RISK FACTORS

The risk factors set forth below are limited to this Open Offer, the Underlying Transaction contemplated under the Investment Agreement and the Acquirer, and are not in relation to the present or future business operations of the Target Company or other related matters. These are neither exhaustive nor intended to constitute a complete analysis of all the risks involved in the participation by Public Shareholders in this Open Offer, or in association with the Acquirer, but are merely indicative in nature. Public Shareholders are advised to consult their stockbrokers, legal advisors, investment consultants and/or tax advisors, for understanding and analysing all risks associated with respect to their participation in this Open Offer. The Public Shareholders are advised to consult their respective tax advisors for assessing the tax liability pursuant to this Open Offer, or in respect of any other aspects such as the treatment that may be given by their respective assessing officers in their case, and the appropriate course of action that they should take. The Acquirer and the Manager do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth in the DLoF.

For capitalised terms used herein please refer to the section on Definitions and Abbreviations set out below.

1. Risks relating to the Open Offer and the Underlying Transaction:

- This Open Offer is an open offer under the SEBI (SAST) Regulations to acquire up to 415,586,443 (four hundred and fifteen million five hundred and eighty-six thousand four hundred and forty-three) Equity Shares representing 26.00%* (twenty-six per cent.) of the Expanded Voting Share Capital (*as defined below*), from the Public Shareholders.

**The Open Offer size is subject to the MPS Proportionate Reduction, such that the resulting shareholding of the Acquirer on completion of the Open Offer and the Underlying Transaction does not exceed 75.00% of the Expanded Voting Share Capital.*

- The consummation of the Underlying Transaction and the Open Offer is subject to the receipt of all Required Statutory Approvals and satisfaction of certain conditions precedent specified in the Investment Agreement (some of which have been set out in paragraph 7(ii) of Section III(A) (*Background to the Open Offer*) of this Draft Letter of Offer below) (unless waived in accordance with the Investment Agreement). If the aggregate foreign investment limits of the Target Company as on the date of (and immediately prior to) the closure of the Open Offer are not sufficient enough to enable the Acquirer to acquire a minimum of 51.00% (fifty-one per cent.) of the issued and paid up equity share capital of the Target Company, factoring the following: (i) subscription to the Subscription Shares; and (ii) the acquisition of the Tendered Shares, then the Acquirer shall be entitled to terminate the Investment Agreement and will apply to SEBI for withdrawal from the Open Offer. Further, in the event that either: (a) any of the Required Statutory Approvals are not received; or (b) if the conditions precedent as specified in the Investment Agreement (as set out at paragraph 7(ii) of Part III (A) (*Background to the Open Offer*) of this DLoF) which are outside the reasonable control of the Acquirer, are not satisfied (or waived in accordance with the Investment Agreement) by the Cut-Off Date (*as defined in the Investment Agreement*), and the Investment Agreement terminates in accordance with the terms thereunder, then the Acquirer shall have the right to withdraw the Open Offer in terms of Regulation 23 of the SEBI (SAST) Regulations. In the event of such withdrawal of the Open Offer, the Acquirer (through the Manager) shall, within 2 (two) Working Days of such withdrawal, make an announcement of such withdrawal, in the same newspapers in which the DPS was published, stating grounds for the withdrawal in accordance with Regulation 23(2) of the SEBI (SAST) Regulations.
- If: (a) any of the Required Statutory Approvals are delayed or not received in time; (b) there is any litigation leading to a stay/injunction on the Open Offer or that restricts/restrains the Acquirer from performing its obligations hereunder; or (c) SEBI instructs the Acquirer not to proceed with the Open Offer, then the Open Offer process may be delayed beyond the schedule of activities indicated in this Draft Letter of Offer. In case any Required Statutory Approval, or any other statutory approval or other governmental approval that may be required by the Acquirer, is not received in time, SEBI may, if satisfied, that such delay in receipt of the Required Statutory

Approval or any statutory or other approval was not attributable to any wilful default, failure or neglect on the part of the Acquirer to diligently pursue such approval, grant an extension of time to the Acquirer for making payment of the consideration to the Public Shareholders whose Offer Shares have been accepted in the Open Offer, subject to such terms and conditions as may be specified by SEBI, including payment of interest, if any, in accordance with the SEBI (SAST) Regulations. In addition, where any statutory approval extends to some but not all of the Public Shareholders, the Acquirer shall have the option to make payment to such Public Shareholders in respect of whom no statutory approvals are required in order to complete this Open Offer. Other than as set out in Part C (*Statutory and Other Approvals*) of Section VII (*Terms and Conditions of the Open Offer*), as on the date of this Draft Letter of Offer, to the best of the knowledge of the Acquirer, there are no other statutory or governmental approvals required for the consummation of the Underlying Transaction. However, if any other statutory or governmental approval(s) are required or become applicable at a later date before closure of the Tendering Period, this Open Offer shall be subject to such statutory approvals and the Acquirer shall make the necessary applications for such statutory approvals and the Underlying Transaction and the Open Offer would also be subject to such other statutory or other governmental approval(s) and the Acquirer shall make the necessary applications for such other approvals. The applications for Required Statutory Approvals (as currently deemed necessary) have been filed and/or are in the process of being filed.

