

ASBA Bidders/Applicants may approach the members of the Syndicate or any of the Registered Brokers or the Designated Branches to register their Bids.
- (d) For Details of the timing on acceptance and upload of Bids in the Stock Exchanges Platform Bidders/Applicants are requested to refer to the RHP.

5.2 ELECTRONIC REGISTRATION OF BIDS

- (a) The Syndicate, the Registered Brokers and the SCSBs may register the Bids using the on-line facilities of the Stock Exchanges. The Syndicate, the Registered Brokers and the Designated Branches of the SCSBs can also set up facilities for off-line electronic registration of Bids, subject to the condition that they may subsequently upload the off-line data file into the online facilities for Book Building on a regular basis before the closure of the issue.
- (b) On the Bid/Issue Closing Date, the Syndicate, the Registered Broker and the Designated Branches of the SCSBs may upload the Bids till such time as may be permitted by the Stock Exchanges.
- (c) Only Bids that are uploaded on the Stock Exchanges Platform are considered for allocation/ Allotment. The members of the Syndicate, the Registered Brokers and the SCSBs are given up to one day after the Bid/Issue Closing Date to modify select fields uploaded in the Stock Exchange Platform during the Bid/Issue Period after which the Stock Exchange(s) send the Bid information to the Registrar for validation of the electronic Bid Details with the Depository's records.

5.3 BUILD UP OF THE BOOK

- (a) Bids received from various Bidders/Applicants through the Syndicate, Registered Brokers and the SCSBs may be electronically uploaded on the Bidding Platform of the Stock Exchanges, on a regular basis. The book gets built up at various price levels. This information may be available with the GCBRLMs and the BRLMs at the end of the Bid/Issue Period.
- (b) Based on the aggregate demand and price for Bids registered on the Stock Exchanges Platform, a graphical representation of consolidated demand and price as available on the websites of the Stock Exchanges may be made available at the bidding centres during the Bid/Issue Period.

5.4 WITHDRAWAL OF BIDS

- (a) RIIs can withdraw their Bids until finalization of Basis of Allotment. In case a RII applying through the ASBA process wishes to withdraw the Bid during the Bid/Issue Period, the same can be done by submitting a request for the same to the concerned SCSB or the Syndicate Member or the Registered Broker, as applicable, who shall do the requisite, including unblocking of the funds by the SCSB in the ASBA Account.
- (b) In case a RII wishes to withdraw the Bid after the Bid/Issue Period, the same can be done by submitting a withdrawal request to the Registrar to the Issue until finalization of Basis of Allotment. The Registrar to the Issue shall give instruction to the SCSB for unblocking the ASBA Account on the Designated Date. QIBs and NIIs can neither withdraw nor lower the size of their Bids at any stage.

5.5 REJECTION AND RESPONSIBILITY FOR UPLOAD OF BIDS

- (a) The members of the Syndicate, the Registered Broker and/or SCSBs are individually responsible for the acts, mistakes or errors or omission in relation to
 - (i) the Bids accepted by the members of the Syndicate, the Registered Broker and the SCSBs,
 - (ii) the Bids uploaded by the members of the Syndicate, the Registered Broker and the SCSBs,
 - (iii) the Bid-cum-Application forms accepted but not uploaded by the members of the Syndicate, the Registered Broker and the SCSBs, or
 - (iv) With respect to Bids by ASBA Bidders/Applicants, Bids accepted and uploaded by SCSBs without blocking funds in the ASBA Accounts. It may be presumed that for Bids uploaded by the SCSBs, the Bid Amount has been blocked in the relevant Account.
- (b) The GCBRLMs and the BRLMs and their affiliate Syndicate Members, as the case may be, may reject Bids if all the information required is not provided and the Bid-cum-Application Form is incomplete in any respect.
- (c) The SCSBs shall have no right to reject Bids, except in case of unavailability of adequate funds in the ASBA account or on technical grounds.
- (d) In case of QIB Bidders, only the (i) SCSBs (for Bids other than the Bids by Anchor Investors); and (ii) the GCBRLMs and the BRLMs and their affiliate Syndicate Members (only in the specified locations) have the right to reject bids. However, such rejection shall be made at the time of receiving the Bid and only after assigning a reason for such rejection in writing.
- (e) All bids by QIBs, NIIs and RIIs Bids can be rejected on technical grounds listed herein.

5.5.1 GROUND FOR TECHNICAL REJECTIONS

- (aa) Bids/Applications by SCSBs wherein a separate account in its own name held with any other SCSB is not mentioned as the ASBA Account in the Bid-cum-Application Form/Application Form.

5.6 BASIS OF ALLOCATION

- (a) The ICDR Regulations specify the allocation or Allotment that may be made to various categories of Bidders/Applicants in an Issue depending on compliance with the eligibility conditions. Certain details pertaining to the percentage of Issue size available for allocation to each category is disclosed overleaf of the Bid-cum-Application Form and in the RHP / Prospectus. For details in relation to allocation, the Bidder/Applicant may refer to the RHP / Prospectus.
- (b) Under-subscription in Retail category is allowed to be met with spill-over from any other category or combination of categories at the discretion of the Issuer and in consultation with the GCBRLMs and the BRLMs and the Designated Stock Exchange and in accordance with the ICDR Regulations. Unsubscribed portion in QIB category is not available for subscription to other categories.
- (c) For allocation in the event of an under-subscription applicable to the Issuer, Bidders/Applicants may refer to the RHP.
- (d) **Illustration of the Book Building and Price Discovery Process**

Bidders should note that this example is solely for illustrative purposes and is not specific to the Issue; it also excludes bidding by Anchor Investors.

Bidders can bid at any price within the Price Band. For instance, assume a Price Band of ₹ 20 to ₹ 24 per share, Issue size of 3,000 Equity Shares and receipt of five Bids from Bidders, details of which are shown in the table below. The illustrative book given below shows the demand for the Equity Shares of the Issuer at various prices and is collated from Bids received from various investors.

Bid Quantity	Bid Amount (₹)	Cumulative Quantity	Subscription
500	24	500	16.67%
1,000	23	1,500	50.00%
1,500	22	3,000	100.00%
2,000	21	5,000	166.67%
2,500	20	7,500	250.00%

The price discovery is a function of demand at various prices. The highest price at which the Issuer is able to Issue the desired number of Equity Shares is the price at which the book cuts off, i.e., ₹ 22.00 in the above example. The Issuer, in consultation with the GCBRLMs and the BRLMs, may finalise the Issue Price at or below such Cut-Off Price, i.e., at or below ₹ 22.00. All Bids at or above this Issue Price and cut-off Bids are valid Bids and are considered for allocation in the respective categories.

(e) **Alternate Method of Book Building**

In case of FPOs, Issuers may opt for an alternate method of Book Building in which only the Floor Price is specified for the purposes of bidding (“**Alternate Book Building Process**”).

The Issuer may specify the Floor Price in the RHP or advertise the Floor Price at least one Working Day prior to the Bid/Issue Opening Date. QIBs may Bid at a price higher than the Floor Price and the Allotment to the QIBs is made on a price priority basis. The Bidder with the highest Bid Amount is allotted the number of Equity Shares Bid for and then the second highest Bidder is Allotted Equity Shares and this process continues until all the Equity Shares have been allotted. RIIs, NIIs and Employees are Allotted Equity Shares at the Floor Price and allotment to these categories of Bidders is made proportionately. If the number of Equity Shares Bid for at a price is more than available quantity then the allotment may be done on a proportionate basis. Further, the Issuer may place a cap either in terms of number of specified securities or percentage of issued capital of the Issuer that may be allotted to a single Bidder, decide whether a Bidder be allowed to revise the bid upwards or downwards in terms of price and/or quantity and also decide whether a Bidder be allowed single or multiple bids.

SECTION 6: ISSUE PROCEDURE IN FIXED PRICE ISSUE

Applicants may note that there is no Bid-cum-Application Form in a Fixed Price Issue. As the Issue Price is mentioned in the Fixed Price Issue therefore on filing of the Prospectus with the RoC, the Application so submitted is considered as the application form.

Applicants may only use the specified Application Form for the purpose of making an Application in terms of the Prospectus which may be submitted through Syndicate Members/SCSB and/or Bankers to the Issue or Registered Broker.

ASBA Applicants may submit an Application Form either in physical form to the Syndicate Members or Registered Brokers or the Designated Branches of the SCSBs or in the electronic form to the SCSB or the Designated Branches of the SCSBs authorising blocking of funds that are available in the bank account specified in the Application Form only (“**ASBA Account**”). The Application Form is also made available on the websites of the Stock Exchanges at least one day prior to the Bid/Issue Opening Date.