- All Public Shareholders (including resident or non-resident shareholders) must obtain all requisite approvals required, if any, to tender the Offer Shares (including without limitation, the approval from the RBI) held by them, in the Offer and submit such approvals, along with the other documents required to accept this Offer. In the event such approvals are not submitted, the Acquirer reserves the right to reject such Equity Shares tendered in the Offer. Further, if the Public Shareholders who are not persons resident in India had required any approvals in respect of the transfer of Equity Shares held by them, they will be required to submit such previous approvals that they would have obtained for holding the Equity Shares, to tender the Equity Shares held by them pursuant to this Open Offer, along with the other documents required to be tendered to accept this Open Offer. In the event such prior approvals are not submitted, the Acquirer reserves the right to reject such Equity Shares tendered in this Open Offer. Public shareholders classified as OCB, if any, may tender the Equity shares held by them in the Open Offer pursuant to receipt of approval RBI under FEMA (*as defined by below*). Such OCBs shall approach the RBI independently to seek approval to tender equity shares held by them in the Open Offer pursuant to receipt of approval from RBI under FEMA. If the Equity Shares are held under general permission of the RBI, the non- resident Public Shareholder should state that the Equity Shares are held under general permission and clarify whether the Equity Shares are held on repatriable basis or non-repatriable basis.
- Equity Shares, once tendered through the Form of Acceptance-cum-Acknowledgement in the Open Offer, cannot be withdrawn by the Public Shareholders, even if the acceptance of their Equity Shares in this Open Offer and payment of consideration are delayed. The tendered Equity Shares and documents will be held in trust by the Registrar to the Offer until such time as the process of acceptance of tenders and the payment of consideration is complete. The Public Shareholders will not be able to trade in such Equity Shares which have been tendered in the Open Offer during such period, even if the acceptance of the Equity Shares in this Offer and/or payment of consideration are delayed. During such period, there may be fluctuations in the market price of the Equity Shares. Neither the Acquirer nor the Manager to the Offer make any assurance with respect to the market price of the Equity Shares, both during the period that the Open Offer is open and upon completion of the Open Offer, and each of them disclaim any responsibility with respect to any decision taken by the Public Shareholders with respect to whether or not to participate in the Open Offer. The Public Shareholders will be solely responsible for their decisions regarding their participation in this Open Offer.

- The information contained in this Draft Letter of Offer is as of the date of this Draft Letter of Offer unless expressly stated otherwise. The Acquirer and the Manager are under no obligation to update the information contained herein at any time after the date of this Draft Letter of Offer.

Each of the Acquirer or the Manager to the Offer expressly disclaim any responsibility or obligation of any kind (except as required under applicable law) with respect to any decision by any Public Shareholder on whether to participate or not in this Open Offer. The Public Shareholders should not be guided by the past performance of the Target Company and/or the Acquirer while arriving at their decision to participate in the Open Offer. It is understood that the Public Shareholders will be solely responsible for their decisions regarding their participation in this Offer.

- As per Regulation 38 of the SEBI (LODR) Regulations read with Rules 19(2) and 19A of the SCRR, the Target Company is required to maintain at least 25.00% (twenty-five per cent.) public shareholding as determined in accordance with SCRR, on a continuous basis for listing. If the shareholding of the Acquirer in the Target Company computed as the sum of: (a) number of Equity Shares validly tendered by the Public Shareholders and accepted in the Open Offer (i.e., the Tendered Shares); and (b) the Equity Shares agreed to be subscribed by the Acquirer under the Investment Agreement (i.e., the Subscription Shares), exceeds the MPS Cap (*as defined below*), then the Acquirer will undertake a proportionate reduction of the Tendered Shares and Subscription Shares in compliance with Regulation 7(4) of the SEBI (SAST) Regulations so as to ensure that, upon the completion of the Transaction, the aggregate shareholding of the Acquirer in the Target Company does not exceed the MPS Cap (i.e., the MPS Proportionate Reduction) (*as defined below*). In addition, if the aggregate of the Subscription Shares and the Tendered Shares (and, if the MPS Cap is breached as well, after undertaking the MPS Proportionate Reduction (*as defined below*)) along with the rest of the foreign shareholding in the Target Company exceeds the Foreign Shareholding Threshold (as of the close of the trading day immediately preceding the completion date under the Investment Agreement), then the Acquirer will acquire such lesser number of Subscription Shares such that the aggregate of the Subscription Shares, the Tendered Shares and the rest of the foreign shareholding in the Target Company does not exceed the Foreign Shareholding Threshold. III. DETAILS OF THE OPEN OFFER

A. Background to the Open Offer

1. The Open Offer is a mandatory open offer being made by the Acquirer in terms of Regulation 3(1) and Regulation 4 of the SEBI (SAST) Regulations pursuant to the execution of the Investment Agreement to acquire in excess of 25.00% (twenty-five per cent.) of the equity share capital of the Target Company and control over the Target Company.
2. The board of directors of the Acquirer, at their meeting held on 18 October 2025, have, *inter alia*, approved the proposed subscription of up to 60.00% (sixty per cent.) of the total paid-up share capital of the Target Company by way of subscription of the Subscription Shares, subject to closing occurring under, and in accordance with the terms of, an investment agreement proposed to be executed with the Target Company. Accordingly, the Acquirer has entered into an investment agreement dated 18 October 2025 with the Target Company (the “**Investment Agreement**”) pursuant to which Acquirer has agreed to subscribe to, and the Target Company has agreed to issue and allot to the Acquirer by way of preferential issue, the Subscription Shares at a price of ₹280.00 (two hundred and eighty rupees) per Equity Share (“**Subscription Price**”) amounting to a maximum aggregate of ₹ 268,532,778,080 (two hundred sixty-eight billion five hundred thirty-two million seven hundred seventy-eight thousand eighty rupees), in accordance with the terms and conditions of the Investment Agreement, and provided that the acquisition of the Subscription Shares along with the Offer Shares does not result in breach of the: (a) the MPS Cap; and (b) the Foreign Shareholding Threshold (the “**Preferential Issue**”).
3. Under the NDI Rules, foreign banks may operate in India only through one of the following three channels: (a) branches; (b) a wholly owned subsidiary; or (c) a subsidiary with aggregate foreign investment of up to 74.00% (seventy-four per cent.) in a private bank (“**Subsidiary Mode of Presence**”). The Target Company is a listed banking company, and even post consummation of the Transaction, will continue to remain listed in India with public shareholding. Accordingly, the only route available for the Acquirer (being a foreign bank) for operating in India is through the Target Company in the Subsidiary Mode of Presence. Consequently, the Acquirer intends to acquire a minimum of 51.00% (fifty-one per cent.) and a maximum of 74.00% (seventy-four per cent.) of the total paid-up equity share capital of the Target Company (through a combination of acquisition of the Subscription Shares and the Tendered Shares) and operate in India through the Subsidiary Mode of Presence.
4. Since the Acquirer has entered into an agreement to acquire voting rights in excess of 25.00% (twenty-five per cent.) of the equity share capital of the Target Company and control over the Target Company, the Open Offer is being made under Regulation 3(1) and Regulation 4 of the SEBI (SAST) Regulations. Pursuant to the Open Offer and consummation of the transactions contemplated under the Investment Agreement, the Acquirer will have control over the Target Company and the Acquirer will become the promoter of the Target Company in accordance with the provisions of the SEBI (LODR) Regulations. The Acquirer will appoint certain individuals as nominee directors on the board of directors of the Target Company upon consummation of the transactions contemplated in the Investment Agreement.
5. If the shareholding of the Acquirer in the Target Company computed as the sum of: (a) number of Equity Shares validly tendered by the Public Shareholders and accepted in the Open Offer (i.e., the Tendered Shares); and (b) the Equity Shares agreed to be subscribed by the Acquirer under the Investment Agreement (i.e., the Subscription Shares), exceeds the MPS Cap, then the Acquirer will undertake a proportionate reduction of the Tendered Shares and Subscription Shares in compliance with Regulation 7(4) of the SEBI (SAST) Regulations so as to ensure that, upon the completion of the Transaction, the aggregate shareholding of the Acquirer in the Target Company does not exceed the MPS Cap (the “**MPS Proportionate Reduction**”). In addition, if the aggregate of the Subscription Shares and the Tendered Shares (and, if the MPS Cap is breached as well, after undertaking the MPS

Proportionate Reduction) along with the rest of the foreign shareholding in the Target Company exceeds the Foreign Shareholding Threshold (as of the close of the trading day immediately preceding the completion date under the Investment Agreements), then the Acquirer will acquire such lesser number of Subscription Shares such that the aggregate of the Subscription Shares, the Tendered Shares and the rest of the foreign shareholding in the Target Company does not exceed the Foreign Shareholding Threshold (collectively with the MPS Proportionate Reduction, referred to as the “**Proportionate Scale Down and Contractual Reduction Mechanism**”).