In a fixed price Issue, allocation in the net offer to the public category is made as follows: minimum fifty per cent to Retail Individual Investors; and remaining to (i) individual investors other than Retail Individual Investors; and (ii) other Applicants including corporate bodies or institutions, irrespective of the number of

specified securities applied for. The unsubscribed portion in either of the categories specified above may be allocated to the Applicants in the other category.

For details of instructions in relation to the Application Form, Bidders/Applicants may refer to the relevant section the GID.

SECTION 7: ALLOTMENT PROCEDURE AND BASIS OF ALLOTMENT

The allotment of Equity Shares to Bidders/Applicants other than Retail Individual Investors and Anchor Investors may be on proportionate basis. For Basis of Allotment to Anchor Investors, Bidders/Applicants may refer to RHP/Prospectus. No Retail Individual Investor will be allotted less than the minimum Bid Lot subject to availability of shares in Retail Individual Investor Category and the remaining available shares, if any will be allotted on a proportionate basis. The Issuer is required to receive a minimum subscription of 90% of the Issue (excluding any Offer for Sale of specified securities). However, in case the Issue is in the nature of Offer for Sale only, then minimum subscription may not be applicable.

7.1 ALLOTMENT TO RIIs

Bids received from the RIIs at or above the Issue Price may be grouped together to determine the total demand under this category. If the aggregate demand in this category is less than or equal to the Retail Category at or above the Issue Price, full Allotment may be made to the RIIs to the extent of the valid Bids. If the aggregate demand in this category is greater than the allocation to in the Retail Category at or above the Issue Price, then the maximum number of RIIs who can be Allotted the minimum Bid Lot will be computed by dividing the total number of Equity Shares available for Allotment to RIIs by the minimum Bid Lot ("**Maximum RII Allottees**"). The Allotment to the RIIs will then be made in the following manner:

- (a) In the event the number of RIIs who have submitted valid Bids in the Issue is equal to or less than Maximum RII Allottees, (i) all such RIIs shall be Allotted the minimum Bid Lot; and (ii) the balance available Equity Shares, if any, remaining in the Retail Category shall be Allotted on a proportionate basis to the RIIs who have received Allotment as per (i) above for the balance demand of the Equity Shares Bid by them (i.e. who have Bid for more than the minimum Bid Lot).
- (b) In the event the number of RIIs who have submitted valid Bids in the Issue is more than Maximum RII Allottees, the RIIs (in that category) who will then be allotted minimum Bid Lot shall be determined on the basis of draw of lots.

7.2 ALLOTMENT TO NIIs

Bids received from NIIs at or above the Issue Price may be grouped together to determine the total demand under this category. The Allotment to all successful NIIs may be made at or above the Issue Price. If the aggregate demand in this category is less than or equal to the Non-Institutional Category at or above the Issue Price, full allotment may be made to NIIs to the extent of their demand. In case the aggregate demand in this category is greater than the Non-Institutional Category at or above the Issue Price, Allotment may be made on a proportionate basis up to a minimum of the Non-Institutional Category.

7.3 ALLOTMENT TO QIBs

For the Basis of Allotment to Anchor Investors, Bidders/Applicants may refer to the ICDR Regulations or RHP / Prospectus. Bids received from QIBs bidding in the QIB Category (net of Anchor Portion) at or above the Issue Price may be grouped together to determine the total demand under this category. The QIB Category may be available for allotment to QIBs who have Bid at a price that is equal to or greater than the Issue Price. Allotment may be undertaken in the following manner:

- (a) In the first instance allocation to Mutual Funds for up to 5% of the QIB Category may be determined as follows: (i) In the event that Bids by Mutual Fund exceeds 5% of the QIB Category, allocation to Mutual Funds may be done on a proportionate basis for up to 5% of the QIB Category; (ii) In the event that the aggregate demand from Mutual Funds is less than 5%

of the QIB Category then all Mutual Funds may get full allotment to the extent of valid Bids received above the Issue Price; and (iii) Equity Shares remaining unsubscribed, if any and not allocated to Mutual Funds may be available for allotment to all QIBs as set out at paragraph 7.4(b) below;

- (b) In the second instance, allotment to all QIBs may be determined as follows: (i) In the event of oversubscription in the QIB Category, all QIBs who have submitted Bids above the Issue Price may be Allotted Equity Shares on a proportionate basis for up to 95% of the QIB Category; (ii) Mutual Funds, who have received allocation as per (a) above, for less than the number of Equity Shares Bid for by them, are eligible to receive Equity Shares on a proportionate basis along with other QIBs; and (iii) Under-subscription below 5% of the QIB Category, if any, from Mutual Funds, may be included for allocation to the remaining QIBs on a proportionate basis.

7.4 ALLOTMENT TO ANCHOR INVESTOR (IF APPLICABLE)

- (a) Allocation of Equity Shares to Anchor Investors at the Anchor Investor Issue Price will be at the discretion of the issuer subject to compliance with the following requirements:
- (i) not more than 60% of the QIB Portion will be allocated to Anchor Investors;
 - (ii) one-third of the Anchor Investor Portion shall be reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the price at which allocation is being done to other Anchor Investors; and
 - (iii) allocation to Anchor Investors shall be on a discretionary basis and subject to:
 - In case of allocation above ₹ 2,500 million, a minimum of five Anchor Investors and a maximum of 15 Anchor Investors for allocation up to ₹ 2,500 million; and
 - Additional 10 Anchor Investors for every additional ₹ 2,500 million or part thereof, subject to minimum allotment of ₹ 50 million per Anchor Investor.
- (b) A physical book is prepared by the Registrar on the basis of the Bid-cum-Application Forms received from Anchor Investors. Based on the physical book and at the discretion of the Issuer, in consultation with the GCBRLMs and the BRLMs, selected Anchor Investors will be sent a CAN and if required, a revised CAN.
- (c) **In the event that the Issue Price is higher than the Anchor Investor Issue Price:** Anchor Investors will be sent a revised CAN within one day of the Pricing Date indicating the number of Equity Shares allocated to such Anchor Investor and the pay-in date for payment of the balance amount. Anchor Investors are then required to pay any additional amounts, being the difference between the Issue Price and the Anchor Investor Issue Price, as indicated in the revised CAN within the pay-in date referred to in the revised CAN. Thereafter, the Allotment Advice will be issued to such Anchor Investors.
- (d) **In the event the Issue Price is lower than the Anchor Investor Issue Price:** Anchor Investors who have been Allotted Equity Shares will directly receive Allotment Advice.

7.5 ALLOTMENT TO EMPLOYEE RESERVATION PORTION

- (a) The Bid must be for a minimum of [●] Equity Shares and in multiples of [●] Equity Shares thereafter, so as to ensure that the Bid Amount payable by the Eligible Employees does not exceed ₹ [●]. The Allotment in the Employee Reservation Portion will be on a proportionate basis. Bidders under the Employee Reservation Portion may Bid at Cut-off Price.
- (b) Bids received from the Eligible Employees at or above the Issue Price shall be grouped together to determine the total demand under this category. The allocation to all the successful Eligible Employees will be made at the Issue Price.

- (c) If the aggregate demand in this category is less than or equal to [●] Equity Shares at or above the Issue Price, full allocation shall be made to the Employees to the extent of their demand. Under-subscription, if any, in the Employee Reservation Portion will be added back to the Net Issue.
- (d) If the aggregate demand in this category is greater than [●] Equity Shares at or above the Issue Price, the allocation shall be made on a proportionate basis up to a minimum of [●] Equity Shares and in multiple of one Equity Share thereafter. For the method of proportionate basis of allocation, refer below.
- (e) Only Eligible Employees can apply under Employee Reservation Portion.

7.6 BASIS OF ALLOTMENT FOR QIBs (OTHER THAN ANCHOR INVESTORS) AND NIIs IN CASE OF OVER-SUBSCRIBED ISSUE

In the event of the Issue being over-subscribed, the Issuer may finalise the Basis of Allotment in consultation with the Designated Stock Exchange in accordance with the ICDR Regulations.

The allocation may be made in marketable lots, on a proportionate basis as explained below:

- (a) Bidders may be categorized according to the number of Equity Shares applied for;
- (b) The total number of Equity Shares to be Allotted to each category as a whole may be arrived at on a proportionate basis, which is the total number of Equity Shares applied for in that category (number of Bidders in the category multiplied by the number of Equity Shares applied for) multiplied by the inverse of the over-subscription ratio;
- (c) The number of Equity Shares to be Allotted to the successful Bidders may be arrived at on a proportionate basis, which is total number of Equity Shares applied for by each Bidder in that category multiplied by the inverse of the over-subscription ratio;
- (d) In all Bids where the proportionate allotment is less than the minimum bid lot decided per Bidder, the allotment may be made as follows: the successful Bidders out of the total Bidders for a category may be determined by a draw of lots in a manner such that the total number of Equity Shares Allotted in that category is equal to the number of Equity Shares calculated in accordance with (b) above; and each successful Bidder may be Allotted a minimum of such Equity Shares equal to the minimum Bid Lot finalised by the Issuer;
- (e) If the proportionate allotment to a Bidder is a number that is more than the minimum Bid lot but is not a multiple of one (which is the marketable lot), the decimal may be rounded off to the higher whole number if that decimal is 0.5 or higher. If that number is lower than 0.5 it may be rounded off to the lower whole number. Allotment to all bidders in such categories may be arrived at after such rounding off; and
- (f) If the Equity Shares allocated on a proportionate basis to any category are more than the Equity Shares Allotted to the Bidders in that category, the remaining Equity Shares available for allotment may be first adjusted against any other category, where the Allotted Equity Shares are not sufficient for proportionate allotment to the successful Bidders in that category. The balance Equity Shares, if any, remaining after such adjustment may be added to the category comprising Bidders applying for minimum number of Equity Shares.

7.7 DESIGNATED DATE AND ALLOTMENT OF EQUITY SHARES

- (a) **Designated Date:** On the Designated Date, the Escrow Collection Banks shall transfer the funds represented by allocation of Equity Shares (other than ASBA funds with the SCSBs) from the Escrow Account, as per the terms of the Escrow Agreement, into the Public Issue Account with the Bankers to the Issue. The balance amount after transfer to the Public Issue Account shall be transferred to the Refund Account. Payments of refund to the Bidders shall also be made from the Refund Account as per the terms of the Escrow Agreement and the RHP.

- (b) **Issuance of Allotment Advice:** Upon approval of the Basis of Allotment by the Designated Stock Exchange, the Registrar shall upload the same on its website. On the basis of the approved Basis of Allotment, the Issuer shall pass necessary corporate action to facilitate the Allotment and credit of Equity Shares. Bidders/Applicants **are advised to instruct their Depository Participant to accept the Equity Shares that may be allotted to them pursuant to the Issue.**

Pursuant to confirmation of such corporate actions, the Registrar will dispatch Allotment Advice to the Bidders/Applicants who have been Allotted Equity Shares in the Issue.

- (c) The dispatch of Allotment Advice shall be deemed a valid, binding and irrevocable contract.
- (d) Issuer will ensure that: (i) the Allotment of Equity Shares; and (ii) credit of shares to the successful Bidders/Applicants Depository Account will be completed within 12 Working Days of the Bid/ Issue Closing Date. The Issuer also ensures the credit of shares to the successful Applicant's depository account is completed within two Working Days from the date of Allotment, after the funds are transferred from the Escrow Account to the Public Issue Account on the Designated Date.

SECTION 8: INTEREST AND REFUNDS

8.1 COMPLETION OF FORMALITIES FOR LISTING AND COMMENCEMENT OF TRADING

The Issuer may ensure that all steps for the completion of the necessary formalities for listing and commencement of trading at all the Stock Exchanges are taken within 12 Working Days of the Bid/Issue Closing Date. The Registrar to the Issue may give instructions for credit to Equity Shares the beneficiary account with DPs, and dispatch the Allotment Advice within 12 Working Days of the Bid/Issue Closing Date.

8.2 GROUNDS FOR REFUND

8.2.1 NON RECEIPT OF LISTING PERMISSION

An Issuer makes an application to the Stock Exchange(s) for permission to deal in/list and for an official quotation of the Equity Shares. All the Stock Exchanges from where such permission is sought are disclosed in RHP/Prospectus. The Designated Stock Exchange may be as disclosed in the RHP/Prospectus with which the Basis of Allotment may be finalised.

If the Issuer fails to make application to the Stock Exchange(s) and obtain permission for listing of the Equity Shares, in accordance with the provisions of Section 40 of the Companies Act, 2013, the Issuer may be punishable with a fine which shall not be less than five lakh rupees but which may extend to fifty lakh rupees and every officer of the Issuer who is in default shall be punishable with imprisonment for a term which may extend to one year or with fine which shall not be less than fifty thousand rupees but which may extend to three lakh rupees, or with both.

If the permissions to deal in and for an official quotation of the Equity Shares are not granted by any of the Stock Exchange(s), the Issuer may forthwith repay, without interest, all moneys received from the Bidders/Applicants in pursuance of the RHP/Prospectus. If such money is not repaid within the prescribed time after the Issuer becomes liable to repay it, then the Issuer and every director of the Issuer who is an officer in default may, on and from such expiry of such period, be liable to repay the money, with interest at such rate, as disclosed in the RHP/Prospectus.

8.2.2 NON RECEIPT OF MINIMUM SUBSCRIPTION

If the Issuer does not receive a minimum subscription of 90% of the Issue (excluding any offer for sale of specified securities), including devolvement to the Underwriters, within 60 days from the Bid/Issue Closing Date, the Issuer may forthwith, but not later than 70 days from the Bid/Issue Closing Date, without interest refund the entire subscription amount received in a manner prescribed under the ICDR Regulations, the Companies Act, 2013 and other applicable laws. In case the Issue is in the nature of

Offer for Sale only, then minimum subscription may not be applicable. If there is a delay beyond the prescribed time, then the Issuer and every director of the Issuer who is an officer in default may be liable to repay the money, with interest at the rate of 15% per annum.

8.2.3 MINIMUM NUMBER OF ALLOTTEES

The Issuer may ensure that the number of prospective Allottees to whom Equity Shares may be allotted may not be less than 1,000 failing which the entire application monies may be refunded forthwith.

8.2.4 IN CASE OF ISSUES MADE UNDER COMPULSORY BOOK BUILDING

In case an Issuer not eligible under Regulation 26(1) of the ICDR Regulations comes for an Issue under Regulation 26(2) of SEBI (ICDR) Regulations, 2009 but fails to allot at least 75% of the Issue to QIBs, in such case full subscription money is to be refunded.

8.3 MODE OF REFUND

- (a) **In case of ASBA Bids/Applications:** Within 12 Working Days of the Bid/Issue Closing Date, the Registrar to the Issue may give instructions to SCSBs for unblocking the amount in ASBA Account on unsuccessful Bid/Application and also for any excess amount blocked on Bidding/Application.
- (b) **In case of Non-ASBA Bid/Applications:** Within 12 Working Days of the Bid/Issue Closing Date, the Registrar to the Issue may dispatch the refund orders for all amounts payable to unsuccessful Bidders/Applicants and also for any excess amount paid on Bidding/Application, after adjusting for allocation/ allotment to Bidders/Applicants.
- (c) In case of non-ASBA Bidders/Applicants, the Registrar to the Issue may obtain from the depositories the Bidders/Applicants' bank account details, including the MICR code, on the basis of the DP ID, Client ID and PAN provided by the Bidders/Applicants in their Bid-cum-Application Forms for refunds. Accordingly, Bidders/Applicants are advised to immediately update their details as appearing on the records of their DPs. Failure to do so may result in delays in dispatch of refund orders or refunds through electronic transfer of funds, as applicable, and any such delay may be at the Bidders/Applicants' sole risk and neither the Issuer, the Registrar to the Issue, the Escrow Collection Banks, or the Syndicate, may be liable to compensate the Bidders/Applicants for any losses caused to them due to any such delay, or liable to pay any interest for such delay. Please note that refunds, on account of our Company not receiving the minimum subscription of 90% of the Issue, shall be credited only to the bank account from which the Bid Amount was remitted to the Escrow Bank.
- (d) In the case of Bids from Eligible NRIs, FPIs and FIIs, refunds, if any, may generally be payable in Indian Rupees only and net of bank charges and/or commission. If so desired, such payments in Indian Rupees may be converted into U.S. Dollars or any other freely convertible currency as may be permitted by the RBI at the rate of exchange prevailing at the time of remittance and may be dispatched by registered post. The Issuer may not be responsible for loss, if any, incurred by the Bidder/Applicant on account of conversion of foreign currency.