6. The proposed allotment and subscription of the Subscription Shares under the Investment Agreement (as explained in paragraphs 2, 3, 4 and 5 of this Section III(A) (*Background to the Open Offer*) above) is referred to as the “**Underlying Transaction**”. A tabular summary of the Underlying Transaction is set out below:

Type of transaction (direct/indirect)	Mode of transaction @ (Agreement/ Allotment/ market purchase)	Equity Shares/ Voting rights acquired/ proposed to be acquired		Total consideration for shares/ Voting Rights (VR) acquired (Rupees)	Mode of payment (Cash/ securities)	Regulation which has triggered

- (3) The minimum number of Equity Shares to be acquired by the Acquirer under the Investment Agreement will depend on the issued and outstanding equity share capital of the Target Company upon completion of the Underlying Transaction, depending on the change in the equity share capital of the Target Company on account of any exercise of vested employee stock options during the offer period of the Open Offer as well as the number of Tendered Shares and the level of foreign shareholding in the Target Company immediately prior to the completion of the Underlying Transaction.
- (4) Voting rights for the Acquirer in the Target Company shall be capped at the level prescribed in Section 12(2) of the Banking Regulation Act, 1949 (as amended) and guidelines issued by the RBI from time to time (i.e., voting rights of the Acquirer in the Target Company will be capped at 26.00% of the paid-up share capital of the Target Company).
- (5) The entire Subscription Price for each Subscription Share shall be payable by the Acquirer at the time of subscription of the Subscription Shares by the Acquirer pursuant to the Preferential Issue.
- (6) If the aggregate foreign investment limits of the Target Company as on the date of (and immediately prior to) the closure of the Open Offer are not sufficient enough to enable the Acquirer to acquire a minimum of 51.00% (fifty-one per cent.) of the issued and paid up equity share capital of the Target Company, factoring the: (a) subscription to the Subscription Shares; and (b) the acquisition of the Tendered Shares, then the Acquirer shall be entitled to terminate the Investment Agreement and will apply to SEBI for withdrawal from the Open Offer.

1.1 General Provisions

- 1.1.1 This Open Offer will be executed off – market and Securities Transaction Tax (“STT”) will not be applicable to the Equity Shares accepted in the Offer.
- 1.1.2 The basis of charge of Indian income tax under the Income Tax Act depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from 1 April until 31 March.
- 1.1.3 A person who is a tax resident under the IT Act is liable to income tax in India on such person’s worldwide income, subject to certain tax exemptions, which are provided under the IT Act.
- 1.1.4 A person who is treated as a non-resident for Indian income tax purposes is generally subject to tax in India only on such person’s India-sourced income (i.e., income which accrues or arises or deemed to

accrue or arise in India) and on income received or deemed to be received by such person in India. In case of shares of a company, the source of income from sale of shares depends on the “situs” of such shares. Based upon the judicial pronouncements, generally the “situs” of the shares is where a company is “incorporated” and where its shares can be transferred.

- 1.1.5 Since the Target Company is incorporated in India, the Target Company’s Equity Shares are deemed to be “situated” in India and any gains arising to a non-resident on transfer of such Equity Shares should be taxable in India under the IT Act.
- 1.1.6 Further, the non-resident shareholder can avail benefits of the Double Taxation Avoidance Agreements (“**DTAA**”) between India and the respective country of which the said non-resident shareholder is tax resident subject to satisfying relevant conditions including but not limited to (a) conditions present in the said DTAA (if any) read with the relevant provisions of the Multilateral Convention to Implement Tax Treaty related Measures to Prevent Base Erosion and Profit Shifting (“**Multilateral Instrument/MLI**”) as ratified by India with the respective country of which the said shareholder is tax resident; (b) meeting the anti-abuse tests under General Anti-Avoidance Rule (“**GAAR**”) and (c) providing and maintaining necessary information and documents as prescribed under the IT Act.
- 1.1.7 The IT Act also provides for different income tax regimes/rates applicable to the gains arising from the tendering of Equity Shares under the Open Offer, based on the period of holding, residential status, classification of the Public Shareholder, nature of the income earned and mode of acquisition, etc.
- 1.1.8 As per the provisions of the IT Act, the Public Shareholders would be required to file an annual income-tax return, as may be applicable to different category of persons, with the Indian income tax authorities, reporting their income for the relevant tax year.
- 1.1.9 The summary of income tax implications on tendering of listed Equity Shares off the recognized stock exchange in India is set out below. All references to Equity Share herein refer to listed Equity Share unless stated otherwise.

Please note the following:

- For each delivery instruction, the beneficial owners should submit separate Form of Acceptance-cum-Acknowledgement.
- The Registrar to the Offer is not bound to accept those acceptances, for which corresponding Equity Shares have not been credited to the Open Offer Escrow Demat Account or for Equity Shares that are credited in the Open Offer Escrow Demat Account but the corresponding Form of Acceptance-cum-Acknowledgment has not been received as on the date of closure of the Offer.

In case of non-receipt of the aforesaid documents, but receipt of the Equity Shares in the Open Offer Escrow Demat Account, the Acquirer may (at its sole discretion) deem the Offer to have been accepted by the Public Shareholder in case of a resident Public Shareholder.

9. In case of Equity Shares held in joint names, names should be filled up in the same order in the Form of Acceptance-cum-Acknowledgement as the order in which they hold Equity Shares in the Target Company/RBL Bank Limited, and should be duly witnessed. This order cannot be changed or altered nor can any new name be added for the purpose of accepting the Offer
10. If the Offer Shares tendered are rejected for any reason, the Offer Shares will be returned to the sole/first named Public Shareholder(s) along with all the documents received at the time of submission.
11. The Procedure for Acceptance and Settlement of this Offer has been mentioned in the LoF in Section VIII (*Procedure for Acceptance and Settlement of the Offer*).
12. The LoF along with Form of Acceptance-cum-Acknowledgement is being dispatched to all the Public Shareholders as on the Identified Date. 13. All the Public Shareholders should provide all relevant documents, which are necessary to ensure transferability of the Equity Shares in respect of which the acceptance is being sent. Such documents may include (but not be limited to):
 - Duly attested death certificate and succession certificate/probate/letter of administration (in case of single Public Shareholder) in case the original Public Shareholder is dead.
 - Duly attested power of attorney if any person apart from the Public Shareholder has signed the Form of Acceptance-cum-Acknowledgement.

17. All Public Shareholders, (including resident or non-resident shareholders) must obtain all requisite approvals required, if any, to tender the Offer Shares (including without limitation, the approval from the RBI, if applicable) held by them, in the Offer and submit such approvals, along with the other documents required to accept this Offer. In the event such approvals are not submitted, the Acquirer reserves the right to reject such Equity Shares tendered in this Offer. Further, if the holders of the Equity Shares who are not persons resident in India had required any approvals (including from the RBI, or any other regulatory body) in respect of the Equity Shares held by them, they will be required to submit such previous approvals, that they would have obtained for holding the Equity Shares, to tender the Offer Shares held by them, along with the other documents required to be tendered to accept this Offer. In the event such approvals are not submitted, the Acquirer reserves the right to reject such Offer Shares.

NRI Public Shareholders tendering their Equity Shares in the Offer and holding such Equity Shares on a repatriable basis (in which case the consideration can be remitted abroad) should (i) provide relevant proof of such holding on a repatriable basis viz. RBI approval (if applicable) or proof that such Equity Shares were purchased from funds from a Non-Resident External (“NRE”) bank account or by way of foreign inward remittance; and (ii) furnish details of the type of the relevant bank account, i.e. NRE bank account, to which the consideration should be credited.

NRI Public Shareholders tendering their Equity Shares in the Offer and holding such Equity Shares on a non-repatriable basis should provide details of their Non-Resident (Ordinary) (“NRO”) bank account, based on which the cheque or demand draft constituting payment of purchase consideration will be drawn. In the event that details of a NRO bank account are not furnished, the Equity Shares tendered by such NRI Public Shareholders would be rejected. Alternatively, if such a NRI Public Shareholder wishes to receive the consideration in a NRE bank account, such NRI Public Shareholder should provide a specific RBI approval permitting consideration to be credited to such bank account, based on which the cheque or demand draft constituting payment of purchase consideration will be drawn. In the event that such a specific RBI approval and the details of such designated bank account are not furnished, the Equity Shares tendered by such NRI Public Shareholders would be liable for rejection.

21. Neither the Acquirer, the Manager to the Offer, the Registrar to the Offer nor the Target Company/RBL Bank Limited will be liable for any delay/loss in transit resulting in delayed receipt/non-receipt by the Registrar to the Offer of your Form of Acceptance-cum-Acknowledgement or for the failure to deposit the Equity Shares to the Open Offer Escrow Demat Account or for any other reason.