8.3.1 Mode of making refunds for Bidders/Applicants other than ASBA Bidders/Applicants

The payment of refund, if any, may be done through various modes as mentioned below:

- (a) **NECS**—Payment of refund may be done through NECS for Bidders/Applicants having an account at any of the centers specified by the RBI. This mode of payment of refunds may be subject to availability of complete bank account details including the nine-digit MICR code of the Bidder/Applicant as obtained from the Depository;
- (b) **NEFT**— Payment of refund may be undertaken through NEFT wherever the branch of the Bidders/Applicants' bank is NEFT enabled and has been assigned the Indian Financial System Code ("**IFSC**"), which can be linked to the MICR of that particular branch. The IFSC Code may be obtained from the website of RBI as at a date prior to the date of payment of refund,

duly mapped with MICR numbers. Wherever the Bidders/Applicants have registered their nine-digit MICR number and their bank account number while opening and operating the demat account, the same may be duly mapped with the IFSC Code of that particular bank branch and the payment of refund may be made to the Bidders/Applicants through this method. In the event NEFT is not operationally feasible, the payment of refunds may be made through any one of the other modes as discussed in this section;

- (c) **Direct Credit**— Bidders/Applicants having their bank account with the Refund Banker may be eligible to receive refunds, if any, through direct credit to such bank account;
- (d) **RTGS**— Bidders/Applicants having a bank account at any of the centers notified by SEBI where clearing houses are managed by the RBI, may have the option to receive refunds, if any, through RTGS; and
- (e) For all the other Bidders/Applicants, including Bidders/Applicants who have not updated their bank particulars along with the nine-digit MICR code, the refund orders may be dispatched through speed post or registered post for refund orders. Such refunds may be made by cheques, pay orders or demand drafts drawn on the Refund Bank and payable at par at places where Bids are received. SECTION VIII: MAIN PROVISIONS OF THE ARTICLES OF ASSOCIATION

Set forth below is certain information relating to our share capital, voting rights, dividend, lien, forfeiture, restrictions on transfer and transmission of Equity Shares and/or on their consolidation/splitting and other important terms of Articles of Association of our Company. Please note that each provision herein below is numbered as per the corresponding article number in the Articles of Association and capitalised/defined terms herein have the same meaning given to them in the Articles of Association.

The Articles of Association of the Company comprise of two parts. In case of inconsistency between Part I and Part II, the provisions of Part II shall be applicable. However, Part II shall become inapplicable without any further action immediately on the commencement of trading of the Equity Shares of the Company on the Stock Exchanges subsequent to the Issue.

PART I

1. SHARES

Share capital

- 1.1 The authorised share capital of the Company shall be such as given in Clause V of the Memorandum of Association or as altered from time to time, thereat payable in the manner as may be determined by the Board, with the power to increase, reduce, sub-divide or to repay the same or to divide the same into several classes and to attach thereto any rights and to consolidate or sub-divide or re-organize the shares and subject to the provisions of the Companies Act, to vary such rights as may be determined in accordance with the regulations of the Company.

Redeemable preference shares

- 1.2 Subject to the provisions of the Act, the Board shall have the power to issue or re-issue preference shares of one or more classes which are liable to be redeemed, or converted to equity shares, on such terms and conditions and in such manner as determined by the Board in accordance with the Companies Act.

Allotment of shares

- 1.3 Subject to the provisions of the Companies Act and these Articles, the shares in the capital of the Company for the time being shall be under the control of the Board who may issue, allot or otherwise dispose of the same or any of them to such persons, in such proportion and on such terms and conditions and either at a premium or at par or (subject to the compliance with the provisions of Section 53 and 54 of the Companies Act) at a discount and at such time as they may from time to time think fit and with the sanction of the Company in the general meeting to give to any person or persons the option or right to call for any shares either at par or premium during such time and for such consideration as the Board think fit, and may issue and allot shares in the capital of the Company on payment in full or part of any property sold and transferred or for any services rendered to the Company in the conduct of its business and any shares which may so be allotted may be issued as fully paid up shares and if so issued, shall be deemed to be fully paid shares. Provided that option or right to call of shares shall not be given to any person or persons without the sanction of the Company in the general meeting.

Commission for placing shares

- 1.4 The Company may, subject to compliance with the provisions of Section 40 of the Companies Act, exercise the powers of paying commission on the issue of shares or debentures, provided that the rate per cent or the amount of the commission paid or agreed to be paid shall be in accordance with and disclosed in the manner required by the Companies Act. The commission may be paid or satisfied in cash or by allotment of fully or partly paid shares, debentures or debenture stock of the Company or partly in one way and partly in the other.

Trusts not recognized

- 1.5 Subject to Section 89 of the Companies Act, the Company shall be entitled to treat the registered holder of any shares as the absolute owner thereof and accordingly shall not, except as ordered by a court of competent jurisdiction or as by law required, be bound to recognize any trust, benami or equitable or other claim to or interest in such shares or any fractional part of a share whether or not it shall have express or other notice thereof.

Transfer of Equity Shares

- 1.6 If any member of RG Group or IGE Group proposes to Transfer (“**Transferring Shareholder**”) any of its Equity Shares (“**Transfer Shares**”) to a third party (“**Third Party Purchaser**”), the other group i.e. the IGE Group and the RG Group, respectively (“**Non-Transferring Shareholders**”) shall have the right at its sole discretion to:
- (a) purchase the Transfer Shares to the extent and in the manner described below in Article 1.7 or Article 1.9, as the case maybe (“**Right of First Refusal**”); or
 - (b) the right to tag along to the extent and in the manner described below in Article 1.7 or Article 1.9, as the case maybe (“**Tag Along Right**”).
- 1.7 If a Transferring Shareholder proposes to Transfer the Transfer Shares otherwise than on a Stock Exchange:
- (a) the Transferring Shareholder shall first notify the Non-Transferring Shareholder in writing, by fax or by email of (i) the number of Transfer Shares, (ii) the proposed Transfer price in cash (“**Transfer Price**”), (iii) the identity of the Third Party Purchaser, (iv) the proposed closing date for such Transfer which shall not be less than 45 (forty- five) Business Days of the date of the notice; and (v) any other material terms of the agreement between the Transferring Shareholder and the Third Party Purchaser (“**Off Market Transfer Notice**”).
 - (b) Upon receipt of the Off Market Transfer Notice, the Non-Transferring Shareholder will be entitled at its option to exercise, by written notice given within 3 (three) Business Days of the receipt of the Off Market Transfer Notice to the Transferring Shareholder:
 - (i) the Right of First Refusal to purchase, on or before the proposed transfer date, at the Transfer Price and such number of the Transfer Shares as are stated in Article 1.7(c) below; or
 - (ii) to require that the Transferring Shareholder causes the Third Party Purchaser to purchase at least half in number of the Transfer Shares from the Non-Transferring Shareholder at the Transfer Price.
 - (c) The Non-Transferring Shareholders shall be entitled to purchase all but not less than all of the Transfer Shares, provided however that in the event the purchase of such number of the Transfer Shares would require the Non-Transferring Shareholders to make an “open offer” under the Takeover Regulations, they shall be obligated only to purchase a minimum of such number of Transfer Shares as would not require them to make such open offer.
 - (d) If the Non-Transferring Shareholders exercise the Right of First Refusal or the Tag Along Right, as the case maybe, then the Transferring Shareholders and the Non-Transferring Shareholders shall take steps to consummate the sale and purchase of the Transfer Shares identified in the Off Market Transfer Notice not later than the proposed closing date for such Transfer as stated in the Off Market Transfer Notice.
- 1.8 If mutually acceptable to both the Transferring Shareholders and the Non-Transferring Shareholders and if permissible under applicable law, the Transferring Shareholders and the Non-Transferring Shareholders may agree to effect the Transfer of the Transfer Shares on a Stock Exchange.
- 1.9 If a Transferring Shareholder proposes to Transfer any of the Transfer Shares by way of a pre-negotiated sale on the Stock Exchange, it shall first notify the Non-Transferring Shareholders by way

of an Off-Market Transfer Notice. Upon receipt of the Off-Market Transfer Notice, the Non-Transferring Shareholders may exercise the Right of First Refusal or the Tag Along Right (exercisable by a written notice given within 3 (Three) Business Days of the receipt of the Off-Market Transfer Notice to the Transferring Shareholders). If the Non-Transferring Shareholders exercise the Right of First Refusal or the Tag Along Right, then the Transferring Shareholders and the Non-Transferring Shareholders shall take steps to consummate the sale and purchase of the Transfer Shares identified in the Off-Market Transfer Notice not later than the proposed closing date for such Transfer as stated in the Off-Market Transfer Notice. In the event the Non-Transferring Shareholders do not consummate the sale or the purchase of the Transfer Shares after having exercised the above Right of First Refusal or the Tag Along Right, the Non Transferring Shareholder shall lose the Right of First Refusal and Tag Along Right with respect to all subsequently proposed Transfers by the Transferring Shareholder.

- 1.10 In the event the Non-Transferring Shareholder does not exercise the Right of First Refusal or the Tag Along Right within the period specified in Article 1.7 or Article 1.9, as the case may be, or does not communicate any decision within such period, the Transferring Shareholder may, after the expiry of such period, Transfer all but not less than all of the Transfer Shares to the Third-Party Purchaser on terms and conditions including price that are no more favourable to the buyer of the Transfer Shares than those set forth in the Off Market Transfer Notice. Such Transfer must take place not later than the proposed closing date given in the relevant notice referred to above. In the event the Non-Transferring Shareholder exercises the Tag Along Right, the Third Party Purchaser shall purchase, not later than 7 (Seven) Business Days from the original proposed closing date for such Transfer, all of the Transfer Shares (including the shares of the Non-Transferring Shareholder pursuant to the exercise of the Tag Along Right) on the same terms as in the Transfer Notice. The Off Market Transfer Shares referred to in an Off Market Transfer Notice, including any pre-negotiated block deal, shall be transferred only to the specific Third-Party Purchaser, whether on or off the Stock Exchange. For avoidance of doubt, it is understood that if for any reason such Transfer does not take place by the proposed closing date then Article 1.11 will apply.
- 1.11 Any Transfer Shares not so transferred within a period set out in Article 1.10 shall again become subject to the provisions of the Right of First Refusal and the Tag Along Right with respect to any subsequent proposed Transfer.
- 1.12 Notwithstanding anything to the contrary stated herein, a Transferring Shareholder shall not be entitled to Transfer, directly or indirectly, without the prior written consent of the Non-Transferring Shareholders, any of the Equity Shares:
 - (a) to a Competitor, it being agreed that this will not apply to any Transfer undertaken in good faith on the floor of a Stock Exchange (i) other than in a block deal or a synchronized deal; and (ii) other than where the identity of the buyer was otherwise known; or
 - (b) to any Person, if such proposed Transfer requires such Person to make an “open offer” under the Takeover Regulations for the shares of the Company.
- 1.13 The Right of First Refusal and the Tag Along Right shall not apply:
 - (a) to the Transfer of Equity Shares by any Shareholder to any of its Affiliates, provided:
 - (i) the concerned Affiliate signs the Deed of Adherence contained in the Shareholders Agreement;
 - (ii) In case of RG Group, the said Affiliate does not fall in the category of “FDI Investor” under the applicable Indian law at the time of such Transfer of Equity Shares, provided however, the restriction in this sub-Article 1.13(a)(ii) shall not apply to any Transfers made by the Chinkerpoo Family Trust to any of its Affiliate; and
 - (iii) such Affiliate is not any entity in which a Competitor is, directly or indirectly, a partner or shareholder;
 - (b) to the Transfer of any Equity Shares acquired after the IPO by any Shareholder other than as a result of a Transfer in terms of Article 1.13(a);

- (c) to the Transfer of Equity Shares by any Shareholder to an educational institution or charitable institution as a gift/donation, without any material financial consideration.
- 1.14 If a Non-Transferring Shareholder exercises its Right of First Refusal under these Articles, it may either purchase the subject Shares itself or have the Shares purchased by a Person nominated by it.
- 1.15 It is agreed that if any Shareholder Transfers its shares to a third party (either in full or in part) pursuant to the provisions of these Articles, such Shareholder shall not, except where the third party is an Affiliate of the Shareholder, be entitled to transfer the rights available to such Party unless approved by the other Party.

Acquisition of Shares

- 1.16 Each Group agrees that they shall not acquire any additional Equity Shares, voting rights or other securities of the Company (“**Securities**”), the acquisition of which triggers an open offer under Takeover Regulations, except as otherwise provided in these Articles.
- 1.17 RG Group and the Persons Acting in Concert with it on the one hand, and the IGE Group and the Persons Acting in Concert with it, on the other hand, will be entitled to acquire their respective pro rata Equity Shares, voting rights and/or Securities, based on the RG Group’s and IGE Group’s respective shareholding in the Company, of the permissible creeping acquisition limits under the Takeover Regulations as applicable at the relevant time. If such pro rata share as aforesaid are not purchased until 45 (forty-five) Business Days prior to the end of any financial year, the RG Group or the IGE Group, as the case may be, will be entitled to acquire the pro rata share of the other Party for such financial year by way of purchase from the market with prior intimation to the other party.
- 1.18 Should either RG Group or IGE Group request, from the other or from the Company, information on the shareholding in the Company held by and acquired by the other along with its respective Persons Acting in Concert, the same shall be provided forthwith and in any event no later than 7 (seven) Business Days from receipt of such request.
- 1.19 If either the RG Group or IGE Group, as applicable, (“**Defaulting Group**”) acquires or agrees to acquire any Equity Shares or voting rights or Securities in excess of the limits specified above as a result of which the other Group (“**Non-Defaulting Group**”), suffers any Loss or any financial outgo including under the Takeover Regulations, the Defaulting Group shall indemnify and hold harmless the Non-Defaulting Group for all Losses or any financial outgo which it may suffer on account of the actions of the Defaulting Group.
- 1.20 Notwithstanding the provisions of Article 1.19, if as a result of any acquisition of Equity Shares or voting rights or other Securities by the RG Group or the IGE Group (the acquiring Group being the “**Acquiring Entity**” and the other Group being the “**Non-Acquiring Entity**”), the Public Shareholding in the Company falls below the minimum public shareholding thresholds required for continued listing under applicable law, the Acquiring Entity shall sell its Equity Shares or voting rights or other Securities in the Company, as applicable, to ensure that the Company, as applicable, meets the minimum public shareholding thresholds for continued listing under applicable law. Further the indemnity provision of Article 1.19 shall apply mutatis mutandis in respect of any Loss or any financial outgo suffered or incurred by the Non-Acquiring Entity hereunder.

2. FURTHER ISSUE OF SHARES

- 2.1 Where at any time, the Company proposes to increase the subscribed capital of the Company by issue of further shares either out of the unissued capital or out of the increased share capital, such shares shall be offered:
 - (a) To the persons who at the date of the offer, are holders of the equity shares of the Company, in proportion, as nearly as circumstances admit, to the capital paid up on those shares at that date, subject to the following conditions:

- (i) Such offer shall be made by a notice specifying the number of shares offered and limiting a time not being less than 15 (fifteen) days and not exceeding 30 (thirty) days from the date of offer within which the offer, if not accepted, will be deemed to have been declined.
- (ii) The aforesaid offer shall be deemed to include a right exercisable by the person concerned to renounce the shares offered to him or any one of them in favour of any other person and the notice referred to in sub clause (i) hereof shall contain a statement of this right.

PROVIDED THAT the Board may decline, without assigning any reason to allot any shares to any person in whose favour any member may renounce the shares offered to him.

- (iii) After the expiry of the time specified in the notice aforesaid or on receipt of earlier intimation from the person to whom such notice is given that he declines to accept the shares offered, the Board may dispose of them in such manner which is not disadvantageous to the shareholders of the Company.
- (b) To employees under a scheme of employees' stock option, subject to a special resolution passed by the Company and subject to the conditions in the Companies Act and other applicable laws.
- (c) To any persons, if authorized by a special resolution of the shareholders, whether or not those persons include the persons referred to in sub-clause (a) or sub-clause (b) hereof, either for cash or for a consideration other than cash, if the price of such shares is determined by the valuation report of a registered valuer, and subject to any conditions as may be prescribed in the Companies Act.

- 2.2 Nothing contained in this Article shall apply to the increase of the subscribed capital of the Company caused by the exercise of an option as a term attached to the debentures issued or loans raised by the Company to convert such debentures or loans into shares in the Company;

PROVIDED THAT the terms of issue of such debentures or the terms of such loans containing an option have been approved before the issue of such debentures or the raising of loan by a special resolution passed by the Company in the general meeting.

6. CALLS

Calls

- 6.1 The Board may from time to time, subject to the terms on which any shares, may have been issued make such calls as it thinks fit upon the members in respect of all monies unpaid on the shares held by them respectively, and not by the conditions of allotment thereto made payable at fixed times, and each member shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Board. Provided that no call shall exceed one-fourth of the nominal value of the share or be payable at less than one month from the date fixed for the payment of the last preceding call. A call may be made payable by installments.

When call deemed to have been made

- 6.2 That the option or right to call of shares shall not be given to any person except by the discretion of the Board.

Notice to call

- 6.3 Not less than 30 (thirty) days' notice of any call shall be given specifying the time and place of payment and to whom such call shall be paid.

Amount payable

- 6.4 That if the terms of issue of any share or otherwise, the whole or part of the amount of issue price thereof is made payable at any fixed time or by installments at fixed times, every such amount of issue price or installment thereof shall be payable as if it was a call duly made by the Board and of which due notice had been given and all the provisions herein contained in respect of calls shall apply to such amount of issue price or installments accordingly.

Interest to be charged on non-payment of calls

- 6.5 If the sum payable in respect of any call or installment be not paid on or before the day appointed for the payment thereof the holder for the time being of the share in respect of which the call shall have been made or the installment shall be due, shall pay interest for the same at the rate of 10 (ten) per cent per annum, from the day appointed for the payment thereof to the actual payment or at such other rate as the Board may determine but they shall have the power to waive the payment thereof wholly or in part.

Evidence in actions by Company against shareholders

- 6.6 On the trial, at hearing of any action or suit brought by the Company against any member or his representative to recover any debt or money claimed to be due to the Company in respect of his shares, it shall be sufficient to prove that the name of the defendant is, or was when the claim arose, on the register of the Company as a holder, or one of the holders of the number of shares in respect of which such claim is made, that the resolution making the call is duly recorded in the minute book and that the amount claimed is not entered as paid in the books of the Company, and it shall not be necessary to prove the appointment of the Directors who made any call or that a quorum of Directors was present at the meeting at which any call was made or that such meeting was duly convened or constituted, or any other matter whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debts.

Payment of calls in advance

- 6.7 The Board may, if it thinks fit, subject to the provisions of Section 50 of the Companies Act, agree to and receive from any member willing to advance the same, all or any part of the money due upon the shares held by him beyond the sums actually called for and upon the amount so paid or satisfied in advance or so much thereof as from time to time exceeds the amount of calls then made, upon the shares in respect of which such advance has been made, the Company may pay interest at such rate not exceeding, unless the Company in general meeting shall otherwise direct, 12 (Twelve) percent per annum on the member paying such sum as advance and the Board agrees upon money so paid in excess of amount of call shall not rank for dividends or confer a right to participate in profits. The Board may at any time repay the amount so advanced upon giving such member notice in writing.

The members shall not be entitled to any voting rights in respect of the money so paid by them until the same would but for such payment, become presently payable.

The provisions of these Articles shall mutatis mutandis apply to the calls on debentures of the Company.

7. FORFEITURE AND LIEN

Notice may be given for calls or installment not paid

- 7.1 If a member fails to pay any call, or installment on or before the day appointed for the payment of the same, the Board may at any time thereafter, during such time as the call or installment remain unpaid, serve notice on such member requiring him to pay the same together with any interest that may have accrued and expenses that may have been incurred by the Company by reasons of such non-payment.

Form of notice

- 7.2 The notice shall name a further day (not being earlier than the expiry of 14 (Fourteen) days from the date of service of the notice) and a place or place on and at which such call or installment and such interest and expenses as aforesaid are to be paid. The notice shall also state that in the event of non-payment on or before the time, and at the place or places appointed, the shares in respect of which such call was made or installment is payable will be liable to be forfeited.

If notice not complied with shares may be forfeited

- 7.3 If the requirement of any such notice as aforesaid to be not complied with, any shares in respect of which such notice has been given may, at any time thereafter before payment of all calls or installments, interest and expenses due in respect thereof, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all dividends declared in respect of the forfeited shares not actually paid before the forfeiture. Subject to Section 123 of the Companies Act, neither the receipt by the Company of a portion of any money which shall, from time to time, be due from any member of the Company in respect of his shares, either by way of principal or interest, nor any indulgency granted by the Company in respect of the payment of any such money shall preclude the Company from thereafter proceeding to enforce a forfeiture of such share as herein provided.

Notice after forfeiture

- 7.4 When any shares shall have been so forfeited, notice of the forfeiture shall be given to the member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture with the date thereof, shall forthwith be made in the register but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or to make such entry as aforesaid.

Forfeited shares to become property of the Company

- 7.5 Any share so forfeited shall be deemed to be the property of the Company and the Board may sell, re-allot or otherwise dispose of the same in such manner as they think fit.

Power to annul forfeiture

- 7.6 The Board may, at any time before any share so forfeited shall be sold, re-allotted or otherwise disposed of annul the forfeiture thereof upon such conditions as they think fit.

Arrears to be paid notwithstanding forfeiture

- 7.7 A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but shall, notwithstanding the forfeiture, remain liable to pay to the Company all moneys, which, at the date of the forfeiture, were presently payable by him to the Company in respect of the shares. The liability of such person shall cease if and when the Company receives payment in full of all such monies in respect of the shares.

Effect of forfeiture

- 7.8 The forfeiture of a share shall involve the extinction of all interest in and also of all claims and demands against the Company in respect of the share, and all other rights incidental to the share, except only such of those rights as by these Articles are expressly saved.

Evidence of forfeiture

- 7.9 A duly verified declaration in writing that the declarant is a Director, the manager or the Secretary of the Company and that certain shares in the Company have been duly forfeited on a date stated in the declaration shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the shares and the receipt of the Company for the consideration, if any, given for the shares on the sale or disposition thereof, shall constitute a written title to such share.

Company lien on shares and debentures

- 7.10 The Company shall have a first and paramount lien upon all the shares/debentures registered in the name of such member (whether solely or jointly) with others and upon the proceeds of sale thereof for all moneys (whether presently payable or not) called or payable at a fixed time in respect of such shares/debentures and no equitable interest in any shares shall be created except on the footing and condition that this Article will have full effect. That fully paid shares/debentures shall be free from all lien and that in the case of partly paid shares, the Company's lien shall be restricted to money called or payable at a fixed time in respect of such shares. Such lien shall extend to all dividends and bonuses from time to time declared in respect of such shares/debentures. Unless otherwise agreed the registration of a transfer of shares/debentures shall operate as a waiver of the Company's lien, if any, on such shares/debentures. The Board may at any time declare any shares/debentures wholly or in part to be exempt from the provision of the clause.

Intention as to enforcing lien by sale, Application of proceeds of sale

- 7.11 For the purpose of enforcing such lien, the Board may sell the shares subject thereto in such manner as they think fit, but no sale shall be made until such period as aforesaid shall have elapsed and until notice in writing of the intention to sell shall have been served on such member, his committee, *curator bonis* or other person recognized by the Company as entitled to represent such member and default shall have been made by him or them in the payment of the sum payable as aforesaid for 30 (Thirty) days after such notice. The net proceeds of any such sale shall be applied in or towards satisfaction of such part of the amount in respect of which the lien exists as is presently payable by such member and the residue (if any) be paid to such member, his executors, administrator, or other representatives or persons so recognized as aforesaid.

Validity of shares

- 7.12 Upon any sale after forfeiture or for enforcing a lien in purported exercise of the powers by these presents given the Board may appoint some person to execute an instrument of transfer of the shares sold and cause the purchaser's name to be entered in the register in respect of the shares sold and after his name has been entered in the register in respect of such shares his title to such shares shall not be affected by any irregularity or invalidity in the proceedings in reference to such forfeiture, sale or disposition, nor impeached by any person and the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively. The proceeds of the sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable. The residue, if any, shall, subject to a like lien for sums not presently payable as existed upon the shares before the sale, be paid to the person entitled to the shares at the date of the sale.

Power to issue new certificate

- 7.13 Where any shares under the powers in that behalf herein contained are sold by the Board and the certificate thereof has not been delivered to the Company by the former holders of the said shares the Board may issue new certificate in lieu of certificate not so delivered up in the manner prescribed under the Companies Act.

8. TRANSFER AND TRANSMISSION OF SHARES

Execution of transfer etc.

- 8.1 Subject to the provisions of the Companies Act and these Articles, no transfer of shares shall be registered unless a proper instrument of transfer duly stamped and executed by or on behalf of the transferor or transferee has been delivered to the Company within a period of 60 (Sixty) days from the date of the execution together with the certificate or certificates of the shares or if no such certificate is in existence along with the letter of allotment of shares. The instrument of transfer of any shares shall be signed both by or on behalf of the transferor and by or on behalf of the transferee and the transferor shall be deemed to remain the holder of such share until the name of the transferee is entered in the register in respect thereof.

Application for transfer

- 8.2 Application for the registration of the transfer of a share may be made either by the transferor or the transferee provided that where such application is made by the transferor, no registration shall in the case of partly paid shares be effected unless the Company gives notice of the application to the transferee in the manner prescribed by the Companies Act, and subject to the provisions of Articles hereof, the Company shall unless objection is made by the transferee within two weeks from the date of receipt of the notice enter in the register the name of the transferee in the same manner and subject to the same conditions as if the application for registration was made by the transferee.

Notice of transfer to registered holder

- 8.3 Before registering any transfer tender for registration, the Company, may if it so thinks fit give notice by letter posted in the ordinary course to the registered holder that such transfer deed has been lodged and that unless objection is taken, the transfer will be registered and if such registered holder fails to lodge an objection in writing at the Office of the Company within two weeks from the posting of such notice to him he shall be deemed to have admitted the validity of the said transfer.

Register of transfers

- 8.4 The Company shall keep a 'Register of Transfer' and therein shall be fairly and distinctly entered particulars of every transfer of any share.

In what case to decline to register transfer of shares

- 8.5 Subject to the provisions of these Articles and Section 58 of the Companies Act and Section 22A of the Securities Contracts (Regulation) Act, 1956 as amended, the Board at their own absolute and uncontrolled discretion and by giving reason for such refusal, may refuse to register or acknowledge any transfer of a share whether fully paid up or not and where the right of refusal, shall not be affected by the circumstances that the proposed transferee is already a member of the Company but in such cases Board shall within 30 (Thirty) days from the date on which the instrument of transfer was lodged with the Company send to the transferor and transferee notice of the refusal to register such transfer, provided that registration of a transfer of shares shall not be refused on the ground of the transferor being either alone or jointly with any other person or persons indebted to Company on any account whatsoever except when the Company has a lien on the shares. However, no transfer of shares/debentures shall be refused on the ground of them not being held in marketable lots.

When instrument of transfer to be retained

- 8.6 All instruments of transfer duly approved shall be retained by the Company and in case of refusal, instruments of transfer shall be returned to the person who lodged the transfer deeds.

Notice of refusal to register transfer

- 8.7 If the Board refuses to register the transfer of any share, the Company shall within 30 (Thirty) days from the date on which the instrument of transfer was lodged with the Company or intimation given, send to the transferor and the transferee or the person giving intimation of such transfer, notice of such refusal.

Power to close transfer book & register

- 8.8 Subject to the provisions of the Companies Act, the Register of Members may be closed for any period or periods not exceeding in the aggregate forty-five days in each year, but not exceeding thirty days at any one time, subject to giving of previous notice of at least seven days (or such lesser period as may be specified by Securities and Exchange Board of India for listed Companies or the Companies which intend to get their securities listed).

Transmission of registered shares

- 8.9 On the death of a member, the survivor or survivors where the member was a joint holder, and his nominee or nominees or legal representatives where he was a sole holder, shall be the only persons recognised by the Company as having any title to his interest in the shares.
- 8.10 Nothing in Article 8.9 shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him with other persons.
- 8.11 Any person becoming entitled to a share in consequence of the death or insolvency of a member may, upon such evidence being produced as may from time to time properly be required by the Board and subject as hereinafter provided, elect, either:
- (a) to be registered himself as holder of the share; or
 - (b) to make such transfer of the share as the deceased or insolvent member could have made.
- 8.12 The Board shall, in either case, have the same right to decline or suspend registration as it would have had, if the deceased or insolvent member had transferred the share before his death or insolvency.
- 8.13 The Company shall be fully indemnified by such person from all liability, if any, by actions taken by the Board to give effect to such registration or transfer.
- 8.14 If the person so becoming entitled shall elect to be registered as holder of the share himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects.
- 8.15 If the person aforesaid shall elect to transfer the share, he shall testify his election by executing a transfer of the share.
- 8.16 All the limitations, restrictions and provisions of these regulations relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or insolvency of the member had not occurred and the notice or transfer were a transfer signed by that member.
- 8.17 A person becoming entitled to a share by reason of the death or insolvency of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company:
- Provided that the Board may, at any time, give notice requiring any such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within ninety days, the Board may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the share, until the requirements of the notice have been complied with.
- 8.18 The provisions of these Articles relating to transmission by operation of law shall *mutatis mutandis* apply to any other securities including debentures of the Company.

Transfer of shares deceased or insolvent members

- 8.19 Any person becoming entitled to transfer shares in consequence of the death or insolvency of any member, upon producing such evidence that he sustains the character in respect of which he proposes to act under this Article, or of his title as the Board think sufficient, may with the consent of the Board (which they shall not be under any obligation to give), be registered as a member in respect of such shares may, subject to the regulations as to transfer hereinbefore contained, transfer such shares. This Article is hereinafter referred to as 'The Transmission Article'. Subject to any other provisions of these Articles if the person so becoming entitled to shares under this or the last preceding Article shall elect to be registered as a member in respect of the share himself he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. If he shall elect to transfer to some other person he shall execute an instrument of transfer in accordance with the provisions of these Articles relating to transfer of shares. All the limitations,

restrictions and provisions of these Articles relating to the rights to transfer and the registration of transfers of shares shall be applicable to any such notice of transfer as aforesaid.

Rights to executors and trustees.

- 8.20 Subject to any other provisions of these Articles if the Board in its sole direction is satisfied in regard thereof, a person becoming entitled to a share in consequence of the death or insolvency of a member may receive and give a discharge for any dividends or other money payable in respect of the share.

Provisions of articles relating to transfer applicable

- 8.21 The instrument of transfer shall be in writing and all the provisions of Section 56 of the Companies Act and of any statutory modification thereof for the time being shall be duly complied with in respect of all transfer of shares and the registration thereof. A common form of transfer shall be used.

10. STOCKS

Stocks

- 10.1 The Company may exercise the power of conversion of its shares into stock.

11. ALTERATION OF CAPITAL

Power to sub-divide and consolidate

- 11.1 The Company may, by ordinary resolution, from time to time, subject to Section 61 of the Companies Act, alter the conditions of Memorandum of Association as follows:
- (a) Increase the share capital by such amount to be divided into shares of such amount as may be specified in the resolution;
 - (b) Consolidate and divide all or any its share capital into shares of larger amount than its existing shares;
 - (c) Sub-divide its existing shares or any of them into shares of smaller amount than is fixed by Memorandum of Association;
 - (d) Cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person and diminish the amount of its share capital by the amount of the share so cancelled; and
 - (e) Convert all or any one its fully paid-up shares into stock, and reconvert that stock into fully paid-up shares of any denomination.

Surrender

- 11.2 Subject to applicable law, the Board may accept from any member the surrender of all or any of his shares on such terms and conditions as shall be agreed.

12. MODIFICATION OF RIGHTS

Power of modify rights

- 12.1 If at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may, whether or not the Company is being wound up, be varied with consent in writing of the holders of three-fourths of the issued shares of that class, or with the sanction of a special resolution passed at a separate meeting of the holders of the shares of that class. To every such separate meeting

the provisions of these Articles, relating to general meeting shall apply mutatis mutandis, but so that the necessary quorum shall be at least two persons holding at least one-third of the issued shares of the class.

13. BORROWING POWERS

Power to borrow

- 13.1 The Board may, from time to time and at its discretion, subject to the applicable provisions of the Companies Act and directions issued by the Reserve Bank of India to raise or borrow, either from the Directors or from elsewhere and secure the payment of any sums or sum of money for the purposes of the Company.

Condition on which money may be borrowed

- 13.2 The Board may raise or secure the repayment of such sum or sums in such manner and upon such terms and conditions in all respects as it thinks fit, and in particular, by the issue of bonds, redeemable debenture or debenture-stock, or any mortgage or other security on the undertaking of the whole or part of the property of the Company (both present and future), including its uncalled capital for the time being, provided that debentures with the right to allotment of conversion into shares shall not be issued except with the sanction of the Company in a general meeting and subject to the provisions of the Companies Act.

Issue at discount etc. or with special privileges

- 13.3 Subject to the provisions of the Companies Act, any debentures, debenture-stock, bonds or other securities may be issued at a discount or premium or otherwise and may be issued on condition that they shall be convertible into shares of any denomination and with any special privileges and conditions as to redemption, surrender, drawing, allotment of shares, attending (but not voting) at general meetings, appointment of Directors and otherwise. Debentures with the right to conversion into or allotment of shares shall be issued only with the consent of the Company in a general meeting accorded by a special resolution.

Debentures, debentures-stock, bonds and other securities may be made assignable free from any equities between the Company and the person to whom the same may be issued.

Instrument of Transfer

- 13.4 Save as provided in Section 56 of the Companies Act, no transfer of debenture shall be registered unless a proper instrument of transfer duly stamped and executed by the transferor and the transferee has been delivered to the Company together with the certificate or certificates of debentures.
- 13.5 If the Board refuses to register the transfer of any debentures, the Company shall, within 30 (Thirty) days from the date on which the instrument of transfer was lodged with the Company, send to the transferee and to the transferor notice of the refusal.

14. RESERVES

Reserves

- 14.1 Subject to the provisions of the Companies Act, the Board may in accordance with Section 123 of the Companies Act, before recommending any dividend, set aside out of the profits of the Company such sums as it thinks proper as reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the Company may be properly applied and pending such application may at its discretion, either be employed in the business of the Company or be invested in such investments (other than shares of the Company as the Board may from time to time think fit). The Board may also carry forward any profit which it may think prudent not to divide without setting them aside as a reserve.

Capitalization

- 14.2 Any general meeting may resolve that the whole or any part of the undivided profit of the Company (which expression shall include any premiums received on the issue of shares and any profits or other sums which have been set aside as a reserve or reserves or have been carried forward without being divided) be capitalized and distributed amongst such of the members as would be entitled to receive the same if distributed by way of dividend and in the same proportions on the footing that they become entitled thereto as capital and that all or any part of such capitalized amount be applied on behalf of such members in paying up in full any un-issued shares of the Company which shall be distributed accordingly or in or towards payment of the uncalled liability on any issued share and that such distribution or payment shall be accepted by such members in full satisfaction of their interest in the said capitalized amount provided that any sum standing to the credit of a Securities Premium Account or a Capital Redemption Reserve Account may, for the purpose of this Article only be applied in the paying up of un-issued shares to be issued to members of the Company as fully-paid bonus shares.

Fractional Certificate

- 14.3 For the purpose of giving effect to any resolution under two last preceding Articles, the Board may settle any difficulty which may arise in regard to the distribution as they think expedient and in particular may issue fractional certificate.

15. GENERAL MEETINGS

Extra-ordinary general meeting

- 15.1 The Board may, whenever they think fit, call an extra ordinary general meeting. If at any time Directors capable of acting who are sufficient in number to form a quorum are not within India, any Director or any two members of the Company may call an extraordinary general meeting in the same manner, as nearly as possible, as that in which such a meeting may be called by the Board.

Calling of extra-ordinary general meeting on requisition

- 15.2 The Board of the Company shall on the requisition of such member or members of the Company as is specified in sub section (2) of Section 100 of the Companies Act forthwith proceed to call an extra-ordinary general meeting of the Company and in respect of any such requisition and of any meeting to be called pursuant thereto, all the other provisions of Section 100 of the Companies Act and of any statutory modification thereof for the time being shall apply.

Quorum

- 15.3 The quorum for a general meeting shall be as provided in Section 103 of the Companies Act.

Chairman

- 15.4 At every general meeting, the 'Chair' shall be taken by the Chairman of the Board. If at any meeting, the Chairman of the Board is not present within fifteen minutes after the time appointed for holding the meeting or, though present be unwilling to act as chairman, the members present shall choose one of the Directors present to be Chairman or if no Directors shall be present or through present be unwilling to take the Chair then the members present shall choose one of their members being a member, entitled to vote, to be Chairman.

Sufficiency of ordinary resolution

- 15.5 Any act or resolution which, under the provisions of this Article or of the Companies Act, is permitted shall be sufficiently so done or passed if effected by an ordinary resolution unless either the Companies Act or the Articles specifically require such act to be done or resolution passed as a special resolution.

When Quorum not present, Meeting to be dissolve and when adjourned

- 15.6 Subject to the provisions of the Companies Act, If within half an hour from the time appointed for the meeting a quorum be not present, the meeting, if converted upon a resolution of the shareholders shall be dissolved but in any other case it shall stand adjourned to the same day in the next week at same time and place, unless the same shall be public holiday when the meeting shall stand adjourned to the next day not being a public holiday at the same time and place and if at such adjourned meeting a quorum be not present within half an hour from the time appointed for the meeting, those members who are present shall be a quorum and may transact the business for which the meeting was called.

Power to adjourn general meeting

- 15.7 The Chairman of a general meeting may adjourn the same, from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. Save as aforesaid, and as provided in Section 103 of the Companies Act, it shall not be necessary to give notice to the members of such adjournment or of the time, date and place appointed for the holding of the adjourned meeting.

Business may proceed notwithstanding demand of poll

- 15.8 If a poll be demanded, the demand of a poll shall not prevent the continuance of a meeting or the transaction of any business other than the question on which a poll has been demanded.

16. VOTES OF MEMBERS

Votes of Members

- 16.1 On a show of hands every member present in person and being a holder of equity shares shall have one vote and every person present either as a Proxy on behalf of a holder of equity shares or as a duly authorized representative of a body corporate being a holder of equity shares, if he is not entitled to vote in his own right, shall have one vote.
- 16.2 On a poll the voting rights of holder of equity shares shall be in proportion to his share in the paid-up equity share capital of the Company. A member may exercise his vote at a meeting by electronic means in accordance with Section 108 of the Companies Act and shall vote only once.
- 16.3 No Company or body corporate shall vote by Proxy so long as a resolution of the Board under Section 113 of the Companies Act is in force and the representative named in such resolution is present at the general meeting at which the vote by Proxy is tendered.
- 16.4 A person becoming entitled to a share shall not before being registered as member in respect of the share be entitled to exercise in respect thereof any right conferred by membership in relation to meeting of the Company.

Votes in respect of deceased, insolvent and insane members

- 16.5 If any member be a lunatic or idiot, he may vote whether on a show of hands or at a poll by his committee or other legal curator and such last mentioned persons may give their votes by Proxy provided that at least 24 (Twenty Four) hours before the time of holding the meeting or adjourned meeting as the case may be, at which any such person proposes to vote he shall satisfy the Board of his rights under this Articles unless the Board shall have previously admitted his right to vote at such meeting in respect thereof.

Joint holders

- 16.6 Where there are joint holders of any share any one of such persons may vote at any meeting either personally or by Proxy in respect of such shares as if he were solely entitled thereto and if more than one such jointholders be present at any meeting either personally or Proxy then that one of the said persons so present whose name stands prior in order on the register in respect

of such share shall alone be entitled to vote in respect thereof. Several executors or administrators of deceased member in whose name any share stands shall for the purpose of this Article be deemed joint-holders thereof.

Instrument appointing Proxy to be made in writing and deposited at the Office

- 16.87 The instrument appointing a Proxy shall be in writing under the hands of the appointer or of his attorney duly authorized in writing or if such appointer is a corporation under its Seal or the hands of its attorney.
- 16.8 The instrument appointing a Proxy and the power-of-attorney or other authority (if any), under which it is signed or a notarized copy of that power of authority shall be deposited at the Office not less than 48 (Forty Eight) hours before the time for holding the meeting at which the person named in the instrument proposes to vote and in default, the instrument of Proxy shall not be treated as valid.

When vote by Proxy valid though authority revoked

- 16.9 A vote given in accordance with the terms of an instrument appointing a Proxy shall be valid notwithstanding the previous death or insanity of the principal or revocation of the instrument of transfer of the share in respect of which the vote is given. Provided that no intimation in writing of the death, insanity, revocation or transfer of the share shall have been received at the Office or by the Chairman of the meeting before the vote is given. Provided nevertheless that the Chairman of any meeting shall be entitled to require such evidences as he may in his discretion think fit of the due execution of an instrument of Proxy and that the same has not been revoked.

Form of instrument appointing Proxy

- 16.10 Every instrument appointing a Proxy shall as nearly as the circumstances will admit, be in the form set out in the Companies Act.

Validity of vote
